Signs and Wonders

Some Christians claim to be able to heal the sick and even raise the dead. Some people applaud this, while others are skeptical. Are these healers using the power of God? Are they faking? Or is their power from Satan? And what about nonbelievers who also claim to perform wonders? Are they tricksters or agents of the occult? Can we believe their claims about past lives, seeing the future, UFO encounters, and spirit channeling? Norman L. Geisler takes a sane and solidly biblical look at miraculous healings and other amazing phenomena today. With penetrating insight, he constructs guidelines for judging whether any so-called miracle is truly from God or from the realm of the demonic. 'Signs and Wonders' also includes material on speaking in tongues and on the use of objects in faith healing. In addition, Geisler looks carefully at the clever trickery that charlatans use to dupe and swindle people. He shows that what often passes as supernatural can be explained as merely unusual. Here is a book for anyone who wonders about the power and the sincerity of those who claim to be wonder-workers.

Miraculous

A beautifully researched history of God's Miraculous signs and wonders. In our age of constant innovation, technological achievement, and the sad tendency to see ourselves as the captains of our fate, we may be tempted to make little time for miracles, or give little credence to them. But to live our lives without a sense of the miraculous is to live impoverished lives. Our word for miracle comes from the Latin word *mirari*, "to wonder." And well might we wonder when we consider the nature of miracles and their purpose. For always, Scripture teaches, the emphasis is on what God has revealed through the miracles he has bestowed on humanity. Miracles are all about him, and what he has revealed is extraordinary. Kevin Belmonte provides learned insight into the profoundly important history of miracles. *Miraculous* is a richly researched tapestry of wondrous things that have taken place from ancient times to the present.

Manifesting God's Love through Signs, Wonders and Miracles

Also, God proved that it was true with miracles, amazing things, and different kinds of powers and spiritual gifts from the Holy Spirit which were distributed the way God wanted (Hebrews 2:4 PEB). From angelic visitations to visions to supernatural healings, author Jerame Nelson shares intimate details about how his life and ministry have been impacted by the supernatural. He hands you the keys God has given him to make the supernatural a reality. You are invited to: Experience more intimacy with God. Walk daily in the supernatural. Learn how to hear God's voice in dreams, visions, and angelic visitations. Position yourself for supernatural encounters with God. Encounter His love, and share His love with others. You will learn how to see the power of God manifest in your life! This is an exciting and eye-opening look at what is going on in the spiritual realm and how you can tap into the supernatural.

Do Miracles Happen Today?

Many extraordinary things happen in the Bible. People walk on water. People touch handkerchiefs and are healed. People disappear into the sky. Did these events really happen? What was their purpose? And do miracles happen today? How do we respond if someone says they've seen a miracle happen? Should we hold healing services? What can I say to a child about praying for healing? How should we react when prayers for healing aren't answered? In this warm and accessible book, Tim Chester looks at the Bible's view of the existence and purpose of miracles and gives a careful and balanced view on whether healings and other miraculous things happen today. It will help Christians to explore these questions and others regarding miracles, signs and wonders, and know how to pray. Includes additional questions on: • Why did Jesus tell people not to tell others about his miracles? • How should I respond when I hear a claim that a miracle has happened? • Should we hold healing services? • What can I say to a child about praying for healing?

Miracles Do Happen

Do miracles still exist? Is the Omnipotent God still performing miracles? Can we depend on God's miraculous power in our desperate situations? The answer to these questions is "yes" - miracles are still happening and we can depend on God for our breakthroughs. God still uses miracles, signs and wonders to show His great, perfect and unfailing love to help His people. A miracle is one of the greatest and most precious gifts from God to His children, and it gives Him the opportunity to come into our lives whenever we are pushed to the wall. As a miracle working God, impossible situations are great and perfect opportunities for Him to come into our lives and manifest His supernatural power and authority. This classic material unlocks a unique and valuable guide for helping you receive a life of miracles, signs and wonders. In the book, "Working Towards Your Miracles\

Working Towards Your Miracles

Miracles

Exploring the seven miracles recorded in the book of John, pastor and author Erwin Lutzer describes the wonders that characterized Jesus' life on earth. Each chapter offers special teaching on current issues relating to miracles and faith—such as signs and wonders, divine healing, and angels. This book is perfect for skeptics and believers alike, encouraging readers to test everything against the Word of God.

