African Myths & Legends

A collection of traditional tales from Africa, reflecting the cultures and religions from which the stories come.

African Myths

Sub-Saharan Africa is a land of colourful contrasts and diverse cultures. Despite the destructive influences of colonialism and the slave trade and the lack of early written records, Africa has persevered with its powerful tradition of storytelling, with tales of its history passed down in songs and stories through the generations. Because of the huge diversity of lifestyles and traditions, no real unified mythology exists in Africa, but broadly speaking, a number of beliefs, ideas and themes are shared by African peoples. So this collection offers a selection of descriptions and tales, often those recorded faithfully by some of the first to put them to paper – tales of the gods, creation stories, trickster adventures, animal fables and stories which amuse and teach – from Olukun's Revenge, from the Yoruba people of west Africa, to The Story of the Glutton, from the Bantu-speaking peoples of east Africa, all brought together with the aim of providing an insight into the boundless and vibrant world of African myth. FLAME TREE 451: From mystery to crime, supernatural to horror and myth, fantasy and science fiction, Flame Tree 451 offers a healthy diet of werewolves and mechanical men, blood-lustly vampires, dastardly villains, mad scientists, secret worlds, lost civilizations and escapist fantasies. Discover a storehouse of tales gathered specifically for the reader of the fantastic.

Myths and Legends of Africa

Why do spiders hide in dark corners? How did the world come into being? Explore the rich mythologies and legends of the many cultures of the peoples of Africa. Famous Myths and Legends is a beautifully photographed and illustrated 12-volume series designed to narrate the ancient mythologies and inherited stories from the many diverse cultures throughout the world.

African Myths and Legends

A collection of the most gripping African tales, vividly retold and illustrated by an intriguing array of paintings and illustrations.

African Myths and Legends

The world's myths are filled with characters, creatures, and stories that have fascinated people for thousands of years. This series mixes dramatic retellings and non-fiction information to give a full picture

of a culture's myths. This book explores the gods, goddesses, heroes, villains, tricksters, and quests that make African myths and legends so compelling.

African Myths and Legends

A combination of two earlier Struik publications (Daughter of the Moonlight and Other African Tales and South African Myths and Legends), this is a spellbinding, fascinating collection of tales to enliven the imagination of young readers.

African Myths and Legends

A collection of 34 tales taken from the folklore of different African peoples. Grades 5-7.

African Myths and Legends

Long before people could read or write, stories were passed on by word of mouth. Every time they were told, they changed a little, with a new character added here and a twist to the plot there. From these ever-changing tales, myths and legends were born.

African Myths and Legends

Gorgeous Collector's Edition. With its powerful tradition of storytelling, the myths of the continent of Africa have survived colonialism and slavery, bringing together a rich diversity of cultures from Ethiopia to Tanzania, from the Xhosa people to the Yoruba. This collection offers tales of the gods, creation stories, trickster adventures, animal fables and stories which amuse and teach from 'The Tortoise and the Elephant', from the Akamba of Kenya, to 'Why the Moon Waxes and Wanes', from Southern Nigeria, providing an insight into the boundless and vibrant world of African myth. Flame Tree Collector's Editions present the foundations of speculative fiction, authors, myths and tales without which the imaginative literature of the twentieth century would not exist, bringing the best, most influential and most fascinating works into a striking and collectable library. Each book features a new introduction and a Glossary of Terms.

African Myths and Legends

Discover The Gods and Myths of African Mythology Ancient Africa holds a rich legacy of oral cultures, philosophies, and standards that reflect today's deep moral standards. For centuries, African mythology has largely been overlooked by its Western neighbors, particularly Greece and Rome, where myths and legends are typically narrated as single stories, unlike their African counterparts. But in recent years, academics and popular readers are starting to steer back to this continent, where legends and deities from ancient civilizations are just waiting to be revealed to the world.

