The Railways, the Trusts, and the People ...

Excerpt from The Railways, the Trusts, and the People, Vol. 1 Some years ago Dr. Taylor said he thought that Equity Series should have a book on the railway question. I replied that there was room for a book that would deal with the political, industrial and social effects of different systems of railway control. Poor and the Interstate Commission had given us statistics; Wellington and other writers had discussed the construction and operation of railways from the engineering and economic side; Hadley had written a masterly treatise dealing with railway rates and management from the railway standpoint; and Hudson, Larrabee, Lewis, Cowles, etc., had written on the same topic from the people's point of view; but no one had brought together the facts that would show the broad effects of public and private railways

and various methods of management upon moral and intellectual development, political, industrial and social conditions, and the progress of civilization. The Doctor approved the plan and this book is the result. Materials for its preparation were gathered in the course of many thousands of miles of travel covering three-fourths of the United States and most of the principal countries of Europe. Libraries were consulted in every country visited, and railway ministers and managers and leading authorities almost without exception afforded every assistance in their power. Leading railroad officials of twenty countries besides our own have been consulted and have given freely of their wealth of knowledge. Besides the Secretary and members of the English Board of Trade & Railway Commission, the Ministers of railways in France, Switzerland, Italy, Austria, Germany and Belgium, and the President of the Danish Government railways, the writer has talked with many railroad managers and others high in the service in all these countries, and also with leading officials of the railroads of Norway, Sweden, Holland, South Africa, New Zealand and Australia. The privilege of directly questioning men who have all the facts at their fingers' ends and vocal termini, is of inestimable value in research of this sort, and the writer wishes to render hearty thanks to all who have so cordially assisted him. Among these are many not directly connected with railway service but familiar with the economic, political or social aspects of the problem. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. The Railways, the Trusts, and the People ...: Relations of the railways to the public

Excerpt from Democracy and the Trusts Now, anyone who thinks seriously of the present condition of this Democracy, must see cause for grave alarm. One fact stands out with fatal emphasis. The wealth of America, the property of the people, is rapidly being grabbed by a very few men. These men count their fortunes, not by millions, but by hundreds of millions. These multi-millionaires are always directors of some Trust or directors of some Railway, or both. Now, why are they directors in Railways or Trusts, or both? For the very simple reason that the Trusts have plundered the people by means of the Railways. As the Hon. M. L. Lockwood put it to the Industrial Commission of Washington, What difference does it make whether you are robbed by a highwayman, using a pistol, or by an Oil King using a railway? About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. The railways the trusts and the people

An entertaining miscellany full of fascinating railway stories, facts and tidbits, from the age of steam to the present day. The world of the railways weaves a spell over many people. In this engaging book railway expert Anthony Lambert presents some of the best stories. From the early days come tales of financial skulduggery and worries that sparks from locomotives might ignite sheep's fleeces. But as the railway transformed the modern world, attitudes changed, and railways were opened to great rejoicing and even religious blessing. The perennial appeal of the steam locomotive generated a pride amongst railwaymen and a fascination among the public. The romantic aspects of the railway were soon celebrated -- and not just the unexpected engagement that came from a snowbound train in the Highlands or the sexual shenanigans of the Orient Express. Here are stories of railway travel, from the palatial carriages of tsars and maharajahs to the open trucks of the 'lower orders', mishaps and faux pas, and tales of how ticket inspectors used to have to hold on to the outside of carriages while clipping tickets. From tales of lonely stations and signal-boxes in Scotland, to the unlucky engineer eaten by a lion in a carriage in Kenya, Lambert casts his net across railways worldwide to gather the most entertaining material. There are stories here that would enliven even a cheerless commute, and remind you that our railways really were -- and occasionally still are -- full of derring-do, romance and character.