7 Convincing Miracles

Can any intelligent man or woman believe in miracles today? Can one believe in Jesus without believing the miracle stories? And if Jesus performed miracles during his life on earth, can't we also expect miracles today? In this book Colin Brown, author of the highly acclaimed 'Miracles and the Critical Mind', returns to the subject of Jesus' miracles, this time writing for the general reader. Drawing on the world of scholarship, but avoiding a detailed philosophical discussion, Brown clearly lays out the arguments for the reader who is not a trained philosopher or theologian. All who have questions about the meaning of miracles and their role in Christian faith today will find here a fresh look at this subject that has puzzled people for centuries.

That You May Believe

Explore the miracles of Jesus in Signs and Wonders with Amy-Jill Levine, Professor of New Testament studies and Bible study author. In Signs and Wonders: A Beginner's Guide to the Miracles of Jesus, Amy-Jill Levine explores selected miracles of Jesus in historical and theological context. For each miracle, she discusses not only how past witnesses would have understood the events, but also how today's readers can draw meaning from Jesus's words and actions. Chapter topics include: Giving sight

to the blind: Metaphors of understanding (Mark 8, John 9) "Take up your pallet and walk" (the paralyzed man): On the role of caregivers A bleeding woman and a dead girl: The importance of women's bodies Walking on water and stilling the storm: Ecological readings of the Gospels The feeding of the 5,000 (or more): The centrality of bread The raising of Lazarus: Taking death seriously Components for the six-week study include a book, comprehensive Leader Guide, and DVD/Video sessions featuring Amy-Jill Levine. Praise for Signs and Wonders Amy-Jill Levine has the rare and wonderful gift of being able to offer solid exegetical work to readers with or without formal theological training as if she is sitting in your living room sharing a cup of tea. Throughout this book she calls us to the interpretive work, reminding us that the big question is not "did this happen?" but "what does it mean?" and ultimately "so what?" How can these old miracle stories speak good news to our lives in this time and place and invite our own healing and transformation along the way? – Rev. Dr. Richard Simpson, Canon to the Ordinary (Assistant to the Bishop), Episcopal Diocese of Western Massachusetts Amy-Jill Levine is herself a sign and wonder, a sign that reading the New Testament through Jewish eyes is not just essential but revelatory, and a wonder, as she always writes with verve, wisdom, humor and rich insight. Her latest is hardly an exception, an accessible, fascinating book we welcome eagerly. – James Howell, Senior Pastor, Myers Park United Methodist Church, Charlotte, North Carolina With brilliant insight and trademark wit, Dr. Amy-Jill Levine reveals wondrous details of the most prominent miracles in the gospels. We become more than readers of these stories; we discover how to be recipients and participants in the ongoing, miraculous work of God. – Magrey R. deVega, Senior Pastor of Hyde Park United Methodist Church in Tampa, Florida, and author of The Bible Year: A Journey through Scripture in 365 Days What a rich and accessible resource for anyone who wants to grow their understanding of the Gospels and the claims they make about Jesus! AJ Levine teaches us how to learn from the miracle stories, marvel at them, worry about them, and respond to them in our own lives. – Matthew L. Skinner, Professor of New Testament, Luther Seminary Making space for the believer and skeptic alike, Levine masterfully connects the miracles of the God of Israel with the miracles of Jesus. From friends who clear the way, to a father who pleads for his daughter, to sisters who stand resolute, Levine invites the reader to cherish the helpers and the healed as much as we cherish the healer. Levine's willingness to authentically share portions of her own story reminds the reader of the ways the miraculous breaks into our own lives. –Rev. Dawn Taylor-Storm, Director of Connectional Ministry, Eastern Pennsylvania Conference, The United Methodist Church Amy-Jill Levine engages the miracles of Jesus with scholarly acumen and signature wit. Christians who have been confused by these stories will find new clarity in her comprehensive context, including corrective understandings of Judaism. Those who have been intimidated by these texts will be encouraged by her candor. Those who have been inspired by Jesus' miracles will find even deeper dimensions of meaning in the practical, pastoral, theological, and literary levels she opens and the provocative issues raised, from food insecurity to gender assumptions. Levine presses the essential "so what?" question and challenges us to be changed by these stories – and to be amazed. – The Rev. Deborah A. Block, D.Min. Pastor, Immanuel Presbyterian Church in Milwaukee

Signs and Wonders

Douglas Connelly raises the question of how we are to evaluate the validity of miracles in light of biblical truth. This book evaluates a variety of true and false miracle accounts as well as the Signs and Wonders Movement in biblical perspective.

