## The Almost True Story of Ryan Fisher

Meet Ryan Fisher—a self-assured real estate agent who's looking for an edge in the market. While watching a news special late one night, he sees evangelical Christians raising their hands in worship. It's like they're begging for affordable but classy starter homes. Ryan discovers the Christian business directory and places an ad complete with a Jesus fish. His business doubles in a week. But after visiting an actual church, Ryan realizes that with his business savvy, he could not only plant a church—he could create an empire. The Almost True Story of Ryan Fisher is a hilarious, spot-on, and often heartbreaking satire in the tradition of Kurt Vonnegut, Tom Perrotta, and Douglas Adams.

## Homemade Haunting

Charlie Walker doesn't believe in God or the supernatural. But Charlie's views change when he takes the biggest risk of his life—he quits his job to write the novel he's always wanted to write. The problem is that Charlie is a method writer. Since he's writing horror, he needs to experience horror. Charlie begins to dabble with the supernatural and experiences the paranormal around his house. Messages appear on mirrors, furniture moves, and his kids start seeing things. Charlie is so lost in his book that he can't see how it's affecting his family. He thinks if he just stops, it will all wash away. It doesn't. Friends convince Charlie that his only choice is to find God to save his family and home. Charlie becomes the unlikely hero in a supernatural battle. As he fights for his home and family, he meets his guardian angel and the demon assigned to him. Is Charlie going crazy? Is there really a supernatural war taking place around Charlie's home, the neighborhood mailbox, and local swimming pool? Homemade Haunting is a comedy, thriller, and allegory—just the type of story expected from Rob Stennett.

## Secondhand Jesus

God has offered us firsthand knowledge of His love, His grace, and His power. Yet so often, we too easily settle for someone else's descriptions, the Cliff notes from another's spiritual journey. We are content for "God-experts" to do the heavy lifting and then give us the bottom line. And like any secondhand

information, after enough times through the grapevine, the truth about God deteriorates and crumbs of rumor are all that remain. But when life derails, and things don't go as we had planned, our thin view of God is challenged. In those critical moments, we can choose to walk away from God, or to let our questions lead us home. When we choose to wrestle with God, to engage Him for ourselves, we-like Jacob and Job and David-will see rumors die and revelation come alive. It's time to hear the magnificent, Divine Invitation. It's time to take God up on His offer and embrace the mystery and majesty of knowing Him for ourselves.

### Lucky

Glenn Packiam redefines the word lucky in the context of Jesus' beatitudes in Luke's Gospel. Lucky uncovers how the poor, hungry, mourning and persecuted are blessed because the Kingdom of heaven—its fullness, comfort, and reward—is theirs in spite of their condition. This is Christ's announcement: the Kingdom of God has come to unlikely people. Like the people Jesus addressed, we are called lucky not because of our pain or brokenness but because in spite of it, we have been invited into the Kingdom. The trajectory of our lives have been altered. What's more, we now have a part in the future that God is bringing. Like Abraham, we have been blessed to carry blessing, to live as luck-bearers to the unlikely and unlucky.

### The Dog that Talked to God

Mary Fassler's dog Rufus can talk to Mary and to God, with help from Rufus Mary's life turns back toward God and happiness.

### The End Is Now

Meet the Henderson family: Jeff, a struggling salesman who lives with a constant nagging fear that something will happen to his family; Will, who's just trying to figure out life in the fifth grade; Emily whose greatest concern is that she won't be nominated homecoming queen; and Amy, who is growing stir-crazy from being a housewife of eighteen years—and is convinced this was God's plan B for her life. The Hendersons are longtime residents of Goodland, Kansas, a small Midwest town where nothing new or exciting ever happens ... until now. Are the recent "weird" happenings and catastrophic weather mere coincidence, or more? The town spirals into chaos and confusion as its residents discover the end is no longer near—the end is now. Rob Stennett's second novel is both a satire and a story of the apocalypse, a thriller and an exploration of family, community, belief, unbelief, and the two thousand-year-old Christian tradition of looking to the sky because the end is near.