African Myths & Legends

As you study the African myths, legends, and folklore through this guide, you will find that there are so many gods and goddesses, and so many different versions of certain stories, that it will blow your mind. The intricate myths in this book have been lined up and collected to help you understand some of the earliest, most ancient beliefs from those living on the African continent. Some have been influential in our day, and some have been completely forgotten except for vague traditions that have been passed on from one generation to the next. Read about the creation of the universe, plants, animals, and finally, the woman first and the man second (how ironic). You'll find out what significance a tortoise made in one particular African myth, why and how the sex goddess was worshipped and feared, which historical and cultural facts helped the Africans believe in these things, and how some of these customs have been introduced in our modern-day culture. Begin today and find out more about these fascinating facts and myths!

African Mythology

Enjoy a rich collection of folktales, myths and legends from all over Africa and the Caribbean, re-told for young readers. From the trickster tales of Anansi the spider, to the story of how the leopard got his spots; from the tale of the king who wanted to touch the moon, to Aunt Misery's magical starfruit tree. This book includes traditional favourites and classic folktales and mythology.

Myths and Legends of the Bantu

Are you interested in studying African mythology and want to learn about the African people's diverse cultures, beliefs, and concepts? And are you looking for a captivating collection of myths from different African countries? If your answer is YES, read on... You Are About To Uncover The Secrets Of The Legends, Heroes, And Myths Of Ancient Africa - Way Before Civilization! The African continent is made up of 54 countries with over 3000 cultures. Each of these cultures has its own story to tell. Some of the stories originate from the secret beliefs of the native people, while others are influenced by cultures that came to settle in the region. In ancient Africa, myths helped people try to make sense of the world around them. There are different types of African myths; some try to explain the origin of things; others speak of heroes who had supernatural abilities, and other stories are told to caution the people and show them how to behave well. The people told and retold these stories through different generations until they came to be held as the truth. The fact that you are reading this means that you are interested in finding out more about this rich blend of African myths and you are probably wondering... How do myths impact culture? Are some of these myths true? What are some of the most popular African myths? If you are asking yourself these and other questions, then this book is for you, so carry on reading. This book provides clear, easy-to-understand answers to all of these questions. This book focuses on some of the most popular African myths and reveals how they have shaped the culture and values of the respective communities. You will also get to know their history and what they really mean. In detail you will learn about: What African mythology entails Some of the different African gods and goddesses Some of the famous African heroes and legends The influence of colonialism on African culture and how Africa was before the colonial era And much more... African mythology is very complex and intricate. Some of the principles behind the mythological beliefs were intertwined with real events. This book will unravel all this ideology and give you a true insight into African Mythology. Even if you've never been interested in mythology but you are curious to know about other people, this book is for you! Get started on this amazing journey now. Africa

Art and legend of ancient Africa are examined to reveal the mythologies of the vast continent.

African Mythology: Gods and Mythical Legends of Ancient Africa

This book tells stories about many strange characters like witches, witchdoctors, mediums, diviners, mystics, ghosts, ogres, mermen and mermaids, human beings who claim to be able to change into wild animals, wild animals possessed by strange wisdom or spirits. Here are the myths of the mountains, the rivers, waterfalls and forests; the wonderful dreams of many people whose minds have groped in the dark in search of a tiny light to illuminate the immensity of space and the baffling riddles of the universe.

Mythology

From the rift valley come stories of gods, tricksters, cattle and ogres from the many peoples of East Africa. Traditional stories bring a deeper understanding of the movement of peoples across East Africa. Common roots and differences between ancient peoples create a lively portrait with their fragile, powerful gods. The modern nations of Kenya, Tanzania, Uganda, Rwanda and more inherit the folk and mythic tales of the rift valley region. Here you'll find stories of ogres and tricksters, riddles and poems, figures such as the first man (Gikuyu) and woman (Mumbi), and great heroes of history such as Liongo. This new collection is created for the modern reader. FLAME TREE 451: From myth to mystery, the supernatural to horror, fantasy and science fiction, Flame Tree 451 offers a healthy diet of werewolves and mechanical men, blood-lusty vampires, dastardly villains, mad scientists, secret worlds, lost civilizations and escapist fantasies. Discover a storehouse of tales gathered specifically for the reader of the fantastic.

