Intro

Why I Use Microsoft PowerPoint to Make Project Status Report Templates

Getting Started - List the Project Status Report Template Components

Starting with a Blank PowerPoint Document - Project Name, Report Date, Author and Company Branding.

Project Status Update and Component RAG Sections (includes making tables in PowerPoint, changing fonts, merging table cells, changing cell height and width, and using the Eyedropper in the Shape Fill to change the colour of table cells)

Deliverables From the Previous Reporting Period, Deliverables Due in the Next Reporting Period and Return to Green Actions.

Reporting Risks and Issue in the Project Status Report Template (includes inserting columns into a PowerPoint table)

Additional Project Information including Project Financial Data (Budget, Forecast, Actual Spend and Variance), Project Stage, Go-Live Date and Project Sponsor.

Fine Tuning - making the Project Status Report Template look good by lining up the tables and columns where possible.

Fall Asleep In God's Word [Try Listening for 3 Minutes!] - Fall Asleep In God's Word [Try Listening for 3 Minutes!] by Abide Sleep Meditations 16,826,749 views 2 years ago 3 hours, 32 minutes - Fall Asleep in God's Word tonight with this Abide Sleep Mediation. Try listening to for 3 minutes to find rest and relaxation.

Fall Asleep in God's word with this Abide meditation read by James.

Remember the greatness of God as you relax and sleep.

Peaceful sleep with Bible story of Moses speaking to Pharaoh.

Discover a serene valley with the presence of the Lord and a message of provision for a tranquil sleep in God's Word.

Rest securely in God's presence with David's meditation from Psalms.

The burning bush; Moses' life-changing encounter with God.

Place all of your trust and worries in God's hands.

Meditate on God's faithfulness and justice.

Words for Teachers to Live By

In the fourth installment of Words to Live By series, Mary Engelbreit turns her attention to teachers-those who teach inside the classroom and out. The result is sure to win high marks from educators and the rest of her fans. Strong memories of her own early school days coupled with a deep respect for the work teachers do every day has made teaches (and school children too, of course) frequent subjects of Mary's artwork. "I guess it's my little way of showing appreciation for a severely under-appreciated group," she says. As in the other Words to Live By books, Mary's artwork is presented alongside inspirational quotes from famous writers, scholars, statesmen, and students-this time with words that pay tribute to the practitioners of this most noble profession. Teachers love Mary Engelbreit, and this book shows that the feeling is mutual.

Teachers Live Forever in the Hearts They Touch Notebook

Teachers have such a profound impact on our lives and our future. Do you have a favorite teacher who went the extra mile and truly affected your life or your child's life? As a token of your appreciation of your

favorite teacher, this notebook would make the perfect, memorable and useful gift. This inspirational notebook features the inspirational quote " Teachers Live Forever in the Hearts They Touch" on the cover and has beautifully lined pages. High quality binding, premium design, paperback, beautiful matte finish looks, perfect size 7"X10" to keep in a purse, backpack or keep on a desk or as a bedside companion journal. Great Teacher Appreciation Gifts, End of the School Year Teacher Gifts, Thank You Teacher Gifts, Teacher retirement gift, Inspirational quotes book.

50 Ways to Say Thank You to a Teacher

50 Ways to Say Thank You to a Teacher: A Teacher Appreciation Gift of Beautiful Quotes, Notes, and Sayings About How Teachers Have a Positive Impact on Our Lives Teachers who go above and beyond deserve special teacher appreciation gifts. This book has been well crafted to say "thank you" to the greatest teacher in your life. A wonderful gift idea for teacher appreciation week 2018 and teacher appreciation day 2018! This is the perfect gift to make them feel appreciated by some of history's most passionate thinkers, writers, and artists. This elegant book includes the inspiring words of Plato, Maya Angelou, Alexander the Great, and many others, helping you communicate your appreciation with profound observations. All of these hand-selected quotes are overlaid on gorgeous full-color pictures or beautiful designs. The recipient of this gift will want to sit down with a cup of coffee and reflect on the sentiments inside which perfectly express the appreciation they should feel. Inside you will find: -Inspirational quotes: Found throughout the book are uplifting quotes from many of the world's historical figures emphasizing the importance of a teacher in someone's life: "The beautiful thing about learning is that no one can take it away from you." -B.B. King "Teaching is the greatest act of optimism." -Collen Wilcox -Beautiful images: Every page has remarkable photos to captivate the eye. The clear, crisp images act as a background and a sentimental way into your teacher's heart. Making the perfect gifts for teachers, this present can be read over and over again. This collection of timeless reflections and notes on teaching will serve as an inspiration to your favorite teacher for years to come. Make sure you give this book to a teacher soon to let them know how much you appreciate them. The perfect companion to a coffee mug or gift cards, or perfect by itself as well, make sure your favorite teacher receives this heartfelt expression of appreciation.

