A Guide Through Narnia

A Guide Through Narnia was one of the first in-depth studies of C.S. Lewis's seven Chronicles of Narnia. The focus and organization of this revised and expanded edition is on why Lewis wrote the books as fairy tales, the best "Form" for his ideas. It is written for both students and scholars who want to expand their understanding of these popular classics. Chapters include: -Seeing Pictures: How the books were

written, chronological summaries, publication history -Selecting the Ideal Form: Why Lewis chose the fairy tale form, fairy tale elements and style -Seeing Man as Hero: Child heroes -Stealing Past Dragons: Characteristics of religious fantasy, allegory and "supposition," Christian elements -Stepping Through the Door: Themes and effects of fantasy -Dictionary of Names and Places Martha C. Sammons is Professor of English at Wright State University.

Inside Narnia

Presents an analysis of C.S. Lewis's "The Lion, the Witch, and the Wardrobe," covering such topics as symbols, hidden meanings, and missed details from each chapter.

Beyond the Wardrobe

An introduction to the life of C.S. Lewis and the magical world of Narnia. Includes original artwork, archival photos and images from the motion picture.

A Guide to Narnia

On December 9th 2005, millions will enter the world of Narnia for the first time. Narnia is a world of intrigue and wonder, created in the mind of the great Christian author, C.S. Lewis. Beneath the surface of the story lies His-story-- a beautiful metaphorical tale of Jesus Christ and God's plan for humanity. By learning the true meaning of this classic tale, our family's movie-going experience will surpass mere entertainment, becoming a life-lesson on the Catholic Faith. Released just in time for the highly-anticipated film, A Guide to Narnia is an indispensable resource that will take you deeper into the story and help you understand C.S. Lewis' original purpose in creating this enchanting series.

Wissen - Prinzip und Ressource

In seinem neuen Buch stellt der bekannte Biologe und Erkenntnistheoretiker Prof. Dr. Hans Mohr die Bedeutung des Wissens für die moderne Welt in den Brennpunkt seiner Betrachtungen. Von den Formen des Wissens - das handlungsrelevante und das Verfügungs-Wissen - geht er über auf den Sonderstatus des wissenschaftlichen Wissens und dessen Eigenschaft als Kulturgut und Produktionsfaktor, die Verwandlung von Information in Wissen und Innovation bis hin zu den ethischen, technischen und politischen Dimensionen.

Narnia and Beyond

Regarded as one of the best authorities on the fiction of C.S. Lewis, Thomas Howard presents in this work brilliant new insights into Lewis' fiction and helps us to see things we may not have seen nor appreciated before. Focusing on Narnia, the space trilogy and *Till We Have Faces*, Howard explores with remarkable clarity the moral vision in the imaginary world of the master storyteller Lewis.

Sharing the Narnia Experience

Sharing the Narnia Experience is a guide to help parents explore C. S. Lewis's classic fantasy hand-in-hand with their children.

Field Guide to Narnia

Whether this is your first visit to C. S. Lewis's wonderful fantasy world or you have been there many times, you'll want to bring along this handy companion to the landscape and inhabitants of Narnia, including an A to Z guide to its characters, places, objects, and events.

Companion to Narnia, Revised Edition

Step into the Wardrobe This peerless companion has served as an adventurer's passport to the land of Narnia for twenty-five years and was used by the cast and crew of the major motion picture *The Chronicles of Narnia: The Lion, the Witch, and the Wardrobe*. From Aslan, the Great Lion, to Zardeenah, the mysterious lady of the night, this comprehensive, accessible book contains hundreds of alphabetically arranged and indexed entries covering all the characters, events, places, and themes that Lewis brilliantly wove into his timeless and magical world. For readers of all ages, this is the perfect guide for the enchanted world of C. S. Lewis's *The Chronicles of Narnia*.

Narnia and Beyond

Regarded as one of the best authorities on the fiction of C.S. Lewis, Thomas Howard presents in this work brilliant new insights into Lewis' fiction and helps us to see things we may not have seen nor appreciated before. Focusing on Narnia, the space trilogy and *Til We Have Faces*, Howard explores with remarkable clarity the moral vision in the imaginary world of the master storyteller Lewis.

