Daisy Miller and Other Tales

Henry James's *Daisy Miller* was an immediate sensation when it was first published in 1878 and has remained popular ever since. In this novella, the charming but inscrutable young American of the title shocks European society with her casual indifference to its social mores. The novella was popular in part because of the debates it sparked about foreign travel, the behaviour of women, and cultural clashes between people of different nationalities and social classes. This Broadview edition presents an early version of James's best-known novella within the cultural contexts of its day. In addition to primary materials about nineteenth-century womanhood, foreign travel, medicine, philosophy, theatre, and art—some of the topics that interested James as he was writing the story—this volume includes James's ruminations on fiction, theatre, and writing, and presents excerpts of *Daisy Miller* as he rewrote it for the theatre and for a much later and heavily revised edition.

Daisy Miller and Other Tales

Daisy Miller is one of Henry James's most attractive heroines: she represents youth and frivolity. As a tourist in Italy, her American freedom and freshness of spirit come up against the corruption and hypocrisy of European manners. From its first publication, readers on both sides of the Atlantic have quarrelled about her, defending or attacking the liberties that Daisy takes and the conventions that she ignores. All three tales in this collection, *Daisy Miller*, *An International Episode* and *Lady Barbarina*, express James's most notable subject, 'the international theme', the encounters, romantic and cultural, between Americans and Europeans.

Daisy Miller, Pandora, The Patagonia

Daisy Miller, a naive young American woman traveling in Europe with her family, finds it difficult to understand European society

Daisy Miller

A collection of eight critical essays on the major novellas of James including "The Aspern papers, " "Daisy Miller, " and "The Turn of the screw."

Daisy Miller and Other Stories

Excerpt from *Daisy Miller, Pandora: The Patagonia and Other Tales* Artless could n't possibly have been at all. My answer to all which bristled of course with more professions than I can or need report here; the chief of them inevitably to the effect that my supposedly typical little figure was of course pure poetry, and had never been anything else; since this is what helpful imagination, in however slight a dose, ever directly makes for. As for the original grossness of readers, I dare say I added, that was another matter but one which at any rate had then quite ceased to signify. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Daisy Miller

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Daisy Miller

Daisy Miller is the story of a young woman from New York's willful yet innocent flirtation with a young Italian, and its unfortunate consequences. The novella was the first big success for author Henry James who would repeat the theme of a venturesome American girl in the treacherous waters of European society in his later masterpiece, *The Portrait of a Lady*.

Henry James's Daisy Miller, The Turn of the Screw, and Other Tales

A beautiful American girl, Daisy Miller, is pursued by the sophisticated Winterbourne, who moves in fairly conservative circles. Their courtship is frowned upon by the other Americans they meet in Switzerland and Italy because Daisy is too vivacious and flirtatious and neither belongs to, nor follows the rules of, their society. The novella is a comment on American and European attitudes towards each other and on social and cultural prejudice.

Daisy Miller

A unique edition of James's two complementary tales, 'Daisy Miller' and 'An International Episode', in which the young American girl irrupts into European society. This edition includes introduction and notes by Adrian Poole, and an Appendix on stage and screen versions of 'Daisy Miller'.

Daisy Miller ; /Pandora ; /The Patagonia ; /and Other Tales

Seminar paper from the year 1999 in the subject American Studies - Literature, grade: 1,0, University of Dusseldorf "Heinrich Heine" (Anglistik II (American Studies)), course: The Tales of Henry James, 15 entries in the bibliography, language: English, abstract: Among the central motifs that can be traced throughout Henry James's career as a writer is his concern with the social and moral differences between the New World and Europe (mainly represented by England, Italy and France), which he called the "Americano-European legend" and is otherwise frequently referred to as the "international theme". It reflects the mutual misunderstandings of Americans and Europeans, often by following the same basic pattern, i.e. the innocent and naive American girl who journeys to the Old Country and encounters a corrupt, mostly rigid set of values which its advocates attempt to subjugate her to. Usually the heroine struggles to protect her integrity, her individualism and personal freedom against a society that strikes her as oppressive, anti-democratic or, as is the case with Madame de Mauves, as immoral, and undergoes a changing process in which she abandons her romantic vision and nostalgic longing for a quaint and picturesque Europe. Although in his exploration of the international conflict 'innocence' is invariably associated with the American side, whereas 'knowledge' is mostly to be found on the European, the satire and irony in the study of national characters is aimed at both. Sometimes showing sympathy for the helpless American outsider abroad, who is not at all prepared to deal with the complexity of cultural life in Europe, James at other times sympathizes with the European facing the uncultivated, socially ignorant and traditionless American (of which Daisy Miller's mother seems to be the representative model), thus giving us an all in all tremendously balanced and superb portrayal of the idiosyncratic manners of both sides of the Atlantic. I have selected three earl

The Turn of the Screw

Specifically designed for undergraduates, the series will be a powerful resource for anyone engaged in the critical analysis of major American novels and other important texts.

