Welcome to Seaside
Let's get physical
Must visit ...the fun store!
Dinner and a show

Go south and bust off

Get in the water... but do this first <Ä<û @

Please join the journey! =û

If you've never played - you need to

Go here - especially if you have kids

Don't eat first... unless you want a challenge

Be safe and have fun - go north

This is the most iconic thing to do

By now, hope to see you again

Tamiko Brown and the Mystery of the Lone Girl

Tamiko Brown, a 12-year-old Japanese/Australian girl who was orphaned then adopted, forms an angel club consisting of herself and three friends. Their first mission: rescue a lone [young] girl from a deranged man who beats her and holds her captive.

Hal Wallis

Hal Wallis (1898-1986) might not be as well known as David O. Selznick or Samuel Goldwyn, but the films he produced—Casablanca, Jezebel, Now, Voyager, The Life of Emile Zola, Becket, True Grit, and many other classics (as well as scores of Elvis movies)—have certainly endured. As producer of numerous films, Wallis made an indelible mark on the course of America's film industry, but his contributions are often overlooked. Bernard Dick offers the first comprehensive assessment of the producer's incredible career. A former office boy and salesman, Wallis first engaged with the film business as the manager of a Los Angeles movie theater in 1922. He attracted the notice of the Warner brothers, who hired him as a publicity assistant. Within three months he was director of the department, and appointments to studio manager and production executive quickly followed. Wallis went on to oversee dozens of productions and formed his own production company in 1944. Dick draws on numerous sources such as Wallis's personal production files and exclusive interviews with many of his contemporaries to finally tell the full story of his illustrious career. Dick combines his knowledge of behind-the-scenes Hollywood with fascinating anecdotes to create a portrait of one of Hollywood's early power players.

The Image of Librarians in Cinema, 1917Ð1999

From its earliest days to the present, the onscreen image of the librarian has remained largely the same. A silent 1921 film set the precedent for two female librarian characters: a dowdy spinster wears glasses and a bun hairstyle, and an attractive young woman is overworked and underpaid. Silent films, however, employed a variety of characteristics for librarians, showed them at work on many different tasks, and featured them in a range of dramatic, romantic, and comedic situations. The sound era (during which librarians appeared in more than 200 films) frequently exaggerated these characteristics and situations, strongly influencing the general image of librarians. This chronologically arranged work analyzes the stereotypical image of librarians, male and female, in primarily American and British motion pictures from the silent era to the 21st century. The work briefly describes each film, offering some critical commentary, and then examines its librarian, considering every aspect of the total character from socio-economic conditions and motivations for leaving or not leaving the library, to personal attributes (such as clothing, hair, and age) and entanglements with the opposite sex, to commonly used props, plot situations and lines ("Shush!"). The work comments on whether librarians and library work are depicted accurately and analyzes the development of the public's image of a librarian. The accompanying filmography lists librarian characters and notes stereotypes such as buns and eyeglasses. With bibliography and index.

All These Shiny Worlds

The 2016 ImmerseOrDie Anthology. What do you get when you ask 34 of today's top indie authors to each submit a story and then ask a team of ruthless judges to scour that ore and pick out the gems? You get *All These Shiny Worlds*: A world of today, divided, black from white, good from evil, and held apart by the taste of a cookie. A world of griffons and glimmer bunnies, wise old mothers, sassy llamas, and the magic of beer. A world of contemplation and serenity, of service and devotion, ruled by a jewel and guarded by children. Plus 12 more, for a total of 15 worlds to explore. From the brutal curators at ImmerseOrDie.com comes this collection of indie short stories, each a distinct jewel forged in the fires of judgment, and all carrying one simple promise: Guaranteed not to suck.

The Practice of Art and AI

Multidisciplinary explorations of AI and its implications for art In this multidisciplinary volume, European ARTificial Intelligence Lab, in partnership with Ars Electronica, considers the incredibly rapid development of Artificial Intelligence in the context of the cyber-arts. Bringing together 13 cultural and six scientific institutions from across Europe, this publication explores the interdisciplinary exchange between art and science and summarizes the accomplishments of the AI Lab since its opening. This guide to the events and exhibitions for this project includes more than 500 reproductions, profiles on featured exhibitors and essays. In keeping with the project's focus on the interplay between art and technology, the book includes QR codes which link the reader to video lectures and other supplementary materials. Artists and researchers include: Eva Smrekar, Eduardo Reck Miranda, Ian Gouldstone, Aarati Akkapeddi, Cecilie Waagner Falkenstrøm, Tega Brain, Sam Lavigne, Hannah Jayanti, Sarah Petkus, Mark J. Koch, Mimi Onuoha, Caroline Sindors, LaJuné McMillian, Victoria Vesna and many more.