Beginning Teaching

The experiences of the first years of new teachers' professional lives are critical to their decisions about embracing or leaving the teaching profession. Written large, these experiences have the potential to either underpin or undermine the growth and development of the teaching profession. This book offers a research-based account of beginning teachers' experiences, told from their own perspectives and often in their own words. *Beginning Teaching: Stories from the Classroom* provides valuable source material to inform teacher education practices. The authors draw on more than 20 years of research on the professional learning, retention and attrition of beginning teachers to provide evocative illustrations of the challenges and successes that occur in the early years of teaching. The compelling and coherent narratives will appeal not only to student and graduate teachers but also to program designers, coaches and senior managers in schools. Above all, the book speaks to teacher educators in the hope that the experiences discussed here will suggest ways of supporting student teachers to grow and flourish once they launch their careers in the profession. These evocative stories express beginning teachers' anguish and elation and also provide testimony to their resilience and perseverance in an altruistic profession. The analysis and interpretation of their stories will challenge and uplift; inspire and shame; give cause for celebration and melancholy; generate empathy and provoke introspection. Above all else, these stories call for change.

The Courage to Teach

"This book is for teachers who have good days and bad -- and whose bad days bring the suffering that comes only from something one loves. It is for teachers who refuse to harden their hearts, because they love learners, learning, and the teaching life." - Parker J. Palmer [from the Introduction] Teachers choose their vocation for reasons of the heart, because they care deeply about their students and about their subject. But the demands of teaching cause too many educators to lose heart. Is it possible to take heart in teaching once more so that we can continue to do what good teachers always do -- give heart to our students? In *The Courage to Teach*, Parker Palmer takes teachers on an inner journey toward reconnecting with their vocation and their students -- and recovering their passion for one of the most difficult and important of human endeavors.

Unshakeable: 20 Ways to Enjoy Teaching Every Day...No Matter What

Passion cannot be faked. Students can tell when we're just going through the motions. But how can you summon the energy to teach with passion when there are so many distractions pulling you from what really matters? And if you barely have time for taking care of yourself, how can you have anything left to give your students? Don't wait for teaching to become fun again: plan for it! Your enthusiasm will become unshakeable as you learn how to: -Create curriculum "bright spots" that you can't wait to teach -Gain energy from kids instead of letting them drain you -Uncover real meaning and purpose for every single lesson -Incorporate playfulness and make strong connections with kids -Stop letting test scores and evaluations define your success -Construct a self-running classroom that frees you to teach -Say "no" without guilt and make your "yes" really count -Establish healthy, balanced habits for bringing work home -Determine what matters most and let go of the rest -Innovate and adapt to make teaching an adventure Unshakeable is a collection of inspiring mindset shifts and practical, teacher-tested ideas for getting more satisfaction from your job. It's an approach that guides you to find your inner drive and intrinsic motivation which no one can take away. Unshakeable will help you incorporate a love of life into your teaching, and a love of teaching into your life. Learn how to tap into what makes your work inherently rewarding and enjoy teaching every day...no matter what.

Teacher's Journey

Robert John Meehan's poetic insight into the heart and soul of both teacher and student tugs at readers' emotions like few writers can. His depth of experience as a teacher in some of the nation's most difficult schools over a period of four decades is deeply embedded in each of his selections of poetry. His ability to share the joy, sorrows, and at times, the horror of teaching in today's inner city schools is brought to the forefront in each of the poems included in his *The Teacher's Journey*. Meehan has accomplished much over the past decades in encouraging other teachers to share their feelings, emotions, and experiences in working with students. Follow Meehan as he inspires students and teachers alike in *The Teacher's Journey* to understanding the meaning of being an authentically effective teacher.