Miracles

Do you want to believe in miracles? There will be no doubt in your mind after reading the testimonies of people worldwide who have experienced healing and revival through the grace and mercy of God. YOU can too! Author Todd Bentley was dramatically delivered as a teenager from a life of alcohol, drugs, prison, and the occult, launching him by the Holy Spirit into a worldwide ministry. He is a prophetic signpost of what God wants to do with millions of others. As an evangelist and revivalist operating in a fresh prophetic and miracle-healing anointing, the author has witnessed God heal hundreds of people who were: Diseased with cancer, blind addicted to drugs, addicted to alcohol and tobacco, and in bondage to Satan's evil. The Journey into the Miraculous will strengthen and encourage all who seek to believe in the God who performs miracles every day, for every one.

The Journey into the Miraculous

In his Gospel John described the miracles that Jesus did as

The Miracles of the Apostles

God planted Abraham in an unfriendly wilderness, and at the same time, he planted the church in a lost world. Both had the same goal--to prepare them for a kingdom not of this world. **THE PURPOSE OF THIS BOOK:** For every believer and minister of the gospel to recognize and unlock the potential and authority they possess inside of them through the Spirit. Every incident and story written is an actual encounter of heaven touching the earth in the lives of people through the nations. You will discover: *The 5 Results of the anointing *The 7 Facets of God's Spirit *How every believer can step into the Supernatural Realm *Different Level of Anointing and How to operate under it *How to Break the Spirit of infirmity through the Anointing *Activating the hidden Authority of the Believer *What happens when the Fire of God falls on Believers. *5 Keys to release the Gift of Healing. *3 Dimension of the Deep places with God

The visible hand of God; or The miracles, signs, and wonders which have occurred in the past dealings of God with the nation of Israel

What are miracles? Do they still happen today? What do we need to know or do about miracles? Does God still do signs and wonders like He did in Bible times? Joel also gleans from his first-hand experiences in the area of healing, miracles, signs and wonders. He shares some testimonies of the healing miracles he has seen in his own life and ministry. Eye sight has been restored, the deaf have had their ears unstopped, the mute spoke and the lame walked. Joel also recounts the story of the dead coming back to life. This book is Biblically balanced and will stir in you a passion and desire for this supernatural element of Christianity. Endorsements: "Joel Hitchcock is a true evangelist - a preacher of the Gospel, a man of the Holy Spirit and one who has seen God's power demonstrated mightily all over the world. Joel speaks with authority, passion and clarity: Preach the Gospel to the multitudes. Don't water it down. And dare to believe that God will confirm His Word with signs following. You will catch the same burning torch of evangelism that Joel carries as you read his heart in this book." Daniel Kolenda, Evangelist and President of Christ for All Nations (www.cfan.org) " I have found the same Spirit in my friend Joel Hitchcock. He is willing to go where few would dare to go. He has endured hardships and dangers to rescue souls. As you read this book you will see Joel's passion and love for our Lord Jesus." Dr. Mark Swiger, Evangelist - Mark Swiger Ministries (www.markswiger.org) "Joel Hitchcock has done a wonderful job in teaching the truth of God's Word concerning signs, wonders and the miracles of God. Every person who would like to see the supernatural should read this book as you will gain true insight and faith will rise in your heart. " Dr. Eric Cowley, Evangelist & President - Global Focus International, (www.nationwideblitz.com) "Throughout the ages, and in every generation, there is an issue that must be settled. It is an issue of such magnitude that the eternal destiny of every person in that generation depended on its discovery. The issue: What is the truth? What "religion" is right? Whose god is the One True God? This fact remains - a miracle settles the issue! Joel's books, "Signs and Wonders" and "Multitudes into the Kingdom" will seed you with modern day truths that will release the miracle power of the Almighty in your life! Get ready for a release of the supernatural! Joel has lived a life of miracles!" Dr. Mike Francen, Evangelist & President - Mike Francen Ministries "The church of Jesus Christ was born amidst miracles, signs and wonders. Joel Hitchcock believes and practices this. He is no stranger to daring, bold and rugged faith. On platforms around the world he is unafraid to pray publicly for the blind, deaf, dumb and lame, and exhibiting their healing before all to see. Humbly, always giving glory to God he now reveals the secrets of his faith and power in this book so that the reader can catch the fire and go for God!" Dr. John Hitchcock, Evangelist (www.johnhitchcockministries.blogspot.com) "Multitudes and Miracles! Philip saw them in Samaria in Acts 8. Today Joel Hitchcock sees them as he travels to nations all over the world. This book will inspire your faith and challenge you to do big things for God!" Daniel King, Evangelist - King Ministries International (www.kingministries.com) Although the following endorsement was made for Joel Hitchcock in his other book on Christ in You, but it is herewith included: "I have known Joel Hitchcock since he was a young evangelist and have watched him turn into a firebrand for God. The Lord anointed him powerfully. Reckless faith and action for Jesus are his seals." Reinhard Bonnke D.D., Evangelist, Christ for All Nations (www.cfan.org)

