Across Time and Death

For as long as she could remember, Jenny Cockell had felt she had lived a former life as Mary Sutton. Finally, Jenny acted on her intense need to find her lost family. True Real Life Stories of Reincarnation

Have you lived before? Suddenly the idea of reincarnation has produced a wave of resonance in modern society and struck a chord. This book documents the growing public acceptance of the possibility that all of us will live again after we finish our present 'go-around' on the planet Earth. The ancient concept of reincarnation and past lives has not only re-emerged into our modern consciousness, but seems to have become a more natural and accepted part of our world view. Some studies show that twenty-five percent of people in modern western countries now agree that reincarnation is not only possible, but a reality. The implications of this are enormous. Imagine a population that has been released from the fear of death. Suddenly, we have all the time in the world - eternity, in fact! Life now takes on a new dimension of meaning. We realize that this is not all there is and we also understand that we are more than our physical bodies and because we are more than our physical bodies, we can access that which is beyond the physical. Our potential is virtually unlimited. Freedom from the fear of death is a kind of universal freedom that can flow across all aspects of life and living. Knowing that we are not mere physical lumps of biological matter, but indestructible souls constructed of pure

consciousness is a magnificent vision for humanity. Knowing that we are 'souls' means that we can live out our lives from that basic understanding. It is the ultimate empowerment. No doubt many will remain sceptical about the possibility of reincarnation. But it seems this is a concept and a phenomenon that is not going away. Those amazing headlines in the media just keep coming. Every day more people - average, ordinary everyday people - are discovering that they have an undeniable connection to something larger, something infinite and something absolutely amazing. Dying to Be Me

THE NEW YORK TIMES BESTSELLER! "I had the choice to come back ... or not. I chose to return when I realized that 'heaven' is a state, not a place" In this truly inspirational memoir, Anita Moorjani relates how, after fighting cancer for almost four years, her body began shutting down—overwhelmed by the malignant cells spreading throughout her system. As her organs failed, she entered into an extraordinary near-death experience where she realized her inherent worth . . . and the actual cause of her disease. Upon regaining consciousness, Anita found that her condition had improved so rapidly that she was released from the hospital within weeks—without a trace of cancer in her body! Within this enhanced e-book, Anita recounts—in words and on video—stories of her childhood in Hong Kong, her challenge to establish her career and find true love, as well as how she eventually ended up in that hospital bed where she defied all medical knowledge. In "Dying to Be Me," Anita Freely shares all she has learned about illness, healing, fear, "being love," and the true magnificence of each and every human being!

The Forgotten God

An exiled immortal. A stolen lover. A mystical world on the brink of war. Apollo was once a powerful deity. Now he lives among the ruins of Delphi, trapped in a feline body with his memories magically repressed. When his lover Olympia is kidnapped, Apollo is forced to break his life of blissful seclusion and take a perilous journey to Athens, where cat life is cheap and enemies with old grudges conspire to destroy him and his kind. Plunged into the brewing conflict between the city's feline tribes, he finds himself on a collision course with two immortal-led gangs and another deity seeking a mysterious artifact that could restore the gods' ancient power. Or destroy it completely. Can Apollo reclaim his almighty glory and save Olympia? Or will he ignite a conflict that risks bringing down the whole of Olympus? In *The Forgotten God*, author Andrew Rylands takes readers on a captivating adventure through a mystical world where gods have become cats, but old animosities remain. If you enjoyed Neil Gaiman's *American Gods*, you're sure to enjoy *The Forgotten God*.