African and Caribbean Folktales, Myths and Legends

Ancient Africa holds a rich legacy of oral cultures, philosophies, and standards that reflect today's deep moral standards. For centuries, African mythology has largely been overlooked by its Western neighbors, particularly Greece and Rome, where myths and legends are typically narrated as single stories, unlike their African counterparts. But in recent years, academics and popular readers are

starting to steer back to this continent, where legends and deities from ancient civilizations are just waiting to be revealed to the world. ÿ

African Mythology

Africa south of the Sahara is a land of wide-ranging traditions and varying cultures. Despite the diversity and the lack of early written records, the continent possesses a rich body of folk tales and legends that have been passed down through the strong custom of storytelling and which often share similar elements, characters and ideas between peoples. So this collection offers a hefty selection of legends and tales – stories of the gods, creation and origins, trickster exploits, animal fables and stories which entertain and edify – from ‘Obatala Creates Mankind’, from the Yoruba people of west Africa, to ‘The Girl Of The Early Race, Who Made Stars’, from the San people of southern Africa, all collected in a gorgeous gold-foiled and embossed hardback to treasure.

African Mythology

As remembered by Rute Larungu and pictured by Lou Turechek.

Myths & Legends of the Swahili

In graphic novel form, presents three stories related to the religion and mythology of three Sub-Saharan African peoples.

Myths and Legends of Southern Africa

First Published in 1968. Routledge is an imprint of Taylor & Francis, an informa company.

East African Folktales

Illustrated with photographs of art objects from sub-Saharan Africa.

African Mythology

Tricksters and animals play an important role in West African folklore with stories that entertain but serve a moral purpose. Traditions and local tales revel in the antics of these characters: from Nigeria to Benin, from the cunning spider god Anansi to Agemo, the chameleon spirit deity of the Yoruba people, animals teach humans to farm, to love, to survive and thrive, and offer inspiration for moral purpose. This new collection is created for the modern reader. FLAME TREE 451: From mystery to crime, supernatural to horror and myth, fantasy and science fiction, Flame Tree 451 offers a healthy diet of werewolves and robots, mad scientists, secret worlds, lost civilizations and escapist fantasies. Discover a storehouse of tales, ancient and modern gathered specifically for the reader of the fantastic.

African Myths & Tales

From the earliest hunters and gatherers, African people have shared stories and legends about their origins and beliefs. These legendary myths have embedded themselves in the lives and culture of the African people and are represented in art, design, and music. This book explores some of these myths and legends and shows how they continue to manifest themselves in modern African culture.

Myths and Legends from Ghana for African-American Cultures

A collection of African myths, legends and fables about gods, spirits, ghosts, heroes, and animals.

African Myths

Teachers are continually looking for materials that will enhance their studies of cultures around the world. With this new book, author, Tony Fredericks and illustrator, Bongaman, present readers theatre scripts based on traditional African folklore. Plays are organized by area and identified by country. Included are tales from Algeria to Zambia and all areas in between. This title contains background information for teachers on each African country included as well as instruction and presentation suggestions. The rationale and role of readers theatre in literacy instruction is discussed and additional resources for extending studies of African folklore are included. Grades 4-8.

Myths and Legends of the Bantu

Gathering a wide range of traditional African myths, this compelling new collection offers tales of heroes battling mighty serpents and monstrous birds, brutal family conflict and vengeance, and desperate migrations across vast and alien lands. From impassioned descriptions of animal-creators to dramatic stories of communities forced to flee monstrous crocodiles, all the narratives found here concern origins - whether of the universe, peoples or families. Together, they create a kaleidoscopic picture of the rich and varied oral traditions that have shaped the culture and society of successive generations of Africans for thousands of years, throughout the long struggle to survive and explore this massive and environmentally diverse continent.

