Flanders' Book of Faith

Hi-diddly-ho, true believers! Ned Flanders offers up a helping handful of homespun and homeschooled hints for G-rated general audiences. Follow the Nedster as he leads you through the thorny debate over church vs. state, puts the focus on the Flander's family tree, and lists his forbidden words (a.k.a. Neddy No-Nos). This gospel of goodness also includes a souvenir map to Praiseland, Ned's Comic Book of Virtues, and a sampling of the left-handed luxuries available only at The Leftorium. Whether you live north, south, east, or even west of the Bible belt, good ol' Nedilly Doodily will put you on the road to righteousness!

The Marge Book

Marge Simpson, the woman with the impossibly blue and improbably high hairdo, is a complex woman with an inner life, hopes and dreams, and an incorrigible family that she holds together with a healthy homemade helping of common sense. Join the coupon-clipping queen of discount shopping at the nearby Sprawl-Mart, at a meeting of the school PTA, in the middle of a bodice-ripping romance novel, at a theatrical performance of her one-woman show, or in her crusade against cartoon violence, domestic strife, and suburbia's quiet life of desperation . . . or at least her desperate hop that no one will hold anything that Homer or Bart does against her personally.

Ned Flanders' Book of Faith

"Hi-diddly-ho, true believers! Ned Flanders, everyone's favourite no-nonsense neighborino, is here to lend a helping hand, full of homespun and home-schooled hints. Follow the Nedster as he leads you through the thorny debate over church vs. state, comparing the Commandments to the Constitution; focus on the Flanders' family tree; get a glimpse of Springfield through Ned's Neighbourhood Watch, and learn the forbidden words (a.k.a. Neddy No-Nos) in the Flanders' household. This gospel of goodness also includes a souvenir map to Praiseland, the shrine and amusement park dedicated to his late wife, Maude; Ned's Comic Book of Virtues; and a sampling of the SharpeN'Edge, a catalogue of the left-handed luxuries available only at the Leftorium.

The Lisa Book

Pi carumba! You'll be livin' la vida Mensa with ... The Lisa Book. Whether she's extolling the virtues of vegetarianism and the global village, raising awareness about the world's moral and social ills, or simply playing with her Malibu Stacy doll and dreaming of ponies, Lisa Simpson is a role model for the 21st century! Discover Lisa's lifelong ambitions, gather snappy answers to environmentally insensitive questions, uncover "the Truth" by logging onto her Internet blog, and follow along as she solves a real mystery. From the benefits of being Teacher's Pet to the secret correspondences of Commander-in-chief Lisa's presidential administration you will explore the inner workings of one of America's most progressive eight-year-old minds. The Simpsons Library of Wisdom Matt Groening, the creator of "The Simpsons," offers an on-going series of portable and quotable books that will eliminate the need for all religions and philosophies, exalt man's role in the universe, and make the world a better place...sort of. No other television show in history has commented so freely and so humorously on modern times, and there seems to be no end in sight for the sharp satire and pointed parody that The Simpsons serves up every night of the week all around the world.

The Krusty Book

Comic genius. TV legend. Compulsive gambler. Tax evader. Deadbeat dad. Illiterate. Krusty the Clown is all of these things, and more. Part of 'The Simpsons Library of Wisdom', this book shows the reader how to avoid the tabloids, and go through Botox and detox with America's most beloved - and 'Krusty-est' - clown.

The Ralph Wiggum Book

There's more to Ralph Wiggum than meets the eye. See the world through Ralph-coloured glasses as he muses on paste, poetry, homemade gifts, history, arts and crafts, astronomy, summer vacation, science, right & wrong, crime & punishment, love, and leprechauns.

The Bart Book

The human condition, the meaning of life, the nature of the universe -- it's all here in the musings of one of recent history's greatest philosophers ... Bart Simpson!

Return of the Sewer King

"Something strange is happening to the city's water supply, and it's up to Arnold and Gerald to get to the bottom of it. But when they descend to the dark depths of the sewer system and see the Sewer King, an even bigger mystery unfolds."--P. [4] of cover.

GOD THE INVISIBLE KING

This book sets out as forcibly and exactly as possible the religious belief of the writer. That belief is not orthodox Christianity; it is not, indeed, Christianity at all; its core nevertheless is a profound belief in a personal and intimate God. There is nothing in its statements that need shock or offend anyone who is prepared for the expression of a faith different from and perhaps in several particulars opposed to his own. The writer will be found to be sympathetic with all sincere religious feeling. Nevertheless it is well to prepare the prospective reader for statements that may jar harshly against deeply rooted mental habits. It is well to warn him at the outset that the departure from accepted beliefs is here no vague scepticism, but a quite sharply defined objection to dogmas very widely revered. H. G. Wells (1866 – 1946) was an English writer, now best known for his work in the science fiction genre. He was also a prolific writer in many other genres, including contemporary novels, history, politics and social commentary, even writing textbooks and rules for war games. Wells was now considered to be one of the world's most important political thinkers and during the 1920s and 30s he was in great demand as a contributor to newspapers and journals.