Life Beyond the Holocaust

"For the rare Jews of Poland who managed to survive the Holocaust, the very idea of a return to what had been one's homeland might seem both physically and psychologically impossible, perhaps even absurd. Yet it is precisely this paradoxical journey that Mira Kimmelman undertakes with great dignity and generosity. In words that are both direct and intimate, she exposes the ambivalence of what it means to learn to live again after Auschwitz—to experience love, raise a family, and assume a steadfast place in the Jewish community of a new land. At the same time, she acknowledges the abyss of losses that can never be retrieved. Perhaps even more importantly, Mira reveals how the pain of a return is transformed into a new adventure of discovery and reconciliation to be shared with her sons, their families, and her readers for generations to come."—Karen D. Levy Professor of French Studies University of Tennessee "This book is written with intelligence, sensitivity, and eloquence. As a post-Holocaust memoir, it is an excellent volume, inasmuch as it brings out the scope of the Holocaust, its impact on future generations, and how it affects our understanding of past generations. The author explores and elucidates the problems of liberation from death and the return to life that forever confront Holocaust survivors." —David Patterson Bornblum Chair in Judaic Studies University of Memphis "Life beyond the Holocaust brings to mind in its power to document painful memories Primo Levi's *The*

Reawakening. Ms. Kimmelman's memoir is, above all, a beautiful love story of herself and her husband, Max. She writes in a vernacular style that evokes her experiences with specific details. Her book is alive ... and celebrates in good prose human values triumphing over radical evil." —Hugh Nissenson

Turning the Tide

'Who are you when your brain is not you?' Jane Lapotaire is one of the lucky ones. Many people do not survive, let alone live intelligently and well again once they have suffered cerebral haemorrhage. In the long haul back to life - 'nearly dying was the easy bit' - she's learned much, some of it very hard lessons. Some friendships became casualties; family relations had to be redefined; and her work as an actress took a severe battering. The stress of living is felt that much more keenly when 'sometimes I still feel as if I am walking around with my brain outside my body. A brain still all too available for smashing by noise, physical jostling, or any form of harshness'. But she has survived and now believes it herself when people say how lucky she is. This is a very moving, darkly funny, honest book about what happens when the 'you' you've known all your life is no longer the same you.

Her subsequent diary entries form

an intimate portrait of a woman rebuilding her identity, and a small rural town whose path to modernity echoes her own path to joyful independence. "An engaging, honest, and beautifully written look at love, loss, and self-realization." —Kirkus Reviews

A Change of Time

Clive Wearing has one of the most extreme cases of amnesia ever known. In 1985, a virus completely destroyed a part of his brain essential for memory, leaving him trapped in a limbo of the constant present. Every conscious moment is for him as if he has just come round from a long coma, an endlessly repeating loop of awakening. A brilliant conductor and BBC music producer, Clive was at the height of his success when the illness struck. As damaged as Clive was, the musical part of his brain seemed unaffected, as was his passionate love for Deborah, his wife. For seven years he was kept in the London hospital where the ambulance first dropped him off, because there was nowhere else for him to go. Deborah desperately searched for treatments and campaigned for better care. After Clive was finally established in a new special hospital, she fled to America to start her life over again. But she found she could never love another the way she loved Clive. Then Clive's memory unaccountably began to improve, ten years after the illness first struck. She returned to England. Today, although Clive still lives in care, and still has the worst case of amnesia in the world, he continues to improve. They renewed their marriage vows in 2002. This is the story of a life lived outside time, a story that questions and redefines the essence of what it means to be human. It is also the story of a marriage, of a bond that runs deeper than conscious thought.

Forever Today

Within the pages of this book is life-giving water for a church and a people that often don't know they're thirsty. Despite technological, theological, and sociological advances and the ability and platform to spread the Gospel like never before, the church of Jesus Christ continues to lose effectiveness and become divided over theological and doctrinal issues. This is because it has lost its identity, an identity characterized by God's love, power, joy, purpose, and meaning, an identity reflecting God's glory to a fallen world. The question is, how do we get back to the place where God intended us to be? Although God wants us to move on to maturity, sometimes we have to lay again the foundation. *ReAwakening: The Power of the Gospel* reminds us of the basics. With so many Christians fighting over correct doctrine, this book presents our Christian doctrinal foundation. Why are we here? What is our identity? What is the Good News? What do we need to do to be saved? Pastor and author Dr. Bobby Wagner answers all of those questions and more. *ReAwakening* clearly attempts to present all the theological and doctrinal truths surrounding the Gospel.