A Guide to the C. S. Lewis Tour in Oxford

Clive Staples Lewis was a prolific writer in many fields; some of his most notable titles, such as *The Screwtape Letters*, *Mere Christianity* and *The Problem of Pain* discuss religion and his own passionate commitment after a period of uncertainty. He is perhaps best known among children for the books in his *Chronicles of Narnia* series. Yet, during his time at the Kilns, the Oxford home he moved to in 1930 and he lived until his death in 1963, the magnitude of his contribution to literature was scarcely recognised. He and his older brother, Warnie, were simply known as the Professor and the Major, respectively. My hope is that this guide will enable you to follow in the footsteps of the many pilgrims who have already completed the C. S. Lewis Tour at your own leisure, to enjoy it, live it and feel close to such a wonderful man. You can then bask in the memories forever! - Ronald K. Brind

Pocket Companion to Narnia

The pocket guide is an adventurer's passport to the land of Narnia. From Aslan, the great lion, to Zardeenah, the mysterious lady of the night, this comprehensive and accessible companion contains hundreds of alphabetically arranged entries covering all the characters, events, places, and themes that Lewis magically wove into his timeless and magical world. This little book will be perfect for the millions of kids and parents who already love the Narnia books and want to go deeper into that world, as well as for those newly drawn to the story by the Narnia movie. The Pocket Companion is a perfect gift book, a natural movie tie-in, and will continue to help readers and fans get closer to the magical world of Narnia for years to come.

A Family Guide to Narnia

Do you read *The Chronicles of Narnia* sensing that the stories are full of biblical parallels, even if you're not always sure what they are or where to find them? This user-friendly companion to *The Chronicles of Narnia* is written for C. S. Lewis readers like you who want to discover the books' biblical and Christian roots. Read it, and you'll find that this chapter-by-chapter, book-by-book examination of *The Chronicles* will widen your spiritual vision.

Companion To Narnia

This companion guide to C.S. Lewis's *The Chronicles of Narnia* provides a deeper appreciation and understanding of the tales - covering in hundreds of indexed entries all the characters, places, themes, and events in Lewis's enchanted world.

The Crafting of Narnia

This high-end collector's edition is filled with full-color photographs and artwork of the weapons, costumes, and sets that helped make the magical world of Narnia come alive in two stunning major motion pictures.

Companion to Narnia

Everything you want to know about Narnia ... This fun-to-read reference guide goes through each book in Lewis's bestselling fantasy series, examining characters and events for literary and religious comparison. Includes: explanations of how Lewis's life experiences influenced the *Chronicles*; examples of Lewis's rich use of symbolism and allegory; a breakdown of characters and events; well-researched parallels between the world of Narnia and Christianity, and more.

The Complete Idiot's Guide to the World of Narnia

**** Now available for pre-order (title will be released on April 29th) ****As a little girl of nine, Katherine Langrish fell deeply in love with *The Chronicles of Narnia* - she was even inspired to write a book of stories set in that world, complete with poster-paint picture of Aslan on the homemade dust jacket.

Although she loved the Narnia books to bursting, others took their place as she grew up. For years they sat unopened on her shelves. She began to wonder why. Had they simply become too familiar? Had the charm faded? What might they mean to her as an adult? From Spare Oom to War Drobe is a love letter to that early passion, as well as a reappraisal of The Chronicles of Narnia in the light of maturity and changing tastes. It brilliantly evokes her initial sense of childish wonder, and in a close reading of the novels, including analysis of the context in which other critics have placed them, she gives us a superbly rich, enlightening, and immensely readable guide to the world of these evergreen stories.