The Railways, the Trusts, and the People, Vol. 1 (Classic Reprint)

Excerpt from The Proposed Railway Trust Tary unincorporated association the public W111 t be scared. When an organization, not indeed the trust theory, but designed, as public at least, to accomplish in somerespects very much the game ends contemplated in the creation of trusts, was lately called the Inter state Commerce Railway Association, no one was seriously disturbed, and nobody shouted conspir acy or stop thief. The partisan newspapers also who, in one column were bawling out vituper ation of trusts, on another page gleefully make small jokes over what they called an agreement among gentlemen. They were so taken with their wit that they entirely overlooked what they might have called the trust iniquity that lurked in it. Witness also the persistence with which they miscall the North American Salt Co. A trust. It will, in this state of the public intelli gence and temper, be wise to throw it a sop in the matter of the name for the railway trust. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. The Railways, the Trusts, and the People .. - Primary Source Edition

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The Railways, the Trusts, and the People - Scholar's Choice Edition

An extraordinary social history of Britain's rail networks and its people, that will appeal to railway enthusiasts, commuters and everyone else who travels by train.

The Railways, the Trusts, & the People

Why build a Railway to Cambridge? This is the first substantive illustrated book about Cambridge Station which explores the opening of the station in 1845; the four principal railway companies which all worked to and from the station in a tangle of mutual inconvenience; the extensive goods traffic which

was handled in the several goods yard around the station; and the way the Station operated from early beginnings, to what Abellio East Anglia and Network Rail offer today. Cambridge Station is renowned for having one of the longest single platforms in the UK, served by Up and Down trains. Ingenious trackwork and extensive signalling could satisfy passengers who were told at the central booking hall entrance: 'Turn left for Kings Lynn or right for London.' The book contains several pictures never before published, showing how the Eastern Counties and then the Great Eastern Railway Companies contrived Cambridge Station and the Engine Sheds, Goods Yards, Signal Boxes and extensive sidings to serve East Anglia. And it tells people stories too, because the author worked on the station in the 1950s and 1960s and knows Cambridge and East Anglia well. He is a geographer and writes with knowledge, wisdom and humour.

Public Ownership of Railways

Democracy and the Trusts (Classic Reprint)

'As a distinguished railway historian [Gordon Biddle] has brought his prolific knowledge and incomparable experience to bear in offering us a railway compendium through which we can recognise, understand and value the outstanding legacy of this railway that is ours.' Sir Neil Cossons, Chairman of English Heritage When we think of railways we think of romance and adventure, we think of pioneers, inventors, long-distance travel, holidays, and partings. Our fascination with railways goes back to Victorian times, when rail travel, a revolutionary concept at the time, caught the imagination of a generation of designers, architects, and builders. The legacy the Victorians left behind is vast and can still be seen today all over England, Scotland, and Wales, in the buildings that they built; the stations, from the city to the country; the railway hotels; the signal boxes; the engine and goods sheds; the bridges, viaducts, and tunnels; and the crossing-keeper's cottages. Twenty years ago 400 railway buildings were either listed or scheduled, now this number is over 2,000. Some of these buildings are now no longer used by the rail industry, their individual histories in themselves interesting, but the majority are still part of the working railway, both the greats, from St Pancras to the Forth Bridge, and forgotten gems, from Elstob accommodation bridge in County Durham to Knucklas viaduct in Central Wales. With the speed of modern train travel, how often do we take the time to appreciate their rich architectural heritage? Unique especially in its illustrative detail, Britain's Historic Railway Buildings provides a comprehensive record of this legacy, from London and the South East to Northern Scotland. Eleven highly-illustrated regional chapters take a fascinating architectural journey along Britain's vast railway network stopping at over 2,300 structures and sites along the way. The pictorial archive that supplements the text, much of which has never before been published, offers the reader the chance to view the whole range of these outstanding landmarks. Each regional chapter also begins with a detailed map of the area and a short introductory essay. Each entry within the chapters outlines designers, opening and (where applicable) closing dates and current usage, listing of scheduling information, Ordnance Survey grid reference, history, construction, significant highlights, and relative importance in railway history, including contributions - beneficial and adverse - to local environments. To complement the eleven regional chapters, the Gazetteer offers a wealth of additional material. At the front of the book there is a detailed survey of the evolution of structures such as stations, warehouses, and signal boxes; methods of building bridges, viaducts, and tunnels; the great railway hotels; forgotten buildings such as engine sheds; railway towns and housing; building materials and where they came from. The statutory listing and scheduling process is also explained. At the back of the book there is a detailed record of lost buildings of importance and interest and also an alphabetical collection of mini-biographical sketches of the more important railway engineers and architects. An illustrated glossary of architectural terms, a select bibliography, and an index of people are also included at the back of the book. 'The events