Fumiko and the Finicky Nestmate

She could make a mess of everything. Especially him. The Junzi-also known as the Four Gentlemen-are a set of ancient weapons fashioned from remnants. Dragons refer to them as the Four Storms, and Hisoka Twineshaft believes they will make a difference in the hunt for the rogue. But someone else is interested in gathering up these crystal masterpieces. The so-called Gentleman Bandit is responsible for two thefts already, and Hisoka is concerned for the Bamboo Stave. So he deploys an elite taskforce to guard the treasure. And to catch a thief. Juuyu Farroost and his teammates regroup at a safehouse tucked under the boughs of one of the oldest-and most heavily fortified-orphan trees in the Americas. Fumiko and her tree-twin have enough rooms for all of them. If they can shift enough of the woman's clutter to set up their equipment. Juuyu's expertise is essential to the success of their mission, but he can barely focus thanks to Fumiko, her messes, and Akira, who apparently owes Boon a favor.

Japanese Demon Lore

Oni, ubiquitous supernatural figures in Japanese literature, lore, art, and religion, usually appear as demons or ogres. Characteristically threatening, monstrous creatures with ugly features and fearful habits, including cannibalism, they also can be harbingers of prosperity, beautiful and sexual, and especially in modern contexts, even cute and lovable. There has been much ambiguity in their character and identity over their long history. Usually male, their female manifestations convey distinctively gendered social and cultural meanings. Oni appear frequently in various arts and media, from Noh theater and picture scrolls to modern fiction and political propaganda. They remain common figures in popular Japanese anime, manga, and film and are becoming embedded in American and international popular culture through such media. Noriko Reider's book is the first in English devoted to oni. Reider fully examines their cultural history, multifaceted roles, and complex significance as "others" to the Japanese.

Three Fab Felines

****As seen in the upcoming Sony Pictures film Ghostbusters**** Years before they made headlines with the Ghostbusters, Erin Gilbert and Abby L. Yates published the ground-breaking study of the paranormal, *Ghosts from Our Past* - now back in print! Extraordinary claims require extraordinary evidence. Whether you're a believer or a sceptic, you'll find the information you're seeking right here in this extraordinary book, including: · The frightening childhood experiences that inspired Erin and Abby's lifelong passion for the paranormal; · The history and science behind ghosts and other supernatural entities, with an illustrated guide to each class of spook; · Helpful sidebars like Is It a Ghost? A Handy Quiz, Ectoplasm

Clean-up Tips, and more. With this official Ghostbusters guide in hand, you'll be prepared for almost any spirit, spook, or spectre that comes your way. For the rest, you know who to call.

Ghosts from Our Past

Yosano Akiko (1878–1942) has long been recognized as one of the most important literary figures of prewar Japan. Her renown derives principally from the passion of her early poetry and from her contributions to 20th-century debates about women. This emphasis obscures a major part of her career, which was devoted to work on the Japanese classics and, in particular, the great Heian period text *The Tale of Genji*. Akiko herself felt that *Genji* was the bedrock upon which her entire literary career was built, and her bibliography shows a steadily increasing amount of time devoted to projects related to the tale. This study traces for the first time the full range of Akiko's involvement with *The Tale of Genji*. *The Tale of Genji* provided Akiko with her conception of herself as a writer and inspired many of her most significant literary projects. She, in turn, refurbished the tale as a modern novel, pioneered some of the most promising avenues of modern academic research on *Genji*, and, to a great extent, gave the text the prominence it now enjoys as a translated classic. Through Akiko's work *Genji* became, in fact as well as in name, an exemplum of that most modern of literary genres, the novel. In delineating this important aspect of Akiko's life and her bibliography, this study aims to show that facile descriptions of Akiko as a "poetess of passion" or "new woman" will no longer suffice.

The Inhabitants of the Philippines

The 'International Military Tribunal for the Far East' (IMTFE), held in Tokyo from May 1946 to November 1948, was a landmark event in the development of modern international criminal law. The trial in Tokyo was a complex undertaking and international effort to hold individuals accountable for core international crimes and delivering justice. The Tribunal consisted of 11 judges and respective national prosecution teams from 11 countries, and a mixed Japanese–American team of defence lawyers. The IMTFE indicted 28 Japanese defendants, amongst them former prime ministers, cabinet ministers, military leaders, and diplomats, based on a 55-count indictment pertaining to crimes against peace, war crimes, and crimes against humanity. The judgment was not unanimous, with one majority judgment, two concurring opinions, and three dissenting opinions. The trial and the outcome were the subject of significant controversy and the Tribunal's files were subsequently shelved in the archives. While its counterpart in Europe, the 'International Military Tribunal' (IMT) at Nuremberg, has been at the centre of public and scholarly interest, the Tokyo Tribunal has more recently gained international scholarly attention. This volume combines perspectives from law, history, and the social sciences to discuss the legal, historical, political and cultural significance of the Tokyo Tribunal. The collection is based on an international conference marking the 70th anniversary of the judgment of the IMTFE, which was held in Nuremberg in 2018. The volume features reflections by eminent scholars and experts on the establishment and functioning of the Tribunal, procedural and substantive issues as well as receptions and repercussions of the trial.