Daisy Miller, Pandora

Daisy Miller: A Study In Two Parts By Henry James The text is that of the first American appearance in book form, 1879. Daisy Miller is an 1878 novella by Henry James first appearing in *Cornhill Magazine* in June–July 1878, and in book form the following year. It portrays the courtship of the beautiful American girl Daisy Miller by Winterbourne, a sophisticated compatriot of hers. His pursuit of her is hampered by her own flirtatiousness, which is frowned upon by the other expatriates when they meet in Switzerland and Italy. Annie "Daisy" Miller and Randolph Winterbourne first meet in Vevey, Switzerland, in a garden of the grand hotel where Winterbourne is vacationing from his alleged studies (although an attachment

to an older lady is rumoured). They are introduced by Randolph Miller, Daisy's 9-year old brother. Randolph considers their hometown of Schenectady, New York, to be absolutely superior to all of Europe. Daisy, however, is absolutely delighted with the continent, especially the high society which she wishes to enter. Winterbourne is at first confused by her attitude, although greatly impressed by her beauty, but soon determines that she is nothing more than a young flirt. He continues his pursuit of Daisy in spite of the disapproval of his aunt Mrs. Costello, who spurns any family with so close a relationship to their courier as the Millers have with their Eugenio. She also thinks Daisy is a shameless girl for agreeing to visit the Château de Chillon with Winterbourne after they have known each other for only half an hour. Winterbourne then informs Daisy that he must go to Geneva the next day. Daisy feels disappointment and chaffs him, eventually asking him to visit her in Rome later that year.

Daisy Miller - A Study

The novel "Daisy Miller" by Sir Henry James first appeared in The Cornhill Magazine in June-July 1878 and was published as a book the following year. It features Daisy Miller, a beautiful American girl, being courted by Winterbourne, a sophisticated member of her country. Her flirtatiousness, which is frowned upon by the other expatriates when they gather in Switzerland and Italy, hinders his pursuit of her. In Vevey, Switzerland, Frederick Winterbourne and Annie "Daisy" Miller first cross paths. The novel presents a scenario of Winterbourne allegedly vacationing from his studies (an attachment to an older lady is rumored) They are introduced by Randolph Miller, Daisy's nine-year-old brother. Daisy Miller is described as a flower in full bloom, without inhibitions, and in the springtime of her life. Henry James uses Daisy's story to talk about the stereotypes he thinks Americans and Europeans have of one another as well as the prejudices that exist in all cultures. Novelist Henry James' Winterbourne is torn between attachment and his suffocating social milieu. The novella's final act has yet to unfold, but we cannot help but conclude that the real tragedy lies here in Winterbourne's relief over Daisy's behavior.

Daisy Miller

A captivating book about the emotional and literary power of the lives we might have lived had our chances or choices been different. We each live one life, formed by paths taken and untaken. Choosing a job, getting married, deciding on a place to live or whether to have children—every decision precludes another. But what if you'd gone the other way? It can be a seductive thought, even a haunting one. Andrew H. Miller illuminates this theme of modern culture: the allure of the alternate self. From Robert Frost to Sharon Olds, Virginia Woolf to Ian McEwan, Jane Hirshfield to Carl Dennis, storytellers of every stripe write of the lives we didn't have. What forces encourage us to think this way about ourselves, and to identify with fictional and poetic voices speaking from the shadows of what might have been? Not only poets and novelists, but psychologists and philosophers have much to say on this question. Miller finds wisdom in all these sources, revealing the beauty, the power, and the struggle of our unled lives. In an elegant and provocative rumination, he lingers with other selves, listening to what they say. Peering down the path not taken can be frightening, but it has its rewards. On Not Being Someone Else offers the balm that when we confront our imaginary selves, we discover who we are.

Daisy Miller

Throughout his writing life, Henry James was drawn to the short-story form for the freedom it offered him?and he made the genre his own. This new selection comprises both brief tales and longer works that explore James's concerns with the old world and the new, and with money, fame, class, and art. "Daisy Miller," "The Lesson of the Master," "The Real Thing," "The Figure in the Carpet," "In the Cage," "The Beast in the Jungle," and "The Jolly Corner" are included here, along with twelve others. Haunting, witty, and beautifully drawn, these stories are as rich and resonant as James's novels.

Daisy Miller and An International Episode

First published in the U.S. in the anthology collection *The Two Magics* in 1898, Henry James's classic ghost story *The Turn of the Screw* has been enthralling readers for over a century and shows no sign of losing popularity as new generations continue to discover this chilling masterpiece.