The Gospel According to the Simpsons

Examines the treatment of religion and spirituality in the animated television series, including its depiction of God, Jesus, heaven, hell, and prayer in chapters devoted to Homer, Lisa, Ned, Reverend Lovejoy, Krusty, and Apu.

Finding God in The Lord of the Rings

The bestselling book now revised and updated with new content! Hailed as the most popular and best-loved series of the twentieth century, The Lord of the Rings trilogy is more than a great story; it's a reflection of life's epic quest for all of us. Examining the Christian themes in J. R. R. Tolkien's masterwork, bestselling authors Kurt Bruner and Jim Ware reveal a rich tapestry of hope, friendship, redemption, and faith in the face of overwhelming odds. More than 200,000 copies sold Includes six new chapters and a discussion guide A helpful resource for personal study, devotions, or group discussion

Homer Simpson Marches on Washington

The Simpsons questions what is culturally acceptable, showcasing controversial issues like homosexuality, animal rights, the war on terror, and religion. This subtle form of political analysis is effective in changing opinions and attitudes on a large scale. Homer Simpson Marches on Washington explores the transformative power that enables popular culture to influence political agendas, frame the consciousness of audiences, and create profound shifts in values and ideals. To investigate the full spectrum of popular culture in a democratic society, editors Timothy M. Dale and Joseph J. Foy gather a top-notch team of scholars who use television shows such as Star Trek, The X-Files, All in the Family, The View, The Daily Show with Jon Stewart, and The Colbert Report, as well as movies and popular music, to investigate contemporary issues in American popular culture.

Homer Simpson Ponders Politics

What pop culture from The Hobbit to The Office reveals about modern politics—from the authors of Homer Simpson Marches on Washington: “Fun and engaging.” —William Irwin, author of Black Sabbath and Philosophy It's said that the poet Homer educated ancient Greece. Joseph J. Foy and Timothy M. Dale have assembled a team of notable scholars who argue, quite persuasively, that Homer Simpson and his ilk are educating America and offering insights into the social order and the human condition. Following Homer Simpson Goes to Washington (winner of the John G. Cawelti Award for Best Textbook or Primer on American and Popular Culture) and Homer Simpson Marches on Washington, this exceptional volume reveals how books like J. R. R. Tolkien's The Hobbit and J. K. Rowling's Harry Potter, movies like Avatar and Star Wars, and television shows like The Office and Firefly define Americans' perceptions of society. The authors expand the discussion to explore the ways in which political theories play out in popular culture. Homer Simpson Ponders Politics includes a foreword by fantasy author Margaret Weis (coauthor/creator of the Dragonlance novels and game world) and is divided according to eras and themes in political thought: The first section explores civic virtue, applying the work of Plato and Aristotle to modern media. Part 2 draws on the philosophy of Hobbes, Locke, Rousseau, and Smith as a framework for understanding the role of the state. Part 3 explores the work of theorists such as Kant and Marx, and the final section investigates the ways in which movies and newer forms of electronic media either support or challenge the underlying assumptions of the democratic order. The result is an engaging read for students as well as anyone interested in popular culture.

A Survival Guide for Life

Life in the wild teaches us invaluable lessons. Extreme situations force us to seize opportunities, face up to dangers and rely on our instincts. But living a purpose-driven, impactful life can be an even greater challenge... In A Survival Guide for Life, Bear Grylls shares the hard-earned lessons he's learned from some of the harshest environments on earth. How do you keep going when all the odds are stacked against you? How can you inspire a team to follow you in spite of obvious danger? What are the most important skills to learn if you really want to achieve your maximum potential? Bear's instantly inspiring tales from his adventures in all four corners of the globe include his personal life lessons you will never forget. We're all capable of living life more boldly and of having more fun along the way. Here's to your own great adventure! What readers are saying about A Survival Guide For Life: ***** 'Inspiring stuff sure to put a fire in anybody's belly after reading it.' ***** 'A wonderful man with a warm soul, who has lived what he delivers in this book. An uplifting and rewarding read.' ***** 'This book encourages you to be yourself, survive in difficult periods of your life and to follow your heart.'

Narrative Strategies in Television Series

In the context of a systematic overview of the possibilities of applying narratological concepts to a study of TV series, ten case studies are explored in depth, demonstrating how series such as 24, Buffy, Twin Peaks, Star Trek, Blackadder, and Sex and the City make use of innovative audiovisual means of

storytelling. Transgressing the traditional confines of narrative theory, the chapter authors address the question of how form, content, and function intersect in these series.

Homer's Odyssey

Remember when *The Simpsons* was the funniest show on television? *The Simpsons* is the longest running comedy in history. Gracing our screens since 1989, with over 600 episodes, the show is a cultural phenomenon. Whilst it is still drawing huge ratings numbers, there is no argument that during the 90s the show was at its zenith. No other comedy has had as big an impact on society. *The Simpsons* has influenced the way we communicate with each other. Niche quotes and references have become the secret handshake of millions around the world. In the course of this book, we remember the iconic characters – Hank Scorpio and Lionel Hutz, Rex Banner and Frank Grimes - and we dissect seminal episodes such as Cape Feare, Marge Vs the Monorail and Who Shot Mr. Burns. From celebrity cameos to musical moments, from hidden jokes to insane trivia, this is the essential companion to golden age of *The Simpsons*. *Homer's Odyssey* is a hilarious, intelligent and in-depth analysis of the greatest show on earth. So grab yourself a Flaming Moe, settle in to your groove on the couch, and enjoy our guide to your favourite yellow family.