African Mythology

NOTE: This book has been illustrated and published by the students of Edgbarrow School in Berkshire, England as a special project to raise funds for their Ghana Sponsorship campaign. DESCRIPTION: The Yoruba people are descendants from a variety of West African communities. They are united by Geography, History, Religion and most importantly their Language. In this volume you will find 31 stories and tales like: AKITI THE HUNTER, SONS OF STICKS, WHY WOMEN HAVE LONG HAIR THE LEOPARD-MAN, THE COOKING POT and many more. You also will find a further nine stories of the adventures of Tortoise and the many mischievous things he gets up to. Many years ago, before the advent of the West African slave trade, the Yoruba people inhabited an area which stretched, along the coast of West Africa, all the way inward and down to Angola in South West Africa. Today this is not the case. The legends and fairy stories in this book belong to the Yoruba. They relate the adventures of men and animals, and try to explain the mysteries of Nature-Why Women have Long Hair, How the Leopard got his Spots, the Three Magicians, the Boa-Constrictor, How the Elephant got his Trunk and more. These stories grew from the imagination of the people. We read these folk-tales for their quaintness and humour, for their sympathy with Nature, and because we find in them the ideas and ideals, not just of one man, but of a race of people. In modern times we have begun paying close attention to folklore - old tales, not invented by one man, but belonging to the whole people; not written down, but told by parents to their children, and so handed on for hundreds of years. The legends express primitive notions of right and wrong. As a rule, the wicked are punished and the good rewarded; and that, we feel, is as it should be. We may weep at the death of rascally Tortoise, but we may also feel that he somehow has deserved his fate!

Bantu Myths and Other Tales

Creation myths, quests, the eternal battle between good and evil, these are some of the classic tales that feed the ravenous beast of modern culture. For many the classical traditions of the Greeks and the Romans occupy the imagination but the ancient world was a lively and fertile source of stories, reaching much further back than the pantheon of Zeus and his fellow gods. For the early civilisations, from the ancient Chinese to African tribal societies, stories were told to explain the origins of fierce weather, of unexplained disasters, of floods and earthquakes. Many traditions developed independently but still echoed similar themes in the natural human desire to understand the world around us. This new book brings to life the myths and legends of eight intriguing traditions: Native American, Chinese, Celtic, Scottish, Greek, Viking, Indian and African. With a cast of characters as broad and wide as the ancient river Styx the book is packed with the great themes of life: love, revenge, eternal conflict, the obsession with power and the everlasting battle between the wily and the strong. This powerful new book is a dazzling collection of the most gripping tales, vividly retold.

West African Folktales

Enjoy a rich collection of folktales, myths and legends from all over Africa and the Caribbean, re-told for young readers. From the trickster tales of Anansi the spider, to the story of how the leopard got his spots; from the tale of the king who wanted to touch the moon, to Aunt Misery's magical starfruit tree. This book includes traditional favourites and classic folktales and mythology.

African Myths and Beliefs

"Myths and legends from Africa. Features include information about the history and culture behind the myths, pronunciations, lists of deities, word glossary, further information, and index"--Provided by publisher.

Kings, Gods & Spirits from African Mythology

The nice thing about African mythology is that it is rooted in such ancient traditions. And although the west hasn't fully embraced some of these interesting stories, they have been told by many and remembered by some, enough to write them down and discover what they are all about. Different regions have different traditions, of course, and you'll learn more about many of them in this book. The mythological creatures, animals, gods, and goddesses all have distinct qualities and traits, so strap up and go for a ride in the African world of fantasy as you learn what people believed in and imagined. Find out more about the culture, the fertility rituals, birth, death, creation, and lots of other details. Begin your book now.

