Les secrets de l'aura

Les pouvoirs de télépathie ou de clairvoyance ne sont pas uniquement l'apanage des Grands Maîtres. A condition de s'exercer régulièrement et d'être bien intentionné, chacun de nous peut développer ses capacités extra sensorielles innées. Grâce à des techniques simples comme la relaxation ou l'auto-hypnose, nous pouvons apprendre à percevoir l'aura, l'énergie qui entoure l'être humain, et à interpréter ses différentes couleurs ; à utiliser nos rêves pour trouver des solutions à nos problèmes ; à lire dans les Annales Akashiques, cette gigantesque mémoire de l'univers, pour connaître le passé de l'humanité... Au moyen de leçons concises et précises, Rampa dévoile ses incroyables connaissances occultes et spirituelles. Sans se départir de son humour et de sa chaleur, il sait apaiser les peurs pour une vie plus heureuse et plus altruiste.

Les secrets de l'aura

L'aura est un champ magnétique fait d'énergie, d'âme, d'esprit, qui entoure chaque créature vivante. Avec beaucoup de sensibilité et de clarté, l'auteur nous explique comment harmoniser notre aura avec celle du Christ pour bénéficier de son pouvoir d'éveil et de transformation. La clé est contenue dans l'idée de la fraternité universelle. Cette idée est vivante et il est donc tout à fait possible de communiquer avec elle et de l'accueillir en soi. Par résonance, elle fera fleurir en nous les meilleures forces et capacités. Son énergie permet de trouver un sens positif à la vie, de dépasser des problèmes d'ordre physique, émotionnel, mental ou spirituel qui paraissent insurmontables, d'obtenir des réponses inattendues à ses questions et de découvrir en soi des richesses inconnues. Cela donne un livre étonnant, parfois dérangent, mais toujours fascinant, dont la sagesse et l'authenticité éclatent à chaque page. Un livre profondément sain qui fait du bien

L'Aura Humaine Dans cette étude remarquable des champs énergétiques humains, le docteur Baker définit avec clarté la nature et les fonctions de l'aura humaine, et la manière dont on peut l'utiliser pour améliorer la qualité de nos vies et celle des personnes qui nous entourent. Sur la base de ses recherches dans le domaine médical et de trente-cinq années consacrées à l'étude des sciences ésotériques, l'auteur est à même d'éclaircir les nombreux malentendus et confusions qui existent au sujet de l'aura. Douglas Baker nous présente des aspects nouveaux et intéressants de l'aura humaine, illustrés de nombreux exemples, autant historiques que contemporains, qui en rendent la lecture agréable et instructive.

Lobsang Rampa, précurseur du New Age

Vous êtes né dans l'un des plus grands mystères de tous les temps. Votre âme a été projetée dans un corps vivant et vital, doté d'un cerveau créatif qui participe au mystère appelé "la vie". Vous êtes-vous déjà demandé pourquoi vous étiez dans ce monde, pourquoi vous participiez à ces magnifiques expériences de vie, pourquoi vous profitez de l'excitation de l'amour, de l'aventure de la découverte et de la création du miracle d'une nouvelle vie ? Le véritable but de votre vie peut-il être la simple jouissance sensuelle, les appétits animaux, la recherche de l'argent, du pouvoir, de la célébrité et de la fortune ? Ou existe-t-il une raison plus profonde et plus mystique pour laquelle vous êtes né ? Cette tapisserie de sagesse intemporelle qui nous vient d'Extrême-Orient et du Moyen-Orient, et qui tente de comprendre et de cartographier les forces invisibles de la vie, s'appelle le mysticisme. Certaines des plus grandes révélations de tous les temps nous sont parvenues des terres mystiques de l'Inde, de la Chine, du Tibet et de l'Égypte anciennes. Ces mystères profonds se sont répandus dans le monde entier, jetant les bases sur lesquelles la civilisation s'est construite. Certaines de ces grandes vérités se sont répandues en Grèce et ont influencé les philosophes de cet ancien pays. Elles ont été découvertes dans l'ancien Japon et ont jeté les bases du shintoïsme et du bouddhisme. Elles sont devenues une partie de la sagesse de Jérusalem, qui a constitué la base de l'ancienne foi juive, et ont ouvert la voie à la dispensation chrétienne. Les dix commandements de Moïse, la règle d'or de Jésus et le sermon sur la montagne ont imprégné les lois et les systèmes éducatifs sur lesquels notre civilisation occidentale s'est construite. Les grands mystiques comme Moïse, Abraham et Jésus ont utilisé certaines de ces révélations qui leur ont permis d'accomplir des miracles en leur temps. Transformer un bâton en serpent rampant, changer l'eau en vin, marcher sur l'eau, guérir les malades, toutes ces forces miraculeuses témoignent de l'utilisation de l'ancienne magie blanche et de forces spirituelles transcendantes provenant directement des terres mystiques de l'Inde, de la Chine, du Tibet et de l'Égypte. En fait, les enseignements de l'Extrême-Orient et du Moyen-Orient ont précédé

de plusieurs centaines d'années les enseignements du mystique chrétien, Jésus ! DEMANDEZ UN MIRACLE AUJOURD'HUI Vous pouvez faire partie de ce grand projet cosmique de mysticisme et demander votre propre miracle aujourd'hui. Vous pouvez utiliser les forces de l'occultisme, de la magie blanche, des invocations, des rituels, des chants et des méditations pour libérer l'énergie créatrice de votre nature supérieure et accomplir des miracles dans votre propre vie.