It's 1988 and Lily Bloom, a 65-year-old American lies dying of cancer in a London hospital. As her two daughters buzz around her and the nurses pump her full of morphine, she slides in and out of consciousness, outraged that there is so little time left and so many people still to disparage.

How the Dead Live

****SHORTLISTED FOR THE GOLDEN MAN BOOKER PRIZE**** Claudia Hampton - beautiful, famous, independent, dying. But she remains defiant to the last, telling her nurses that she will write a 'history of the world . . . and in the process, my own'. And it is her story from a childhood just after the First World War through the Second and beyond. But Claudia's life is entwined with others and she must allow those who knew her, loved her, the chance to speak, to put across their point of view. There is Gordon, brother and adversary; Jasper, her untrustworthy lover and father of Lisa, her cool conventional daughter; and then there is Tom, her one great love, found and lost in wartime Egypt. *Moon Tiger* is a haunting story of loss and desire. 'Leaves its traces in the air long after you've put it away' Anne Tyler 'A complex tapestry of great subtlety. Lively writes so well, savouring the words as she goes' Daily Telegraph 'Lively's ability to bring her character and the world she inhabits into full technicolour is beautiful. A Once Upon a Time Tale: Reawakened

BOOKER PRIZE WINNER • NATIONAL BESTSELLER • An “extraordinary meditation on mortality, grief, death, childhood and memory” (USA Today) about a middle-aged Irishman who has gone back to the seaside to grieve the loss of his wife. In this luminous novel, John Banville introduces us to Max Morden, a middle-aged Irishman who has gone back to the seaside town where he spent his summer holidays as a child to cope with the recent loss of his wife. It is also a return to the place where he met the Graces, the well-heeled family with whom he experienced the strange suddenness of both love and death for the first time. What Max comes to understand about the past, and about its indelible effects on him, is at the center of this elegiac, gorgeously written novel—among the finest we have had from this masterful writer.

The Sea

Released from the Arctic ice after two millennia, a Roman gladiator contends with his haunted memories and the modern world in this “marvelous” novel (Los Angeles Times). While exploring the polar expanse for an oil company, geologist Lew McCordle discovers something remarkable: a body encased in the ice. Even more remarkable, the skills of a Russian researcher bring the man miraculously back to life. This strange visitor from the distant past has an amazing story to tell. With the help of a Nordic nun who translates from his native Latin, Lucius Aurelius Eugenianus reveals that in the era of Domitian he was a champion in the ancient Roman Coliseum, a gladiator known far and wide as the greatest of all time. But now the warrior Eugeni must readjust to this new world, with its bizarre customs, hidden traps, and geopolitical and moral complexities, as he struggles to come to terms with painful memories of loves and glories lost, and the bloodthirsty imperial politics and heartbreaking betrayals that ultimately led him to this time and place. An ingenious amalgam of science fiction, fantasy, and history, Richard Ben Sapir’s *The Far Arena* is a breathtaking work of literary invention, at once thrilling, poignant, and thought-provoking.