YORUBA LEGENDS

American Indian Myths and Legends

More than 160 tales from eighty tribal groups present a rich and lively panorama of the Native American mythic heritage. From across the continent comes tales of creation and love; heroes and war; animals, tricksters, and the end of the world. "This fine, valuable new gathering of ... tales is truly alive, mysterious, and wonderful—overflowing, that is, with wonder, mystery and life" (National Book Award Winner Peter Matthiessen). In addition to mining the best folkloric sources of the nineteenth century, the editors have also included a broad selection of contemporary Native American voices.

American Indian Myths and Legends

More than 160 tales from eighty tribal groups gives us a rich and lively panorama of the Native American mythic heritage. From across the continent comes tales of creation and love; heroes and war; animals, tricksters, and the end of the world. In addition to mining the best folkloric sources of the nineteenth century, the editors have also included a broad selection of contemporary Native American voices. With black-and-white illustrations throughout Selected and edited by Richard Erdoes and Alfonso Ortiz Part of the Pantheon Fairy Tale and Folklore Library

American Indian Mythology

The Myths of the North American Indians

An anthology of the legends and myths of the Algonquins, Iroquois, Pawnees, and Sioux includes such stories as "Hiawatha," "The Sacred Bear-Spear," and "The Legend of Cold Weather."

FOLKLORE AND FAIRYTALES OF THE NORTH AMERICAN

A GREAT READ FOR KIDS! In 1891, the first buffalo was purchased for Golden Gate Park, Congress created the U.S. Courts of Appeals, the first woman was admitted to Yale University, American Express issued the first Travellers Checks, Thomas Edison patented the motion picture camera, and Henry Wadsworth Longfellow published The Song of Hiawatha. It was also the year that Folk Lore and Legends of the North American Indian was first published by J.B. Lippincott. Folk Lore and Legends of the North American Indian is an exquisite compilation of North American Indian myths and legends as they existed in the late 1880s and early 1890s. These are the stories that were passed from mouth to mouth, teaching stories to help young Native Americans navigate through the uncertain journey of

life that lay ahead. J.B. Lippincott gathered the stories from letters transported to him via the recently completed Transcontinental Pacific Railroad. These stories should not become just another page in the ever-increasing forest of the internet; they should not be accessible only with the use of electronic devices. All Americans are invited, especially Native Americans, to keep a copy of this sliver of their history in their bookshelves for their children and their children's children to read and treasure for years to come. This book has been especially republished to raise funds for the American Indian Education Fund, benefitting the education of Native Americans across the United States of America. ABELA PUBLISHING - YESTERDAYS BOOKS raising funds for TODAYS CHARITIES

American Indian Trickster Tales

Of all the characters in myths and legends told around the world, it's the wily trickster who provides the real spark in the action, causing trouble wherever he goes. This figure shows up time and again in Native American folklore, where he takes many forms, from the irascible Coyote of the Southwest, to Iktomi, the amorphous spider man of the Lakota tribe. This dazzling collection of American Indian trickster tales, compiled by an eminent anthropologist and a master storyteller, serves as the perfect companion to their previous masterwork, *American Indian Myths and Legends*. *American Indian Trickster Tales* includes more than one hundred stories from sixty tribes--many recorded from living storytellers—which are illustrated with lively and evocative drawings. These entertaining tales can be read aloud and enjoyed by readers of any age, and will entrance folklorists, anthropologists, lovers of Native American literature, and fans of both Joseph Campbell and the Brothers Grimm.

Indian Legends of the Pacific Northwest

A collection of over one hundred tribal tales drawn from government documents, old periodicals and histories, reports of anthropologists and folklorists, and personal interviews with Indians of Washington and Oregon.

American Indian Mythology

Includes sections on mythology of Eskimo and Indians of northern Canada and Alaska.

North American Indian Mythology

The myths and legends in this book have been selected both for their excellence as stories and because they illustrate the distinctive nature of Native American storytelling. A collection of Native American myths and legends. Selected for their excellence as stories, and because they illustrate the distinctive nature of Native American storytelling. Drawn from the oral traditions of all major areas of aboriginal North America. Reveals the highly practical functions of myths and legends in Native American societies. Illustrates American Indians' profound engagement with their natural environment. Edited by an outstanding interpreter of Native American oral stories.