From Spare Oom to War Drobe

Can You Tell Me How to Get to Narnia? You don't actually have to journey all the way to Narnia to find everything you need to know in one spot (though you might want to anyway)! Roar! A Christian Family Guide to the Chronicles of Narnia is a beautiful volume that unveils a fun-filled world based on intriguing Bible insights for every Narniac! There's something for everyone—from elementary aged children to their parents. Packed with fun activities, a "Narniac's Creed," tips on speaking like a British schoolboy, games, trivia, and more, it's built on solid teaching: chapter by chapter discussion guides, conversation starters for parents and kids, and Bible parallels that will surprise even the most studious Christian. Now you can get the most out of Narnia—even if you don't own a wardrobe! "Tell me more about Narnia!" Fans ages four to ninety-four just can't get enough of C. S. Lewis's timeless classic, The Chronicles of Narnia. That's why Roar! takes your family on a one-of-a-kind adventure through every chapter in all seven books!* Peek inside to find: • Interactive features like "Wisdom for Narniacs," "Kid Test," "Let's Talk About It," "Grown-up Thoughts," and "Try This at Home" • Helps for parents on big subjects including mythology, magic, violence, and life after death • Fun articles from "Oh, I Wish I Were a Dufflepud!" to "Creature Hall of Fame & Shame" • Indexes of creatures, characters, places, and Bible parallels • A glossary of difficult words • A memorable celebration of the Lord behind the Lion Story Behind the Book C.S. Lewis' The Chronicles of Narnia have long captivated the hearts, souls, and imaginations of both youth and adults. This December, with the release of Disney's The Lion, The Witch, and the Wardrobe, a craze among Christians and nonChristians is sure to erupt! Fans will be on the prowl for solid teaching to better understand this make-believe world that holds timeless gems of biblical insight. Now parents, kids, college students, and older Narniacs everywhere will find the answers they need in one convenient source. It's unapologetically Christian, because that's how C.S. Lewis was. And, true to form, not a tad of adventurous dust is left behind when readers embark on this exciting journey!

Roar!

Former Archbishop of Canterbury Rowan Williams offers fascinating insight into The Chronicles of Narnia, the popular series of novels by one of the most influential Christian authors of the modern era, C. S. Lewis. Lewis once referred to certain kinds of book as a "mouthwash for the imagination." This is what he attempted to provide in the Narnia stories, argues Williams: an unfamiliar world in which we could rinse out what is stale in our thinking about Christianity—"which is almost everything," says Williams--and rediscover what it might mean to meet the holy. Indeed, Lewis's great achievement in the Narnia books is just that—he enables readers to encounter the Christian story "as if for the first time." How does Lewis make fresh and strange the familiar themes of Christian doctrine? Williams points out that, for one, Narnia itself is a strange place: a parallel universe, if you like. There is no "church" in Narnia, no religion even. The interaction between Aslan as a "divine" figure and the inhabitants of this world is something that is worked out in the routines of life itself. Moreover, we are made to see humanity in a fresh perspective, the pride or arrogance of the human spirit is chastened by the revelation that, in Narnia, you may be on precisely the same spiritual level as a badger or a mouse. It is through these imaginative dislocations that Lewis is able to communicate—to a world that thinks it knows what faith is--the character, the feel, of a real experience of surrender in the face of absolute incarnate love. This lucid, learned, humane, and beautifully written book opens a new window onto Lewis's beloved stories, revealing the moral wisdom and passionate faith beneath their perennial appeal.

The Lion's World

When ten-year-old Anne Waller from Suffolk England wrote to C. S. Lewis in 1961 with a question about The Chronicles of Narnia she never expected to receive a reply. However, not only did Lewis answer her letter, he also outlined the spiritual themes in each of the Narnia books. That letter served as inspiration for Will Vaus to write The Hidden Story of Narnia. Nearly 50 years later, Anne Waller Jenkins has written

a preface for *The Hidden Story*, praising the author's "gift of clarity" and the "sheer joy and merriment" of his style.

The Hidden Story of Narnia

For over half a century, scholars have laboured to show that C. S. Lewis's famed but apparently disorganised *Chronicles of Narnia* have an underlying symbolic coherence, pointing to such possible unifying themes as the seven sacraments, the seven deadly sins, and the seven books of Spenser's *Faerie Queene*. None of these explanations has won general acceptance and the structure of Narnia's symbolism has remained a mystery. Michael Ward has finally solved the enigma. In *Planet Narnia* he demonstrates that medieval cosmology, a subject which fascinated Lewis throughout his life, provides the imaginative key to the seven novels. Drawing on the whole range of Lewis's writings (including previously unpublished drafts of the *Chronicles*), Ward reveals how the Narnia stories were designed to express the characteristics of the seven medieval planets - - Jupiter, Mars, Sol, Luna, Mercury, Venus, and Saturn - - planets which Lewis described as "spiritual symbols of permanent value" and "especially worthwhile in our own generation". Using these seven symbols, Lewis secretly constructed the *Chronicles* so that in each book the plot-line, the ornamental details, and, most important, the portrayal of the Christ-figure of Aslan, all serve to communicate the governing planetary personality. The cosmological theme of each *Chronicle* is what Lewis called 'the kappa element in romance', the atmospheric essence of a story, everywhere present but nowhere explicit. The reader inhabits this atmosphere and thus imaginatively gains concrete knowledge of the spiritual character which the tale was created to embody. *Planet Narnia* is a ground-breaking study that will provoke a major revaluation not only of the *Chronicles*, but of Lewis's whole literary and theological outlook. Ward uncovers a much subtler writer and thinker than has previously been recognized, whose central interests were hiddenness, immanence, and knowledge by acquaintance.

