Not all chemo meds cause hair loss

Cold Cap therapy could be an option for you.

Hair loss occurs everywhere.

Nails may be affected.

Neuropathy is a common side effect.

Your taste will change.
You will likely have nausea.
Drink lots of water for the days around chemo!
Your mouth may be affected.
Talk to your doctor about preserving your fertility.
You will be tired.

10. You will be "foggy" aka chemo brain.

You can live a pretty normal life.

Crown him with many crowns, The Lamb upon his throne. Hark! how the heavenly anthem drowns, All music but its own. Awake ...

Crown him with many crowns

the Lamb upon His throne

Hark! How the heavenly anthem drowns

Awake, my soul, and sing

of Him who died for thee

and hail Him as thy matchless King

through all eternity.

Crown Him the Lord of life

who triumphed o'er the grave

and rose victorious in the strife

His glories now we sing

who died and rose on high

who died eternal life to bring

and lives that death may die.

Crown Him the Lord of love

Behold His hands and side

Rich wounds yet visible above

in beauty glorified

No angel in the sky

can fully bear that sight

But downwards bends each burning eye

Crown Him the Lord of peace

whose power a sceptre sways

from pole to pole that wars may cease

and all be prayer and praise.

His reign shall know no end

and round His pierced feet

fair flowers of paradise extend

their fragrance ever sweet.

Crown him the Lord of years

the Potentate of time

Creator of the rolling spheres

ineffably sublime!

All hail Redeemer, hail!

For Thou hast died for me

throughout eternity.

ManCentered Example

Worship Needs To Be SpiritLed

You'll Be HURT, But You Have To DO IT | Jordan Peterson: "This Will Set You FREE" - You'll Be HURT, But You Have To DO IT | Jordan Peterson: "This Will Set You FREE" by Pursuit of Meaning 630,662 views 1 year ago 11 minutes, 40 seconds - If you want to learn something from Dr. Jordan Peterson, you could start with this... **Truth**.. What could be more profound than the ...

Intro

They were attempts to win arguments for the sake of winning the argument.

I was trying to understand why people did terrible things

That what we needed to do because of what happened in the 20th century that the problem is that the line between good and evil runs down every human heart.

and he believed that the human soul was a tree whose roots grew all the way to hell

to become the sort of people who wouldn't do it, which seems rather self evident

well, at least in part by stop... By ceasing to tell yourself lies that you

The consequences are in principle worthwhile.

clinical psychology, saying away from political science and law

is to take on the onslaught and to enter the contentious ring

you find the meaning that sustains you in life, and you find the patterns

of action that redeem the world both at the same time.

Life is a very difficult business.

and there's no shortage of pain when the deadwood burns off

And that's what makes people afraid of the truth.

Maybe that's why Moses encountered God in a burning Bush.