Native American Storytelling

In this brilliant reworking of Lewis Spence's seminal *Myths and Legends of the North American Indians*, Jon E. Lewis puts the work in context with an extensive new introductory essay and additional commentary throughout the book on the history of Native Americans, their language and lifestyle, culture and religion/mythology. He includes examples of myths from tribes omitted by Spence, a guide to tribes and their myths by region, a basic Lakota (Sioux) glossary, guides to key pronunciations and a bibliography.

A Brief Guide to Native American Myths and Legends

The world's myths are filled with characters, creatures, and stories that have fascinated people for thousands of years. This set mixes dramatic retellings and non-fiction information to give a full picture of a culture's myths. This book explores the gods, goddesses, heroes, villains, tricksters, and quests that make myths and legends so compelling.

American Indian Stories and Legends

Before the time of books, computers, tablets and recording devices, the history of many cultures was passed down, from person to person, by word of mouth. The rich histories of so many people were told

in songs, chants, poems and stories. This was and still is the way of Native American tribes. Each in its own way enriching their stories with their own experiences. By reliving these stories and songs, we have the opportunity to bring life back to the ancient spirits that created them. We have a chance to walk with the spirits of the past. Being there were so many different tribes with countless beliefs and customs, the only way to understand their ways is through understanding their stories. In this book there is a wide landscape of different tribes, stories and their beliefs. By exploring these stories, you are offered a glimpse into an often forgotten past. Among the stories included in this collection are: The Origin of the Bird's Feathers, The Magic Windpipe, Forsaken Brother, The Legend of Manitous Springs, The Origin of the Doll Being, A Widow's Revenge, Godasiyo the Woman Chief, Origin of the Sacred Arrow, Eskimo Story of the Northern Lights, Falling Star, Story of Manabush, The Four Directions, The Long Journey, The Origin of the Big House Ceremonies, Ghost of the White Deer, The Resuscitation of the only Daughter, The Origin of the Dream Dance, Porcupine's Revenge, The Magic Pots, The Origin of the Wolf Clan, The Wild Rose and many, many more.

Publisher description

Algonquian Indian Myths and Legends

Myths, personal narratives and historical traditions reveal beliefs and customs of twelve Indian tribes who once lived in the states of Idaho, Montana and Wyoming

Indian Myths

Explore Captivating Native American Myths Three captivating manuscripts in one book: Native American Mythology: Captivating Myths of Indigenous Peoples from North America Cherokee Mythology: Captivating Myths and Legends of a Native American Tribe Choctaw Mythology: Captivating Myths from the Choctaw and Other Indigenous Peoples from the Southeastern United States Part of the history of Indigenous cultures is, of course, their traditions of storytelling. Myths, legends, and folktales all play important roles in explaining how the world came to be the way it is, as well as giving listeners entertainment with humorous or scary stories, or giving them role models to look up to in hero tales. The author of this book has endeavored to provide at least one myth from every major culture group in North America: Arctic, Subarctic, Plateau, Northwest Coast, Great Basin, Great Plains, California, Southwest, Southeast, and Northeast Forest. Of the many different genres of story available, four are chosen for this present volume. The first has to do with the origins of things, either of the world in its entirety or some aspect thereof that was significant to the people who created the story. The other side of creation is death, and so the second section concerns tales of ghosts and monsters, some terrifying, some friendly, some the victims of prank-playing living people. However, out of the acts of destruction wrought by supernatural beings there is often something new created or a change worked that is necessary for the world to function properly. Tricksters and heroes occupy the third and fourth sections of the book, respectively. Coyote is, of course, a favorite trickster character for most North American Indigenous groups, while Raven is important to peoples in the Pacific Northwest and Arctic regions. Beaver is a trickster for the Nez Perce of the Columbia River Plateau, and for the Pomo of California, little Woodrat also lives by his wits. These tricksters are by turns clever, gullible, victor, and victim, but always there is a moral lesson to be learned from the stories of their adventures. The final section of the book presents stories of Indigenous heroes. Many of these heroes are shared by multiple cultures, usually within the same or adjacent culture areas. Some of the topics and myths covered in manuscript 1 of this book include: Origins Ghosts and Monsters Trickster Tales Hero Tales And much, much more! Some of the topics and myths covered in manuscript 2 of this book include: Why the Possum's Tail is Bare Kanati and Selu The Tlanuwa and the Uktena Two Tales of Snake Transformations The Daughter of the Sun The Ball Game of the Birds and Animals How Disease and Medicine Came to Be And much more! Some of the topics and myths covered in manuscript 3 of this book include: Choctaw Myths and Legends Legends from Other Southern Tribes So if you want to learn about Native American Myths, scroll up and click the "add to cart" button!

