

The Cliff Dwellers A Novel

[#The Cliff Dwellers novel](#) [#Henry B Fuller book](#) [#Chicago social realism](#) [#classic American literature](#) [#urban life fiction](#)

"The Cliff Dwellers" is a pioneering novel by Henry Blake Fuller, offering a sharp, satirical, and insightful portrayal of urban life and the complex social hierarchy within late 19th-century Chicago. It dissects the ambitions, struggles, and moral compromises of various characters residing in the city's towering apartment buildings, serving as a seminal work in American literary realism.

Jamie Raskin hits Republicans with news they've DREADED - Jamie Raskin hits Republicans with news they've DREADED by Brian Tyler Cohen 394,405 views 8 hours ago 50 minutes - CLASS WITH JAMIE RASKIN episode 2: Jamie Raskin takes on the rightwing fallacy that the Second Amendment gives **people**, ...

Does the 2nd Amendment give people the right to overthrow the government with insurrections?

This interpretation of the constitution is an excuse for not passing gun reform

The constitution treats insurrection as a serious and dangerous offense

Forming a militia and attacking the government is unconstitutional and qualifies as treason

The constitution doesn't even guarantee non-violent civil disobedience

Insurrectionists are not "hostages"

The 2nd Amendment is not unlimited

Q&A start

Our lone-wolf shooters are anything but a well-regulated militia

Why did conservatives change their tune in the last 15 years?

They say gun violence is due to "too many doors"

The say gun violence is due to a mental health crisis, but then do nothing about it

What is the upside to the NRA taking extreme stances against reform?

Closing message

The Gunners

A group of childhood friends reunites after tragedy strikes one of their own in this “riveting portrayal of the joys and mysteries of growing up, and of friendship itself”—with echoes of *Freaks and Geeks* and *The Big Chill* (People). ONE OF THE BEST BOOKS OF THE YEAR: O, The Oprah Magazine • Entertainment Weekly • Southern Living • Huffington Post • Esquire • Book Riot • Harper’s Bazaar • NYLON • Real Simple Following her wonderfully received first novel, *Another Place You’ve Never Been*, Rebecca Kauffman returns with *Mikey Callahan*, a thirty-year-old who is suffering from the clouded vision of macular degeneration. He struggles to establish human connections—even his emotional life is a blur. As the novel begins, he is reconnecting with “The Gunners,” his group of childhood friends, after one of their members has committed suicide. Sally had distanced herself from all of them before ending her life, and she died harboring secrets about the group and its individuals. Mikey especially needs to confront dark secrets about his own past and his father. How much of this darkness accounts for the emotional stupor Mikey is suffering from as he reaches his maturity? And can The Gunners, prompted by Sally’s death, find their way to a new day? The core of this adventure, made by Mikey, Alice, Lynn, Jimmy, and Sam, becomes a search for the core of truth, friendship, and forgiveness. A quietly startling, beautiful book, *The Gunners* engages us with vividly unforgettable characters, and advances Rebecca Kauffman’s place as one of the most important young writers of her generation.

The Gunners

What's the point in friends, if you can't share your secrets? The Gunners used to be inseparable. A gang of latchkey kids, they took their name from the doorbell of the abandoned house they played in as children - and drank in as teenagers. Together they navigated the difficult journey from childhood to adolescence and learnt their first vital lessons about becoming adults; Mikey, Sam, Lynn, Alice, Jimmy and Sally are more like a family than just friends. One day, Sally suddenly stopped speaking to them and wouldn't explain why. Years later, Sally's suicide forces the Gunners back together for her funeral.

All of them have secrets they are reluctant to share, secrets which mean they must reassess their happy memories and finally be honest about the reasons Sally left. This is a generous and poignant novel about the difficulty - and the joy - of being a true friend.

The Machine Gunners

After an air raid, a group of English children find a German machine gun and hide it from adults who are looking for it.