of October 2001 when Railtrack was placed in Administration and the subsequent deluge of media coverage has almost stifled any opportunity for good news about railways in the United Kingdom. Yet good news does exist, particularly in relation to railway heritage, including buildings, bridges and other structures.' Jim Cornell, Executive Director, The Railway Heritage Trust, Annual Report, October 2002.

Lambert's Railway Miscellany

'The most striking result produced by the completion of this Railway, is the sudden and marvellous change which has been effected in our ideas of time and space. What was quick is now slow; what was distant is now near.' So wrote Henry Booth of the Liverpool & Manchester Railway. The early railways changed all aspects of life: what people ate (and how they cooked), what they wore and how they communicated. But what was it like to travel on the railways in the 1830s and 1840s? This book hopes to explore the experiences of these pioneer railway travellers, from the first railway stations and railway carriages to the hazards of the journey itself.

The Proposed Railway Trust (Classic Reprint)

"A foundational work on historical and social studies of quantification"--

Railway Secrecy and Trusts

The treatment of victims and complainants by the police is examined in this pioneering new work. Case studies, based on interviews carried out at the University of Portsmouth's Institute of Criminal Justice Studies, in the United Kingdom, reveal that victims and complainants are routinely discredited by police agencies. Whilst in the United States, victims may include anyone subjected to police interrogation, particularly those of African-American origin, complainants across the globe may include victims of rape, bereaved families, and individual officers. The reason why certain victims and complainants are targeted by policing agencies is complex and leads to an investigation into police bias, covert practices, and one of the most common areas of policing: road death investigations. Consequently, other members of the criminal justice system, such as prosecutors, coroners, and hospital pathologists (medical examiners) are shown to often corroborate the police's version of events compromising victims' rights and the very nature of justice. Given recent miscarriages of justice and public relation campaigns on behalf of the police, Eccy de Jonge argues that never before has a greater openness on the inner workings of the police been needed to fully support the interests of those the criminal justice system is meant to serve.

The Railways

Australia's Northern Territory is twice the size of Texas with a population less than one-tenth that of Houston. How could so vast a place be a setting for environmental abuse? American anthropologist Richard Symanski shows how the Outback's ecology has been drastically altered as Europeans, Aborigines, wild species, and introduced species make their impact on the land and on each other.

Cambridge Station

This revised and updated text contains a range of relevant, interesting case law, statutory material, academic extracts and official proposals for law reform. A companion web site featuring web links and case updates ensures students have access to the latest materials.

MOSELEY STORY

Beautiful and brainy Texas attorney Sharon Hays must stand alone against mobsters, political corruption, and cover-ups when she discovers key evidence that could prove a man on death row innocent of killing his socialite wife. But little does she realize that the real killer still prowls in the shadows—and will stop at nothing to silence her!

The Lady and the Pirate

Swash-buckling adventure on the high seas, passionate romance between star-crossed lovers -- The Lady and the Pirate has it all. This popular novel from American writer Emerson Hough is a fun read for pirate fans, historical romance junkies, and everyone in between.

The Lady and the Pirate

Amusing, whimsical, very light story of a man and a woman and two delightful laddies playing pirate in strict accordance with the proceedings in the Pirate's own book.

Lady Pirate

Originally published: Dorchester Publishing, 2001.