Handbook of Native American Mythology

Discusses American Indian mythology and its origins; the structure of its mythological world; and the heroes, spirits, and animals featured in its legends.

Indian Legends from the Northern Rockies

Of all the characters in myths and legends told around the world, it's the wily trickster who provides the real spark in the action, causing trouble wherever he goes. This figure shows up time and again in Native American folklore, where he takes many forms, from the irascible Coyote of the Southwest, to Iktomi, the amorphous spider man of the Lakota tribe. This dazzling collection of American Indian trickster tales, compiled by an eminent anthropologist and a master storyteller, serves as the perfect companion to their previous masterwork, American Indian Myths and Legends. American Indian Trickster Tales includes more than one hundred stories from sixty tribes--many recorded from living storytellers—which are illustrated with lively and evocative drawings. These entertaining tales can be

read aloud and enjoyed by readers of any age, and will entrance folklorists, anthropologists, lovers of Native American literature, and fans of both Joseph Campbell and the Brothers Grimm.

Native American Myths

Before the time of books, computers, tablets and recording devices, the history of many cultures was passed down, from person to person, by word of mouth. The rich histories of so many people were told in songs, chants, poems and stories. This was and still is the way of Native American tribes. Each in its own way enriching their stories with their own experiences. By reliving these stories and songs, we have the opportunity to bring life back to the ancient spirits that created them. We have a chance to walk with the spirits of the past. Native Americans used their stories to teach the children the traditions of their grandfathers. It was in this way that local customs were passed down and lessons were taught about how to live off the land and track animals. It was with stories they learned to grow crops and thrive in their natural environment. When foreign men entered and settled upon Indian sacred lands, the Native Americans were often forcibly removed. They were sent to areas unfamiliar. If it were not for their customs, language and tradition passed down through stories, they would have lost connection with who they were. These songs and myths were their way of keeping their legacy alive. Being there were so many different tribes with countless beliefs and customs, the only way to understand their ways is through understanding their stories. In this book, you will be shown a wide landscape of different tribes and hopefully present a true look at their beliefs, and understand the Native American people a little better. The mythology of North America is a cultural treasure house, but many of these myths and legends are hidden away in various old and rare books. It would be difficult for the average person to track down and collect this material because the rarity of some of these books makes them hard to find. So, this vast body of wisdom lies out of reach of most people... until now.