Jane Austen, Game Theorist

How the works of Jane Austen show that game theory is present in all human behavior Game theory—the study of how people make choices while interacting with others—is one of the most popular technical approaches in social science today. But as Michael Chwe reveals in his insightful new book, *Jane Austen explored game theory's core ideas in her six novels roughly two hundred years ago—over a century before its mathematical development during the Cold War.* *Jane Austen, Game Theorist* shows how this beloved writer theorized choice and preferences, prized strategic thinking, and analyzed why superiors are often strategically clueless about inferiors. Exploring a diverse range of literature and folktales, this book illustrates the wide relevance of game theory and how, fundamentally, we are all strategic thinkers.

Mathematical Writing

This book will help those wishing to teach a course in technical writing, or who wish to write themselves.

The Drunkard's Walk

Leonard Mlodinow's *The Drunkard's Walk: How Randomness Rules Our Lives* is an exhilarating, eye-opening guide to understanding our random world. Randomness and uncertainty surround everything we do. So why are we so bad at understanding them? The same tools that help us understand the random paths of molecules can be applied to the randomness that governs so many aspects of our everyday lives, from winning the lottery to road safety, and reveals the truth about the success of sporting heroes and film stars, and even how to make sense of a blood test. *The Drunkard's Walk* reveals the psychological illusions that prevent us understanding everything from stock-picking to wine-tasting - read it, or risk becoming another victim of chance. 'A wonderfully readable guide to how the mathematical laws of randomness affect our lives' Stephen Hawking, author of *A Brief History of Time*

Chief Wiggum's Book of Crime and Punishment

Chief Clancy Wiggum might very well be the dimmest and most incompetent civic leader in Springfield, but as long as he has a gun and badge, most citizens exercise their right to remain silent. After many a late-night stakeout and thousands of early morning donuts, this top cop offers up his procedural wisdom on what it takes to wear the shield, how to keep on the right side of the law, and the real cost of quick and speedy justice. On Wiggum's watch you'll check out the seized property auction catalog, learn the secret language of police codes, find out how to avoid a speeding ticket, line up with Springfield's usual suspects, and get the skinny on Springfield's most wanted criminal...El Barto.

The Simpsons and Philosophy

This unconventional and lighthearted introduction to the ideas of the major Western philosophers examines *The Simpsons* — TV's favorite animated family. The authors look beyond the jokes, the crudeness, the attacks on society — and see a clever display of irony, social criticism, and philosoph-

ical thought. The writers begin with an examination of the characters. Does Homer actually display Aristotle's virtues of character? In what way does Bart exemplify American pragmatism? The book also examines the ethics and themes of the show, and concludes with discussions of how the series reflects the work of Aristotle, Marx, Camus, Sartre, and other thinkers.

War in Your Heart

The purpose of this book, the last to come from Ruth Paxson, is "to show the biblical pathway of victory through union with Christ by way of the cross and the throne." The heart-hungry Christian will receive with joy this clear exposition of God's provision for victorious living. Those who are experiencing the joy of living completely for God will find this book a delight to recommend and give. One of the arresting statements made by Paxson is, "I was terrified to see [in a recent Bible study] the relation between personal sin and collective defeat." But she goes on to encourage us: "I was thrilled beyond expression to see also the relation between personal and collective victory." The author presents victory not as an experience which might be regarded as optional, but as the essence of the Christian life, and therefore obligatory. The publishing of this book is to the end that many souls still in bondage to sin and self may experience victory in Christ.

A Cognitive Psychology of Mass Communication

In this fifth edition of *A Cognitive Psychology of Mass Communication*, author Richard Jackson Harris continues his examination of how our experiences with media affect the way we acquire knowledge about the world, and how this knowledge influences our attitudes and behavior. Presenting theories from psychology and communication along with reviews of the corresponding research, this text covers a wide variety of media and media issues, ranging from the commonly discussed topics – sex, violence, advertising – to lesser-studied topics, such as values, sports, and entertainment education. The fifth and fully updated edition offers: highly accessible and engaging writing contemporary references to all types of media familiar to students substantial discussion of theories and research, including interpretations of original research studies a balanced approach to covering the breadth and depth of the subject discussion of work from both psychology and media disciplines. The text is appropriate for Media Effects, Media & Society, and Psychology of Mass Media coursework, as it examines the effects of mass media on human cognitions, attitudes, and behaviors through empirical social science research; teaches students how to examine and evaluate mediated messages; and includes mass communication research, theory and analysis.

Winners Dream

The co-CEO of the world's largest business software company, SAP, uses the story of his life to show how relentless optimism, hard work and disciplined execution can embolden people and equip organizations to achieve audacious goals. 100,000 first printing.