Unlocking God's Supernatural Zone

"Miracles for the Multitudes!" In this simple statement are two great Bible concepts: (1) God still performs miracles, signs and wonders through His servants, and (2) these miracles are completely part of the Gospel of Jesus Christ - which must be shared with the masses of humanity around the world. Dr. Joel Hitchcock has been a full-time healing & soul-winning evangelist, pastor and author for

over 25 years. Multitudes have attended his many "Massive Gospel Campaigns" all around the world. Untold numbers of souls have been brought into the Kingdom of God and introduced to Jesus Christ as savior, healer and baptizer with the Holy Ghost. In this book Joel shares his heart and passion for the supernatural element of Christianity, and how these signs, wonders and miracles are closely connected with evangelism. Though this book is not a ministerial manual, Joel also shares some practical advice on how you can operate in the healing miracle ministry, and hold Gospel Campaigns around the world. "Joel Hitchcock is a true evangelist - a preacher of the Gospel, a man of the Holy Spirit and one who has seen God's power demonstrated mightily all over the world. Joel speaks with authority, passion and clarity: Preach the Gospel to the multitudes. Don't water it down. And dare to believe that God will confirm His Word with signs following. You will catch the same burning torch of evangelism that Joel carries as you read his heart in this book." The Miracle Ministry, Signs and Wonders

Owing to a lack of revelation, it is a typical scenario in the Body of Christ that many people use the phrase "signs and wonders" as an umbrella term for all kinds of supernatural displays of power and consider miracles, a large subset of such events, usually objectively observable. There are vast differences between signs, wonders, miracles and mighty deeds although they are all manifestations of God's power. An understanding of the distinction between these divine concepts as elaborated in this book will help you to delve in the supernatural realm to manifest the veracity of God's power without any misunderstanding or confusion. The reading of this book will therefore cause you to understand the principles and precepts of how to function in the realm of the miraculous and practically demonstrate the power of God through miracles, signs and wonders as well as mighty deeds. In this publication, Apostle Frequency Revelator clarifies the distinction between these critical concepts as follows: He defines a sign as a wondrous occurrence that takes place in an unusual way and transcends the common course of the natural world. He affirms a miracle as an incredible happening, occurrence or unusual manifestation that takes place in the natural realm as a result of a sudden divine intervention of God in the affairs of humanity to the extent that it cannot be fathomed or comprehended by human reasoning and intellectual ability. He connotes a wonder to a feeling of surprise mingled with admiration, caused by something beautiful, unexcited, unfamiliar or inexplicable in the natural realm. The difference between a sign and a wonder is that a sign points to something specific while a wonder appeals to the imagination, intellect and the heart of the observer and draws him to worship God. He further presents a mighty deed is a manifestation of the supernatural power of God in extreme cases and radical situations where human comprehension and reasoning cannot suffice. These four words often function interchangeably. However, other signs and wonders that might not be classified as miracles could include more subjective supernatural experiences such as dreams, visions, trances, angel encounters, and prophetic words of knowledge.

