Revelation

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Revelation

A new and transforming approach to the Book of Revelation. Margaret Barker bases her study on a fresh reading of the primary sources. As an Old Testament scholar, she can read Revelation as Hebrew prophecy - ancient temple oracles which inspired Jesus and his own prophecies, and influenced the whole Jerusalem Church. Jerusalem was waiting for their Great High Priest to return and complete the Atonement at the end of the Tenth Jubilee. This expectation fuelled the revolt against Rome. Josephus, who deserted to Rome, was the false prophet. John, who escaped to Patmos, compiled Revelation as a record of the first generation. In the future, he taught, the Lord would return to his people in the Eucharist. This work illuminates the formative years of Christianity, in the social, religious and political situation of mid-first-century Palestine, in a quite remarkable way. It will have profound implications for the understanding of Christian origins and the development of Christian liturgy.

Revelation

One of the most fascinating, relevant, and often difficult-to-understand books in the Bible is the Revelation of Jesus Christ. It has been misinterpreted and misunderstood by many over the years, and in many instances, it has been placed in the category of allegory or mythology. Expounded in several venues over the last forty-plus years, this study has been a blessing to many and has presented this often puzzling book in such a manner that even the young Bible student can understand. It is written in a series of lectures that help to simplify yet exhaustively instruct the student in the meaning and the implication of this important book as it relates to the times in which we live. As we anxiously wait for our Lords soon return, this series of lectures will help us realize just how near to that coming event we actually are.

Revelation of Christ in Scripture Textbook

Not found on any map, the Valley of Decision is a place of indecision—a quagmire of noncommitment, stalling forward motion. It's the anxious middle place, whose occupants include the multitudes who are still not sure what exactly to do with Jesus Christ. Polarized by life and the ways of the world, they stand here unconvinced, at the end of times, when wickedness is great and the harvest is ripe. Yet perhaps knowing more about what tomorrow brings would help those still undecided make the clear choice to freely stand with God. The Revelation of Jesus Christ—Standing in the Valley of Decision explores the book of Revelation as the source of God's true prophecy for what our future holds. Authors David and Denise Hall offer verse-by-verse commentaries on Christ's revelation, omitting nothing and using the Bible to interpret itself with scriptural citations supporting every point. Believers are invited to take notes and engage in active Bible study as they learn how end-time prophecies are being fulfilled today. In what time is left, the choice is clear, personal, and simple: freely stand with God and have your sins washed away and your ransom paid, or face the eternal consequence of separation. Choose now and soon, because the time of His return draws near. The time to study Revelation is now, and The Revelation of Jesus Christ—Standing in the Valley of Decision will help all those seeking truth in the name of the Father, the Son, and the Holy Spirit.

Revelation

The book of revelation is the last of the sixty-six books of the Bible. As such, it is the concluding word of God and therefore occupies a special position. Whereas a blessing is attached to its reading, a curse is pronounced against anyone adding to its text—thus reflecting how very important is this book of God's word. The content of this present work, which will be two volumes in length, comprises the text of what were two separate series of messages on Revelation spoken by the author in, respectively, the year 2007 and back during the 1950s. After these many years, and inasmuch as we sense the return of the Lord Jesus to be increasingly imminent, we believe that there is a need to make these spoken words available in print in order that many more of God's people may receive the promised blessing. It is our prayer that all who shall read this book will receive God's blessing in their being better prepared for the imminent return to the earth of our blessed Lord Jesus Christ.

Christ in the Book of Revelation

Social injustice, social distancing and masks, the coronavirus pandemic, earthquakes, wars, and rumors of wars--is this really the end-times? When thinking about the book of Revelation, death and destruction, lawlessness and chaos seem to be the focus of most people. Humanity, especially Hollywood, seems to have an insatiable appetite for the sensational devastation and death that is predicted in this biblical prophecy. The problem with this is most media sources miss the main point for which these catastrophes occur; the call of God for His creation to reunite with Him. The book of Revelation is probably the most controversial book of the Bible! Which piece of literature throughout history has had more written about it, with such widely divided opinions and differing beliefs? Yet through all of the existing material, there is still widespread confusion and improbable comprehension regarding this prophecy. However controversial it may seem, Revelation is also one of the most important writings we have available concerning the Christian life today. It is a compulsory read for anyone serious about living their life for Jesus Christ. Revelation: The Full Disclosure of Jesus Christ takes the reader verse by verse through the entire twenty-two chapters of Revelation, giving accurate but easy-to-understand explanations. It is designed as a study guide for the children of God, at every level of understanding! The book of Revelation is both a continuation and ending of the story that began in the book of Genesis. So come, let us explore together the final chapter of the greatest story ever told!