The Far Arena

The Pulitzer Prize– and National Book Award–winning novel is now a new, boldly reimagined film from producers Oprah Winfrey and Steven Spielberg, starring Taraji P. Henson, Danielle Brooks, and Fantasia Barrino. A PBS Great American Read Top 100 Pick *Celie* has grown up poor in rural Georgia, despised by the society around her and abused by her own family. She strives to protect her sister, Nettie, from a similar fate, and while Nettie escapes to a new life as a missionary in Africa, Celie is left behind without her best friend and confidante, married off to an older suitor, and sentenced to a life alone with a harsh and brutal husband. In an attempt to transcend a life that often seems too much to bear, Celie begins writing letters directly to God. The letters, spanning 20 years, record a journey of self-discovery and empowerment guided by the light of a few strong women. She meets Shug Avery, her husband’s mistress and a jazz singer with a zest for life, and her stepson’s wife, Sofia, who challenges her to fight for independence. And though the many letters from Celie’s sister are hidden by her husband, Nettie’s unwavering support will prove to be the most breathtaking of all. The *Color Purple* has sold more than five million copies, inspired an Academy Award-nominated film starring Oprah Winfrey and directed by Steven Spielberg, and been adapted into a Tony-winning Broadway musical. Lauded as a literary masterpiece, this is the groundbreaking novel that placed Walker “in the company of Faulkner” (The Nation), and remains a wrenching—yet intensely uplifting—experience for new generations of readers. This ebook features a new introduction written by the author on the 25th anniversary of publication, and an illustrated biography of Alice Walker including rare photos from the author’s personal collection. The *Color Purple* is the 1st book in the *Color Purple Collection*, which also includes *The Temple of My Familiar* and *Possessing the Secret of Joy*.

Now a major motion picture *A Man Called Otto* starring Tom Hanks! #1 New York Times best-seller—more than 3 million copies sold! Meet Ove. He's a curmudgeon—the kind of man who points at people he dislikes as if they were burglars caught outside his bedroom window. He has staunch principles, strict routines, and a short fuse. People call him “the bitter neighbor from hell.” But must Ove be bitter just because he doesn't walk around with a smile plastered to his face all the time? Behind the cranky exterior there is a story and a sadness. So when one November morning a chatty young couple with two chatty young daughters move in next door and accidentally flatten Ove's mailbox, it is the lead-in to a comical and heartwarming tale of unkempt cats, unexpected friendship, and the ancient art of backing up a U-Haul. All of which will change one cranky old man and a local residents' association to their very foundations. Fredrik Backman's beloved first novel about the angry old man next door is a thoughtful exploration of the profound impact one life has on countless others. “If there was an award for ‘Most Charming Book of the Year,’ this first novel by a Swedish blogger-turned-overnight-sensation would win hands down” (Booklist, starred review).

The Awakening

With a claustrophobic intensity of vision, this book is a challenging, beautifully written novel of disconnect, insanity, and reawakening. A young woman regains consciousness. An elegant old lady degenerates into flailing madness. A beggar counts small change on Westminster Bridge. Hot summer afternoons transform into autumn and winter days and back to summer again. At first, Iris and Rachel are linked only by their illness, but as they heal they grow closer, and soon they are enmeshed in a relationship neither can escape. When Iris insists on writing Rachel's biography, the younger woman is unable to resist; but is her life being reported or created by her self-appointed storyteller?

INTRODUCTION

1967 THE YEAR IT ALL CAME TOGETHER FOR ROCK MUSIC (In the year of 1967, a monumental shift occurred in the realm of rock music)

MIKE JEFFERY AND HIS TRICKS (Once 'Hey Joe' had been released, Mike Jeffery used his armoury of dirty tricks to get the record noticed)

OPERATING ON THE SMELL OF AN OILY RAG (While the Jimi Hendrix Experience continued to score minor triumphs such as placing "Hey Joe" on the charts and appearing on Ready, Steady, Go! Their lack of cash flow dogged Chandler and Jeffery)

THE LOOK (Jimi had always worn flamboyant clothes, even as a kid. If Jimi's appearance had attracted curious glances in London, he looked totally outrageous up north.)

... STYLE ALL OF **HIS OWN**, (Right from the **beginning**, he ...

PLAYING AT BRIAN EPSTEIN'S SAVILLE THEATRE (As was becoming customary, the Beatles visited Hendrix's dressing room before and after the show to offer encouragement. It was clear from the rapturous reception that the Experience had arrived as the next big thing in England after the Beatles and Rolling Stones.)

CLAPTON DESCRIBES THE SAVILLE THEATRE GIG (I knew what Jimi Hendrix was capable of from the minute I met him. It was the complete embodiment of all aspects of rock guitar rolled into one. I could sense it coming off the guy.)

