For the Life of Your Dog

A complete guide to having a dog in your life, from adoption and birth through sickness and health.

Rescue Dog

Many people believe that rescue dogs are troubled, traumatised, strays with long-lasting problems. While this view may be true in some instances, the majority of dogs in rescue centres are there because their previous owners have simply abandoned them. Every year new homes are found for thousands of these 'rescue' dogs by dedicated charities but in order to make this re-homing a success, the new owners need considerable knowledge, patience and understanding. The Rescue Dog takes the reader through each stage of the re-homing process, from choosing a dog, to preparing the home and garden and settling the dog into its new life. With chapters which examine the elderly dog, puppies, avoiding misunderstandings, training and common concerns, the authors have produced a fully informative and practical guide. Topics covered include: Where to go to find a rescue dog and what to expect; The early days when the dog is settling into its new home; Canine requirements; Common behavioural concerns; Children and dogs. This invaluable book offers new owners a practical guide to responsible ownership, and is illustrated throughout with 143 colour photographs and diagrams.

Mutt Matters

In recent years our knowledge and understanding of dog behaviour has grown rapidly, as has the number of experts and their approaches. This introductory guide to dog adoption covers information based on the questions owners frequently ask. As dogs are as variable as people, there is no 'one-size-fits-all' solution, but with the basic understanding contained in these pages, it is hoped that the reader will be guided to find solutions suited to their specific needs. There are many variables to consider and it

is recommended that owners seek professional advice as early as possible. www.muttmatters.co.za welcomes input from readers.

Great Dog Adoptions

Buy the Paperback version of this book and get the eBook version included for FREE Would you like to bring a dog into your home? I'm sure you would, and there are many people who feel exactly the same. This is no surprise since dogs are great animals and the best pet you can have. However, adopting a dog is not just about going to a place and taking a dog to your home from there. There are certain things you need to know beforehand to make sure that this special occasion goes well. If you dedicate more time and attention in the beginning, you can expect your relationship with your new pet to be that much better and smoother in the upcoming years. That is what this book is all about. In this book you can expect to learn about: -What dog breed is the choice for you -How networking can help you to achieve success with dog adoption -How to prepare for the day you bring your dog home -Buying the supplies for your dog -And a lot more! There is some necessary upfront work required in order to make the dog adoption work effectively. However, this won't pose a problem for a true dog enthusiast who understands that the reward will be more than worth the effort. Puppy Guide

A 'must have' book for anyone considering adopting a rescue dog. Adopting a rescue dog is fast becoming the preferred method of acquiring a family pet. There are over 8 million dogs in Great Britain and almost 2 million of these have been rescued. This essential guide addresses the major points one should consider before taking in a dog and re-homing it. It covers general issues about owning a dog and thinking about adopting as opposed to buying from a breeder, and welcoming a rescue dog into the home. Other chapters cover: First aid basics for dogs; choking and resuscitation; safe transport; common injuries and illnesses and much more. Written in easy to understand language and including questions to ask when adopting a dog, the book is essential reading for all dog lovers.

Rescue Dogs

A full-colour photo look at the breeding, raising, training and assessment of young guide dogs, and when they are matched with their handlers to become working guide dogs.

Guide Dogs

A guide to successful dog adoption for every family. Addresses questions such as whether dog adoption is right for you, how to adopt a dog from a shelter or rescue group, how to prepare your home for a new member, integrating the dog into your home, family, lifestyle, and more.

Dogs and Pets in Fostering and Adoption

"Not only an incredibly thorough and brilliant How-To, but a pull-at-your-heartstrings look at the selfless world of dog rescuing-and a must-read for anyone who loves dogs. This book will renew your faith in humanity." Robin Cain, author of 'The Secret Miss Rabbit Kept' "This is a must-have book on every would-be, could-be, and veteran dog rescuer's shelf. Guilie Castillo Oriard's It's About the Dog: The A-to-Z Guide for Wannabe Rescuers is packed with invaluable information gleaned from experts and experience, on how to put good intentions into successful practice so you can provide real help for four-legged friends in need." Lynne M. Hinkey, author of 'Ye Gods! A Tale of Dogs and Demons'

It's About the Dog - The A-Z Guide for Wannabe Dog Rescuers

Expert guidance in choosing the right dog -the first time Written by a renowned expert in shelter adoption, Successful Dog Adoption delivers all the information you need to find the perfect dog at a shelter and make him part of your family. In easy-to-understand language, Sue Sternberg helps you decide if you're ready to adopt by evaluating your reasons and translating them into what you should look for in a particular dog. She shows you how to find a reputable shelter, prepare for the adoption process, and work with shelter personnel to make sure they have appropriately screened their dogs. You'll also learn about ""rescue"" dogs and why one might be right for you. This practical guide covers all the vital issues you need to consider when adopting-choosing a male or female, a puppy or an adult; identifying fearful dogs or dogs who will bite; and seeking out a dog with the ideal temperament. Featured here are detailed tests and observations used by professionals to ascertain the temperament and compatibility of shelter dogs-now made available to the public for the first time. You'll discover how to determine risk factors in an unknown dog, gauge a dog's potential reaction to guests and strangers, and predict the compatibility level when you add another dog to your household. This book also offers invaluable advice on training your new pet, including guidance in housebreaking, selecting a training class, and helping a dog who gets carsick or doesn't like to be home alone. And, if you still experience difficulties with your dog, Sternberg gently discusses the steps you can take. Authoritative and friendly, Successful Dog Adoption is the one-stop guide for finding your own ""superdog""-and keeping the dog-owner relationship fresh and rewarding for years to come.