Wealthening Like Rabbits

With Canadian personal savings lower than ever before and household debt going through the roof, many people are in dire need of financial advice. But can a book that includes sex, zombies, pancakes, and Star Trek really help? You might be surprised. *Wealthening Like Rabbits* is a fun, entertaining guide to personal finance that proves sound money management doesn't have to be painful and neither does learning about it. Combining a unique blend of humour and perspective with everyday common sense, Robert R. Brown takes you through the basics of financial planning by using anecdotes and pop culture to shed light on some of the most important, yet often mismanaged aspects of personal finance. Covering subjects ranging from retirement savings and mortgages to credit cards and debt, this book will arm you with simple strategies to help you balance your life goals with your financial responsibilities. *Wealthening Like Rabbits* is a smart, accessible, never-boring romp through personal finance that you will certainly count as one of your best investments ever.

Post Memes

Art-form, send-up, farce, ironic disarticulation, pastiche, propaganda, trololololol, mode of critique, mode of production, means of politicisation, even of subjectivation - memes are the inner currency of the internet's circulatory system. Independent of any one set value, memes are famously the mode of conveyance for the alt-right, the irony left, and the apoliticals alike, and they are impervious to many

economic valuations: the attempts made in co-opting their discourse in advertising and big business have made little headway, and have usually been derailed by retaliative meming. POST MEMES: SEIZING THE MEMES OF PRODUCTION takes advantage of the meme's subversive adaptability and ripeness for a focused, in-depth study. Pulling together the interrogative forces of a raft of thinkers at the forefront of tech theory and media dissection, this collection of essays paves a way to articulating the semiotic fabric of the early 21st century's most prevalent means of content posting, and aims at the very seizing of the memes of production for the imagining and creation of new political horizons. With contributions from Scott and McKenzie Wark, Patricia Reed, Jay Owens, Thomas Hobson and Kaajal Modi, Dominic Pettman, Bogna M. Konior, and Eric Wilson, among others, this essay volume offers the freshest approaches available in the field of memes studies and inaugurates a new kind of writing about the newest manifestations of the written online. The book aims to become the go-to resource for all students and scholars of memes, and will be of the utmost interest to anyone interested in the internet's most viral phenomenon. ABOUT THE EDITORS ALFIE BOWN is the author of several books including "The Playstation Dreamworld" (Polity, 2017) and "In the Event of Laughter: Psychoanalysis, Literature and Comedy" (Bloomsbury, 2018). He is also a journalist for the Guardian, the Paris Review, and other outlets. DAN BRISTOW is a recovering academic, a bookseller, and author of "Joyce and Lacan: Reading, Writing, and Psychoanalysis" (Routledge, 2016) and "2001: A Space Odyssey and Lacanian Psychoanalytic Theory" (Palgrave, 2017). He is also the co-creator with Alfie Bown of Everyday Analysis, now based at New Socialist magazine.

The Descendants of Capt. Thomas Carter of Barford\

The #1 Sunday Times and International Bestseller from 'the most influential public intellectual in the Western world right now' (New York Times) What are the most valuable things that everyone should know? Acclaimed clinical psychologist Jordan Peterson has influenced the modern understanding of personality, and now he has become one of the world's most popular public thinkers, with his lectures on topics from the Bible to romantic relationships to mythology drawing tens of millions of viewers. In an era of unprecedented change and polarizing politics, his frank and refreshing message about the value of individual responsibility and ancient wisdom has resonated around the world. In this book, he provides twelve profound and practical principles for how to live a meaningful life, from setting your house in order before criticising others to comparing yourself to who you were yesterday, not someone else today. Happiness is a pointless goal, he shows us. Instead we must search for meaning, not for its own sake, but as a defence against the suffering that is intrinsic to our existence. Drawing on vivid examples from the author's clinical practice and personal life, cutting edge psychology and philosophy, and lessons from humanity's oldest myths and stories, 12 Rules for Life offers a deeply rewarding antidote to the chaos in our lives: eternal truths applied to our modern problems.

12 Rules for Life

George R.R. Martin's A Song of Ice and Fire series is a worldwide phenomenon, and the world of Westeros has seen multiple adaptations, from HBO's acclaimed television series to graphic novels, console games and orchestral soundtracks. This collection of new essays investigates what makes this world so popular, and why the novels and television series are being taught in university classrooms as genre-defining works within the American fantasy tradition. This volume represents the first sustained scholarly treatment of George R.R. Martin's groundbreaking work, and includes writing by experts involved in the production of the HBO show. The contributors investigate a number of compelling areas, including the mystery of the shape-shifting wargs, the conflict between religions, the origins of the Dothraki language and the sex lives of knights. The significance of fan cultures and their adaptations is also discussed.

Mastering the Game of Thrones

Spectrelike and sinewy, dressed in a grey cape and top hat, with a bone-white face and the eyes of a madman, The Ghoul crawls from the London sewers to kill bloodily, perversely, inexplicably In Vancouver, the horror-rock group Ghoul cavorts onstage, its act a bizarre and violent front for sinister skulduggery. Is there a connection between London's orgy of killings and Vancouver's underworld sleaze? The answer lies in the dark obsessions and twisted fantasies of an old Rhode Island family whose tainted past will not lie quiet in its grave ...