Yosano Akiko and The Tale of Genji

To what extent can music be employed to shape one culture's understanding of another? In the American imagination, Japan has represented the "most alien" nation for over 150 years. This perceived difference has inspired fantasies--of both desire and repulsion--through which Japanese culture has profoundly impacted the arts and industry of the U.S. While the influence of Japan on American and European painting, architecture, design, theater, and literature has been celebrated in numerous books and exhibitions, the role of music has been virtually ignored until now. W. Anthony Sheppard's *Extreme Exoticism* offers a detailed documentation and wide-ranging investigation of music's role in shaping American perceptions of the Japanese, the influence of Japanese music on American composers, and the place of Japanese Americans in American musical life. Presenting numerous American encounters with and representations of Japanese music and Japan, this book reveals how music functions in exotic representation across a variety of genres and media, and how Japanese music has at various times served as a sign of modernist experimentation, a sounding board for defining American music, and a tool for reshaping conceptions of race and gender. From the Tin Pan Alley songs of the Russo-Japanese war period to Weezer's Pinkerton album, music has continued to inscribe Japan as the land of extreme exoticism.

The Tokyo Tribunal: Perspectives on Law, History and Memory

The development of the use of computers and software in art from the Fifties to the present is explained. As general aspects of the history of computer art an interface model and three dominant modes to use computational processes (generative, modular, hypertextual) are presented. The "History of Computer Art" features examples of early developments in media like cybernetic sculptures, computer graphics and animation (including music videos and demos), video and computer games, reactive installations, virtual reality, evolutionary art and net art. The functions of relevant art works are explained more detailed than usual in such histories.

Three Labs a Lifetime

The Persuasion Code Capture, convince, and close—scientifically Most of your attempts to persuade are doomed to fail because the brains of your audience automatically reject messages that disrupt their attention. History of Computer Art

BOOKS OF THE YEAR 2017 - GOURMET TRAVELLER AUSTRALIA 'My approach to food favours intuition over strict rules and is about using your hands, rushing a little less and savouring the details. It is food that slowly weaves its way into the fabric of your daily life - food for living and sharing.' Julia Busuttill Nishimura has gained a strong and loyal following for her generous, uncomplicated, seasonal food. Her interpretations of dishes from Italy and the Mediterranean feel both timelessly familiar and altogether fresh and new. This is modern Australian eating with respect for the past. Julia guides us through the uniquely satisfying experience of making pasta or pizza dough from scratch, with recipes such as ricotta tortelloni with butter, sage and hazelnuts or taleggio and potato pizza. She also shares plenty of flavourful salads and simple meals for days when time is scarce, such as roasted cauliflower and wheat salad or tray-roasted chicken with grapes, olives and walnuts. Baking and desserts, too, needn't be overly complicated. As Julia shows us, some of the best recipes are those that have been passed down the generations and streamlined to perfection along the way, such as the perfect lemon olive oil cake. But we also need the odd show-stopper like a chocolate layer cake with espresso frosting on standby for special occasions! This is simple food that is comforting and generous in spirit. Slow down, take your time and enjoy it. This is a specially formatted fixed layout ebook that retains the look and feel of the print book. PRAISE FOR OSTRO "This is classy, quirky - and perfect for anyone of us wanting to remember that life is, in the end, about friendships and family." Readings "Nishimura produces aspirational dishes - simple, diverse and encouraging us to finally give things like handmade pasta a go" Broadsheet

International Television Almanac

For more than two decades, film enthusiasts, trivia buffs, and ordinary movie watchers alike have consulted the pages of Halliwell's for the most comprehensive information available on their favorite films. Often imitated, but never bettered, Halliwell's Film, Video & DVD Guide is packed with essential information, from the classics of the Silver Screen to the very latest blockbusters. Contents include plot synopses of every film, casts and credits, critical evaluations and reviews, fascinating insider gossip

and facts, pithy quotes and dialogue, Academy Award-winners listed by year, and more. There are also easy-to-spot icons for family viewing suitability, video, DVD, and soundtrack availability, and Oscar awards and nominations.

