The Story of Lightning and Thunder

The story of how Lightning, a mischievous young ram, and Thunder, his sheep mother, are banished to the sky is told in this "delightful Nigerian folktale. . . . Written to be read aloud, with bits of rhyme and unexpected wordplay. Bryan's uniquely vibrant, swirling, light-filled paintings (enliven) every page".--"Kirkus Reviews\

The Story of Lightning & Thunder

In this retelling of a West African tale, Ma Sheep Thunder and her impetuous son Ram Lightning are forced to leave their home on Earth because of the trouble Ram causes.

Thunder and Lightning

Wobble, a penguin, is frightened by a thunderstorm so his friend Widget, an elf, tells of the story of Thunder and Lightning, who grew up together but now only get to visit and play with each other now and then.

Story of Lightning & Thunder

In this retelling of a West African tale, Ma Sheep Thunder and her impetuous son Ram Lightning are forced to leave their home on Earth because of the trouble Ram causes.

How Thunder and Lightning Came to be

Two very large and silly birds accidentally create thunder and lightning as a way to warn the Choctaw people of coming rainstorms.

Rumble and Bolt

Rumble, a lonely thunder cloud, is looking for a friend when he spots Lightning Bolt. On board pages.

The Legend of Lightning & Thunder

In this tale of guilt and consequence, the actions of two children lead them to flee punishment by escaping to the sky as thunder and lightning.

Thunder and Lightning

'21st-century genius' Elle A howling wind, a thunderstorm, the beating sun – it's with the elements that nature shows its true force and wonder. In *Thunder and Lightning*, Guggenheim fellow and Pulitzer nominee Lauren Redniss draws a new account of the weather. She has travelled from the frozen archipelagos of the Arctic Ocean to the 'absolute desert' of Atacama, Chile, to show us the elements at their most extreme. Along the way, through interviews and research, she has unearthed curious stories of exploration, savagery and coincidence – stories which show us how weather has shaped humanity, intervened in the course of history, and how mankind, in turn, has tried to bend the weather to its ends. A book of exquisite beauty, with each illustration etched and coloured by hand, *Thunder and Lightning* informs, charms and transports. A combination of art and cultural history, from an uncategorisable and unique creative spirit, it will leave readers looking at the wind, the sun and the rain with new eyes.

Thunder And Lightnings

When Andrew's family moves house, he strikes up an unexpected friendship with his neighbour Victor. There isn't a thing Victor doesn't know about the RAF planes flying overhead and the two boys are soon busy tracking their movements. Then Andrew discovers that Victor's beloved Lightnings are due to be scrapped... *Thunder and Lightnings* won the Carnegie Medal in 1976.

Franklin and the Thunderstorm

When his animal friends offer amusing explanations for thunder and lightning, Franklin overcomes his fear of such storms.

Thunder and Lightning

Simple text and photographs describe two features of storms, thunder and lightning.

Thunder and Lightning: They'Re Not so Frightening

Children often feel anxious during a thunderstorm because they are very sensitive to loud noises and because they don't understand what is happening. This book was written to help comfort children during a storm. It is a story about William, a boy who begins to feel worried as he sees a storm approaching. When the storm gets close, he gets very scared and ducks under the covers. William is comforted by his father, who sits with him and provides a simple explanation of thunder and lightning. This helps William feel safe and secure, and he is then able to fall asleep.

A Spring Thunderstorm

Explains thunderstorms, thunder, lightning, how they are formed, and how thunderstorms can end with the formation of a rainbow. Emphasizes the importance of seeking shelter during thunderstorms because lightning injures many people each year who don't take safety steps to protect themselves from storms. Includes projects that demonstrate how raindrops form through condensation and how clouds produce rain.

Thunder and Lightning

What happens when you bring to life a huge acoustic sound wave and a gigantic spark of static electricity? You get *Thunder and Lightning*! Now imagine what would happen if these two fictional characters get into a big fight on a dim dark Saturday night! Follow their battle to see how they

whimsically banter back and forth as the clouds and the stars cheer them on. Find out, "Who Won The Fight? Who Won The Fight? Who Knocked Who, Out Of Sight?"