The Lady and the Pirate

Emerson Hough (1857-1923) was an American author, best known for writing western stories. Hough graduated from the University of Iowa with a law degree. He moved to White Oaks, New Mexico, and practiced law there but eventually turned to literary work by taking camping trips and writing about them for publication. He is best known as a novelist, writing *The Mississippi Bubble* (1902) as well as *The Covered Wagon* (1922). Hough was also a conservationist, and was the catalyst behind a law passed by the U. S. Congress to protect the buffalo in Yellowstone National Park. His other works include *The Singing Mouse Stories* (1895), *The Girl at the Halfway House* (1900), *The Law of the Land* (1904), *Heart's Desire* (1905), *The Way of a Man* (1907), *54- 40 or Fight* (1909), *The Purchase Price* (1910), *The Man Next Door* (1917), *The Passing of the Frontier* (1918) and *The Sagebrusher* (1919).

The Lady and the Pirate (Illustrated Edition) (Dodo Press)

Raised in a convent, Isabella's first taste of adventure is a shipboard raid by pirates. Even in her innocence, she cannot believe that the pirate captain Marques is anything but ruthless--until he displays his honor in a stunning act of bravery--and Isabella decides that the man whose kisses have awakened her deepest desires is really a hero at heart.

The Lady and the Pirate

Valoree no longer has to masquerade as her murdered brother and scourge the oceans as Captain Red. She no longer has to command his pirate band in a quest to regain his birthright. She has been named heir to Ainsley Castle. But no executor would ever hand over the estate to an unmarried pirate wench and her infamous crew—no matter to whom she'd been born. And the will distinctly states that in order to inherit, Valoree must be married to a nobleman . . . and pregnant. Upon learning that, the virgin captain is ready to return to the seas—but her crew has other ideas— and for those rascally cusses she would do anything. If they could find a way to put on her a sweet face that would fool the ton, she would handle the rest, even with a drunken prostitute as an “aunt” and her merry cutthroat crew as “servants.” But to herself she swears one thing: she will only marry a man who fires her blood, a man who is not afraid of a . . . Lady Pirate “LYNSAY SANDS has just the right touch of humor and the perfect amount of mystery to hold you in her grasp LADY PIRATE is a delicious treat.” - RT BOOKreviews

The Lady and the Pirate

AN IMPOVERISHED NOBLEWOMAN. Lady Esta Aranati will do anything to ensure the safety of her estate and its people, even to smuggling on the high seas. She leads a double life, a mask and wig the only shields that protect her reputation. A DARING PIRATE. Samael Delacost roams the ocean, living off the hard work of others, ignoring the voice that whispers 'you don't belong'. Until one night, Sam boards Esta's ship and discovers she's no easy prey. Thrown together by a treasure hunt, the unlikely partners strike sparks off each other. Against her better judgment, Esta tries to help Sam find his mother, but what she discovers will change their lives forever. Can Sam and Esta find their way through danger, political intrigue and societal rules to forge a life together? Or will their differences and their pasts dictate the future? *The Lady and the Pirate* is the sixth book in the epic *Queenmakers Saga*, combining the sweeping high fantasy world of *Thorius* with sizzling romance. If you like magic, political intrigue and sexy pirates, wrapped up in an adventure on the high seas, then you'll adore *The Lady and the Pirate*.

The Lady and the Pirate

Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The Lady and the Pirate; Being the Plain Tale of a Diligent Pirate and a Fair Captive. Illustrated by Harry A. Mathes

I WAS sitting at one of my favorite spots engaged in looking through my fly-book for some lure that might, perhaps, mend my luck in the afternoon's fishing. At least, I had within the moment been so engaged; although the truth is that the evening was so exceptionally fine, and the spot always so extraordinarily attractive to me—this particular angle of the stream, where the tall birches stand, being to my mind the most beautiful bit on my whole estate—that I had forgotten all about angling and was sitting with rod laid by upon the bank, the fly-book scarce noted in my hand. Moreover, a peculiarly fine specimen of *Anopheles*, (as I took it to be) was at that very moment hovering over my hand, and I was anxious to confirm my judgment as well as to enlarge my collection of mosquitoes. I had my other hand in a pocket feeling for the little phial in which I purposed to enclose *Anopheles*, if I could coax him to alight. Indeed, I say, I was at that very moment as happy as a man need be; or, at least, as happy as I ever expected to be. Imagine my surprise, therefore, at that moment to hear a voice, apparently intended for me, exclaim, "Halt! Caitiff!"