Ghoul

Moe Szyslak, pug-ugly purveyor at the local waterin' hole, has done it all—from takin' his licks in the boxing ring to performin' backroom surgery. Get to know the man behind the apron strings, the misunderstood mixologist with the gold-plated heart, as he dispenses advice to drunks like it was Duff on draft, recommends some of his signature (and watered-down) drinks like the Moe-jito, tries out a pick-up line or two, dreams of actually gettin' a date, dishes a little on his acting career, and counts his blessings (like babysittin' Maggie Simpson) that make life worth livin' for at least one more day.

History of Fresno County, California

"Expanded and revised, including new chapters on leadership, Obama's oratorical mastery, the pitfalls of apologies-- and an "Argument lab" section to put your new skills to the test."--P. [4] of cover.

The Book of Moe

"Armed with wit, insight, and truly astonishing research, Falk utterly demolishes the notion of the enlightened guru who can lead devotees to nirvana.--John Horgan, author of "Rational Mysticism."

Thank You for Arguing

All 9 adorable Lucy the Dinosaur books are now available in one book! Lucy and her friends put on a show, play hide and seek, figure out opposites, find buried treasure, and throw a surprise birthday party, and more. Including: The Lazy Hall of Fame Homer's Lazy look at Fashion The Lazy Man's Tool Kit and The Adventures of Sloth Man The perfect Christmas gift for the slob in your life....

The Simpsons Forever!

Homer Simpson's Little Book of Laziness

Haganai: I Don't Have Many Friends Vol. 9

The Neighbors Club may be a group of friendless misfits who can't get the hang of socializing despite their best efforts, but at least they have each other to practice on! Sena's continued attempts to make Kobato love her result in the entire club taking an outing to an amusement park, where they turn a death-defying roller coaster into a competition, while eating curry and... getting kidnapped by demons?! But there's more going on at the club these days than meets the eye. One of the girls has a surprise in store for everyone - including herself! And when Kodaka challenges Rika to make a truly impressive invention, the skeleton he and Yozora have been hiding may not stay in the closet for long!

Haganai: I Don't Have Many Friends Vol. 8

Kodaka's life hasn't been easy since joining the Neighbors Club. Getting dragged into a conversation by another strange nun was the last thing he needed. Then again, her advice seemed sound, until he discovered she was seriously twisted. Now her close ties to another member of the club will make it even harder for Kodaka to escape her. At this point, however, Kodaka is used to not being in control of his destiny. Whether it's studying with Sena (and discovering an unnatural obsession!), or having Maria invade his home to fight with Kobato, Kodaka's learned to go with the flow. Of course, this may not be the best approach to life, especially when it seems like other people are calling the shots for him!

Haganai: I Don't Have Many Friends Vol. 10

Kobato's birthday is coming up, so what better excuse for a party? For the Neighbors Club, a group of socially-inept students with no clue how to make friends, it's an opportunity for a practice party so they'll know how to behave when they go to a real party... someday. Of course, a party calls for presents, so it's time for a group shopping trip! Kodaka comes along to help the girls shop, but what our favorite misfits will come back with is anybody's guess. Also on the horizon is the school festival, an opportunity for clubs to strut their stuff! The question is, how does a dysfunctional group like the Neighbors Club come up with a single idea that will appeal to anyone but themselves?

Haganai: I Don't Have Many Friends Vol. 14

A wild and offbeat comedy manga about social outcasts who are obsessed with fandom, Haganai: I Don't Have Many Friends continues its wild antics in its fourteenth volume. Recent high school transfer student Hasegawa Kodaka is pathetically inept at making friends. Kodaka is an outcast, with his natural blond hair which he inherited from his deceased English mother, and his unpleasant, fierce gaze. When he comes across the brash loner Mikazuki Yozora, who typically chats with her imaginary friend, the two outsiders become the unlikely allies. Realizing that they have no hope of a normal social life, the two rejects decide to form a group called "The Neighbor's Club" in order to make friends and maybe even learn a thing or two about social skills. As luck would have it, five new members, each more socially awkward than the next, join the club. Will these quirky misfits ever make normal friends or are they all doomed to social failure?

Haganai: I Don't Have Many Friends Vol. 18

The eternal rivals Sena and Yozora face off on the basketball court, where Sena dominates all other players with her power, speed, and technique. What does Yozora have up her sleeve in this fight? When Christmas Eve arrives and the club members attend a school holiday party, they each have their own hopes about how things will unfold...but the events that await are even harsher than they might imagine.

Haganai: I Don't Have Many Friends Vol. 7

Ten years ago, Kodaka's best - and only - friend was a kid he knew only as "Sora." Now he finally knows that Yozora and Sora are the same person, but that doesn't mean their friendship can pick up where it left off. And to make things more complicated, she's known who he was all along... and chose not to tell him. Despite all that, life in the Neighbors Club continues as always. There are elaborate new hairstyles to try out, and new kinds of anime to explore! It all sounds normal enough, but if there's one thing you can count on with the Neighbors Club, it's that "normal" does not apply!