Wit and Wisdom for Teachers

Nationally acclaimed speaker and educator John Blaydes compiles nuggets of wit and wisdom to motivate and inspire his fellow educators. *The Educator's Book of Quotes* is a comprehensive resource for quotes relating to education and leadership, organized by sixteen themes for easy access and reference, including: *The Art of Teaching*, *Balancing the Time Crunch*, *Principles and Principals*, *Creating a Culture of Excellence*, *Inspirational Leadership*, *Education is Key*. Containing hundreds of inspirational quotes for teachers in all stages of their career, *The Educator's Book of Quotes* is a must have.

Teaching with Poverty in Mind

In *Teaching with Poverty in Mind: What Being Poor Does to Kids' Brains and What Schools Can Do About It*, veteran educator and brain expert Eric Jensen takes an unflinching look at how poverty hurts children, families, and communities across the United States and demonstrates how schools can improve the academic achievement and life readiness of economically disadvantaged students. Jensen argues that although chronic exposure to poverty can result in detrimental changes to the brain, the brain's very ability to adapt from experience means that poor children can also experience emotional, social, and academic success. A brain that is susceptible to adverse environmental effects is equally susceptible to the positive effects of rich, balanced learning environments and caring relationships that build students' resilience, self-esteem, and character. Drawing from research, experience, and real school success stories, *Teaching with Poverty in Mind* reveals * What poverty is and how it affects students in school; * What drives change both at the macro level (within schools and districts) and at the micro level (inside a student's brain); * Effective strategies from those who have succeeded and ways to replicate those best practices at your own school; and * How to engage the resources necessary to make change happen. Too often, we talk about change while maintaining a culture of excuses. We can do better. Although no magic bullet can offset the grave challenges faced daily by disadvantaged children, this timely resource shines a spotlight on what matters most, providing an inspiring and practical guide for enriching the minds and lives of all your students.

Bringing Words to Life

Hundreds of thousands of teachers have used this highly practical guide to help K–12 students enlarge their vocabulary and get involved in noticing, understanding, and using new words. Grounded in research, the book explains how to select words for instruction, introduce their meanings, and create engaging learning activities that promote both word knowledge and reading comprehension. The authors are trusted experts who draw on extensive experience in diverse classrooms and schools. Sample lessons and vignettes, children's literature suggestions, "Your Turn" learning activities, and a Study Guide for teachers enhance the book's utility as a classroom resource, professional development tool, or course text. The Study Guide can also be downloaded and printed for ease of use (www.guilford.com/beck-studyguide). New to This Edition *Reflects over a decade of advances in research-based vocabulary instruction. *Chapters on vocabulary and writing; assessment; and differentiating instruction for struggling readers and English language learners, including coverage of response to intervention (RTI). *Expanded discussions of content-area vocabulary and multiple-meaning words. *Many additional examples showing what robust instruction looks like in action. *Appendix with a useful menu of instructional activities. See also the authors' *Creating Robust Vocabulary: Frequently Asked Questions and Extended Examples*, which includes specific instructional sequences for different grade ranges, as well as *Making Sense of Phonics, Second Edition: The Hows and Whys*, by Isabel L. Beck and Mark E. Beck, an invaluable resource for K–3.

1,001 Pearls of Teachers' Wisdom

1,001 Pearls of Teachers' Wisdom is a fun and inspirational book packed with words of wisdom on the art of teaching. With more than three thousand entries, it includes thoughts on the art of teaching from hundreds of teachers, professors, authors, and politicians. Quotes are drawn from a wide variety of sources, from the ancient to the modern. Among the contributors are Aristotle, the Buddha, Mark Twain, Frederick Douglass, Helen Keller, Freud, Albert Einstein, Gandhi, Winston Churchill, and John Lennon. The late Frank McCourt, celebrated author of *Angela's Ashes* and a veteran educator, provides an inspiring introduction. Now in paperback, this portable treasure trove will make a perfect gift for a teaching school graduate, a favorite teacher, or anyone with a passion for learning and education.

Let Us Remember

This unique desktop flipbook is made up of inspirational quotes related to teaching drawn from Scripture, Saint John Baptist de La Salle, and from contemporary teachers. After reading these quotes, a religion teacher will feel a connection with a saint who understood what it meant to be a teacher and with contemporary teachers who are trying to live the ideals of faith and their vocation every day. An outstanding companion for anyone who teaches religion classes. Makes a great gift idea for teachers as well!

Engaging Students with Poverty in Mind

Drawing from research, experience, and real school success stories, this galvanizing book explores engagement as the key factor in the academic success of economically disadvantaged students.