The Lady and the Pirate

After spending a century fighting in a losing war against the most unstoppable force the galaxy has ever known; the confederacy is no more, and humanity is all but lost or enslaved. Keyanna, a shape-shifting organic nanite Rehuman Being and Naya, a Torrey 9 (high gravity world) born human, travel to Deslar, the godmaker world, the last stronghold of humanity. In the past, Deslar has endowed Keyanna with the ability to temporarily travel thru time. On this occasion Keyanna, a self proclaimed space pirate, born on the pirate ship *The Twenty-Wun Stars*, along with Naya, who like being the superhero off her home world, travel back in time to stop the war before it ever begins. Over three thousand years after the final battle over the soul of mankind, between God, Satan, and Nefarious, destroys the earth, a new chapter begins. The resulting hyperspace blast from the earth's destruction flings the last of humanity into the furthest reaches of space on their surviving starships. Over 300 years passes before these star

cast seeds of mankind reclaim the stars, and begin to find each other. The first of the new worlds to find each other and reconnect old humanity on new worlds, would eventually form The Confederation of Republic Worlds. This union would be marked with the erection of the Jara Timekeeping Tower on Jara Prime, broadcasting a synced time throughout the known universe. This is the Jara Era.

The Lady and the Pirate

Two unlikely lovers... the ocean their playground... saved by desire. AN IMPOVERISHED NOBLE-WOMAN. Lady Esta Aranati will do anything to ensure the safety of her estate and its people, even to smuggling on the high seas. The Lady and the Pirate

He's an English spy in Portugal to discover troop movement. She's living under the same roof as the hated French oppressors. He gives her hope the perhaps the French can be overthrown.

The Lady and the Pirate; Being the Plain Tale of a Diligent Pirate and a Fair Captive. Illustrated by Harry A. Mathes

In the first-ever Seven Seas history of the world's female buccaneers, *Pirate Women: The Princesses, Prostitutes, and Privateers Who Ruled the Seven Seas* tells the story of women, both real and legendary, who through the ages sailed alongside—and sometimes in command of—their male counterparts. These women came from all walks of life but had one thing in common: a desire for freedom. History has largely ignored these female swashbucklers, until now. Here are their stories, from ancient Norse princess Alfhild and warrior Rusla to Sayyida al-Hurra of the Barbary corsairs; from Grace O'Malley, who terrorized shipping operations around the British Isles during the reign of Queen Elizabeth I; to Cheng I Sao, who commanded a fleet of four hundred ships off China in the early nineteenth century. Author Laura Sook Duncombe also looks beyond the stories to the storytellers and mythmakers. What biases and agendas motivated them? What did they leave out? *Pirate Women* explores why and how these stories are told and passed down, and how history changes depending on who is recording it. It's the most comprehensive overview of women pirates in one volume and chock-full of swashbuckling adventures that pull these unique women from the shadows into the spotlight that they deserve.

the lady pirates of captain bree

Warm, tropical Jamaica—a hotbed of piracy, violence, and spiritual conflict. Emerald Harwick is caught amidst each. Her fiancé, Captain Baret "Foxworth" Buckingham, defies the laws of the Jamaican Council and sails with notorious arch pirate Henry Morgan, hoping to find his imprisoned father among the Spanish dons. Her marriage delayed, Jamaican law forces Emerald to also put her heart's desire on hold: teaching Christianity to the African slaves. She fights disappointment and seeks an end to the spiritual conflict with her culture. Emerald is caught in a web of disillusionment, anger, and fear. As Spanish sympathizers gain the ear of the king, she must face a most frightening possibility: If caught, Baret will be arrested and hanged at Execution Dock.