Haganai: I Don't Have Many Friends Vol. 11

The Saint Chronica school festival is coming fast, and the Neighbors Club still hasn't figured out how to present themselves to the world. They're running out of time and ideas, but a solution may have presented itself, if only they can agree to disagree. In order to make their idea a reality, the Neighbors Club will have to trust Yozora's talent as a writer - and her track record on that front is questionable. And while Yozora and Sena are known to squabble, their relationship is now more strained than ever. Have they crossed a point of no return? Is Yozora even capable of seeing the good in the present rather than dwelling on the past? Will the Neighbors Club spontaneously combust before we ever find out...?

Haganai: I Don't Have Many Friends Vol. 15

Sena and Kodaka have a choice to make: do they keep their feelings bottled up? Or do they start dating and destroy the Neighbors Club? With their friend Yozora already shunning them outside of class, getting together just might ruin the friendships they've worked so hard to build. And just what does a certain bat-earned superhero have to do with all this?!

Haganai: I Don't Have Many Friends Vol. 6

As summer break draws to a close, the Neighbors Club members decide to make the most of it! And what could be more seasonally appropriate than bonding during an overnight trip at a beach house, or going to a festival and having a little "friendly" competition? It's all good in theory, but there's one thing this dysfunctional club can always count on: if something can go wrong, it will! In a whirlwind of festive fun and scary stories, Kodaka's past may just come back to haunt him.

Haganai: I Don't Have Many Friends Vol. 12

With the Saint Chronica school festival quickly approaching, the Neighbors Club is going all out to get their movie finished on time - and in the process, the group is getting along better than ever! But the club's newfound spirit of cooperation may not survive the realization that Yozora's screenplay bears more than a little resemblance to a cult classic film. That's not the only surprise in store for this band of misfits. Kodaka and Sena's fathers are old friends, and would love nothing more than to see Kodaka and Sena get closer. Meanwhile, one particular club member is far more talented than anyone ever knew...!

Haganai: I Don't Have Many Friends Vol. 14

After Sena unexpectedly told Kodaka how she felt about him, he ran away...and a week later, he still hasn't been back to the Neighbors Club. Instead, he's been forging new connections--with the girls from the student council! But Kodaka can't hide from his complicated club relationships forever, especially when things aren't going so well with the Neighbors Club in his absence. And if he won't come back on his own, Rika's ready to take things into her own hands...!

Haganai: I Don't Have Many Friends Vol. 13

Saint Chronica's school festival is finally here, and the Neighbors Club is excited to show off their finished movie...which isn't quite finished. With the screening time looming, the club must make a decision about how to apply the final touches--and fast! Meanwhile, someone on the student council has it in for the club. How far will she go to shut the Neighbours Club down once and for all?

Haganai: I Don't Have Many Friends Vol. 19

After the tumultuous events of the Christmas party, Kodaka has plans to withdraw from the Neighbors Club, but avoids the club room where Sena and Yozora await. But as soon as he chooses this, he is

confronted by Yukimura draped in a beautiful dress. What will Kodaka do when Yukimura forces him to make a romantic choice?

Haganai: I Don't Have Many Friends Vol. 1

Recent high school transfer student Hasegawa Kodaka is pathetically inept at making friends. When he comes across the brash loner Mikazuki Yozora, who typically chats with her imaginary friend, the two outsiders become the unlikeliest of allies. Realizing that they have no hope of a normal social life, the two outcasts decide to form a group called "The Neighbors Club" in order to make friends and maybe even learn a thing or two about social skills. This wild and offbeat comedy manga about quirky misfits who are obsessed with fandom is the basis for the hit anime!

Haganai: I Don't Have Many Friends Vol. 5

It's been a month since the misfits of the Neighbors Club joined forces to make friends, but now it's summer break and not one of them has had a shred of success. Rather than face the summer alone, the club heads out to the pool, where they can beat the heat and hang out together as practice for when they have real friends. What could possibly go wrong?

Haganai: I Don't Have Many Friends Vol. 3

Meet the Neighbors Club—an unfortunate group of even more unfortunate people trying to make friends by doing things like playing bishoujo games and trying their hand at acting...to no avail. Existing members Mikazuki Yozora and Kashiwazaki Sena (two beautiful girls to be avoided) and Kusunoki Yukimura (a boy dressed as a lovely—and female—maid) are joined by a young nun and a girl genius who push all the limits. How will this affect Hasegawa Kodaka (the only one with common sense, although that doesn't mean he has any friends either)? And then there's his little sister, with a look in her eyes that says she's hatching a sinister plot...!

Haganai: I Don't Have Many Friends Vol. 2

Hasegawa Kodaka, a boy with few friends, along with his beautiful classmate, the oddball Mikazuki Yozora, form the Neighbors Club, a group dedicated to making friends. While this sounds innocent enough, the only people who end up joining the club are total freaks and outcasts. Together, they geek out over RPG games, pit imaginary friends against each other, and wreak havoc in one another's lives while struggling to build social skills. Can black sheep like these really learn to become friends? And for a hot-blooded guy like Kodaka, why must everyone else in the club be females who are so attractive yet so insane?!

Haganai: I Don't Have Many Friends Vol. 4

The antisocial members of the Neighbors Club waste their time playing bishoujo games, playacting, and getting into arguments about the geekiest things. Yet somehow they've managed to add seven members to their pathetic ranks. Whether it's writing a round robin short story together - a seemingly innocent affair until someone goes berserk - or taking things too far in an MMORPG, these freaks take their fantasy seriously. But can a group of people so alienated from the rest of the world really make friends with each?