Full of anecdotes, inspiring words, and captivating full-colour photographs, 'Teachers Touch Tomorrow' is a beautiful keepsake to honour this noble profession. A ribbon marker tucks between the pages so teachers can

mark favourite words of appreciation and encouragement, reminding them how much they mean to their students, now and forever.

Moments with Jesus for teachers

This book will offer daily encouragement to teachers as they serve on the battlefield of education. This book encourages teachers to keep their eyes fixed on the Lord through His Word and prayer. Victory is assured on this battlefield as we are faithful to keep our moments with Jesus a priority.

Teaching What They Learn, Learning What They Live

"Cogent, interesting, and provocative."-from the foreword by Ann Lieberman Teaching What They Learn, Learning What They Live explores the multiple social, political, and epistemological domains that comprise learning-to-teach. Based on a study of eight beginning English teachers at four different university teacher preparation programs, this book examines the ways in which beginning teachers' personal dispositions and conceptions combines with their teacher preparation programs' professional knowledge and contexts to form their understandings of and approaches toward teaching. Brad Olsen recasts learning-to-teach as a continuous, situated identity process in which prior experiences produce deeply embedded ways of viewing the world that go on to organize current/future experience into meaning. Since experience shapes learning and everyone acquires different sets of experience, no individual teacher's knowledge is exactly like another's. Yet Olsen shows also that the process by which a teacher constructs professional knowledge is common: the what of teacher knowledge varies, but the how remains the same.

Great Quotes for Great Educators

Over 600 insightful, witty nuggets to motivate and inspire you and everyone else at your school. Teachers, display these quotes in your classrooms! Administrators, insert them into your faculty memos and share them at staff meetings! Why is this book unique? It includes over 100 original quotes from internationally acclaimed speaker and educator Todd Whitaker, features real quotes from real students which echo wit and wisdom for educators, and each quote has a direct connection to your life as an educator.

The importance of teaching

England's school system performs below its potential and can improve significantly. This white paper outlines action designed to: tackle the weaknesses in the system; strengthen the status of teachers and teaching; reinforce the standards set by the curriculum and qualifications; give schools back the freedom to determine their own development; make schools more accountable to parents, and help them to learn more quickly and systematically from good practice elsewhere; narrow the gap in attainment between rich and poor. The quality of teachers and teaching is the most important factor in determining how well children do. The Government will continue to raise the quality of new entrants to the profession, reform initial teacher training, develop a network of "teaching schools" to lead training and development, and reduce the bureaucratic burden on schools. Teachers will be given more powers to control bad behaviour. The National Curriculum will be reviewed, specifying a tighter model of knowledge of core subjects so that the Curriculum becomes a benchmark against which school can be judged. Schools will be given more freedom and autonomy, the Academies programme extended and parents will be able to set up "Free Schools" to meet parent demand. Accountability for pupil performance is critical, and much more information will be available to aid understanding of a school's performance. School improvement will be the responsibility of schools, not central government. Funding of schools needs to be fairer and more transparent, and there will be a Pupil Premium to target resources on the most deprived pupils.

Teach Like a Pirate

In this book you'll learn how to: tap into your passion as a teacher - even when you're less than excited about the subject; develop creative presentations that capture your students' interest; establish rapport and a sense of camaraderie in your classroom; transform your class into a life-changing experience for your students. --from back cover.

Working with Words

Research shows that vocabulary is the best support for students' comprehension of narrative and information texts. Often, vocabulary instruction focuses on a few target words in specific texts. However, to understand the many new words in complex texts students need to know how words work. This book, written by an award-winning authority on reading instruction, shows teachers how to make small changes to teach more words and also how words work. Many of these small changes involve enrichments to existing vocabulary practices, such as word walls and conversations with students. Each chapter includes descriptions of teachers' implementation of small changes to support big gains in students' vocabulary. This book, which has sufficient depth in research and theory for graduate and undergraduate courses in vocabulary instruction, also offers practical steps that K–8 teachers can use in any reading program to help all students grow their vocabulary. *Teaching Words and How They Work* shows teachers how to: Identify the most important word families to teach. Teach students to use opening text as background knowledge for comprehending the rest of the text. Use word walls with more purpose and greater student engagement. Select the right words to teach from new information texts. Better understand limitations of leveled texts and how to adjust. Use assets and address challenges to support English learners. A study into the Biblical Wisdom Book of Psalms, including its prophecies for Messiah and for Israel.