Planet Narnia

A complete guide to the themes, characters, and events of C.S. Lewis's enchanting world of Narnia. Foreword by Madeleine L'Engle. Illustrated.

Companion to Narnia

Whether in books or on the big screen, the *Chronicles of Narnia* reflect the Christian worldview of C. S. Lewis. Every story offers fresh perspective on the kingdom of God and the character of Christ. Narnia is an accessible guide to the Christian symbolism and powerful lessons found in all seven Narnia books. Each of the seven chapters corresponds to one of the books in the series. Narnia helps readers distinguish between what is purely fantastical and what is allegorical, and offers greater insight into Aslan and the eternal truths found in these classic works.

Narnia

Enchanted by Narnia's fantastic world as a child, prominent critic Laura Miller returns to the series as an adult to uncover the source of these small books' mysterious power by looking at their creator, Clive Staples Lewis. What she discovers is not the familiar, idealized image of the author, but a more interesting and ambiguous truth: Lewis's tragic and troubled childhood, his unconventional love life, and his intense but ultimately doomed friendship with J.R.R. Tolkien. Finally reclaiming Narnia "for the rest of us," Miller casts the *Chronicles* as a profoundly literary creation, and the portal to a lifelong adventure in books, art, and the imagination.

The Magician's Book

Published in the early 1950s, C. S. Lewis's seven *Chronicles of Narnia* were proclaimed instant children's classics and have been hailed in *The Oxford Companion to Children's Literature* as "the most sustained achievement in fantasy for children by a 20th-century author." But how could Lewis (a formidable critic, scholar, and Christian apologist) conjure up the kind of adventures in which generations of children (and adults) take such delight? In this engaging and insightful book, C. S. Lewis expert David C. Downing invites readers to join his vivid exploration of the *Chronicles of Narnia*, offering a detailed look at the enchanting stories themselves and also focusing on the extraordinary intellect and imagination of the man behind the *Wardrobe*. Downing presents each Narnia book as its own little wardrobe - each tale an opportunity to discover a visionary world of bustling vitality, sparkling beauty,

and spiritual clarity. And Downing's examination of C. S. Lewis's personal life shows how the content of these classic children's books reflects Lewis's love of wonder and story, his affection for animals and homespun things, his shrewd observations about human nature, along with his vast reading, robust humor, theological speculations, medieval scholarship, and arcane linguistic jokes. A fun glossary of odd and invented words will allow readers to speak with Narnian flair, regaling friends and family with unusual words like cantrips, poltooney, hastilude, and skirling. A masterful work that will appeal to both new and seasoned fans of Narnia, *Into the Wardrobe* offers a journey beyond Narnia's deceptively simple surface and into its richly textured and unexpected depths.

Into the Wardrobe

C.S. Lewis's *The Chronicles of Narnia* have captured the hearts and imaginations of millions of readers all over the world. Now, in this exciting guide to Narnia, you can read all about the inspiration behind each of the stories, characters, and places in these seven magical volumes, and find out how their creator, C.S. Lewis, came to invent the world beyond the wardrobe door. Meticulously researched by writer Brian Sibley, and lovingly illustrated by artist Pauline Baynes, original illustrator of *The Chronicles of Narnia*, *The Land of Narnia* is a fascinating gateway into every aspect of C.S. Lewis's imaginative world. *The Land of Narnia* invites readers to delve deeper into the wonders of the magical place called Narnia, and examines how C. S. Lewis came to create this fascinating world. Meticulously researched by writer Brian Sibley, and lavishly illustrated with full-color and black-and-white drawings by Pauline Baynes, *The Land of Narnia* is an illuminating celebration of the mysterious world that lies just beyond the wardrobe door. *The Land of Narnia* invites readers to delve deeper into the wonders of the magical place called Narnia, and examines how C. S. Lewis came to create this fascinating world. Meticulously researched by writer Brian Sibley, and lavishly illustrated with full-color and black-and-white drawings by Pauline Baynes, *The Land of Narnia* is an illuminating celebration of the mysterious world that lies just beyond the wardrobe door.