Another Place You've Never Been

This "undeniably moving and emotionally true" debut novel offers the emotional complexity and narrative scope of *A Visit from the Goon Squad* and resonates with the strong mystical nature of *Swamplandia!* (Publishers Weekly, starred review). Most of us have experienced what it's like to know what someone is going to say right before they say it. Or perhaps you have been shocked by the irrefutable phenomena of coincidence, when your life intersects with another's in the most unlikely way. In gripping prose marked by stark simplicity, *Another Place You've Never Been* by debut novelist Rebecca Kauffman explores the intersection of human experience amidst the minutiae of everyday life. In her mid-thirties and still living in her hometown Buffalo, NY, Tracy spends most days at the restaurant where she works as a hostess, despite her aspirations of a career that would make use of her creative talents. Tracy's life is explored not only through her own personal point of view, but also through the viewpoints of other characters, wherein Tracy may only make a peripheral appearance or even emerge at different periods in her life. At its core, *Another Place You've Never Been* is a broad investigation of such bold ideas as the possibility that any person, at any time, in any place, could find themselves shivering in the presence of great and ancient forces; and the notion that love is perhaps "far less voluntary" than we might believe it to be.

The Gunner Girl

*** Winner of the RNA Joan Hessayon New Writers Award 2016 *** Perfect reading for fans of Katie Flynn, Margaret Dickinson and Ellie Dean! Meet the Gunner Girls - three women with one shared ambition: to join the ATS and do their bit for King and country. Bea has grown up part of a large, boisterous Kent family. But she hasn't heard from her soldier sweetheart in months and her mother is controlling her life. She needs to take charge of her future. Edie inhabits a world of wealth and privilege, but knows only too well that money can't buy happiness. She wants to be like Winston Churchill's daughter, Mary, to make a difference. Joan can't remember anything of her past or her family, and her home has been bombed in the Blitz. Desperate, she needs a refuge. Each one is a Gunner Girl: three very different women, one remarkable wartime friendship of shared hopes, lost loves and terrible danger. 'Will delight all those who love a good wartime story' Dilly Court 'An irresistible tale of friendship, love and heartache during WW2 that had me enthralled' Kate Furnivall 'Heart-warming, enjoyable and full of surprises, I loved The Gunner Girl' Elizabeth Chadwick 'Clare Harvey is an exceptional new talent. The Gunner Girl offers a stunningly realistic vision of the WW2 era, through the intertwined lives and loves of three very different women. The story is brought to life by razor sharp dialogue, an eye for period details and a taut plot which never becomes sentimental' Kate Rhodes

The House on Fripp Island

A taut, page-turning novel of secrets and strife. When two families--one rich, one not--vacation together off the coast of South Carolina, little do they know that someone won't be returning home. Fripp Island, South Carolina is the perfect destination for the wealthy Daly family: Lisa, Scott, and their two girls. For Lisa's childhood friend, Poppy Ford, the resort island is a world away from the one she and Lisa grew up in--and when Lisa invites Poppy's family to join them, how can a working-class woman turn down an all-expenses paid vacation for her husband and children? But everyone brings secrets to the island, distorting what should be a convivial, relaxing summer on the beach. Lisa sees danger everywhere--the local handyman can't be allowed near the children, and Lisa suspects Scott is fixated on something, or someone, else. Poppy watches over her husband John and his routines with a sharp eye. It's a summer of change for all of the children: Ryan Ford who prepares for college in the fall, Rae Daly who seethes on the brink of adulthood, and the two youngest, Kimmy Daly and Alex Ford, who are exposed to new ideas and different ways of life as they forge a friendship of their own. Those who return from this vacation will spend the rest of their lives trying to process what they witnessed, the tipping points, moments of violence and tenderness, and the memory of whom they left behind.

The Miseducation of Henry Cane

A stunning coming-of-age novel about one young man's eye-opening sexual awakening at the hands of an intriguing older woman. Henry Cane knows exactly what he's going to do with the rest of his life. That's the problem. Born into the rarefied world of Manhattan wealth and privilege, after graduating from Princeton, Henry is about to start his perfectly planned out life. He's always known he will move back to Manhattan and be groomed to take over his father's publishing business. He's destined to date a string of appropriate girls until he dates the most appropriate girl and asks her to marry him. It's all so awfully tedious. But Henry's been given eight weeks to do something else, to be an entirely different person. When his parents leave him alone in their Sag Harbor estate for the summer, Henry embarks on a double life as Joe, a blue collar fisherman on the other side of the bay. Once ensconced in his fake identity, he finds himself entangled in an affair with an alluring, older European woman—who happens to be married. As he becomes more and more infatuated with her, their affair threatens to unravel his tightly wound story, and could jeopardize his entire future. This is the story of a boy becoming a man, shaped by the hands of women who truly control the narrative.