It invites the reader to ascend into the greater heights of the Heavenly realm to breathe a fresh air of God's presence, far above the polluted atmosphere of near-sighted religious ideas. As one who has been enlisted in God's agenda for the supernatural in this season, my passion in writing this book is that you will step into your birth right to operate in the greater depths of the supernatural realm. This is because demonstrating the power of God through miracles, signs and wonders is a divine legitimate birth right bestowed upon humanity and an irrevocable inheritance bequeathed upon every believer. Therefore, the Throne Room revelations that are encapsulated in this book will awaken you to an arena of divine consciousness of the power of God in you so that you don't stay in the league of the ordinary fanatics forever. As you step out of the ordinary convictions of the life of mediocrity into the realm of the undefinable, uncharted and unrecorded miracles in this very hour, you will be instantaneously catapulted into the highest realms of God's power to be a solution to every case in all facets of human existence. Presiding over a global network of apostolic and prophetic visions, in the capacity of the Director of the World renowned Global School of Signs and Wonders (GSSW), the President of Christ Resurrection Movement (CRM), the Director of Global School of Resurrection (GSR), Senior Pastor of Resurrection Embassy (RE) and the founder of Resurrection TV (The Dead-Raising Channel, Apostle Frequency Revelator hands us the lost keys to the Throne Room of Heaven and shows us the way back to the Heavenly realm as he calls the church back to her original mandate of demonstrating the supernatural power of God. Therefore, if you are a fire-starter and God-chaser who is willing to pioneer a revolution of signs and wonders in this world, continue to plunge into the depths of revelations encapsulated in this publication. There shall be an unmistakable imprint of the divine stamped on the life of everyone who shall be touched by reading this book. Apostle Frequency Revelator

EXPECT MIRACLES, SIGNS & WONDERS

This book is concerned with the concepts of Christian holiness and spirituality, notably as expressed in hagiographical literature, from Late Antiquity through to the Middle Ages. The first group of articles focuses on the Desert Fathers, the following ones examine key figures in the monastic history of the medieval West, dealing above all with England and with Bede and Anselm of Canterbury. Throughout, Benedicte Ward's aim has been to find an approach that makes full sense of Christian hagiography, miracles and all. It should not be seen, she argues, simply as biography, not as a quarry for information on social history, valuable though it may be for those purposes. The primary object of these Lives - as of the people about whom they were written - was religious: in the accounts of saints in any age there is a pattern integral to their subject, and this is to highlight the Christ-likeness of the saint; to neglect this meaning is to risk fundamentally misunderstanding these texts.

The Realm of the Miraculous, Signs and Wonders

And Jesus looking on them, saith: 'With men it is impossible; but not with God: for all things are possible with God.' Mark 10, 27 This Publication offers a complete Compilation of all the Signs, Wonders and Miracles of the Bible. May this small Book bestow Faith, Hope and the firm Belief, that with God indeed all Things are possible. I will praise and give Thanks to the LORD with all my Heart and speak of all thy marvelous Miracles. Psalm 9, 2 About the Author: www.antonio-katharina.de

Signs, Wonders and Miracles in the Bible

This book is for Christian believers who want a deeper understanding and insight into the third person in the Godhead body (The Holy Spirit). I believe this book will shift your thinking and cultivate your spirit to know and understand the role and purpose of the Holy Spirit in your life; you won't see yourself as you once did and neither will you see the Spirit of God as you did before. It is the Lord's will that all His children be equipped with the knowledge of His person, so that they can rise with the empowerment of the Holy Spirit above every circumstance that tries to shift their divine purpose. Within the pages of this book there are revelations that will stir your spirit and cause you to dig deeper into the things that are of God. I pray that by the time you finish reading this book that the Holy Spirit will illuminate your mind and cause you to be a mighty soul winner and a God influencer throughout this earth with mighty signs, wonders, and miracles.

Miracles - Expect Something Wild

God desires to bring miracles into your life. Miracles prepared for you from the foundations of the earth are on their way to intercept you. Miracles are around us, in us, and through us. This book will inspire your faith, renew your hope, and capture your heart. Frank Damazio not only lays out a clear biblical teaching of miracles, but also true-life stories of miracles taken from his miracle journal.

Engulfed By God's Fire

Do you have an impossible situation that you can't figure out? The Holy Spirit is bringing an answer to you today, but you must pick up this book. In it, you'll learn about the power of God and the miracles of Jesus. You'll also discover how those miracles continue today—and how walking with the Lord can heal body, soul, and mind. Even more importantly, you'll learn how to help others who've lost hope. Testimonies in this book include: • a woman whose ring finger lengthened to the exact length as the same finger on her other hand—right in front of her eyes; • a woman with hair loss who had it restored after prayer; • a woman with legions of devils that were cast out, which helped her find peace and employment. Numerous questions and space to write journal entries are provided throughout the book to promote learning. As you grow in faith and work on behalf of the Lord, you will see miracles firsthand. However, if you're complacent, you will never walk in the power of God.