The Lady's Pirate

There's a price on privateer Van Gast's head. So high that Van is tempted to turn himself in for the reward, then escape with it. Escaping with full pockets is what he does best. He managed to steal a ship, a bride, a dowry, a diamond the size of a fist—and then disappear without a trace. But this time, he can't go very far. The woman of his dreams, his Josie, has stolen his ship and is leading him on a merry chase dangerously close to Estovan, the one place Van Gast should steer clear of... 89,000 words

Pirate Women

A hear-stopping saga of courage. Derring-do, and selfless love on the high seas.

The Pirate and His Lady

Country of Origin: New Zealand The fierce little woman lived in a house at the end of a jetty. She knitted socks in blue and green wool, to sell to sailors who had got their feet wet. But when there were no ships at her jetty, she was quite alone. One stormy day, a pirate came to the house on the jetty. He stood on his toes, and started tap-tap-tapping on the window...

The Pirate's Lady

Captain Marco Dante was captured and sentenced to hang two years ago, but he escaped before his punishment was carried out. Now he's come back to the woman whose memory kept him alive those long months in prison. Arianne had been his grand passion, but he failed to see how much she meant to him until it was too late. Can he recapture her heart? Or has he lost her forever? Arianne never imagined she'd see her notorious pirate lover again. Though her heart sings with joy at his return, she knows he hasn't come back for her but for the treasure he left behind. She agrees to help him find it, but can her heart withstand one more adventure with him?

The Pirate and His Lady

Escaping from the attentions of the Bondsmagi Locke Lamora, the estwhile Thorn of Camorr and Jean Tannen have fled their home city. Taking ship they arrive in the city state of Tal Varrar where they are soon planning their most spectacular heist yet; they will take the luxurious gaming house, The Sinspire, for all of its countless riches. No-one has ever taken even a single coin from the Sinspire that wasn't won on the tables or in the other games of chance on offer there. But, as ever, the path of true crime rarely runs smooth and Locke and Jean soon find themselves co-opted into an attempt to bring the pirate fleet of the notorious Zamira Drakasha to justice. Fine work for thieves who don't know one end of galley from another. And all the while the Bondsmagi are plotting their very necessary revenge against the one man who believes he has humiliated them and lived; Locke Lamora.

The Fierce Little Woman and the Wicked Pirate

Reproduction of the original: The Queen of the Pirate Isle by Bret Harte

The Pirate's Lady

I WAS sitting at one of my favorite spots engaged in looking through my fly-book for some lure that might, perhaps, mend my luck in the afternoon's fishing. At least, I had within the moment been so engaged; although the truth is that the evening was so exceptionally fine, and the spot always so extraordinarily attractive to me—this particular angle of the stream, where the tall birches stand, being to my mind the most beautiful bit on my whole estate—that I had forgotten all about angling and was sitting with

rod laid by upon the bank, the fly-book scarce noted in my hand. Moreover, a peculiarly fine specimen of Anopheles, (as I took it to be) was at that very moment hovering over my hand, and I was anxious to confirm my judgment as well as to enlarge my collection of mosquitoes. I had my other hand in a pocket feeling for the little phial in which I purposed to enclose Anopheles, if I could coax him to alight. Indeed, I say, I was at that very moment as happy as a man need be; or, at least, as happy as I ever expected to be. Imagine my surprise, therefore, at that moment to hear a voice, apparently intended for me, exclaim, "Halt! Caitiff!" I looked up, more annoyed than displeased or startled. It is not often one sees so fine a specimen of Anopheles; and one could have sworn that, but for my slight involuntary movement of the hand, he must have settled; after which—crede experto!—he would have been the same as in my phial, and doomed to the chloroform within the next hour. Besides, no matter who one may be or how engaged, it is not wholly seemly to be accosted as a caitiff, when one is on one's own land, offending no man on earth, owing no debt and paying no tribute, feudal, commercial, military or personal, to any man on earth.

My Lady Pirate

A lonely woman tames a wicked pirate and they live happily ever after.