International Motion Picture Almanac

Conformist, mute and malleable? Andrews tackles head-on this absurd caricature of Japanese society in his fascinating history of its militant sub-cultures, radical societies and well-established traditions of dissent. Following the March 2011 tsunami and Fukushima nuclear crisis, the media remarked with surprise on how thousands of demonstrators had flocked to the streets of Tokyo. But mass protest movements are nothing new in Japan and the post-war period experienced years of unrest and violence on both sides of the political spectrum: from demos to riots, strikes, campus occupations, faction infighting, assassinations and even international terrorism. This is the first comprehensive history in English of political radicalism and counterculture in Japan, as well as the artistic developments during this turbulent time. It chronicles the major events and movements from 1945 to the new flowering of protests and civil dissent in the wake of Fukushima. Introducing readers to often ignored aspects of Japanese society, it explores the fascinating ideologies and personalities on the Right and the Left, including the student movement, militant groups and communes. While some elements parallel developments in Europe and America, much of Japan's radical recent past (and present) is unique and offers valuable lessons for understanding the context to the new waves of anti-government protests the nation is currently witnessing.

Rogue Plunder

The films of John Carpenter cover a tremendous range and yet all bear his clear personal stamp. From the horrifying (Halloween) to the touching (Starman) to the controversial (The Thing) to the comic (Big Trouble in Little China), his films reflect a unique approach to filmmaking and singular views of humanity and American culture. This analysis of Carpenter's films includes a historical overview of his career, and in-depth entries on each of his films, from 1975's Dark Star to 1998's Vampires. Complete cast and production information is provided for each. The book also covers those films written and produced by Carpenter, such as Halloween II and Black Moon Rising, as well as Carpenter's work for television. Appendices are included on films Carpenter was offered but turned down, the slasher films that followed in the wake of the highly-successful Halloween, the actors and characters who make repeated appearances in Carpenter's films, and ratings for Carpenter's work. Notes, bibliography, and index are included.

The Persuasion Code

This critically acclaimed play by Luis Valdez cracks open the depiction of Chicanos on stage, challenging viewers to revisit a troubled moment in our nation's history. From the moment the myth-infused character El Pachuco burst onto the stage, cutting his way through the drop curtain with a switchblade, Luis Valdez spurred a revolution in Chicano theater. Focusing on the events surrounding the Sleepy Lagoon Murder Trial of 1942 and the ensuing Zoot Suit Riots that turned Los Angeles into a bloody war zone, this is a gritty and vivid depiction of the horrifying violence and racism suffered by young Mexican Americans on the home front during World War II. Valdez's cadre of young urban characters struggle with the stereotypes and generalizations of America's dominant culture, the questions of assimilation and patriotism, and a desire to rebel against the mainstream pressures that threaten to wipe them out. Experimenting with brash forms of narration, pop culture of the war era, and complex characterizations, this quintessential exploration of the Mexican-American experience in the United States during the 1940's was the first, and only, Chicano play to open on Broadway. This collection contains three of playwright and screenwriter Luis Valdez's most important and recognized plays: Zoot Suit, Bandido! and I Don't Have to Show You No Stinking Badges. The anthology also includes an introduction by noted theater critic Dr. Jorge Huerta of the University of California-San Diego. Luis Valdez, the most recognized and celebrated Hispanic playwright of our times, is the director of the famous farm-worker theater, El Teatro Campesino.

3D Masterclass: the Swordmaster in 3ds Max and ZBrush

This collection brings together pedagogical memoirs on significant topics regarding teaching race in college, including student resistance, whiteness, professor identity, and curricula. Linking theory to

practice, the essays create an accessible and useful way to look at teaching race for wide audiences interested in issues within education.

Who doesn't remember Kevin Keegan's haircut? Or David Seaman's? Or David Beckham's latest...'

Halliwell's Film, Video and DVD Guide

Turning on inspired interpretations of Zora Neale Hurston, Toni Morrison, and Ntozake Shange, the author weighs current critical approaches to black women's writing against his own explanation of the founding, theoretical state of Afro-American intellectual history.

The Rebel's Wrath

Segal, Gerdes, and Steiner's AN INTRODUCTION TO THE PROFESSION OF SOCIAL WORK, 4E, International Edition introduces you to the social work profession and describes the role of social worker in the social welfare system. Through case studies, personal stories, and exercises, this social work text helps you apply the concepts and truly understand what it means to be a social worker. Part of the Brooks/Cole Empowerment Series, the fourth edition is completely up to date and thoroughly integrates the core competencies and recommended practice behaviors outlined in the 2008 Educational Policy and Accreditation Standards (EPAS) set by the Council on Social Work Education (CSWE).