Miracles

Real-life, firsthand stories of personal, modern-day miracles. Miracles still happen! --Crushed under a 10,000-pound logging truck, Bruce Van Natta suddenly found himself floating above the scene of a horrific accident. There were angels present at the scene. --Ron Pettey's brain surgeons knew that their patient was in crisis. As doctors worked to bring Ron back, Ron was already experiencing the trip of a lifetime in Heaven. --Surviving a jet crash but trapped in a burning inferno, Diana cried out, "Dear God,

in Jesus' name, please save me" over and over. Her life was in His hands. --Hardened atheist and police constable Roger Whipp was faced with a life or death decision--pray to God for his wife's healing or disconnect her life support. He chose to - pray, and miracles followed. --Working in a 110-bed mission hospital, Dr. James Rennie was faced with a terrible circumstance—watch his young patient die an immensely painful death, or pray for a miracle in his operating room. He prayed and visually watched the Lord answer prayer. --Newborn baby Grace lay helplessly abandoned in an Ethiopian field with a noose tied tightly around her small neck. Would the wild animals hear her cry first, or would God?

SECRETS TO GOD'S MIRACLE-WORKING POWER

Signs of God reveals why discussion of the nature of miracles is of central rather than marginal importance where belief in God is concerned. Miracles cannot be shunted to one side as an embarrassing hangover from a 'pre-scientific age'. Miracles have played an important role in the history of all the major world religions, and many religious believers claim that they continue to do so. Yet they have also been criticized from a philosophical viewpoint as incompatible with a belief in laws of nature, and those who seek to have their religious beliefs properly attuned to the modern world often prefer to do without them. This accessible book examines the nature of miracles both in philosophical and historical terms, and concludes that, whether or not miracles happen, it is difficult to see how religious belief could survive without them.

Miracles, Wonders, and Signs

Miracles, Signs, and Wonders is about a lifetime of walking with Jesus, from a small child to age 35, not understanding the fullness of the Spirit of God. Yet He kept His mighty hands on me. There were many signs and wonders, and I saw many things I did not understand. God even took me to Heaven several weeks after an extensive operation. Why did He show me these things? Why did He take me to heaven? Why did He allow me to live on? It was in preparation for the calling on my life to preach His word and pray for the people. "It's a good thing to give thanks unto the Lord and to sing praises unto thy name, Oh Most High". (Psalms 92-1)

Modern-Day Miracles

Some people struggle with their belief in miracles—did Jesus really turn water into wine, heal the sick, and raise the dead? Could the miracles written in the Bible be true? Gain a better understanding of the miracles of Jesus, as Dennis Fisher shares biblical insight into their purpose, the controversy surrounding them, and their importance to us today.

Signs of God

Are Miraculous Gifts for Today? takes you to the heart of one of the most dividing questions in the Church today: how are the Holy Spirit's miracles at work among God's people now? Is he still actively giving the gifts of tongues, prophecy, and healing that fill the book of Acts? Is he driving out demons when Christians command them to flee? Or are these events confined to the time of the early church and the apostles? This volume of the Counterpoints series provides an impartial format for comparing the four main positions on present-day miracles (including the history and distinctions between the three positions that affirm miraculous gifts) with voice also given to a large sector of open-but-cautious evangelicals: Cessationist: there are no miraculous gifts of the Holy Spirit today. Pentecostal: gifts are intended for today, with certain nuances focused on baptism and speaking in tongues. Charismatic: gifts are intended for today and should be actively practiced. Third Wave: gifts are intended for today, with greater emphasis on baptism and less on tongues. This thought-provoking book will help Christians on every side of the miraculous gifts debate to better understand their own position and the positions of others. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