Revelation

From the Introduction by Merrill C. Tenney: This commentary is an attempt to make plain the meaning of Revelation. With commendable reserve, Dr. Smith has restricted himself largely to interpretation

by other passages of Scripture which are related to Revelation by actual quotation or by striking parallelism. His painstaking studies of vocabulary and of related ideas make the book valuable to the earnest student of the Bible. Dr. Smith is a futurist and a premillenarian, holding that all of the Book of Revelation beginning with the fourth chapter relates to the future period of judgment known as 'the great tribulation,' which will be followed by the personal return of Christ and by the establishment of His kingdom. In this regard he is in a long line of renowned commentators, including Seiss, Gaebelein, Ottman, and others. The distinguishing feature of this commentary is its use of Biblical statistics and comparisons. The uses of important terms in the Revelation are cataloged, and their interpretation is derived from their context. The appendices contain some extensive studies of individual topics, correlating information not easily obtainable elsewhere. Dr. Smith follows a literal interpretation except where avowed symbolism demands a different procedure. He has sought to make his exposition consistent in method and in results. His use of Greek is apt, and shows a careful investigation of the underlying vocabulary of the Greek text. This commentary will probably be the mainstay of premillennial exposition for some years to come.

C. Freeman Sleeper offers a logical and nonthreatening way for readers to study the book of Revelation. First, he introduces the reader to the basic questions. Then he acquaints readers with matters such as imagery and symbolism, and their use in other texts from the same period. Finally, he deals with the difficult issues of interpretation and the implications of Revelation for Christians today. The Victorious Christ is the perfect guide for non-specialists in search of a reliable and interesting exploration of the book of Revelation. Study questions and exercises are provided to offer additional support.

The Revelation of Jesus Christ

There are over 2000 books written on the Revelation. However, in Robert Smith's 60 years of research on the book of the Revelation of Jesus Christ, he has felt that, by in large, most authors have missed the real theme by dwelling mostly upon the auxiliary matters instead of the main subject, which is the Lord Jesus Christ and His latter-day Revelation. So, for many years, he has tried to dig out all the appearances of Jesus in the text. Just as the Messiah of the Old Testament is hidden in symbolic and cryptic shadows. Jesus in the Revelation is mostly hidden behind the scene. You find Him in Heaven and appearing only in suggestion or behind symbolic metaphors. He seldom names Himself or points attention to Himself directly. It is for that reason that Jesus said, "Search the scriptures for they are they which speak of me" In Christ in the Revelation you will find that Christ is present in all of the scenes, directing the action, but He is seldom named. You are invited to follow through the text of this book as we look for Jesus Christ, for it is, after all, The Revelation of Jesus Christ.

The Revelation of Jesus Christ

Ray Pennington, a country preacher and pastor, spent many years studying the Word of God, spending many hours reading the writings of different authors of books about the Revelation of Jesus Christ. In 2005 God put a desire in Ray to simply read this great Revelation of Jesus Christ, the Son of God. It was during this year and in a very short period of time that God illuminated Ray's mind concerning this Great Revelation of Jesus Christ and he preached thirty-one sermons as the Holy Spirit inspired him. Through this experience of illumination given by the Holy Spirit Ray realized that we have been given a Teacher that is far above the commentaries of men. This book was not written as a commentary but God given illumination concerning The Revelation of Jesus Christ. Ray and his wife Dolly now reside in Staffordsville, Kentucky.

Revelation

A Commentary on the Book of Revelation - Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation. To understand this controversial book, the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel, Ezekiel, and others. It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible. The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1,000 slides.

A Revelation of Jesus Christ

The Book of Revelation is a work of profound theology. But its literary form makes it impenetrable to many modern readers and open to all kinds of misinterpretations. Richard Bauckham explains how the book's imagery conveyed meaning in its original context and how the book's theology is inseparable from its literary structure and composition. Revelation is seen to offer not an esoteric and encoded forecast of historical events but rather a theocentric vision of the coming of God's universal kingdom, contextualised in the late first-century world dominated by Roman power and ideology. It calls on Christians to confront the political idolatries of the time and to participate in God's purpose of gathering all the nations into his kingdom. Once Revelation is properly grounded in its original context it is seen to transcend that context and speak to the contemporary church. This study concludes by highlighting Revelation's continuing relevance for today.

The Victorious Christ

Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair.