Dissenting Japan

Science Education: A Global Perspective is 'global' both in content and authorship. Its 17 chapters by an assemblage of seasoned and knowledgeable science educators from many parts of the world seek to bring to the fore current developments in science education and their implications. The book thus covers a wide range of topics in science education from various national and international perspectives. These include the nature of science, science and religion, evolution, curriculum and pedagogy, context-based teaching and learning, science and national development, socially-responsible science education, equitable access for women and girls in science and technology education, and the benefits of science education research. It ends on an optimistic note by looking at science education in 50 years' time with a recommendation, among others, for stakeholders to take the responsibility of preparing children towards a blossoming science education sector in an anticipated future world. This book is suitable for use by discerning researchers, teachers, undergraduate and postgraduate students in science education, and policy makers at all levels of education. Other educationalists and personnel in science and technology vocations will also find it interesting and useful as the reader-motivated approach has guided the presentation of ideas. Science Education: A Global Perspective is a rich compendium of the components of science education in context, practice, and delivery. Dr Bulent Cavas, Professor of Science Education, Dokuz Eylul University, Buca-Izmir, Turkey/President-Elect, International Council of Associations for Science Education (ICASE) This book will be of immense relevance for current and future global strides in training and research in science education. Surinder K. Ghai, Chairman, Sterling Publishers Pvt. Ltd., New Delhi, India This book provides a refreshing insight into the current status and future direction of science education. It will be very useful to researchers, those pursuing undergraduate and post-graduate courses in science education, and all other personnel involved in the policy and practice of science education. Dr. Bennoit Sossou, Director/Country Representative, UNESCO Regional Office in Abuja, Nigeria

The Films of John Carpenter

"Take a walk down Madison's iconic State Street -- from the State Capitol to UW-Madison's Library Mall -- to witness the images and feel the emotion that dozens of artists felt after the killing of George Floyd. This publication encompasses striking photographs and the artists' own words to understand their motivation and appreciate what they hope readers will feel when they see their work. More than a hundred murals originally commissioned by the City of Madison on storefronts generously provided by downtown business owners are celebrated in this striking collection of art and protest. Also included are original essays from noteworthy Black scholars and a special poem by Madison's former poet laureate. We hope this book encourages you to reflect, to consider and to "Talk About It" when it comes to issues of racial justice."--Jacket flap.

Zoot Suit & Other Plays

TSQ aims to be the journal of record for the rapidly emerging field of transgender studies. The inaugural issue, "Postposttranssexual: Key Concepts for a 21st-Century Transgender Studies," pays homage to Sandy Stone's field-defining "Posttranssexual Manifesto" and assesses where the field is now and where it seems to be heading. Comprising over eighty short essays by authors ranging from graduate students to senior scholars, the issue takes on such topics as biopolitics, disability, political economy, childhood, trans-of-color critique, area studies, translation, pathologization, the state, and animal studies. Some keyword entries resemble encyclopedia articles (sports, psychoanalysis); others are poetic meditations on concepts (capacity, transition); still others offer whimsical and eccentric expositions of words that are more unexpected-and unexpectedly productive (perfume, hips). Some entries pose trenchant resistances to the keyword concept itself. The issue includes a substantive introduction by the editors and serves as a primer for readers encountering transgender studies for the first time.

Teaching Race in the 21st Century

The Unlike Us Reader offers a critical examination of social media, bringing together theoretical essays, personal discussions, and artistic manifestos. How can we understand the social media we use every day, or consciously choose not to use? We know very well that monopolies control social media, but what are the alternatives? While Facebook continues to increase its user population and combines loose privacy restrictions with control over data, many researchers, programmers, and activists turn towards designing a decentralized future. Through understanding the big networks from within, be it by philosophy or art, new perspectives emerge. Unlike Us is a research network of artists, designers, scholars, activists, and programmers, with the aim to combine a critique of the dominant social media platforms with work on 'alternatives in social media', through workshops, conferences, online dialogues, and publications. Everyone is invited to be a part of the public discussion on how we want to shape the network architectures and the future of social networks we are using so intensely.