American Indian Stories and Legends

The mythology of the North America Indians is a cultural treasure trove, but many of these myths and legends have been hidden away in many old books and documents. So this vast body of wisdom has been out of reach of most people... until now. Through storytelling, the rich history of the Native American tribes is alive and well today. It has been shared and still pays tribute to fallen heroes of the past. It is through the glimpses into the past, and these stories much like the ones that are contained in this book, that you can see what a proud heritage they possess and how in tune with the Earth Native Americans really are. In this book there is a landscape of different histories and you are presented with a true look at their beliefs. Understand the Native American people a little better and understand where they have come from and what they can offer the world. By exploring these stories, you are offered a glimpse into an often forgotten past. This large volume is split into the categories of: Origin Tales, Animal Tales, People Tales, Creation Tales, Strange Tales, Itkomi Tales, Ghost Tales and Quotations. Among the stories included in this collection are: The Story of the Drum, The Origin of Corn, The Legend of the Peace Pipes, Wakiash and the First Totem Pole, The Origin of Tobacco, The Toad and the Boy, Bear-Woman and Deer-Woman, Song of the Buffalo, The Simpleton's Wisdom, The Transformed Grandmother, The Foster Child of the Deer, What's This? My Balls for Dinner?, The Search for the Corn Maidens, Legend of the Cherokee Creation, Children of the Sun, The Destruction of the Bear, The Ghosts' Buffalo, The Skin Shifting Old Woman, and many, many more.

American Indian Trickster Tales

Continuing the series The Best Native American Myths, Legends, and Folklore, Volume 3 offers an enjoyable look into the history of the Native American Indian. Before the time of books, computers, tablets and recording devices, the history of many cultures was passed down, from person to person, by word of mouth. The rich histories of so many people were told in songs, chants, poems and stories. This was and still is the way of Native American tribes. Each in its own way enriching their stories with their own experiences. By reliving these stories and songs, we have the opportunity to bring life back to the ancient spirits that created them. We have a chance to walk with the spirits of the past. Being there were so many different tribes with countless beliefs and customs, the only way to understand their ways is through understanding their stories. In this book I have endeavored to show a wide landscape of different tribes and hopefully present a true look at their beliefs. Among the stories included in this collection are: The Alligator and The Hunter, Mistakes of Old Man, The Badger and the Bear, The Bird Tribes, The Spider Woman and the Twins, The Woman and Her Bear, Creation Story, Yaponcha - The Wind God, How Fire Came To the Six Nations, The Origin of the Prairie Rose, The Bird Whose Wings

Made the Wind, A Widow's Revenge, The Story of a Poor Man, Heavy Collar and the Ghost Woman, Bluejay Finds a Wife, The Medicine Grizzly Bear, A Little Brave and the Medicine Woman, The Man Who Was Afraid of Nothing, The Simpleton's Wisdom, Crossing the Red Sea, Wakiash and the First Totem Pole, and many more.

The Best Native American Myths, Legends, and Folklore

Long before they were written down, American Indian myths were kept alive by a strong oral tradition. Have you ever wondered how the world was made? This book discusses this mystery, along with other myths and legends from different culture areas throughout North America. Each chapter is followed by a Question and Answer section which covers characters, themes, and symbols. An Expert Commentary section enhances the myths with opinions by noted scholars.

Native American Stories

Native American Mythology began long before the European settlers arrived on North American soil. The most popular of these myths usually are the ones dealing with Creation and Origins of people, places and things. These myths deal with both how the physical world as we know it came to be and how the many features of specific cultures originated. They cover areas of gods and man and why we were separated, where did the different races come from, and when did evil surface. Being there were so many different tribes with countless beliefs and customs, the only way to understand these beliefs is through understanding the Native American stories. In this book there is a wide landscape of different tribes that present a true look at these beliefs. Among the stories included in this anthology are: Creation of the First Indians, Creation of the Red and White Races, In the Beginning, How the Great Chiefs Made the Moon and the Sun, Origin of Fire, The First Moccasins, The Origin of Game and of Corn, The Origin of Medicine, The Origin of Summer and Winter, Origin of the Animals, Origin of the Buffalo, Origin of the Clans, Origin of the Sweat Lodge, The Origin of the Winds, The Origin of Yosemite, The Origin of Earth, Origin of the Lakota Peace Pipe, How the World Was Made, The First Fire, Origin of the Pleiades And the Pine, and many more.

Myths & Legends of the Indians of the Southwest: Navajo, Pima, Apache