The Novels and Tales of Henry James: Daisy Miller. Pandora. The Patagonia. The marriages. The real thing. Brooksmith. The Beldonald Holbein. The story in it. Flickerbridge. Mrs. Medwin

Den gamle og den ny verden konfronteres i skildringen af en livsglad amerikansk piges besøg i Italien i 1870'erne, hvor hun på grund af sin uskyldighed og naivitet bliver anset for uanstændig

The International Theme: The Conflict of National Types in the Tales of Henry James

New Essays on 'Daisy Miller' and 'The Turn of the Screw'

By turns chilling, funny, tragic, and profound, this collection of six Henry James short novels allows readers to experience the full range of his skills and vision. The title story, "The Turn of the Screw," is a chilling masterpiece of psychological terror that mixes the phantoms of the mind with those of the supernatural. "Daisy Miller," the tale of a provincial American girl in Rome that established James's literary reputation, and "An International Episode" are superb examples of his focus on the clash between American and European values. And in "The Aspern Papers," "The Alter of the Dead," and "The Beast in the Jungle," the author's remarkable sense of irony, his love of plot twists, and his view of male-female relationships find exquisite expression. With an Introduction by Fred Kaplan

Daisy Miller

This early work by Henry James was originally published in 1893 and we are now republishing it with a brand new introductory biography. Henry James was born in New York City in 1843. One of thirteen children, James had an unorthodox early education, switching between schools, private tutors and private reading.. James published his first story, 'A Tragedy of Error', in the Continental Monthly in 1864, when he was twenty years old. In 1876, he emigrated to London, where he remained for the vast majority of the rest of his life, becoming a British citizen in 1915. From this point on, he was a hugely prolific author, eventually producing twenty novels and more than a hundred short stories and novellas, as well as literary criticism, plays and travelogues. Amongst James's most famous works are The Europeans (1878), Daisy Miller (1878), Washington Square (1880), The Bostonians (1886), and one of the most famous ghost stories of all time, The Turn of the Screw (1898). We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Daisy Miller

Daisy Miller, A Novella Daisy Miller is a beautiful American pursued by the very sophisticated Winterbourne. But his pursuit is hampered by her own flirtatiousness, which is frowned upon by the other expatriates when they meet in Switzerland and Italy. This novella was first published in 1878. The Beast in the Jungle, A Novella John Marcher meets May Bartram after 10 years and she remembers his odd secret: Marcher is seized with the belief that his life is to be defined by some spectacular event, lying in wait like a "beast in the jungle." As he allows the best years of his life to pass, will he take Mary down with him?

The Novels and Tales of Henry James: Daisy Miller. Pandora. The Patagonia. The marriage. The real thing. Brooksmith

Standing on the shore of Lake Geneva, young writer Frederick Winterbourne is drawn to Daisy Miller. As disdain about her recklessness with men resonates around the aristocratic circles, he continues to defend her, but at what cost? As an intriguing tale of passion and romance unfolds, he is confronted with a tragedy that will haunt him forever.

Selected Tales

The Turn of the Screw is a novella written by Henry James. Initially, it was serialized but later on published in book form. Regarded by many as one of the world's most famous ghost stories, the story of The Turn of the Screw is narrated through the journal of a governess and describes her struggle to save her two young charges from the demonic influence of the uncanny apparitions of two former servants in the household. The novella has been adapted numerous times. The plot of this novella centered on an unnamed narrator and some of their friends who gather around a fire on the Christmas Eve. Douglas, one of them, reads a manuscript that tells the story of governess being hired by a man who has become responsible for his young niece Flora and nephew Miles following the deaths of their parents. Flora, is living in Bly, where she is cared for by Mrs. Grose, the housekeeper. Her uncle, the governess's new employer, is uninterested in raising the children and gives her full charge. The story inspired critical debate over the question of the ghosts.

The Turn of the Screw

In David Lodge's last novel, *Thinks...* the novelist Henry James was invisibly present in quotation and allusion. In *Author, Author* he is centre stage, sometimes literally. The story begins in December 1915, with the dying author surrounded by his relatives and servants, most of whom have private anxieties of their own, then loops back to the 1880s, to chart the course of Henry's 'middle years', focusing particularly on his friendship with the genial Punch artist and illustrator, George Du Maurier, and his intimate but chaste relationship with the American writer Constance Fenimore Woolson. By the end of the decade Henry is seriously worried by the failure of his books to 'sell', and decides to try and achieve fame and fortune as a playwright, at the same time that George Du Maurier, whose sight is failing, diversifies into writing novels. The consequences, for both men, are surprising, ironic, comic and tragic by turns, reaching a climax in the years 1894-5. As Du Maurier's *Trilby*, to the bewilderment of its author himself, becomes the bestseller of the century, Henry anxiously awaits the first night of his make-or-break play, *Guy Domville* ... Thronged with vividly drawn characters, some of them with famous names, others recovered from obscurity, *Author, Author* presents a fascinating panorama of literary and theatrical life in late Victorian England, which in many ways foreshadowed today's cultural mix of art, commerce and publicity. But it is essentially a novel about authorship - about the obsessions, hopes, dreams, triumphs and disappointments, of those who live by the pen - with, at its centre, an exquisite characterisation of one writer, rendered with remarkable empathy.

Daisy Miller

Henry James (15 April 1843 - 28 February 1916) was an American-born writer who traveled Europe for much of his younger life. Born to a wealthy family that emphasized education, James was tutored by teachers from all over Europe during his adolescence and briefly attended Harvard Law School before deciding to concentrate on writing. James is considered one of the key contributors to nineteenth century literary realism, and some of his best known novels include *The American*, *Daisy Miller*, and *The Portrait of a Lady*.