First Time Dog Owner Guide And Tips

Is adoption a good option? Can I adopt two dogs at the same time Can I train dogs without beating? If you answered yes to any of these questions then this book is for you... 50 things to know about adopting a dog by Maham J offers an approach to all of your questions that might be arising in your

mind about adopting a dog. Most books written on the topic of dog adoption tell you solution only to one or two things. However, this book focuses on all sides of the picture and guides you well. Based on knowledge from the world's leading experts a dog is like a child so teaching him and dealing with him has a special way which you can learn by reading this book. Humans have been given power over all the plants and the animals of the world. This power was supposed to make them humble and gentle but it has made them cruel, selfish, and barbaric. They have started to make the lives of other species a living hell in order to make their lives good. I have always wanted a dog and my parents insisted on having a pure-breed one. However, I fell in love with the picture of this cute puppy that was going to be thrown on road if not adopted. Ever since, I brought him home, my life has been changed, blessed with light, and full of peace. I have rescued and adopted two more dogs after that. This inspired me to work for the other dogs living on roads so I got some dogs neutralized and adopted to good homes. There are many challenges that I faced on my journey. It was not always easy but now when I look back, I know that it was worth it! This book is written so you can see how beautiful the mix-breed and stray dogs are. If you are already hoping to adopt one or thinking about giving up on the one you adopted, this book can help you to set your journey straight and on the right path. I have vowed to help as many needy and deserving lives as I can. However, I can't bring change worldwide alone and so I need you to join me and make the furry lives matter! In these pages, you'll discover that adopting and dealing with a rescued or a traumatized dog is not as difficult as people interpret it to be. This book will help you to get hold of the basic skills that will help you throughout your life and will enable you to live a happy life with your furry friend. By the time you finish this book, you will know that dealing with an adopted dog is one of the simplest and full of fun things. This book will make sure that you get the best friend you deserve. So grab YOUR copy today. You'll be glad you did.

Provides a balanced view on the many issues relating to the treatment and care of Australian dogs.

Guide Dogs Current Practice

Adopting a rescue dog can be daunting. With anxieties and fears from their previous life, they can carry the weight of the world on their shoulders. But all dogs deserve a second chance – and this book will teach you how to provide it. Animal behaviourist Laura Vissaritis's approach to training a rescue dog focuses on one side of the relationship: the human. Because to help your dog change their behaviour, first you must change your own. By building a relationship based on mutual trust and respect, you will help your dog make the most of their new life. Explaining the underlying psychology and offering clear step-by-step guides, Laura covers everything you need to know, including how to: - bring home and socialise your rescue dog - establish routines for essentials like toilet training and walking on a leash - understand your dog's body language - discourage unwanted behaviours such as excessive barking or jumping up - ease their stress, phobias or separation anxiety. Giving a rescue dog a better life is one of the most emotional, uplifting journeys you can go on. The Rescue Dog will guide you on the path to success.

Dog Care and Training

Dog Adoption: Choosing Your New Best Friend by Adopting a Dog! You love dogs-- and you want a dog! Many people feel exactly the way you do! You cannot afford to make the mistake of adopting a dog without adequate knowledge and preparation first. Here is what you will learn inside this guide: Getting Ready for Dog Adoption Comparing breeds Considering a mixed breed Researching Your Favorite Breed Turning Your Dog into Your New Best Friend Preparing your home for your new dog "Must have" dog's supplies Where are the breeders open to adoption Is your dog in good health (Here's how to check) Bringing your new dog home Enjoying your new dog And more! If you're considering adopting a new dog you must read this first!

Adopting a Dog

While many first-time pet owners seek out a pure breed or prefer to buy a dog from a pet store, seasoned dog owners know that it is actually wisest to adopt a dog from a shelter instead. Adopting from a shelter has many advantages, the most rewarding of which is that you are saving a life. Dog owners know that by adopting from a shelter you can be sure that you are getting a healthy dog which has already been screened by medical staff and well taken care of while at the shelter. Shelter dogs are usually already spayed or neutered and vaccinated, which makes the entire adoption process much more cost effective. Whether you are considering adopting a dog in order to save a life or you are looking for a special companion that's perfectly suited for you, there are many factors to consider which may influence your decision. This book will help you consider your decision to adopt; it will assist you in choosing the breed of dog that will be most suitable for you and your lifestyle; it will guide you through the process of adoption; and it will even offer insight into how you can train and bond with your new companion.