### Homemade Haunting

After his attempt to write a horror novel results in mysterious paranormal events which threaten his family, Charlie Walker, an unbeliever, asks God for help and ends up meeting his guardian angel.

### The End Is Now

The Hendersons struggle with family difficulties including fears for their safety, mother Amy's certainty that God meant more for her life, son Will's perplexity over fifth grade, and daughter Emily's determination to be homecoming queen.

## The Perfect Dad

Great Dads Aren't Perfect...But They Aspire to Be Congratulations, you're hired! You have no qualifications, references, education, or experience, but you've definitely got the job. No occupation in the world operates like that...except parenthood. A father of four young girls, Rob Stennett is here to help you with some on-the-job training. With humor and thought-provoking honesty, Rob explores the 12 essential roles in your job description, including... Provider—Manage the stress of balancing work and family by establishing clear priorities at home and in your career. Pastor—Teach the wonder of Scripture and how your kids can cultivate a faith in God they love and cherish. Husband—Alleviate the pressure of modeling a healthy relationship for your kids by focusing on your spouse's needs first. Counselor—Help your kids avoid emotional pitfalls by becoming their most trusted source of wisdom. You probably already know that becoming the perfect father is an unattainable goal, but that shouldn't stop you from trying your best to be a great dad. Your effort won't go unnoticed by your wife and kids. You can thrive in the most important job you've ever been given.

## Churched

He spent his childhood trapped within the confines of countless bizarre, strict rules. And lived to tell about it. In this first-hand account, author Matthew Paul Turner shares amusing—sometimes cringe-worthy—and poignant stories about growing up in a fundamentalist household, where even well-intentioned contemporary Christian music was proclaimed to be “of the devil.” *churched* is a collection of stories that detail an American boy's experiences growing up in a culture where men weren't allowed let their hair grow to touch their ears (“an abomination!”), women wouldn't have been caught dead in a pair of pants (unless swimming), and the pastor couldn't preach a sermon without a healthy dose of hellfire and brimstone. Matthew grapples with the absurdity of a Sunday School Barbie burning, the passionate annual boxing match between the pastor and Satan, and the holiness of being baptized a fifth time—while growing into a young man who, amidst the chaotic mess of religion, falls in love with Jesus.

## The Subversive Evangelical

Evangelicals have been scandalized by their association with Donald Trump, their megachurches summarily dismissed as “religious Walmarts.” In *The Subversive Evangelical* Peter Schuurman shows how a growing group of “reflexive evangelicals” use irony to critique their own tradition and distinguish themselves from the stereotype of right-wing evangelicalism. Entering the Meeting House — an Ontario-based Anabaptist megachurch — as a participant observer, Schuurman discovers that the marketing is clever and the venue (a rented movie theatre) is attractive to the more than five thousand weekly attendees. But the heart of the church is its charismatic leader, Bruxy Cavey, whose anti-religious teaching and ironic tattoos offer a fresh image for evangelicals. This charisma, Schuurman argues, is not just the power of one individual; it is a dramatic production in which Cavey, his staff, and attendees cooperate, cultivating an identity as an “irreligious” megachurch and providing followers with a more culturally acceptable way to practise their faith in a secular age. Going behind the scenes to small group meetings, church dance parties, and the homes of attendees to investigate what motivates these reflexive evangelicals, Schuurman reveals a playful and provocative counterculture that distances itself from prevailing stereotypes while still embracing a conservative Christian faith.

## The College Adventure Handbook

Leaving home for college can be both exciting and scary, especially for young Christians who want to succeed academically, socially, and spiritually. *The College Adventure Handbook* provides what every college student needs most: practical tips blended with spiritual commentary designed to help faith-filled students stay on track. Most college advice books don't talk about how to make a student's faith a natural part of the college experience. Or they're so focused on faith, they don't deal with practical matters. *The College Adventure Handbook* is different. It's packed with useful tips for every aspect of college life, from passing classes and dealing with roommates, to avoiding temptations, stressing out, even finding a church that fits — all spiked with humor and presented in a format that can be referenced on a need-to-know basis. College students don't need one more textbook to read, and most of them don't want one more inspiration-packed devotional. What they need most in this extremely nerve-racking, life-changing time is some down-to-earth advice and practical strategies on how to walk a God-inspired life with as few missteps as possible. *The College Adventure Handbook* delivers all that and more.