Les phenomenes psi

Il n'existait jusqu'à présent, aucun ouvrage d'ensemble sur le corps ultra-physique qui a été connu de tout temps par la tradition ésotérique universelle et méconnu par la science, la philosophie et la théologie occidentales de ces trois derniers siècles. Selon les civilisations, ce corps a reçu les noms les plus divers : corps subtil, astral, éthéré, lumineux, spirituel, métaphysique ; ces termes d'ailleurs ne sont pas synonymes. C'est le corps subtil qui est à la base de tous les phénomènes dits paranormaux et qui en donne une explication rationnelle. Apparitions, lévitations, manifestations post mortem, raps, poltergeist, apports, dédoublement, idéoplastie... s'organisent autour de ce dénominateur commun. Commun aux humains et aux animaux, aux incarnés et aux désincarnés, ce corps métaphysique a une forme, une substance, un poids, une couleur, une structure atomique. Il est comme la lumière, dont il porte parfois le nom de nature vibratoire et corpusculaire ; son rayonnement coloré est appelé aura. Il assure stabilité et permanence aux vivants de tous les règnes et, une fois de plus, nous constatons l'unité conceptuelle et physique du cosmos. Le livre de Jean Prieur est une sorte de grand voyage initiatique à travers les religions, les philosophies dissidentes, les traditions ésotériques et occultes des divers siècles et des diverses cultures.

Les Secrets étonnants de la l'est mystique (Traduit)

Comment affronter le destin quand on est une ado comme les autres ? Que l'on travaille d'arrache-pied pour devenir une sorcière-guérisseuse ? Que l'on est amoureuse alors que c'est interdit ? Qu'une terrible malédiction tue précisément TOUS ceux que vous aimez ? Un Démon majeur, tiré d'un sommeil séculaire, assoiffé de vengeance et de conquête, refait surface trois mille ans après l'Apocalypse qui a anéanti la Terre Arcane. Dans ce nouvel univers, les arbres ont acquis une conscience, et les humains des pouvoirs singuliers. Ainsi en est-il de treize apprenties sorcières qui ignorent encore que le poids du monde repose sur leurs épaules. Et parmi elles, Louyse... choisie par la destinée pour barrer la route de cette force démoniaque.

Un manuscrit ancien a disparu. Le bien et le mal se disputent la Terre. Josh et Sophie doivent choisir leur camp.

Le Roi de la Nuit peut vous offrir ce que vous désirez le plus au monde... mais cela a un prix... Tout le monde sait que lorsqu'on a besoin d'une faveur, il faut s'adresser au Roi de la Nuit. Il peut vous obtenir tout ce que vous voulez... à condition d'en payer le prix. Et tôt ou tard, il vient toujours collecter son dû. Un seul client a échappé à cette règle. Jusqu'à maintenant. Calypso Lillis est une sirène avec un gros problème. Depuis sept ans, elle cumule les dettes magiques sous la forme de perles noires serties en bracelet autour de son poignet. Autant de faveurs qu'elle doit encore rembourser. Alors le jour où Callie découvre le Roi de la Nuit dans sa chambre, un sourire aux lèvres et les yeux étincelants, elle sait que sa vie est sur le point de changer. Il se passe quelque chose dans l'AutreMonde. Des guerriers faes disparaissent, un par un. S'il veut avoir le moindre espoir de sauver son peuple, le Roi aura besoin de l'aide de la sirène. Mais son ennemi a un goût pour les créatures exotiques, et Callie est la cible idéale. #Fantasy #SlowBurn #Sirène --- « Un livre très différent de ce qu'on peut trouver habituellement, les mythes et contes sont utilisés de manière très originale pour créer ce nouvel univers. Une très bonne série ! » – Amp, Amazon « Les Secrets de l'AutreMonde fut pour moi une lecture envoûtante et addictive. J'ai toujours aimé les histoires de faes, et celle-ci ne m'a pas déçue ! » – Cheryl La Pa, GoodReads « Quel conte de fées magnifique ! Et si bien écrit ! L'histoire était magistrale et les personnages sont inoubliables. » – Kat Valentine, GoodReads

A struggling silhouette artist in Victorian Bath seeks out a renowned child spirit medium in order to speak to the dead – and to try and identify their killers – in this beguiling new tale from Laura Purcell. Silhouette artist Agnes is struggling to keep her business afloat. Still recovering from a serious illness herself, making enough money to support her elderly mother and her orphaned nephew Cedric has never been easy, but then one of her clients is murdered shortly after sitting for Agnes, and then another, and another... Desperately seeking an answer, Agnes approaches Pearl, a child spirit medium lodging in Bath with her older half-sister and her ailing father, hoping that if Pearl can make contact with those who died, they might reveal who killed them. But Agnes and Pearl quickly discover that instead they may have opened the door to something that they can never put back... What secrets lie hidden in the darkness?