Motion Picture Players' Credits

"The Design of "The Waste Land" offers a detailed, comprehensive explanation of T. S. Eliot's enigmatic poem. It relates The Waste Land to earlier and later poems by Eliot, demonstrating that the major poems describe a continuous spiritual odyssey or quest undertaken by the same individual, initiated by the moment of ecstasy in the Hyacinth garden." "Blistein's analysis of Eliot's sources reveals that the protagonist's glimpse of "the heart of light" is equivalent to drinking from the Grail, or communing with God. The incarnate deity momentarily transforms the Hyacinth garden into the likeness of the Edenic paradise. With the inevitable passing of the moment of communion, the protagonist in effect is expelled from the paradisiacal garden as mankind was from Eden. By contrast, the familiar world appears to him a wasteland. The protagonist seeks to drink again from the divine Source and return again to the garden as it was when transfigured by the divine presence. His is a quest for grail and homeland."--BOOK JACKET.

Workings of the Spirit

Urban slum dwellers—especially in emerging-economy countries—are often poor, live in squalor, and suffer unnecessarily from disease, disability, premature death, and reduced life expectancy. Yet living in a city can and should be healthy. *Slum Health* exposes how and why slums can be unhealthy; reveals that not all slums are equal in terms of the hazards and health issues faced by residents; and suggests how slum dwellers, scientists, and social movements can come together to make slum life safer, more just, and healthier. Editors Jason Corburn and Lee Riley argue that valuing both new biologic and "street" science—professional and lay knowledge—is crucial for improving the well-being of the millions of urban poor living in slums.

An Introduction to the Profession of Social Work

For more than a century, original music has been composed for the cinema. From the early days when live music accompanied silent films to the present in which a composer can draw upon a full orchestra or a lone synthesizer to embody a composition, music has been an integral element of most films. By the late 1930s, movie studios had established music departments, and some of the greatest names in film music emerged during Hollywood's Golden Age, including Alfred Newman, Max Steiner,

Dimitri Tiomkin, and Bernard Herrmann. Over the decades, other creators of screen music offered additional memorable scores, and some composers—such as Henry Mancini, Randy Newman, and John Williams—have become household names. The Encyclopedia of Film Composers features entries on more than 250 movie composers from around the world. It not only provides facts about these artists but also explains what makes each composer notable and discusses his or her music in detail. Each entry includes Biographical material Important dates Career highlights Analysis of the composer's musical style Complete list of movie credits This book brings recognition to the many men and women who have written music for movies over the past one hundred years. In addition to composers from the United States and Great Britain, artists from dozens of other countries are also represented. A rich resource of movie music history, The Encyclopedia of Film Composers will be of interest to fans of cinema in general as well as those who want to learn more about the many talented individuals who have created memorable scores.

Science Education: A Global Perspective

A Library Journal Horror Best Seller From Nebula Award winner Sam J. Miller comes a frightening and uncanny ghost story about a rapidly changing city in upstate New York and the mysterious forces that threaten it. Ronan Szepessy promised himself he'd never return to Hudson. The sleepy upstate town was no place for a restless gay photographer. But his father is ill and New York City's distractions have become too much for him. He hopes that a quick visit will help him recharge. Ronan reconnects with two friends from high school: Dom, his first love, and Dom's wife, Attalah. The three former misfits mourn what their town has become—overrun by gentrifiers and corporate interests. With friends and neighbors getting evicted en masse and a mayoral election coming up, Ronan and Attalah craft a plan to rattle the newcomers and expose their true motives. But in doing so, they unleash something far more mysterious and uncontrollable. Hudson has a rich, proud history and, it turns out, the real-state developers aren't the only forces threatening its well-being: the spirits undergirding this once-thriving industrial town are enraged. Ronan's hijinks have overlapped with a bubbling up of hate and violence among friends and neighbors, and everything is spiraling out of control. Ronan must summon the very best of himself to shed his own demons and save the city he once loathed.

Let's Talk about it

Tells the story of the wealthy Mitsubishi heiress who set up an orphanage for the children of unmarried Japanese women and American soldiers during the Allied Occupation.

Postposttranssexual

Unlike us Reader : social media monopolies and their alternative

Japan ... Marketing and Advertising Yearbook

A fascinating illustrated look at various forms of Japanese popular culture: pop song, jazz, enka (a popular ballad genre of music), karaoke, comics, animated cartoons, video games, television dramas, films and "idols" -- teenage singers and actors. As pop culture not only entertains but is also a reflection of society, the book is also about Japan itself -- its similarities and differences with the rest of the world, and how Japan is changing. The book features 32 pages of manga plus 50 additional photos, illustrations, and shorter comic samples.

Asahi Shimbun Japan Almanac

"Originally published in Japan in 2006 by Akita Publishing."

The Economist

An all-out war breaks out at the meeting between the notorious drug lords. In the meantime, Nicholas visits Carlo's mistress Simone to discover the secret of Gino's true nature. In the aftermath of the killings, Gino Carlos reflects on his rise to power and the mysterious man that made it possible.