## The Publishers Weekly

Contains practical tips on everything from passing classes and dealing with roommates, to avoiding temptations, stressing out, even finding a church that fits.

### The College Adventure Handbook

A young Amish man looks for some excitement—and finds a terror he never expected . . . All Eli Troyer wanted was to escape the tedium and boredom of life among his Amish family and friends. What he could not have imagined was what the city holds for some newcomers. He wanted to reinvent himself—but didn't realize that you can also be reinvented by someone—or something—else . . . In the second episode of *The Living and the Undead*, Eli must now do the unthinkable to survive. He wants to hold on to who he was, but every hour it seems less likely. The monster is growing inside him. And Eli doesn't know how much longer he can fight it. *The Living and the Undead* is a paranormal coming-of-age thriller unlike anything you've ever read.

### Visiting Hours

Can a popular bartender win over a strong single mom? From New York Times bestselling author J. Sterling comes a thrilling new standalone romance you won't want to miss. Everyone knows who the Fisher brothers are; the hottest single bartenders this side of the Santa Monica Pier. Which is exactly why when I run into Ryan Fisher one day at the beach, I intend to steer clear of him and his sexy, playboy ways. I've heard the rumors. I know his type. I've seen him in action. And I'm not interested. But Ryan has other ideas. He's convinced that I have him all wrong. But I don't have the luxury of making mistakes when it comes to men. Not anymore. Being a single mom does that to a woman. There's only room in my life for one boy: and his name isn't Ryan. So why won't he go away and leave me alone already?

### Adios Pantalones

"Australians take for granted the presence of their federal government yet it is impossible to overestimate, as this full biography reveals, the role Andrew Fisher played in its development. The book also reveals the skills with which Fisher led the ALP in its early years and his important contributions as wartime Prime Minister and as High Commissioner in London. *Andrew Fisher: An Underestimated Man* attempts to account for the obscurity of one of Australia's greatest reformers."--Publisher description.

### Andrew Fisher

A wonderfully quirky, heart-breaking, heart-warming and thought-provoking story of a woman's dog who not only talks to her, he talks to God. Recently widowed Mary Fassler has no choice except to believe Rufus, the miniature schnauzer, who claims to speak to the Divine. The question is: Will Mary follow the dog's advice, and leave everything she knows and loves? Is this at the urging of God? Or is it something else? Will Mary risk it all or ignore the urgings of her own heart? "I loved this story. Quirky and unusual, this unique tale wove a spell around me and drew me in. It wasn't what I expected at all, and when I turned the last page, it left me wanting more." - Ane Mulligan, Sr. Editor of *Novel Rocket* "The Dog That Talked to God is a moving and powerful read, inspirational long after the last page has been turned." - *New York Journal of Books*

### The Dog That Talked to God

From the #1 New York Times Bestselling Author of *Never Never*, co-written with Colleen Hoover! From the author of the New York Times bestseller *The Wives* comes another twisted psychological thriller guaranteed to turn your world upside down—an instant bestseller! Have you ever been wrong about someone? Juno was wrong about Winnie Crouch. Before moving in with the Crouch family, Juno thought Winnie and her husband, Nigel, had the perfect marriage, the perfect son—the perfect life. Only now that she's living in their beautiful house, she sees the cracks in the crumbling facade are too deep to ignore. Still, she isn't one to judge. After her grim diagnosis, the retired therapist simply wants a place to live out the rest of her days in peace. But that peace is shattered the day Juno overhears a chilling conversation between Winnie and Nigel... She shouldn't get involved. She really shouldn't. But this could be her chance to make a few things right. Because if you thought Juno didn't have a secret of her own, then you were wrong about her, too. From the wickedly dark mind of bestselling author Tarryn Fisher, *The Wrong Family* is a taut new thriller that's riddled with twists in all the right places. "The Wrong Family is your new obsession. It's full of twists you'll never see coming and you'll be breathless until the

end. Trust me: you've never read anything like this."—Colleen Hoover, #1 New York Times bestselling author How far will one twin go to uncover where her "good half" has gone? Find out in Good Half Gone, #1 New York Times Bestselling author Tarryn Fisher's next riveting suspense novel! Looking for more great reads by Tarryn Fisher? Don't miss: Never Never The Wives An Honest Lie

### The Wrong Family

Includes "Book club favorites Reader's guide".

