L'homme devant Dieu

" Le 8 août 1956 restera dans nos mémoires comme un jour qui a marqué l'histoire de notre pays d'une de ses pages les plus tragiques. " Lorsqu'elle déjeune avec le grand patron du Soir, Katarzyna ne s'attend pas à être envoyée sur le procès de Marcinelle. En 1958, être une femme journaliste est déjà peu habituel, mais couvrir l'affaire dont tout le monde parle est absolument extraordinaire. Deux ans auparavant, l'explosion au fond de la mine de Bois du Cazier a fait plus de 250 morts ; et c'est au cœur de cette catastrophe que deux mineurs italiens auraient assassiné leur supérieur tyrannique. Une occasion rêvée pour la jeune femme de prouver son talent de reporter. Or, si elle a un lien très personnel avec cette histoire tragique, Katarzyna comprend vite qu'on ne l'a pas envoyée là par hasard...

Les mystères du peuple; ou, Histoire d'une famille de prolétaires à travers les ages

Vous cherchez des réponses à vos questions ? Oui, vous pouvez les recevoir. Il suffit d'invoquer le nom d'un Ange comme un mantra pour qu'il vous révèle les réponses dans vos rêves et à travers des signes dans la vie au quotidien. Par l'invocation des Anges, vous entrerez au cœur du destin et de votre potentiel divin. Vous recevrez une guidance continue et concrète qui dépasse tout ce que vous pouvez imaginer. Vous réaliserez que la vie et les rêves sont faits de symboles et que les Anges ne sont pas de petits bonhommes avec des ailes mais une représentation de votre capacité de rêver et de voyager avec votre conscience dans les multidimensions de la Vie. Ce nouveau livre révèle des enseignements sur les mystères du couple, l'insécurité face à l'abondance, la multiplication du + et du -, la planification de l'avenir, les changements climatiques intérieurs, ce que les rêves et la force de l'inconscient peuvent créer dans notre vie ainsi que plusieurs autres sujets. Les bases des enseignements de ce livre proviennent du travail que l'être humain peut faire avec les Noms des Anges d'origine qui remontent à la nuit des temps. Ce travail est simple, puissant et accessible à tous.

Les myst A eres du peuple, ou Histoire d'une famille de prol B etaires a travers les ages

Ce livre est le récit de la vie d'un jeune paysan du Bas-Berry, province calée entre les Pays de Loire et le Limousin. Pays de bocage, légèrement ondulé, découpé par un damier de haies vives où il fait bon vivre, loin des turbulences des villes. Pour tout le monde, la guerre et l'après-guerre, jusqu'en 1947,

avaient été très durs. Par manque de temps, la surveillance, l'éveil, l'éducation à la vie, la politesse, le respect étaient à la charge des grands-parents... L'éducation officielle, c'est-à-dire l'école, à cette époque, commençait pour les enfants de la campagne à six ans. Il fallait, pour y aller, parcourir à pied trois kilomètres matin et soir. Avec le sac à dos pour les livres et les cahiers et celui pour la gamelle du repas du midi. Qu'il fasse beau ou qu'il pleuve des cordes, il fallait y aller. Le chemin se faisait avec des sabots en bois ou des galoches ferrées, sur des routes empierrées et jonchées de nids de poule. Dans cette jeunesse où la campagne était peuplée de nombreux hameaux, le voisinage était important. Il y avait des êtres exceptionnels, des marginaux, des ivrognes aussi... Mais il y avait surtout le plus important, celui qui sert de compagnon de jeu, de surveillance, le plus fidèle : le chien ! La première fois que j'ai lu dans un regard, c'était celui du chien de la maison. Pateau qu'il se nommait. C'est aussi ce chien qui m'a servi de thérapie à mon retour de cette abominable guerre d'Algérie. Il est plus facile de se confier et de se faire comprendre par son chien que par des humains ! Et puis il y a aussi l'amour...

Les mystères du peuple; ou, Histoire d'une famille de prolétaires à travers les âges ...

Fille d'une belle-de-nuit, à l'âge de 13 ans, Clémence qui refuse le mariage de sa mère avec son abuseur s'enfuit de la maison. Mettant son passé en veilleuse, sa rencontre avec Mathilde, lui permet de changer de vie et elle en profite aussi pour changer son prénom en celui de Elizabeth (Lily). Enfin, elle se sent en sécurité et peut vivre sa vie d'adolescente, pour un peu de temps. Et survient le drame. Heureusement que Mathilde a croisé ses pas. . . . Bien entourée, Lily devient une adulte responsable jusqu'à ce qu'elle entende à nouveau parler de sa mère. Un roman des années 1960 au Québec, traité à la moderne: l'amour à tous les âges, l'homosexualité, la prostitution, la sexualité sans jugement, dans le respect de chacun.

Les mystères du peuple ou histoire d'une famille de proletaires a travers les ages

Un ouvrage qui s'inscrit dans le prolongement de ses quatre récits autobiographiques antérieurs. Sur la maladie de sa fille ##Mona##, sur sa guérison ##Je t'aime la vie## et son ultime combat contre la leucémie ##Des lendemains pour Francis##. Après son divorce, l'auteure écrit son besoin de reconstruire son moi dans ##Femme-- enfin!## Dans ce dernier volet, elle sonde son moi. On ne peut que lui souhaiter bonne chance dans sa quête spirituelle.

La Nouvelle revue

Au XVI^e siècle, un jeune garçon, prénommé Teodoro comme un don de Dieu, est persuadé que l'amour gouverne tout sur Terre. L'éducation de son maître, Don Bignoli, le confirme dans cette conviction, et lui donne, de l'amour, un sens charnel qu'il n'avait pas soupçonné jusqu'alors. Devenu prêtre, il est persuadé que son sacerdoce est le meilleur moyen pour communiquer à autrui son amour de la vie. Son comportement libertaire va le faire condamner par un tribunal ecclésiastique à passer le reste de ses jours dans un monastère pénitentiaire. Il s'échappe et connaît mésaventures et bonnes fortunes dans ses pérégrinations en Italie. Repris, enfermé et menacé d'être émasculé, il parvient à s'échapper à nouveau, mais se retrouve esclave chez les Barbaresques. Il a la chance d'être au service d'un maître, Vénitien renégat, qui lui offre son amitié en le chargeant d'une fonction assez particulière. Le mal du pays le rattrapant, il reviendra chez lui et manquera de périr dans la destruction de son village. Il perdra confiance en Dieu, mais découvrant qu'il reste encore des êtres généreux, il retrouvera foi en l'humanité.

Devant Dieu et les hommes

In 1814, the war being raged on the seas of the Indian Ocean by the all-powerful Franco-British naval forces trying to dominate the lucrative trade routes to India, had ended with a truce. At the stroke of a pen, far away in the city of Paris, the exotic, tropical islands of the Seychelles became a British colony. Forged from their French descendants and African slave roots, and moulded by their new British rulers, a small nation had emerged. It is July 1912 on the island of Mahe, and Anna Savy has just turned sixteen. Anna is a passionate, nature-loving and rebellious young woman at a time when women are confined to specific roles and expectations, and custom and tradition prevail with reverence. Strongly-held beliefs in the goodness and righteousness of God, and in the secret and evil forces of witchcraft, hold equal sway in a closely-knit Catholic community. As a young nurse, Anna experiences both the joy and pain of her people, for survival is a daily struggle for the majority. A smallpox epidemic brings tragedy to Mahe's Victoria Hospital, with the hatred and conflict between Anna's British and Irish

colleagues laid bare, whilst forbidden love brings the missing dimension to her life. But then, the First World War brings the worst possible disaster...