Haganai: I Don't Have Many Friends Vol. 20

The final days of high school have arrived for Kodaka, Yozora, and Sena. But even though the days might be ticking slowly down to the end of school, the antics of the Neighbors Club crew are as boisterous, meandering, fun, and slightly heartbreaking as ever. Don't miss the final, side-splitting and heartfelt volume of Haganai: I Don't Have Many Friends!

Haganai: I Don't Have Many Friends

IS LOVE WORTH MORE THAN FRIENDSHIP? Sena and Kodaka have a choice to make: do they keep their feelings bottled up? Or do they start dating and destroy the Neighbors Club? With their friend Yozora already shunning them outside of class, getting together just might ruin the friendships they've worked so hard to build. And just what does a certain bat-earned superhero have to do with all this?!

Haganai: I Don't Have Many Friends Vol. 18

ONE ON ONE! The eternal rivals Sena and Yozora face off on the basketball court, where Sena dominates all other players with her power, speed, and technique. What does Yozora have up her sleeve in this fight? When Christmas Eve arrives and the club members attend a school holiday party, they each have their own hopes about how things will unfold...but the events that await are even harsher than they might imagine.

D-Frag! Vol. 11

It's been almost half a year since Kazama Kenji first walked through the door to the Game Dev. Club (Temp) and summer vacation is just around the corner. But first Kenji and co. have to deal with the first semester finals...which means it's time for an epic cram session! However, their school woes are soon overshadowed when a meteor strikes the Shibasaki family home! With nowhere else to go, Roka has to move in with the Kazama family. As if that isn't enough to grate on Kenji's nerves, Takao and Roka's sister Tsutsuji come following in short order! Does he even have enough comebacks in him to deal with all the incoming shenanigans?!

Haganai: I Don't Have Many Friends Vol. 11

TICKING TIME BOMB The Saint Chronica school festival is coming fast, and the Neighbors Club still hasn't figured out how to present themselves to the world. They're running out of time and ideas, but a solution may have presented itself, if only they can agree to disagree. In order to make their idea a reality, the Neighbors Club will have to trust Yozora's talent as a writer-and her track record on that front is questionable. And while Yozora and Sena are known to squabble, their relationship is now more strained than ever. Have they crossed a point of no return? Is Yozora even capable of seeing the good in the present rather than dwelling on the past? Will the Neighbors Club spontaneously combust before we ever find out...?

To Love Ru Darkness Vol. 9

"" Rito and friends face off against the wrath of a killer body-snatching sword from outer space--and that's actually the easy part of his day! The really tricky part is a little more amorous. Rito's been close to all kinds of gorgeous girls, and Momo's even pushed him to start inducting them into his own personal harem, but there's one thing he's never done with any of them: kiss! Now that Lala's heard about how common kissing is on Earth, is it time for Rito's relationships to go to the next level? ""

Haganai: I Don't Have Many Friends Vol. 16

ALL'S FAIR IN LOVE AND VR After pulling her vanishing act, Yozora finally returns to the Neighbors Club. Is all forgiven, or is the club's brewing love triangle--heck, make that "love pentagon"--destined to drive an even deeper wedge between them all? Not when they've got video games! The gang straps in for an immersive virtual reality edition of a beloved classic. It's time to play Romancing Saga: Ultimate Edition!

D-Frag! Vol. 5

Once upon a time, Kenji met The Game Development Club and got his butt kicked by four strange girls. But even the formidable ladies of the Game Development Club have enemies that scare them: the superpowerful former student council. When the ex-council members kidnap Kenji and threaten to destroy the club, Kenji must figure out a way to save both the Game Development Club and whatever dignity he has left. The solution? A game, of course! Get ready for the gang's most intense challenge yet!

D-Frag! Vol. 9

Ever since Kazama Kenji stepped into the club room for the Game Development Club (Temp.), he's been stuck dealing with the antics of his hyperactive club mates. Upon the realization that his own personality seems bland in comparison to everyone else, Kenji suffers a deep identity crisis. When Kenji gets dragged into a counselling session by a concerned Tama-sempai, she suggests he go back to his delinquent roots and try to become the biggest, baddest boss at the school. But doing so means

taking on Roka in a one-on-one match, a match that Kenji isn't sure he can win. Stuck with no choice but to give it his all, Kenji makes a life-altering decision...

D-Frag! Vol. 7

When the Game Development Club decides to go to the mysterious "Famous Athlete Hashimoto's Adventure Island," Kenji knows it's not going to be a normal field trip. Once on the island, they meet up with game clubs from other schools for a tournament, but before it begins, four mask villain kidnaps the master of ceremonies! Can Kenji and his clubmates rescue Famous Athlete Hashimoto and still squeeze in a leisurely visit to the beach?

Haven't You Heard? I'm Sakamoto Vol. 4

Spring, Summer, Fall, and Winter--the seasons have passed, and Sakamoto's class is preparing to finish their first year of high school. But not everyone is willing to let go so easily, and third-year Fukase has something extra special in mind before he graduates. Coolest of the cool, Sakamoto is never one to be outdone and after a year at his new school, he'll be no less stylish and composed in this hilarious, tear-jerking finale!