### Faye, Faraway

William Wallace has always been one of the great heroes of Scottish history. By no means prepared by birth, education or training for leadership, Wallace nevertheless rose to prominence during the Wars of Independence, leading forces which broke the sequence of English victories and inspiring his countrymen in the process. While others yielded and collaborated, Wallace set an example of constancy and perseverance and became the Guardian of Scotland. Even his terrible death in London in 1305 can be seen as a victory as it provided inspiration for the continuance of the struggle against English domination. Despite Wallace's almost mythical status, modern-day perceptions of him are not always based on objective analysis of the historical facts. In this revised and expanded edition of his best-selling biography, Andrew Fisher investigates the man and his times to create a more authentic picture of Wallace than has ever been available previously.

### William Wallace

One of the most remarkable Christian testimonies of recent years -- this is the dramatic story of a former alcoholic street dweller's conversion to Christianity. Fostered, abused and sent to prison, Angie Taylor has suffered more than most. Her decline into the gutter is vividly told in this action-packed and moving true story. Lurching from one hopeless relationship to another, Angie hit rock bottom. Living on the street, hooked on drugs and unable to take care of herself she cried out in anguish. Then God came in. This powerful and moving book charts her extraordinary road to recovery with the help of Christians who loved her back to wholeness. Published with the full support of Christianity magazine and in association with Premier Radio, this book is set to become the blockbuster new Christian biography of the year.

### Colonial Nesting Sea and Wading Bird Use of Estuarine Islands in the Pacific Northwest

My very own dog . . . All Suzanne can think of is her dream dog -- black-and-tan, with long silky fur and deep chocolate eyes. So when the perfect dog shows up one day, she is overjoyed. But Jeff, the dog, has a nose for trouble, and keeping him will be more difficult than Suzanne ever imagined.

### Under the Influence

Long ago the Nation of the Republic of Texas, fought an epic struggle for freedom from the tyranny of malicious government. During this struggle, the citizen soldiers of Texas, with determination and improvisation , took the battle for Texas to enemy soil. Their struggle was known as the Mier Expedition. This book is based on the true story of the snake-bitten war campaign the was high in courage, and spirit, but lacked in luck. The trials and tribulations of the Mier Expedition were extraordinary! Hooray for the Spirit of TEXAS! And for the Spirit of the Lord! that is the spark of freedom in everyone! Cheers! for the sacrifice, of the men, of the Mier Expedition and the Splendid Expendables of every generation, the heroes of the race of people known as the Decent! Who never get the recognition they deserve! Book Review: "Important message contained in this short novel. Very interesting. Has now become a permanent part of my book collection. Cannot wait for more works by this author." -- History Buff

### The Green Dog

### The Texas Splendid Expendables of 1842

From the USA Today bestselling author of Reel comes a powerful, "achingly beautiful" (A.L. Jackson) novel of one woman on the brink of making a decision that will change her life forever. Kerris Moreton knows how to make things work. Bounced from foster home to foster home as a kid, she adapted; when opportunity arose, she thrived. Now, about to open her own business and accept a marriage proposal,

Kerris is ready to build the life she's always wanted. The only thing missing? A passionate connection with her would-be fiancé, Cam. Kerris wants to believe that sparks are overrated-until Walsh Bennett lights her up like the Fourth of July. As one of the East Coast's most eligible bachelors, Walsh enjoys financial independence, fulfilling work with his family's nonprofit, and plenty of female attention. But lately he's been distracted by the one woman he can't have. Lovely to look at and even sweeter to know, Kerris is the soul mate Walsh never thought he would find. The problem is, his best friend found her first.