Teachers' Training

Each and every day teachers show up in their classrooms with a relentless sense of optimism. Despite the complicated challenges of schools, they come to and remain in the profession inspired by a conviction that through education they can move individuals and society to a more promising future. In *Teaching with Heart: Poetry that Speaks to the Courage to Teach* a diverse group of ninety teachers describe the complex of emotions and experiences of the teaching life – joy, outrage, heartbreak, hope, commitment and dedication. Each heartfelt commentary is paired with a cherished poem selected by the teacher. The contributors represent a broad array of educators: K-12 teachers, principals, superintendents, college professors, as well as many non-traditional teachers. They range from first year teachers to mid-career veterans to those who have retired after decades in the classroom. They come from inner-city, suburban, charter and private schools. The teachers identified an eclectic collection of poems and poets from Emily Dickinson, to Richard Wright, to Mary Oliver to the rapper Tupac Shakur. It is a book by teachers and for all who teach. The book also includes a poignant Foreword by Parker J. Palmer (*The Courage to Teach*), a stirring Introduction by Taylor Mali (*What Teachers Make*), and a moving Afterword by Sarah Brown Wessling (*Teaching Channel*). Where *Teaching with Fire* honored and celebrated the work of teachers; *Teaching with Heart* salutes the tenacious and relentless optimism of teachers and their belief that despite the many challenges and obstacles of the teaching life, much is possible.

101 Lessons: Vocabulary Words in Context

Throughout history, philosophers have attempted to unravel the mystery of life. People from many diverse traditions have been invited to sit face to face at the table of philosophy to engage in analytical and critical reflection in what Dr. John Morgan calls "the great questions of life." This book invites students to explore the meaning of life in an easy and understandable manner through the infamous character Professor Plotimus. The antics of Professor Plotimus make philosophy interesting, uncomplicated, and easy to grasp while deeply compelling . . . It allows our minds to wonder and listen to the wisdom of the ages that life has meaning and purpose if we only loosen the chains of dogma and venture out of our caves as we attempt to see life in a fresh way. --from the Preface by Linda Lewis Riccardi Adjunct Professor of Humanities and Philosophy, Reading Area Community College

Early Learning Friends Teachers Guide

This warmly encouraging collection of daily readings offers immediate inspiration for readers seeking a more spiritually grounded lifestyle. Each reading is based on a quotation from one of the world's great philosophers, poets, saints, and sages. Augustine and Einstein, Emily Dickinson and Jalaladdin Rumi, Biblical verses, Buddhist sutras, Hasidic proverbs, and Hindu Upanishads can all be found here. Each quote is accompanied by a commentary from Easwaran, explaining how the wisdom of the ages can help us here and now. Some days offer gentle reminders to slow down and be mindful. Other days give advice for changing an unwanted habit, mending a relationship, staying strong in hard times, or striving toward the peaks of spirituality described in all religions. This is a book to read in the morning to start the day right, or at night to prepare for peaceful rest. Each day, each year, brings fresh insights and inspiration.

Advances in Advertising Research (Vol. III)

Advances in Advertising Research are published by the European Advertising Academy (EAA). This volume is a compilation of research presented at the 10th International Conference on Research in

Advertising (ICORIA) which was held in Berlin (Germany) in June 2011. In the face of an ever increasing number of products and services, as well as an increasingly cluttered media environment, advertising research is confronted with multiple challenges. Against this background, *Advances in Advertising Research* (Vol. 3) is gaining significance in advancing, promoting, disseminating, and stimulating high quality advertising research. This book provides state-of-the-art research in international advertising with twenty-nine articles by renowned advertising and communication scholars from the worldwide ICORIA network.

How to Write Sales Letters That Sell

The right piece of direct mail can produce excellent response rates and have an extraordinary effect on business. But why do some sale letters achieve spectacular results whilst others are instantly consigned to the bin? This book reveals the secrets of creating successful sales letters. Containing examples of real sales letters, it includes plenty of advice on what to avoid as well as what to include. Key topics are covered such as: the secrets of persuasion; planning a letter which will get replies; creating offers that get responses and timing mailings for maximum effect.

The Letter Book

The Robert Collier Letter Book shows the best solutions for copywriting and sales letters, explaining techniques, methods and the theory of letter writing which prove to be transferable to completely different times. The author presents plentiful examples of promotional letter writing from a bygone era which show the principles underlying the actual writing. Collier also discusses the interplay between marketing and business strategy, including accounting and product development. His samples provide highly relevant guidance for marketers.