Japan Pop: Inside the World of Japanese Popular Culture

Once upon a time, there was a ruler of a small Kingdom who was burdened with the task of running the Kingdom at an early age. This ruler was the ideal monarch who was a natural leader. This ruler's only fault, if you can call it that, was a fetish for women with long straight luscious black hair. Now imagine that the setting is the present, and that this ruler was a young beautiful Queen. Welcome to the party, you have just entered the world of Iono-sama Fanatics! Come and lose yourself in a world of dazzling women as a Queen sets out to add gorgeous Japanese women with long straight black hair to her collection of lady escorts! With guns, swords, cars, politics, beauty pageants and exotic women, there's no way you can lose!

Metro Survive

Haruhiko was born rich and grew up pampered. But when he can't take any more of his father's tyrannical behavior, he strikes out on his own, determined to make his own way in the world. But going from super-rich to super-poor is tough on any man (let alone one still in high school!), and it's going to take more hard work than Haruhiko imagined just to make ends meet. He's doing his best and trying to keep up his spirits, but living on bean sprouts and bread crusts is enough to get any man down. Fortunately, he's got his sexy classmates and his own personal (and very hot) maid to help him out! --VIZ Media

Hinadori Girl

Lost in the mountains on a trip to summer camp, eight-year-old Si-Joon fears he'll never make it out alive. When a strange girl in a pig mask appears before him, he follows her to a house deep in the woods, where he is told that he must marry the pig-faced girl to atone for the sins of their ancestors. Si-Joon's not too keen on getting married, but that wedding feast looks so delicious! It's only afterward that he realizes what he's done and...wakes up. Now in high school, Si-Joon Lee has been dreaming about the pig bride for as long as he can remember. But it's all just a dream, right?

Iono-sama Fanatics

Yui Kasuga's life has been changed since she got involved with computers.

Saving Life

The apocalyptic battle between the Defense Agency's Super Soldiers and the Dark Order continues. The Dark Order still wants high-school martial arts expert Kyoya dead, but there's a new Super Soldier ally to contend with: Dr. Mephisto! In the meantime, Major Uemura of the Defense Agency infiltrates the Dark Order's compound, not knowing that Bishop is setting a trap for the Super Soldiers.

Pig Bride, Vol. 1

"You can't do anything about how other people feel. But you have the power to change your own feelings, so why not try that instead?" With the new members' three-on-three practice game over, the Kokuyodani girls' volleyball club is ready to get down to business. There's only one problem: Nao isn't coming to practice! Neri tries to infiltrate a volleyball gambling ring that Nao has been sucked into, and that leads to a chance encounter with someone from her past!

Corrector Yui

"Suzaku Kururugi is the son of the last Prime Minister of Japan. Even though his nation was conquered by the Holy Empire of Britannia, he continues to fight a solitary battle for his own brand of 'justice'."--Page 4 of cover

Demon City Hunter

An omnibus of Kouhei Kadono's first three novels that started the hit franchise—a modern classic that sparked the light novel craze in Japan! There is an urban legend about an Angel of Death that puts those in pain out of their misery. This "shinigami" has a name—Boogiepop. When female students start disappearing from Shinyo Academy, everyone assumes the girls have run away, but Kirima Nagi knows something sinister is afoot. Something that might just involve Boogiepop...and an entity even more malevolent. Told in a non-linear fashion that asks the reader to piece together the sequence of events to solve the mysteries alongside the characters, this special omnibus edition contains the first three

volumes of the Boogiepop novel series, spanning the introduction of the shadowy Towa Organization, as well as Boogiepop's epic battle against the creature known as the Imaginator. Contains the first three novels: –Boogiepop and Others -Boogiepop Returns: VS Imaginator Part 1 -Boogiepop Returns: VS Imaginator Part 2

Shojo Fight

The devil princess Maki wants Keita's soul. Then there are the angels who want to "save" him and classmates who won't leave him alone. How could things possibly get any worse? When the demon Miki teams up with the angel Sheeta to stop Maki, Keita realizes his problems have just begun! This hilarious story, enhanced by Maika Netsu's wonderful artwork, shares the appeal of popular manga such as Love Hina and Onegai Teacher.

Code Geass

Five sexy teachers, and a boy with lots to learn! Susumu Arisaka has just turned 18, and that means he can move out of the orphanage and into his childhood home. He's looking forward to finally living on his own, but five of his high school teachers have gotten there first. They're looking forward to helping him around the house - and teaching him a thing or two about life in the process. It's not at all what Susumu expected, and he's not sure if the situation's awful, or pretty darn great!

Boogiepop Omnibus 1-3 (Light Novel)

Nunnally is still not over what happened at Saitamaa Ghetto. She has no time to mourn though as an assassin is targeting her.