#### The Bookseller and the Stationery Trades' Journal

Fisher, I guess this is it, huh? After fourteen years together, starting a life of our own on this island, five deployments and countless letters I've written you through it all, I finally go out to the mailbox and see something I've always dreamed of: an envelope with your handwriting on it. For one moment, I actually thought you'd changed your mind, that all the awful things you said to me were just your way of coping after everything you'd been through. I was still here, Fisher. I was still here, holding my breath, waiting for you to come back even though you told me you never would. You always said you'd find your way back to me. Out of all the lies you've told me, this one hurts the most. Enclosed you will find the signed divorce papers, as requested. I hope you find what you're looking for. I'm sorry it wasn't me. Lucy To get the ending they want, Lucy and Fisher will have to go back to the beginning. Through the good and the bad, they'll be reminded of why they always made their way back to each other, and why this time, one way or another, it will be the last time.

#### When You Are Mine

By the author of *Let the Great World Spin*, this critically acclaimed novel delves deep into the underbelly of New York 'Vivid, potent, beautifully measured, and sustained by astonishingly deft description' Maggie O'Farrell 'A dazzling blend of menace and heartbreak' New York Times Book Review \_\_\_\_\_ At the turn of the twentieth century, Nathan Walker comes to New York City to take the most dangerous job in the country: digging the tunnel far beneath the Hudson that will carry trains from Brooklyn to Manhattan. In the bowels of the riverbed, the workers - black, white, Irish and Italian - dig together, the darkness erasing all differences. But above ground, the men keep their distance until a dramatic accident on a bitter winter's day welds a bond between Walker and his fellow workers that will both bless and curse three generations. Almost ninety years later, a homeless man nicknamed Treefrog stumbles on the same tunnels and sets about creating a home amongst the drug addicts, alcoholics, prostitutes and petty criminals that comprise the forgotten homeless community.

#### Fisher's Light

...in this almost Grand Guignol style that invokes such surprisingly respected figures as Dennis Cooper, Hubert Selby, Chuck Palahniuk and early Poppy Z. Brite. (After all, if you're going to write a dark novel about drug addiction, why not make it literally *The Darkest Novel Ever Written About Drug Addiction*.) - Chicago Center for Literature & Photography William S. Burroughs once said, 'Desperation is the raw material of drastic change. Only those who can leave behind everything they have ever believed in can hope to escape.' Ryan Leone, in his debut novel *Wasting Talent* proves this. Leone's raw style and life experiences create a novel impossible to put down and equally impossible to forget. - James Ward Kirk His music could have made Damien Cantwell the star of his generation. But living fast has its consequences, and Damien soon finds himself spiraling into a dark world full of unfettered debauchery and brutal violence. The horrors of drug addiction are painted in sharp, biting prose in this novel about throwing away everything and finding that some things are too precious to lose.

#### This Side of Brightness

The work examines the evolution of the thriller from the heyday of the Hollywood mogul era in the 1930s when it was primarily bottom-of-the-bill fodder, through its maturity in the World War II years and noir-breeding 1950s, its commercial and critical ascendancy in the 1960s and 1970s, and finally its subsequent box office dominance in the age of the blockbuster.

#### The Literary World

On January 19, 2000, a fire raged through Seton Hall University's freshman dormitory, killing three students and injuring 58 others. Among the victims were Shawn Simons and Alvaro Llanos, roommates from poor neighborhoods who made their families proud by getting into college. They managed to escape, but both were burned terribly. *After the Fire* is the story of these young men and their courageous fight to recover from the worst damage the burn unit at Saint Barnabas hospital had ever seen. It is the story of the extraordinary doctors and nurses who work with the burned. It is the story of mothers and fathers, of faith and family and the invisible ties that bind us to each other. It is the story of the search for the arsonists -- and the elaborate cover-up that nearly obscured the truth. And it is the story of the women who came to love these men, who knew that real beauty is a thing not seen in mirrors.