Gunner's Run

In 1943, nineteen-year-old Jim Yoder serves as a waist gunner aboard a B-24 in the United States Army Air Corps, but through a strange chain of events, is trapped behind enemy lines in Hitler's Europe, alone, on foot, and on the run, and finds himself returning to his family's staunchly pacifist Mennonite roots.

Air Gunner

There have been several books published about the wartime experiences of individual air gunners but there is no general history of Air Gunners, their equipment, training or service in the various RAF Commands in which they served. This book explains in great detail how and why the trade of air gunner was developed at the outset of World War II. Chapters include the history of the guns and turrets, the famous gunners, outstanding bravery during major raids, flying with Coastal Command, Bomber Command and overseas operations. It also includes the history of Air Gunners who became prisoners of war, outstanding bravery awards and American air gunners such as Clark Gable, John Huston and Charlton Heston. It includes many first-hand accounts of wartime combat as seen from the gun turret in the heat of battle. Air Gunners, tail-end Charleys in particular, have always been popular wartime heroes as they flew in their isolated positions protecting their aircraft from enemy fighter attack in the skies over war torn Europe.

Gunner's Glory

They were warriors, trained to fight, dedicated to their country, and determined to win. At Guadalcanal, the Marine Corps' machine gunners took everything the Japanese could throw at them in one of the bloodiest battles of World War II; their position was so hopeless that at one point they were given the go-ahead to surrender. Near the Chosin Reservoir in Korea, as the mercury dropped to twenty below, the 1st Marine Division found itself surrounded and cut off by the enemy. The outlook seemed so bleak

that many in Washington had privately written off the men. But surrender is not part of a Marine's vocabulary. Gunner's Glory contains true stories of these and other tough battles in the Pacific, in Korea, and in Vietnam, recounted by the machine gunners who fought them. Bloody, wounded, sometimes barely alive, they stayed with their guns, delivering a stream of firepower that often turned defeat into victory—and always made them the enemy's first target.

The Devil's Angels MC Book 1 - Gunner

Ava: Left to die as an infant, Ava Beaumont has not had an easy life. Being raised by the system has taught her to be independent, hardworking and cautious. When Ava becomes a victim she uses her inner strength to put it behind her and move forward. Now she lives a good life with the family she has created through adopting pets that were also throwaways, including a smart mouthed parrot and a skateboarding pig. When Ava meets Gunner she realizes what her life is lacking but does she have the courage to trust a big, rough biker enough to let him into her safe little life? Gunner: Being the President of the Devil's Angels MC was not something Gunner asked to become but through the loss of his dad the job was thrust upon him. While he loves his club and club brothers wholeheartedly, Gunner wants his club to move in a better direction. And when Gunner spots bakery owner Ava, he realizes that's not the only change he wants to make in his life. Nothing worth having is easy to acquire. This is an MC story with a heart. Come meet the crazy pets and even crazier club members of the Devil's Angels MC.

Gunner

I'll screw any woman I want, even the enemy. As a sniper in the military, I shot on sight. But now the only thing I have eyes for is Brooklyn, the new bartender at PJ's. Her curvy hips, those pouty lips, I want to touch every inch of her skin. I'll bend her over my bike and show her how a Bad Disciple really rides. But Brooklyn is hiding something. A secret that could rip us and the club apart. I killed her brother overseas. And now it haunts me in our streets. I'll convince Brooklyn to stay with me. I never miss a target, and this time the bullseye is her heart.

Fathom Five

Sixteen-year-old Chas McGill is convinced that a German spy lurks in wartime Garmouth and, what's more, he's determined to prove it. But what starts as a bet with his friend Cem goes far beyond a game. And Chas's growing obsession with the spy leads him to a life-changing decision.

British Army on the Rampage (B.A.O.R.)