My Youth Romantic Comedy Is Wrong, As I Expected @ comic, Vol. 1 (manga)

Hachiman Hikigaya is a cynic. He believes "youth" is a crock-a sucker's game, an illusion woven from failure and hypocrisy. Unsurprisingly, he's not the most popular guy. Meanwhile, there's Yukino Yukinoshita--brilliant, beautiful, and chillier than winter in Antarctica. Would you believe she's not exactly beloved by her classmates either? The unlikely pair gets forced into a club dedicated to helping solve their fellow students' problems. But will an ice queen and a screwup really be able to help anybody?

Girlfriend, Girlfriend 6

When it comes to summer, ya gotta have fireworks! Saki's determined to get the mood going and have her first kiss with Naoya! But unfortunately when they're walking around the festival, her and Nagisa end up separated from Naoya! Time is ticking and the fireworks are happening any second...but Milika stands in Naoya's way while Shino's growing feelings weigh heavy on her mind. When Naoya finally meets up with his girlfriends, the two get to spend some alone time with him and things get heated...

Teasing Master Takagi-san, Vol. 14

By his third year of middle school, Nishikata is a veteran of competitions and of losing, but he is resolved to win against Takagi-san in the new year. However, there is one challenge, from his friend Hamaguchi, that Nishikata's okay with failing: asking Takagi-san out! Sharing an umbrella and climbing up the rumored romantic stairs together don't count...right?

Classroom of the Elite (Light Novel) Vol. 7

The end of the second semester is near, and Ryuen's manhunt for Class D's mastermind is only getting more aggressive. When he and his goons decide to torture an answer out of Karuizawa, Ayanokouji decides it's finally time to step forward--if, that is, Karuizawa doesn't break under the pressure first!

Haganai: I Don't Have Many Friends: Now With 50% More Fail!

Welcome to the Neighbors Club! Pull up a chair! Have a soda... or is that a love potion? Just don't get too comfortable, because the club is up to their usual shenanigans. You never know when you'll find them engaged in questionable conversation about fetishes, or running a three-legged race to win the attention of the club's unwilling "harem master," or sharing a moment of bonding in the school bathroom. Whatever the event, you can count on the Neighbors Club to march to the beat of a different drummer. This spin-off collection of short stories continues their misadventures and misunderstandings like never before, in their ongoing mission to try - and fail! - to make friends.

Girlfriend, Girlfriend 1

Naoya just got a girlfriend, the gorgeous Saki-chan, and though their intensities often pit them against each other like ice and fire, they're totally, uncontrollably in love with each other. He vows never to cheat...when out of the blue he receives another confession! Nagisa's cute, sweet, and she's made

him lunch to boot! He knows he can't cheat, but he can't let a cutie like this get away...so he does the logical(?) thing: Asks Saki for permission to date them both! The confidence! The arrogance! The very gall! No matter the outcome, Naoya's future will be lively!

D-Frag! Vol. 1

Kazama Kenji thinks he's a delinquent. He's got the look, the style, and the attitude to match; he even has a second-rate entourage of sorts. Deep down, however, Kazama is a good-hearted kid who finds himself and his loyal gang in over their heads when they stumble upon the Game Creation Club. The club's formidable members, Chitose, Sakura, Minami and Roka, are four girls who he might actually be attracted to if they weren't so freaking weird. The girls claim to have otherworldly powers which they use to defeat Kazama's gang and force him to join their offbeat club. Can Kazama resist the girls' bizarre charms and return to some semblance of a normal, everyday life... or is it "game over" for our hapless hero?

Manhwa 100

by Various Curious about manhwa? Here's your chance to learn about 100 manhwas, all in a single place! Manhwa100: The New Era for Korean Comics is a compilation of 100 comics that represent the Korean comic book industry. Within these pages are 100 of the absolute best, most recent manhwas - manhwas we want to share with millions of comic book fans across the globe. You'll find synopses, important details, and other key information about the works, as well as brief introductions to the creators. The selections are divided into girls' comics, boys' comics, general comics, and webcomics.

High School DxD, Vol. 1 (light Novel)

Most of Issei Hyoudou's perverted life has been filled with dreams about having a harem, so it's not a great sign when one of his dates ends with his murder! He's fortunate enough to be revived by a beautiful girl, but his luck ends after he discovers his school is filled to the brim with deadly angels and demons!

Romancing Mister Bridgerton: The 2nd Epilogue

We can't really say more without giving away a big, fat spoiler, but it turns out that Colin is a bit of a meddler, Hyacinth is more of a meddler, and the only time all of the Bridgertons stop talking at once is when Penelope has something really embarrassing to say. Hey, we never said it was easy to marry a Bridgerton, just that it was fun.

No Matter How I Look at It, It's You Guys' Fault I'm Not Popular!, Vol. 13

In the first term of her third year of high school, Tomoko goes on a school field trip. But the girls walking around with her have all kinds of issues! How will Tomoko intervene (or not) with the angst-laden lineup?