JIMI AND 'WILD THING' – HOW IT HAPPENED (As soon as they got back to London he bought a copy of

LET YOUR FANCY FLOW ('I remember looking up the stairs and seeing Jimi – and the charisma – I couldn't take my eyes off him. . . . he was so polite and charming and shy.')

THE MIXED BLESSING OF STARDOM (Even if you didn't like us, at least you could be sure of seeing someone – Keith Moon, a Beatle, or a Stone, Liza Minelli, Eric Clapton, Jane Asher, Marianne Faithful – at our gigs. Last month we were playing to hundreds, this month, thousands.)

PLAZA NEWBURY – CONCERT REVIEW (Last night at the Plaza, Newbury, the Jimi Hendrix Experience roared and romped their way through an hour and a quarter's worth of music that shattered the senses both aurally and visually.)

JIMI'S SONGWRITING (Mitch Mitchell: We really were a 'band' at that time. Hendrix would have an idea of chords and structure; he wrote the 'songs'. When it came to the rhythmic structure, everything was left up to me and Noel.)

JIMI CHANGED MUSIC BUT WHO INFLUENCED HIM? (One of the things that attracted Hendrix to working in England was that he'd heard the sounds that people like Jeff Beck – whose playing we all loved – were producing with fuzzboxes and wanted to work in English studios.)

TAKING CARE OF BUSINESS – MIKE JEFFERY AND THE US DEAL

THE MID-SIXTIES LONDON CLUB SCENE (In the mid-1960s, it was widely acknowledged that the club scene in and around London was unrivalled, standing as the pinnacle of its kind worldwide) AND THE ROCK'N'ROLL CIRCUS IS IN MOTION Incl APPEARANCES for JAN 1967 (With inter-views, photo calls, recording sessions and an ever growing list of club dates which, if you include all the travelling time between gigs up and down the country, meant they very rapidly found themselves with no free time)

MITCH ON WIND CRIES MARY & JIMI'S SONGWRITING (Jimi was incredibly literate and in possession of a great deal of wisdom. I've really no idea where it came from, but what a gift for words!)

'THE WIND CRIES MARY' – ORIGINS OF THE SONG (The song was written in the wake of a cataclysmic row between Kathy Etchingham, whose middle name is Mary, and Jimi)

'51st ANNIVERSARY' – THE SONG AND THE RECORDING (A great recording, I always loved that song. It features five guitar overdubs all linking in together, to sound like one guitar. Hendrix was brilliant. We would record on four-track, premix down to two-track, fill those up, and overdub again.")

RECORDING PURPLE HAZE, ACCORDING TO CHAS (With "'Purple Haze,' Hendrix and I were searching for a sound and just kept going back in, two hours at a time, trying to achieve it)

JIMI IN HIS OWN WORDS – HEY JOE AND THE MEANING OF PURPLE HAZE (It was the first time I ever tried to sing on a record. I was too scared to sing. Chas made me sing serious. I just wish I could sing really nice, but I know I can't. I just feel the words out)

JIMI AND KATHY AND THEIR INCESSANT ROWING (Jimi was particularly frustrated by the lack of decent food in England at the time)

WE STILL HAD WRETCHED NIGHT AND PERSONAL BAD MOMENTS (Just to keeps things in perspective, not everyone loved us. We still had wretched nights when the audience hated us and every note we played)

THE NORTHEN ENGLISH CLUB BOOKINGS (Before 'Hey Joe' came out and became a hit, Chas had booked Jimi to do a tour of the working-men's clubs in the north of England. He tried to get Jimi out of it once it was obvious that he could pull bigger crowds at other venues, but the contracts were water-tight)

TWO GIRLS IN EACH ARM, EXHAUSTED AND SKINT! (Things changed Fast and our days settled into a routine: up late, travel, gig, get pissed, crawl into bed between four and eight in the morning)