Miracles, Signs, and Wonders

You Believe God Can Still Do Miracles, But How Do You Know Which Stories Are True? A blind man suddenly sees. A lame man gets up and walks. A little boy is raised from the dead. You believe the biblical accounts that these miracles happened, but do you believe eye-witness reports that miracles

still happen today? Between shady faith-healers, weeping madonnas, and gimmicks like holy land water, it's difficult--even foolish--to believe every miracle account we hear. So how do we discount the fakes without missing out on the real miracles in the process? Award-winning journalist Tim Stafford shares captivating stories of modern-day miracles, wrestling over what is credible and what isn't. But more than that, he offers wisdom and insight to help you figure out the role miracles should play in your faith. Should you expect miracles? Ignore them? Pray for them? How active is God in the world today? And could he be more active in your own life? Learn how to explore these questions with wisdom and honesty, growing your faith and hope along the way. "Tim Stafford puts the right person at the center of miracle stories: not the charismatic leader through whom miracles come, nor the person who is healed, but God himself. This book will help you see genuine miracles as part of God's way of telling his own story, and will teach you to listen for what God is saying through them."--David Neff, Editor in Chief, Christianity Today "Veteran journalist reports on the world of miracles with neither skepticism nor naiveté but with clarity and reverent honesty. A remarkable achievement."--Eugene H. Peterson, Professor Emeritus of Spiritual Theology, Regent College, Vancouver, B.C. "Do you want to believe in miracles but have been put off either by Christians who insist that every problem should be solved by a miracle, or by the skepticism of God's miraculous intervention in human experience? Then this is your book! As a journalist, Stafford squarely faces and differentiates between actual occurrences of miracles and disappointing non-occurrences; as a Christian, he makes a conscious effort to be faithful to God's revelation in Scripture. The result is a book that will instruct you on how to think biblically about issues relating to miracles. The summary statements in the last two chapters alone are worth the price of the book."--Ajith Fernando, Teaching Director, Youth for Christ, Sri Lanka "Tim Stafford dives headfirst into this investigation of those special events we call miracles--signs and wonders that demonstrate God's supernatural power. Probing, clarifying, and speaking to skeptics and believers alike, Stafford is thoroughly convincing as he digs deep to comment on biblical and contemporary examples."--Lucy Shaw, author, *Breath for the Bones*, *What the Light Was Like* "Tim has taken one of the most important and fascinating topics in the world and written about it with honesty, faith, and grace. His look at miracles through history and across cultures is full of wisdom and longing. This book--if not actually miraculous itself--is at least providential."--John Ortberg, senior pastor of Menlo Park Presbyterian Church and author of *Who Is This Man?* "When I started reading this fine book, I was what Tim Stafford labels a "Semi-Believing Doubter" on the subject of present-day miracles. I no longer wear that label. Miracles is a gripping--and convincing--account of how God continues to astonish us with signs of a power that will someday come into its fullness!"--Richard J. Mouw, PhD, President and Professor of Christian Philosophy, Fuller Theological Seminary

Signs & Wonders

Miracles are not confined to the stories of Scripture; these signs of God's presence and power in creation are experienced throughout our daily existence. Yet cultural challenges and modernity's skepticism have marginalized belief in them as unreasonable and irrational, says Luke Timothy Johnson. In this excellent resource for church professionals, Johnson reclaims Christian belief in miracles as integral to recovering a proper and strong sense of creation, recognizing the validity of personal experience and narrative and asserting the truth-telling quality of myth. His analysis includes: a description of the competing symbolic worldviews that have framed the discussion on miracles, including secular debates and theological imagination; interpretation of miracles consonant with the biblical construction of reality in the Old and New Testaments; suggestions for four areas in the church's life—teaching, preaching, prayer, and pastoral care—that can work together to shape a symbolic world, within which believers can expect, perceive, and celebrate the miracles in everyday life.

Are Miraculous Gifts for Today?

Are miracles for today? Why are we not seeing Signs, Wonders and Miracles? How can I receive a miracle from God? How can I be used by God to perform miracles? The honest truth is that people are tired of religion and a lifeless Christianity that speaks of power as of old, but no present reality and supernatural manifestations to validate the gospel. Let's stop the argument and be a proof-producer that will fulfill God's purpose on earth today. This book "Signs, Wonders and Miracles" does not only answer questions regarding the power of God and clarifies the truth that MIRACLES are for TODAY, but it also reveals the principles and the process to help you receive a miracle from God and to live a supernatural life - releasing you into a greater walk and dimension in the realm of God's Spirit to manifest His power and glory on earth, and to become an effective Church that represent Christ through

mighty works. This book will help you with practical principles that will empower you. It is a must read for every believer!