### Wasting Talent

This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

### Overkill

Torn between two men... When I woke up after the accident, I couldn't remember anything from the last year—including my relationship with Max Hallowell or anything about Nate Crane. Now my memories are returning, but instead of answering my questions, they're leaving me with more. The man who broke my heart and wants to be my future... Max is all I ever wanted, and now he wants to marry me. He'll do everything he can to fill my life with love, family, and security. I need those things now more than ever. But can I trust him? The man who stole my heart and wants to let me go... Nate never made me promises, and I never asked him to. I'd been on the rebound, looking for a distraction, and he made me feel beautiful and wanted when I needed to feel those things most. He says he has to let me go, but what if I can't let go of him? With every revelation and every passing day, I feel more like Alice down the rabbit hole. I'm falling. Who will catch me? *Fall to You* is the second book in the *Here and Now* series. It is not a stand-alone and is intended to be read following *Lost in Me*. Hanna's story concludes in book three, *All for This*, coming in August. Here and Now, A New Hope Series: *Lost in Me* *Fall to You* *All for This* Discover More Books in the Sexy and Emotional New Hope Trilogy: *Unbreak Me* (Maggie's story) *Wish I May* (William and Cally's story) *Stolen Wishes* (A *Wish I May* Novella)

### Film Review

David Peace's acclaimed *Red Riding Quartet* continues with this exhilarating follow-up to *Nineteen Seventy-Four*. It's summer in Leeds and the city is anxiously awaiting the Jubilee of Queen Elizabeth's reign. Detective Bob Fraser and Jack Whitehead, a reporter at the *Post*, however, have other things on their minds—mainly the fact that someone is murdering prostitutes. The killer is quickly dubbed the "Yorkshire Ripper" and each man, on their own, works tirelessly to catch him. But their investigations turn grisly as they each engage in affairs with the prostitutes they are supposedly protecting. As the summer progresses, the killings accelerate and it seems as if Fraser and Whitehead are the only men who suspect or care that there may be more than one killer at large.

### After the Fire

From the detective who helped catch the Golden State Killer, a memoir about investigating America's toughest cold cases, and the rewards - and toll - of a life spent solving crime. For a decade, from 1973, The Golden State Killer stalked and murdered Californians in the dead of night, leaving entire communities afraid to turn off the lights. Then he vanished, and the case remained unsolved. In 1994, when cold-case investigator Paul Holes came across the old file, he swore he would unmask GSK and finally give these families closure. Twenty-four years later, Holes fulfilled that promise, identifying 73-year-old Joseph J. DeAngelo. Headlines blasted around the world: one of America's most prolific

serial killers had been caught. That case launched Paul's career into the stratosphere, turning him into an icon in the true-crime world. But while many know the story of the capture of GSK, until now, no one has truly known the man behind it all. In UNMASKED, Paul takes us through his memories of a storied career and provides an insider account of some of the most notorious cases in contemporary American history, including Laci Peterson's murder and Jaycee Dugard's kidnapping. But this is also a revelatory profile of a complex man and what makes him tick: the drive to find closure for victims and their loved ones; the inability to walk away from a challenge - even at the expense of his own happiness. This is a story about the gritty truth of crime solving when there are no 'case closed' headlines. It is the story of a man and his commitment to his cases, and to the people who might have otherwise been forgotten.

### Albion's Seed

Who were the three men the Soviet and American superpowers exchanged on Berlin's Glienicke Bridge on February 10, 1962, in the first and most legendary prisoner exchange between East and West? Bridge of Spies vividly traces the journeys of these men, whose fate defines the complex conflicts that characterized the most dangerous years of the Cold War. Bridge of Spies is a true story of three men — a Soviet Spy who was a master of disguise; Gary Powers, an American who was captured when his spy plane was shot down by the Russians; and Frederic Pryor, a young American doctor mistakenly identified as a spy and captured by the Soviets. The men in this three-way political swap had been drawn into the nadir of the Cold War by duty and curiosity, and the same tragicomedy of errors that induced Khrushchev to send missiles to Castro. Two of them — the spy and the pilot — were the original seekers of weapons of mass destruction. The third was an intellectual, in over his head. They were rescued against daunting odds by fate and by their families, and then all but forgotten. Even the U2 spy-plane pilot Powers is remembered now chiefly for the way he was vilified in the U.S. on his return. Yet the fates of those men exemplified the pathological mistrust that fueled the arms race for the next 30 years. This is their story.