Red Seas Under Red Skies

A Splendid Opportunity A shipload of women—theirs for the taking! Pirate captain Gideon Horn couldn't be more delighted. His men are tired of wandering the high seas and want to settle down with wives on the uncharted island paradise they've discovered. And the women are bound to be grateful to be rescued from the life of drudgery awaiting them in New South Wales . . . Lord, he's so clever! A Splendid Passion Married? To pirates? Sara Willis couldn't be more appalled. First she demands proper courting—at least a month. The darkly handsome pirate lord gives them two weeks. Then Sara insists the men vacate their huts for the women—Gideon demands her kisses in return. As the demands heat up, so do their passions—and soon Sara can't remember just why she's fighting the devilishly seductive captain so hard. . .

The Queen of the Pirate Isle

This adult historical fiction is a seafaring adventure meant to entertain both the sailor and the landlubber. Having lost hearth and heart to the Stuart Uprising, CATE MACKENZIE, a fugitive war criminal, purchases passage on a ship bound for the West Indies. En route she is kidnapped—a case of mistaken identity—by CAPTAIN NATHANAEAL BLACKTHORNE, the pirate captain. Accustomed to blood, musket and cannon, life aboard the pirate ship isn't the hell Cate expects. She is instantly drawn into Nathan's bloody rivalry against LORD BREASTON CRESWICKE—the man who forced Nathan into piracy—and COMMODORE ROGER HARTE, Creswicke's puppet. They are an "unholy alliance" of ambition and power, Nathan a rat terrier on their heels. The impending arrival of Creswicke's fiancée is too much temptation. This is a story of two scarred people, blinded by their defenses. It's the story of trust, or rather, the lack of. It's the story of a loss of faith and disbelief that Providence might ever smile again.

Lady of Fire

Georgie! she had to paint a canvas of a future she envisioned for herself, Lady Georgina Montagu, aka Georgie, would color herself at the height of her career as an artist. And next to her, a man who loves her madly along with a child or two to make her circle of love complete. However, as a young debutante in 1830s England, she is cruelly cheated out of that pretty picture, and by her childhood friend, Rafe Griffiths no less! Mix in an unforgivable betrayal, and her hope for a picture-perfect future vanishes overnight. Rafe betraying a friend whom he quickly fell for wasn't enough, Rafe soon falls into hardship which sets him far out of Georgie's reach and off of England's shores. Four years later, he is dubbed a "pirate captain" in the employ of the British navy and is finally ready to come home and reclaim his bride. His homecoming shocks everyone as well as himself as he has risen in the ranks as the newest Duke of Lyonscar! But is love enough? Georgie, however, is ready to move on with her life without Rafe, while Rafe is dead set on keeping her at his side. Yet Georgie cannot simply deny the wild passion that simmers between them still, swirling all the hues of doubt in her mind when it comes to her prodigal husband. Matching her for stubborn wit, Rafe plans on pillaging on those doubts of hers, ready to take on the fight of his life to win her back.

The Lady and the Pirate: Being the Plain Tale of a Diligent Pirate and a Fair Captive

Elizabeth Rawley is obsessed with the 18th century warship "Black Cutter"--and its intriguing captain, Richard Colter. Elizabeth knows she and Captain Colter would have loved each other with a passion if they weren't separated by 200 years. One night on a moonlit beach in Key West, Elizabeth finds a man washed ashore, wearing 18th century clothing and resembling Richard Colter--who is very much alive. (June)

The Fierce Little Woman and the Wicked Pirate

When lovely Jennifer Grey discovered she was shipwrecked on Chad LaShelle's outlaw island, she fled through the jungle forest in fear. She had heard of the pirate's notorious reputation and had no doubt what her fate would be. And even more fearful than the virile pirate to Jennifer was the primitive response she knew he could arouse within her. Sure to be another McMahon bestseller. .