It's the autobiographical novels that tell it how it was – warts and all. This is what the British Army really got up to in Belize! British Army on the Rampage is a down-to-earth, witty account of a humble British soldier on his tour of duty in the Caribbean country of Belize in 1982. It is the first military account of this operational tour, detailing how the task was carried out by an individual and a 'team of lunatics', under difficult and sometimes stressful conditions. It takes more than training, education, teamwork and leadership to make it through a squaddie's working day. B.A.O.R. proves that sometimes, it is only with sheer determination, camaraderie and a sense of belonging to the 'military family' that pulls soldiers through the difficult times they often face. The book is filled with humorous anecdotes, including the accidental destruction of the warden's new hut with a grenade launcher, the export of frozen tarantulas, windsurfing with bull-sharks, biting the heads off chickens, insulting the memory of Bob Marley, causing a riot, breaking a toe on a frog and the near-death experience of a dislocated finger... Along with the author's account of this operation, B.A.O.R. also includes an analysis of the balance between patriotism, professionalism and sheer lunacy. Humorous and honest, it will appeal to serving, ex-services and veteran armed forces personnel, and those who enjoy military history and are interested in the British Army.

Gunners of the White Cliffs

Offers recollections of life as a gunner in World War Two that sees our hero into battle in North Africa - eventually.

'Rommel?' 'Gunner Who?'

FROM AMAZON BEST-SELLING AUTHOR DAPHNE LOVELING: HAWK I lost everything years ago. My brother. My family. Everything that ever meant anything to me. Now the Lords of Carnage are my

life. Anything I need, the club provides. Anything else is unimportant. At least, that's what I tell myself until I meet Samantha Jennings. She stirs something inside me I haven't felt for years. Back when I had hope. Back when I thought life would give you what you asked for if you wanted it bad enough. Wanting is dangerous. I've learned that lesson. But when I look in those deep brown eyes, I want Samantha. I want to possess every inch of her body -- to hear her call my name when she loses herself in pleasure. If I was smart, I'd push her the hell away. Do anything to make her hate me. But I know I won't. I'll never stop until I have her. Even if it destroys us both. SAMANTHA I first saw Hawk McCullough from behind the safety of a camera lens. I try to be invisible when I'm working to capture a moment in a photo. But the way Hawk's eyes locked onto mine, like the lens wasn't even there -- I was exposed. They burned into me. Possessing me. Claiming me as his. I can tell from the look in his eyes he's damaged. Ruthless. A predator. I should run far away from him. But I know it's too late. I'm already his prey. HAWK is a scorching-hot, completely stand-alone romance. It's also the second book in the new Lords of Carnage MC series. HAWK has NO cheating, no cliffhanger, and a guaranteed HEA!

Hawk

Believing his parents to be killed by the bomb which destroyed his home, twelve-year-old Harry sets off on a journey of survival.

Kingdom by the Sea - Essential Modern Classics

For readers of Alice Munro, Elizabeth Strout, and Claire Lombardo, *Chorus* shepherds seven siblings through two life-altering events—their mother's untimely death, and a shocking teenage pregnancy—that ultimately follow them through their lives as individuals and as a family. The seven Shaw siblings have long been haunted by two early and profoundly consequential events. Told in turns from the early twentieth century through the 1950s, each sibling relays their own version of the memories that surround both their mother's mysterious death and the circumstances of one sister's scandalous teenage pregnancy. As they move into adulthood, the siblings assume new roles: caretaker to their aging father, addict, enabler, academic, decorated veteran, widow, and mothers and fathers to the next generation. Entangled in a family knot, the Shaw siblings face divorce, drama, and death while haunted by a mother who was never truly there. Through this lens, they all seek not only to understand how her death shaped their family, but also to illuminate the insoluble nature of the many familial experiences we all encounter—the concept of home, the tenacity that is a family's love, and the unexpected ways through which healing can occur. *Chorus* is a hopeful story of family, of loss and recovery, of complicated relationships forged between brothers and sisters as they move through life together, and of the unlikely forces that first drive them away and then ultimately back home.

Arsenal FC Minute by Minute takes you on a fantastic journey through the Gunners' matchday history. Relive all the breathtaking goals, heroic penalty saves, sending offs and other memorable moments in this unique by-the-clock guide. From Arsenal's early beginnings to the days of domestic dominance, the book covers everything from the great Herbert Chapman era to the Tom Whittaker glory years, Bertie

Mee's exciting side of the late 1960s and early 1970s, George Graham's Gunners teams and Arsene Wenger's 'Invincibles'. Revisit Arsenal's most spectacular modern feats and learn things you didn't know about the club's glorious past. From goals scored in the opening seconds to those last-gasp extra-time winners that have thrilled generations of fans at Highbury, The Emirates and around the world, Arsenal FC Minute by Minute is packed with memorable moments. With goals from Thierry Henry, Ian Wright, Cliff Bastin, Charlie George and hundreds of others - the book is filled with thrilling memories from kick-off through to the final whistle.