My Dearest Devil Princess

Yoshinori, dressed as Yuki, hears Hidari confess that she is actually in love with him. This confession from his childhood friend leaves him emotionally shaken. Rated for mature readers.

Happy Lesson V01 Mama Teacher

"First published in Japan in 2001 by Kadokawa Shoten Publishing Co., Ltd., Tokyo."--Colophon.

Code Geass

After being swept down a gaping hole in her garden, Alice Liddell finds herself in the Country of Hearts, an "outsider" among the land's peculiar inhabitants. Taking up residence at Hatter Mansion, Alice occasionally forgets that her host, Blood, is the head of the Mafia. But she is quickly reminded of that fact by Blood's violence toward his most loyal follower, the March Hare. Elliott has never known the care and attention Alice shows him, and her ways are as fascinating to him as his rabbit ears are to her. But can love truly blossom between two who are so different? One day, a mysterious rabbit-eared man named Peter suddenly appears in Alice's garden and kidnaps her, whisking her off to a dangerous world where every resident brandishes a weapon. Trapped in this land in the midst of a three-way power struggle, Alice accepts an offer to stay at the Hatter's mansion. At the mansion, Alice meets the Hatter's right-hand man, Elliot March, who is likable and charming and...also sports a pair of bunny ears! And yet, Alice cannot get over the fact that Elliot is actually a Mafia hitman, willing to kill people without hesitation...In this popular Wonderland manga, the March Hare has finally arrived!!

Yubisaki Milk Tea Volume 1

There's a New Heroine in Town. Rinka Urushiba's world is turned upside down when she wakes up one day-after falling right through the floor. Encouraged by another ESPer who believes that Rinka's destiny is to become a hero of justice, she soon learns to use her powers for good. And not a moment too soon, as those with less-than-admirable ambitions descend on Tokyo with their own sets of superpowers. As the mysterious glowing fish flitting through the city skies gift powers seemingly at random, foes become friends and alliances are made and broken. And what about that flying penguin?

Chikyu Misaki

"First published in Japan in 2008 by Hakusensha, Inc., Tokyo"--P. facing t.p.

Alice in the Country of Hearts: My Fanatic Rabbit, Vol. 1

The story follows Nenji Nagihara, who has to take care of his childhood friend Nanaka Kirisato after nasty fall down the stairs causes her to believe she is only six years old (even though she's really 17)! Totally obsessed with a magical girl series called Magical Domiko, Nanaka believes that her 17-year-old appearance must have been caused by magic, and she carries her beloved Magical Domiko wand with her everywhere!

Tokyo ESP 1

Fereschte, a secret organization discreetly supporting Celestial Being's goal to end war on Earth, employs Fon Spaak, an imbalanced ex-convict, to pilot their war machine.

Eensy Weensy Monster Volume 1

Fereschte, a secret organization discreetly supporting Celestial Being's goal to end war on Earth, employs Fon Spaak, an imbalanced ex-convict, to pilot their war machine.

Nanaka 6/17

When the roughest girl and guy in school get themselves into trouble, they also find themselves falling in love.

Mobile Suit Gundam 00F.

The monstrous Suspicion draws ever closer to ending its ages-long banishment. However, since Hizuru's best friend was injured during the last battle with the demons, the guilt-ridden young mystical warrior is reluctant to fight Suspicion again. Taking advantage of their adversary's indecision, the demons are using someone very close to Hizuru to destroy the world's only hope ... and then the world itself!-- From cover.

Mobile Suit Gundam 00F.

Kagetoras duty to serve and protect the beautiful Yuki faces new challenges when Yukis friend Aki asks him to pose as her boyfriend, and when Yukis domineering grandmother enters the picture. Young adult.

Love Attack Volume 1

Kanako, a sophomore with a phobia of men, enrolls in an all-girls' school in order to find her yuri partner and meets her ideal mate, Mariya, who turns out to be a sadistic, cross-dressing boy.

Baby Birth

It's not easy drawing Dojin manga to make money on the side, and that's exactly what Najimi is learning-- and she's not alone. There are literally thousands of artists trying to make a buck, and many of them suck just as bad as Najimi. Enter Kaneru a rival artist who's deluded enough to think she's better than Najimi-- unfortunately she's awful too. They have to find a way to bring attention to their books-- but what could possibly draw the Otaku in?

Kagetora

"First published in Japan in 1994 by Akita Publishing Co., Ltd."--Colophon.

Maria Holic Volume 1

This action-packed martial arts adventure stars a young heroine on a quest to become a master warrior. Young adult.

Dojin Work

Go Go Heaven!!