Why Does It Thunder and Lightning?

Explains in simple terms the reasons for thunder and lightning.

Hiding from Lightning

Audisee® eBooks with Audio combine professional narration and sentence highlighting to engage reluctant readers! An older sister encourages her younger brother, Carlos, to watch a fascinating lightning storm. Pair this illustrated fiction story with its companion nonfiction book, When Lightning Strikes.

Story of Lightning and Thunder

In this retelling of a West African tale, Ma Sheep Thunder and her impetuous son Ram Lightning are forced to leave their home on Earth because of the trouble Ram causes.

Thunder Cake

A loud clap of thunder booms, and rattles the windows of Grandma's old farmhouse. "This is Thunder Cake baking weather," calls Grandma, as she and her granddaughter hurry to gather the ingredients around the farm. A real Thunder Cake must reach the oven before the storm arrives. But the list of ingredients is long and not easy to find . . . and the storm is coming closer all the time! Reaching once again into her rich childhood experience, Patricia Polacco tells the memorable story of how her grandma--her Babushka--helped her overcome her fear of thunder when she was a little girl. Ms. Polacco's vivid memories of her grandmother's endearing answer to a child's fear, accompanied by her bright folk-art illustrations, turn a frightening thunderstorm into an adventure and ultimately . . . a celebration! Whether the first clap of thunder finds you buried under the bedcovers or happily anticipating the coming storm, Thunder Cake is a story that will bring new meaning and possibility to the excitement of a thunderstorm.

Lightning! and Thunderstorms

Provides information and safety tips relating to lightning and thunderstorms.

Thunder Rose

Thunder Rose vows to grow up to be more than just big and strong, thank you very kindly--and boy, does she ever But when a whirling storm on a riotous rampage threatens, has Rose finally met her match?

The Adventures of Thunder and Lightning

One stormy summer night, a cow named Thorn is ready to have a new calf. The farmer and his wife are very nervous. What if the cow gives birth during the thunderstorm? Late that night, unable to sleep, they grab their raincoats, an umbrella, and a flashlight and head out to the field to see if Thorn is okay. Once they make it out to the dark and rainy field, they get a very big surprise. Thorn has had not one but two calves one with a white slash on its forehead and the other with a fluffy white patch. Then and there, they decide to call the calves Thunder and Lightning. But what sort of mischief will these twin calves find as they grow up? This childrens story tells the tale of the birth of twin calves named Thunder and Lightning on a dark and stormy summer night.

Thunderstorm

A new edition of the story that depicts a storm as it moves through a Midwestern farming region over the course of several hours is presented as one continuous illustration in concertina format.

Why Does it Thunder and Lightning?

Explains what causes lightning and thunder during a thunderstorm.

South-African Folk-Tales

This collection of folktales from South Africa has been put together the author says, not for scholarship but for a love of the sunny country where he was born. Some stories originate from Dutch sources, and some have several versions. Most are tales told by the bushmen.

Thunder and Lightning

Are you scared of a big storm? Or do you find thunder and lightning exciting? These two natural phenomena were the subject of stories for many ancient cultures, but today scientists know how they happen! In this book, readers learn too, including whether thunder or lightning comes first, which storms have the boom and flash, and the effect of climate change on thunderstorms. Fact boxes add relevant examples and key vocabulary terms, and diagrams and full-color photographs correlate to the achievable text for better reader comprehension.