Christ in the Revelation

The principle upon which this verse-by-verse study of Revelation proceeds, is that the contents of the book are, in the main, yet future and that the fulfillment of the greater part of Revelation cannot take place as long as the Church remains here on earth. When the Lord JESUS comes in the Rapture, and the Church is caught up to meet Him in the air, then the events in Revelation from chapter four through chapter twenty-two will occur. The New Testament Church—CHRIST's body and His bride—is now in the process of being called out and will be completed when the Rapture occurs. This is known as the Church Age—or the Dispensation of Grace. During this dispensation, both Jews and Gentiles are being saved and they all become members of the same body (I Corinthians 12:12-13). The New Testament Church is not a subject of prophecy, but is a New Testament revelation (Matthew 16:16-17, Ephesians 3). Before our very eyes in this day, political and religious events are taking place which point to the end of this age of grace. But after the Rapture the seventieth week of Daniel's prophecy (Daniel 9:27) will bring about startling changes here on this earth. The entire political system will be rearranged under Satan's prime minister—the Beast of Revelation. A gigantic confederation of ten powers will rule. The old Roman Empire in all of its power and glory will appear under new conditions. It will be guided and controlled by the "Little Horn" of Daniel 7, known in the New Testament as the Beast. His partner in murder and crime is the Antichrist, who will be the religious dictator and the head of the world church which is now in the making. What the Beast does politically, the Antichrist will do religiously. The two will control all political and religious activity here on earth. Bear in mind that this takes place after the Rapture of the church (Revelation 3:10; I Thessalonians 5:9). Just before the King of Kings overthrows the Beast and the Man of Sin, everything that is vile religiously will head up under the leadership of the whore (the mystical Babylon). Mystical Babylon will be overthrown by the ten kings (Revelation 17:16) who at first were with her and upheld her in all of her vileness, but who later turn to destroy her. The ruin

of “the great whore” is lamented by the kings, the merchants, and the people outside the Roman Empire (Revelation 18:9-18). The final destruction and annihilation of the great whore will be by Almighty God Himself (Revelation 18:2, 21-24). This will take place shortly before the destruction of the Beast. The Beast will be destroyed by the Lord in person when He comes in mighty power (read Revelation 19). The destruction of mystical Babylon and the destruction of the Beast are separate events. The destruction of mystical Babylon precedes the destruction of the Beast. The events recorded in Revelation chapters four and following cannot take place as long as the Church is here on earth. Evil at the present is actively at work, and the mystery of iniquity is already working. But the mystery of iniquity is restrained, kept in check, by the Holy Spirit (II Thessalonians 2:6, 7). The presence of the New Testament Church and the presence of the HOLY GHOST restrain the development of the “mystery of iniquity!” The church of the Antichrist cannot be revealed and “the faith” cannot be totally annihilated from the visible Church until the church at Philadelphia (Revelation 3:7) is raptured to meet the Lord in the air, and until the Laodiceans are spued out and remain here on the earth. However, the principles are at work which are surely and rapidly undermining the moral foundations of the professing church and of society in general. The stage is set and the higher critics are doing all in their power to undermine the faith.

A Testimony of Jesus Christ - Volume 1

In the past seventy-five years, she have seen two major prophecies fulfilled. The modern nation of Israel was created by treaty signed May 14, 1948, fulfilling Isaiah's prophecy made about 2,600 years ago. Who has ever heard of such a strange thing? In one day the Nation Israel shall be born. In a moment as the pains begin the baby is born. (Isaiah 66:8) The European Union, or Daniel's New Roman Empire (Daniel 7:24–25) was born by treaty on November 1, 1993. You saw the feet and toes were partly iron and partly clay. This kingdom will be strong but brittle. The people will not remain united. (Daniel 2:42–43) We truly are living in the revelation of Jesus Christ.

The Theology of the Book of Revelation

What if Genesis through Revelation is just the beginning of knowing who God is? This book will guide you into a deeper understanding and intimacy with God as you study who He is as the resurrected King. You will have a better grasp of the book of Revelation and who Jesus is revealed in this powerful part of Scripture. The image we have of Jesus is one that affects the way we act as Christians and the

way we take the gospel to the world. That image has sometimes been reflected badly because we do not have a fully rounded image of the Jesus we love and worship. Indeed, some modern concepts of Jesus in the church would be difficult to worship. In Revelation 1, Jesus appears in a vision given to the apostle John. It is an awesome, majestic vision. The Bible, perhaps intentionally, doesn't give us much information about what Jesus looked like in human form. Yet here in John's apocalyptic book, God gives us an image that transcends the incarnation, an image of Jesus we can really focus on. In A Vision of Jesus, respected Bible teacher R.T. Kendall mines Revelation 1 to show readers: The unique promise of the Book of Revelation What Revelation teaches us about how to handle guilt, jealousy, and the unexpected Who God is and how Jesus is the fulfilment of the Old Testament pictures, as well as our great High Priest, the King, and more In these pages, Kendall guides readers toward a faith enriched by a more complete image of the Savior. Engaging and enlightening, this book will inspire Christians to renew their devotion to Jesus and share His transformative love with the world.