Inside Prince Caspian

"A Catholic guide to Narnia: questions and activities for *The Lion, the Witch and the Wardrobe* is an indispensable resource that will take you and your family deeper into the story and, by learning the meaning behind this classic novel, your experience of Narnia will become a life lesson on the Christian faith."--Page 4 of cover

The Land of Narnia

Theologians, psychologists, academics, feminists, and fantasists offer humor, insight, and fresh perspectives on the enchanting and beloved *Chronicles of Narnia* series. Such contributors as fantasists Sarah Zettel and Lawrence Watt-Evans, children's literature scholar Naomi Wood, and C.S. Lewis scholars Colin Duriez and Joseph Pearce discuss topics such as J.R.R. Tolkien and Middle Earth's influence on the conception of Narnia, the relevance of allegory for both Christians and non-Christians, the idea of divine providence in Narnia, and Narnia's influence on modern-day witchcraft. Fans of the wildly popular series will revel in the examination of all aspects of C.S. Lewis and his magical Narnia.

Guide to Narnia: Questions and Activities for the Lion, the Witch, and the Wardrobe

Back into Narnia "Once there were four children whose names were Peter, Susan, Edmund and Lucy, and it has been told in another book called *The Lion, the Witch and the Wardrobe* how they had a remarkable adventure." So begins C. S. Lewis's *Prince Caspian and the Children's Second Remarkable Escapade into Narnia*--a Narnia known but unknown, looking much different than it did in their first adventure. C. S. Lewis scholar Marjorie Lamp Mead and literary specialist Leland Ryken work their own magic to take you deep into Narnia once again, providing a guided tour of *Prince Caspian* that highlights characters, setting and framework, with rich background details to enhance your reading of the story. The authors also shed light on Lewis's imagination and literary forms, and include a brief biography of Lewis himself. Added questions for discussion and reflection make this the perfect companion to *Prince Caspian* for book discussion groups. Following the pattern set in their *Reader's Guide Through the Wardrobe*, Mead and Ryken help you, like the Pevensie children, enter Narnia again in a new way and find it to be an even more surprising place than you ever imagined.

Revisiting Narnia

Now, more than ever, the works of C.S. Lewis enthrall and entertain readers of all ages. But who was this man of intellect and imagination? The Everything C.S. Lewis and Narnia Book gives you an in-depth look at this master storyteller, his life and times, and his best known works. You'll learn how he: Overcame his tragic childhood Journeyed from atheism to faith Created the magical world of Narnia Inspired other writers, philosophers, and political thinkers Found—and tragically lost—the love of his life You'll also gain a deeper understanding of Lewis's body of literary works including the enchanting characters of Narnia. This is the essential guide to the man who inspired the imaginations of millions of children and adults alike!

A Reader's Guide to Caspian

Narnia fans of all ages will love this sumptuous, full-colour Treasury packed with information about C. S. Lewis and his most famous creation. If, like many readers of Narnia, you have secretly pushed against the back of a wardrobe to see if you could enter Lewis's magical land, this book is for you It is an appreciation of Narnia and all things Narnian -- Aslan, Earthmen, Marsh-wiggles, countries under the earth and across distant oceans -- and of C. S. Lewis himself. Aimed both at children and adults, there are sections on different aspects of Narnian life and its customs, on the people who travelled to Narnia, on its rulers, wise or evil, and on the books themselves. It is illustrated throughout by Pauline Baynes's intricate drawings which are almost as much a part of Narnia as the text; there are also many early photographs of the author and his family, showing his childhood, his homes and his inspirations.

The Everything Guide to C.S. Lewis & Narnia Book

Shows the Christian message within The Chronicles of Narnia® To coincide with the release of Prince Caspian, this book helps kids ages 7-11, understand the symbolism of the Christian faith written by C.S. Lewis in the Chronicles of Narnia series. Christian concepts are simply explained, along with excerpts from the Narnia books. Each section of the book explains the characters, events, places, and themes and gives insight in the spiritual parallels. Kids, parents, teachers and ministers will all find this to be a great tool for use in preparing to see the movie.

A Treasury of Narnia

In this volume, Pearce examines the theological, philosophical and historical elements of The Chronicles of Narnia: including its Christian symbolism, literary allusions, and the recurring themes of temptation, sin, and redemption.

Believing in Narnia