They Hosed Them Out

After an air raid, a group of English children find a German machine gun and hide it from adults who are looking for it.

Arsenal FC Minute by Minute

Lurps is the revised edition of the memoir of a juvenile delinquent who drops out of ninth grade to chase his dream of military service. After volunteering for Vietnam, he joins the elite U.S. Army LRRP/Rangers—small, heavily armed long-range reconnaissance teams that patrol deep in enemy-held territory. It is 1968, and the Lurps find themselves in some of the war's hairiest campaigns and battles, including Tet, Khe Sanh, and A Shau. Readers witness all the horrors, humor, adrenaline, and unexpected beauty through the eyes of a green young warrior. Gone are the heroic clichés and bravado as compelling narrative and realistic dialogue sweep the reader along with a powerful sense that this is actually happening. This poignant coming-of-age story explores the social background that shaped the protagonist's thinking, his uncertain quest for redemption through increased responsibility, the brotherhood of comrades in arms, women and sexual awakening, and the baffling randomness of who lives and who dies.

The Machine Gunners

If you enjoyed the first volume of the definitive quiz book on Arsenal Football Club, this all-new sequel is for you. Packed with over 300 carefully researched questions, it will test the breadth and depth of your Gunners knowledge – from the familiar to the formidable. Go on another exhilarating spin through the 130-year history of one of the world's greatest football clubs, taking in the results and records, triumphs and trophies, superstars and substitutes, headlines and footnotes, artists and artisans, goal-scoring legends and defensive stalwarts who've helped create Arsenal's rich footballing legacy. Whether you stood on Highbury's North Bank or became a Gooner during the Wenger/ Emirates era, this book of tantalising teasers provides an engrossing diversion on every excursion to an Arsenal away game with fellow Gunners fans.

Lurps

When Andrew's family moves house, he strikes up an unexpected friendship with his neighbour Victor. There isn't a thing Victor doesn't know about the RAF planes flying overhead and the two boys are soon busy tracking their movements. Then Andrew discovers that Victor's beloved Lightnings are due to be scrapped... Thunder and Lightnings won the Carnegie Medal in 1976.

Never Mind the Gunners 2

Award-winning author Lorrie Moore has been writing criticism for over thirty years - and her forensically intelligent, witty and engaging essays are collected here for the first time. Whether writing on Titanic, Margaret Atwood or The Wire, her pieces always offer surprising insights into contemporary culture. 'Exhilarating . . . I was struck not only by Moore's intelligence and wit, and by the syntactical and verbal satisfactions of her prose, but by the fundamental generosity of her critical spirit.' Guardian 'One of America's most brilliant writers . . . This book is a delight.' Stylist 'Intimate and approachable . . . See What Can Be Done flooded my veins with pleasure.' New York Times 'An incisive, wide-ranging and enjoyable collection . . . Marvellously nuanced.' Observer 'Impressive . . . so witty and well-mannered . . . Has something wise or funny on almost every page.' Financial Times 'The entire book is filled with the sharp, off-the-wall, completely brilliant observations that Moore is famous for.' The Pool

Thunder And Lightnings

In 1914 there were only two machine guns supporting a British infantry battalion of 800 men, and in the light of the effectiveness of German and French machine guns the Machine Gun Corps was formed in October 1915. This remarkable book, compiled and edited by C E Crutchley, is a collection of the personal accounts of officers and men who served in the front lines with their machine guns in one of the most ghastly wars, spread over three continents. The strength of the book lies in the fact that these are the actual words of the soldiers themselves, complete with characteristic modes of expression and oddities of emphasis and spelling. All theatres of war are covered from the defence of the Suez Canal, Gallipoli and Mesopotamia in the east to France and Flanders, the German offensive of March 1918 and the final act on the Western Front that brought the war to an end. October 2006 is the 90th anniversary of the formation of the Machine Gun Corps.