The Revelation of Jesus Christ

This tremendous exposition of the capstone of Scripture issues from years of teaching, dedicated study, and sound evangelical scholarship. The author defends the premillennial position, but at crucial points considers other views as well.

What Did Jesus Look Like?

The Book of Revelation. The Apocalypse. Words that often call to mind bizarre creatures, strange seals, dreadful plagues, and a slew of other mystifying symbols. Most of us approach this last book of the Bible with forebodings rather than hope. To us John's vision seems more like a nightmare. But the elderly apostle begins with a statement that doesn't seem to fit the rest of the book: "The revelation of Jesus Christ." Apparently he intends to unveil something tremendously important about Jesus. Something life-changing. Something we can't afford to miss. Larry Lichtenwalter explores a side of Revelation seldom portrayed: Christ's passionate love for humanity. This recurring theme subtly appears in the imagery and symbolism throughout John's vision. The slain Lamb. The divine protective sealing. The blood-bleached-white robes. The heart-wrenching prayer of the saints. Without Christ's love, these scenes and symbols would mean nothing. Ultimately John's vision reveals the extraordinary love of our Savior for His rebellious, undeserving children—and the incredible reasons we can love Him in return.

The Revelation of Jesus Christ, Explained Agreeably to the Analogy of Holy Scripture

The Revelation of Jesus Christ is an in depth study of the end times according to the book of Revelations in The Word of God.

The Revelation

JESUS IS the REVELATION Revelation 1:1 "The Revelation of Jesus Christ" (not the revelation of the antichrist.) Religion is satan's method of destruction! He knows, but will always twist the Word of God with lies, tradition and religion. God's Word is Truth. Too often we listen to the Gatekeepers and adopt their belief systems! Lies have taught our children that explosions create, rather than destroy! The enemy wants death to look good and wants us to choose him, over God. You cannot separate God's Spirit from His Word! Black cats, 666, and the #13 are man-made fears! The King James Bible is God's perfect, inspired, and preserved words. If He can preserve His Words for over 1500 years, then why couldn't He have done it perfectly! God used the hands of over 40 authors and placed Himself within the volume of His literal (God breathed) Hebrew letters. Hosea 4:6 says, "My people are destroyed for lack of knowledge." We will explore scripture, charts and Hebrew messages. Let's look for (Jesus) Christ rather than "antichrist." Jesus is on every single page! Let's take an exciting journey that will open our eyes in an exciting new way! John G. Revelation of Jesus Christ

This book is about the Lord Jesus Christ and who He really is. When we read the Bible, we should remember the principle: "The last revelation carries the greater weight." The final revelation of the Lord Jesus Christ to the last living of His disciples, the apostle John, a short time before the apostle John was also to expire, was a final word to His beloved disciple, containing the most important things for the life of the Christian church. And since the last revelation carries the greater weight, we should embrace these last messages of the Lord with great care and believe these words, even if they would upset well-established doctrines in the churches. Only the Lord Jesus Christ is worthy to be praised, and He is the only one who deserves the attention of this book.

Exposition of the Revelation of Jesus Christ

Volume 2 is a continuation of our study on the Book of Revelation as pertained to who we are today in Christ Jesus. It was never meant to be a book full of tormenting fear that would cause us to want to leave this world, but through the mind of Christ, we have access to our heavenly inheritance to live in our Christ identity today. The Bible is a book written by God and the formation of His family. When we believe and understand the revelation of Christ already in us, we are shaped into His image so that when others see us, they see their Heavenly Father. When Jesus said "It is finished," was he just making a way for personal salvation with God, or was there a bigger picture? Have death and the judgment seat been appeased, or is there something more that we are required to do? John 14:12 says, "Verily, verily, I say unto you, he that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father." For over two thousand years, the body of Christ has been like kings and lords hiding in a cave, waiting for a someday when they get to heaven to receive their inheritance as a son of God. When Jesus died, he gave us the ram's horn to declare that our jubilee is here now for us to receive. This book continues with the Holy Spirit's instructions for our spiritual process that must take place individually and then corporately in each child of God to walk in the authority and power as His son. What He created in spirit must come forth in the flesh with His image and likeness. We must know in our heart that we are an offspring; a portion of the original.

Living in the Revelation of Jesus Christ

A startling exploration of the history of the most controversial book of the Bible, by the bestselling author of *Beyond Belief*. Through the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: The Book of Revelation, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns The Book of Revelation to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as "the Jewish War," in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as "Christians" seized on John's text as a weapon against heresy and infidels of all kinds-Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, Revelations explores how often those in power throughout history have sought to force "God's enemies" to submit or be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text.