The Pirate Lord

The pirate crew of the Lady Luck lives by many rules, but chief among them is this: they do not allow men on board. That's a rule that quartermaster Grace Porter is willing to break when a shipwrecked young nobleman offers her information of an omniscient map, stolen from his warship by an enemy vessel. Until now, the map was only the stuff of legend... but with its help, Grace may finally be able to hunt down the Mordgris, the sea monsters who stole her mother away from her. Unfortunately, some members of her crew have other plans... To find the map and face the Mordgris, Grace will have to confront her past, put the Luck between warring nations, and uncover treachery aboard the ship. And ultimately, her revenge and the destruction of the Mordgris will come at a hefty price: the betrayal of her crew. Grace promised them they wouldn't regret this. She just isn't sure that she won't.

The Pirate Captain Chronicles of a Legend

Cate Whitfield harbors revenge in her heart for the bloodthirsty pirate who murdered her betrothed. So she's stunned to learn that he is to be her father's guest of honor at one of his revelries--and even more upset to discover that Captain Alexander Chase may not be the scoundrel she believes. Even though she has publicly branded him a criminal, feisty Cate mesmerizes Alex. But the former pirate isn't about to let her accusations deter his own agenda for vengeance. He's returned to Promise, New Jersey, to retaliate against the man who murdered his father...the man who just happens to be Cate's father. Trouble is, he may be falling in love with her, and she's hell-bent on seeing him punished. Can these two wounded hearts find out the truth before it's too late, or is their love doomed to walk the plank? Sensuality Level: Sensual

The Lady and Her Pirate Duke

This set includes all three books of the Buccaneers Series: Port Royal, The Pirate and His Lady, and Jamaican Sunset. In Port Royal, the Caribbean Sea teems with piracy and privateering as Captain Baret "Foxworth" Buckingham searches for his father. Though declared legally dead, Baret is certain his father is alive, perhaps being held prisoner. Willing to jeopardize his title, his inheritance, and his life in order to find his father, he sets sail and swears vengeance upon Spain. Amidst the slavery, brutality, and cruel gossip on a Jamaican Sugar estate, Miss Emerald Harwick seeks an escape. Rejected by her father's wealthy family, Emerald is constantly reminded of her deceased mother's notorious reputation and her father's escapades on the high seas. Only two things keep her going--working in the Christian Singing School and her plans to secretly marry an indentured servant. In desperation, they plan to leave Jamaica. But Emerald's father has other plans! As their paths intertwine, Emerald and Baret set out on a journey filled with danger, intrigue, and romance. In The Pirate and His Lady, Jamaica is a hotbed of piracy, violence, and spiritual conflict. Emerald Harwick is caught amidst each. Her fiancé, Captain Baret "Foxworth" Buckingham, defies the laws of the Jamaican Council and sails with notorious arch pirate Henry Morgan, hoping to find his imprisoned father among the Spanish dons. Her marriage delayed, Jamaican law forces Emerald to also put her heart's desire on hold: teaching Christianity to the African slaves. She fights disappointment and seeks an end to the spiritual conflict with her culture. Emerald is caught in a web of disillusionment, anger, and fear. As Spanish sympathizers gain the ear of the king, she must face a most frightening possibility: If caught, Baret will be arrested and hanged at Execution Dock. In Jamaican Sunset, Emerald Harwick, publicly betrothed to Baret Buckingham, can scarcely contain her joy. She will manage her plantation's Great House on Jamaica until his return from sailing with buccaneer Henry Morgan, and then they will marry. Meanwhile, she will begin a singing school and

translate the African slave chants God's songs of redemption. But then problems out of the past put in an unexpected appearance. Emerald is abducted and finds herself on an unscheduled sea voyage. That long-ago stolen treasure from the Prince Philip comes into play once more. Baret hopes to free his imprisoned father and unearth the treasure. But Baret's enemy--pirate Rafael Levasseur--emerges as a final threat to Emerald's cherished hopes. Can the God in whom she trusts indeed cause all things to work together for good?

The Pirate and His Lady

An exiled Turkish prince must choose between his plan to save his mother from the hands of his enemy and the love of a beautiful Englishwoman who is also the object of his enemys desire.

The Pirate's Lady