See What Can Be Done

Stephen E. Ambrose, acclaimed author of *Band of Brothers* and *Undaunted Courage*, carries us along in the crowded and dangerous B-24s as their crews fought to destroy the German war machine during World War II. The young men who flew the B-24s over Germany in World War II fought against horrific odds, and, in *The Wild Blue*, Ambrose recounts their extraordinary heroism, skill, daring, and comradeship with vivid detail and affection. Ambrose describes how the Army Air Forces recruited, trained, and selected the elite few who would undertake the most demanding and dangerous jobs in the war. These are the boys—turned pilots, bombardiers, navigators, and gunners of the B-24s—who suffered over fifty percent casualties. With his remarkable gift for bringing alive the action and tension of combat, Ambrose carries us along in the crowded, uncomfortable, and dangerous B-24s as their crews fought to the death through thick black smoke and deadly flak to reach their targets and destroy the German war machine. Twenty-two-year-old George McGovern, who was to become a United States senator and a presidential candidate, flew thirty-five combat missions (all the Army would allow) and won the Distinguished Flying Cross. We meet him and his mates, his co-pilot killed in action, and crews of other planes. Many went down in flames. As *Band of Brothers* and *Citizen Soldiers* portrayed the bravery and ultimate victory of the American soldiers from Normandy on to Germany, *The Wild Blue* illustrates the enormous contribution that these young men of the Army Air Forces made to the Allied victory.

Machine Gunner, 1914–18

The third book in the *Lightbringer* series, the blockbuster fantasy epic from international bestseller Brent Weeks. As the old gods awaken and satrapies splinter, the Chromeria races to find the only man who might still end a civil war before it engulfs the known world. But Gavin Guile has been captured by an old enemy and enslaved on a pirate galley. Worse still, Gavin has lost more than his powers as Prism - he can't use magic at all. Without the protection of his father, Kip Guile will face a master of shadows as his grandfather moves to choose a new Prism and put himself in power. With Teia and Karris, Kip will have to use all his wits to survive a secret war between noble houses, religious factions, rebels and an ascendant order of hidden assassins called The Broken Eye. Weeks has a style of immediacy and detail that pulls the reader relentlessly into the story. He doesn't allow you to look away' Robin Hobb 'Weeks writes in an inescapably engaging style' Andrea Stewart 'Weeks is a giant of the genre' Nicholas Eames 'Brent Weeks is so good it's beginning to tick me off' Peter V. Brett 'I was mesmerised from start to finish. Unforgettable characters, a plot that kept me guessing, non-stop action and the kind of in-depth storytelling that makes me admire a writers' work' Terry Brooks 'Weeks has truly cemented his place among the great epic fantasy writers of our time' British Fantasy Society Books by Brent Weeks *Lightbringer* *The Black Prism* *The Blinding Knife* *The Broken Eye* *The Blood Mirror* *The Burning White* *Night Angel* *The Way of Shadows* *Shadow's Edge* *Beyond the Shadows* *The Kylar Chronicles* *Night Angel* *Nemesis* *Perfect Shadow: A Night Angel Novella* *The Way of Shadows: The Graphic Novel*

The Wild Blue

Eight stories of the supernatural.

The Broken Eye

The fifteenth book to feature the classic crime-solving detective, Chief Inspector Wexford. The thirteenth of May is famously the unluckiest day of the year. Sergeant Caleb Martin of Kingsmarkham CID had no idea just how terminally unlucky it would prove, as he embarked upon his last day on earth... Ten months later, Wexford is confronted with a murder scene of horrific brutality. At first the bloodbath at

Tancred House looks like the desperate work of a burglar panicked into murder. The sole survivor of the massacre, seventeen-year-old Daisy Flory, remembers the events imperfectly, and her confused account of the fatal night seems to confirm this theory. But more and more, Chief Inspector Wexford is convinced that the crime lies closer to home, and that it has sinister links to the murder of Sergeant Martin...

The Haunting of Chas McGill and Other Stories

The Royal Artillery played an absolutely vital, though often forgotten, part in the British armed forces successful operation to recapture the Falkland Islands in 1982. The actions of the artillery were recorded by one young officer in a journal which he kept before, during and after the conflict. Second Lieutenant Tom Martin was a Command Post Officer with 29 (Corunna) Field Battery RA which deployed to the South Atlantic in 1982 as part of the Task Force dispatched to retake the Falklands. With its six 105mm Light Guns making the journey on the MV Europic Ferry, the Battery sailed south on the MV Norland with 2 PARA, joining 3 Commando Brigade for the landings. The five gun batteries of the Royal Artillery, totaling thirty light field guns, fired a tremendous number of shells on the Argentine forces. For its part, 29 (Corunna) Field Battery fired the first Fire Mission of the conflict and continued to do so until the Argentinian surrender in the most testing environment and against the odds. Whilst in the South Atlantic, Martin sought to detail and record the action on the Battery's gun position. Supported by the recollections of some of those he served alongside, Martin's notes and diary entries form the basis of this book; a vivid, blow-by-blow account which provides a comprehensive picture of the Royal Artillery and its pivotal role in the Falklands War.

Kissing The Gunner's Daughter

Guaranteed to thrill and chill, this spine-tingling collection of 22 spooky stories includes contributions by Franz Kafka, Charles Dickens, Guy de Maupassant, and many other well-known writers.

Falklands Gunner

Sloane has everything she thought she ever wanted- a great career, a great apartment, great clothes, a life she had worked hard for. Until one night, one chance encounter, one decision that changed everything. With no options left, she enlists the help of Quinton Baird & Associates, who promptly inform her that she has to leave it all - the career, the apartment, the life she had worked so hard to build for herself - behind. If all that wasn't enough, her entire future - and life in general - was in the hands of a man whose coworkers called 'The Ghost.' Because that was what he did; he ghosted people, hid them, gave them new lives, made them impossible to find. With no other choice, she agrees to his terms, climbs in a car with him, and travels almost clear across the country toward her new life. But the long hours on the road - and even longer hours in cabins and hotel rooms - together start to show her things. Like how unhappy she had actually been, how hollow her life was, how much she had denied herself in the name of superficial success. And maybe, just maybe, how much she was starting to see how wrong first impressions can be, and how much a person can begin to mean to you when you decided to let them in...

Spinetingers

Raised and trained in seclusion at a secret fortress on the edge of the northern wilds of the Kingdom of Ashai, a young warrior called Rezkin is unexpectedly thrust into the outworld when a terrible battle destroys all that he knows. With no understanding of his life's purpose and armed with masterful weapons mysteriously bestowed upon him by a dead king, Rezkin must travel across Ashai to find the one man who may hold the clues to his very existence. Determined to adhere to his last orders, Rezkin extends his protection to an unlikely assortment of individuals he meets along the way, often leading to humorous and poignant incidents. As if pursuing an elite warrior across a kingdom, figuring out who he is and why everyone he knows is dead, and attempting to find these so-called friends and protect them is not enough, strange things are happening in the kingdom. New dangers begin to arise that threaten not only Rezkin and his friends, but possibly everyone in Ashai.

The Ghost

A combat memoir by a British Royal Artillery soldier recounting the fight against Rommel's panzers, conveyed with wit and vivid detail. This is a vivid and perceptive insight into the horrors of war as

experienced by British soldiers of the Royal Artillery in the Desert War in 1941 and 1942. The author, who fought in the campaign, brings to life the true nature of the fighting as British gunners struggled to defend their comrades from the armored power of the Axis forces under Erwin Rommel. Here, too, are some of the lighter sides of war and the friendships that were made in those days of adversity. Anti-Tank takes us from the fighting of 1941 and the to-and-fro of the Benghazi Stakes through to the final Battle of El Alamein in October/November 1942—and the beginning of Eighth Army's advance to victory.

Free the Darkness

In this autobiographical novel, "Ben 'Pop' Isaacs is a tail gunner in a B-24 flying out of Southern Italy near the end of the war."--Cover.

Anti-Tank

"A powerful YA novel about identity and prejudice." —Entertainment Weekly Bijan Majidi is: Shy around girls Really into comics Decent at basketball Bijan Majidi is not: A terrorist What happens when a kid who's flown under the radar for most of high school gets pulled off the bench to make the winning basket in a varsity playoff game? If his name is Bijan Majidi, life is suddenly high fives in the hallways and invitations to exclusive parties—along with an anonymous photo sent by a school cyberbully that makes Bijan look like a terrorist. The administration says they'll find and punish the culprit. Bijan wants to pretend it never happened. He's not ashamed of his Middle Eastern heritage; he just doesn't want to be a poster child for Islamophobia. Lots of classmates rally around Bijan. Others make it clear they don't want him or anybody who looks like him at their school. But it's not always easy to tell your enemies from your friends. Here to Stay is a painfully honest, funny, authentic story about growing up, speaking out, and fighting prejudice.

Face of a Hero

Here to Stay