Red Thunder

"The heart-pounding space race is on . . . in this riveting SF thriller" from the Hugo and Nebula Award-winning author of *Red Lightning* and *Rolling Thunder* (Publishers Weekly, starred review). As Chinese and US spacecraft compete to be the first to land on Mars, a former astronaut, his cousin, and four teens from Florida decide to take matters into their own hands. If they can quickly build their own space-worthy ship using scrap metal, appliances, and power tools, they have a chance to come from behind—thanks to an inventive new power source that can propel them to the Red Planet within three days. No guts, no glory . . . "Varley's great strength is in his characterizations, but in *Red Thunder* he also shows a strong sense of place. . . . If you are willing to simply fantasize about fleeing your office cubicle and becoming a heroic space explorer, this novel will fulfill your wishes." —The Washington Post "Fast paced . . . Engaging characters." —Rocky Mountain News "Full of little gems of wit and intelligence." —Booklist "[A] fun-filled adventure. Varley matches a serious literary style with an outrageous plot, and he's one of the few writers in the field who could make it work." —Chronicle

A Party for Clouds

Boom! A crash of thunder follows a flash of lightning. Bel the Weather Girl and Dylan are having a slumber party, but now he's hiding under the covers! Bel tells Dylan that thunderstorms aren't so scary once you understand them. Will Dylan's fear of the storm rain on their sleepover? Stay tuned, because every day is another weather day!

Between the Lightning and the Thunder

The sequel to *Red Thunder* is "a cosmic coming-of-age novel . . . [with] enthralling everyday heroics" from a Hugo and Nebula Award-winning author (Paul Di Filippo, SciFi.com). It doesn't matter that Ray Garcia-Strickland's father was one of the first men on Mars. The now overdeveloped planet has lost its hip factor, its luxurious hotels—like the one Ray's father manages—overrun with gravity-dependent tourists from Earth. Ray is over the Red Planet. Soon he gets his own chance at interplanetary adventure, when an unknown object hits Earth and causes a massive tsunami. Ray heads back to Florida to help family and friends who've survived the devastation—and soon learns the so-called natural disaster could have unnatural consequences . . . "The book Robert A. Heinlein would have written if he lived in George Bush's America." —Cory Doctorow, Boing Boing "A highly satisfying sequel to *Red Thunder* . . . Much more than a simple adventure story, full of poignant moments and relevant social commentary." —Kirkus Reviews, starred review "Drawing unabashedly on current events from 9/11 to Hurricane Katrina, the author mixes space opera-esque adventure and merriment with uncensored images of disaster areas and teenage sex. At his Heinlein-channeling best, Varley preaches the gospel of individual responsibility with all the fervor of a space-age libertarian revival preacher." —Publishers Weekly "John Varley blends past fiction, current events and future tech to create a story all his own, but with classic roots in at least a half dozen of Heinlein's juveniles." —SF Site

Red Lightning

Answers questions about Franklin's experiment, lightning rods, safety considerations, property damage, ball lightning, thunder, and thunderstorms

All about Lightning

ANGLICO: "Super Grunts" of 1st ANGLICO were deployed to all four tactical zones of Vietnam in small mobile fire control teams, providing support to U.S. Army and allied elements. This organization was the last tactical unit to stand down from the war and gained distinction as the only Marines in-country reporting directly to MACV. Working closely with Korean Marines, recounting several actions involving these legendary warriors from the Land of the Morning Calm, this little known but highly effective unit had an impact on the war far greater than their small numbers. Field radio operators and naval gunfire spotters composed the tactical membership of this unit. Both professions were cross trained in each competence, and each in turn was further qualified as tactical air controllers. An airborne capable platoon was established, mandating many ANGLICOs attend jump school and undertake other specialty training in the event they are called on to enter combat by unconventional means. Not being able to predict who they may be called on to support, training was pushed to the level of the most elite forces in the free world. BLUE DRAGONS: Most men of the Blue Dragon Brigade came of age during a war that raged fierce on their own homeland little more than a decade earlier. During a short lived occupation by North Korea, the people of the south endured extremely harsh treatment by would be conquerors. Events of recent history still burned in their hearts and haunted their dreams. They were mostly all children at the time leaving scarcely a man untouched by personal tragedy that could only be forged in a crucible of terror. Many were orphaned and all shared a thirst to settle a score that only those who drink deep from the same cup of dread can truly understand.

Lightning from the Sky, Thunder from the Sea

DigiCat Publishing presents to you this special edition of "Folk-Tales of the Khasis" by Mrs. Rafy. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Thunder and Lightning

This is the miracle filled love story. As outlandish as some of this is, it is true. I was told by Mayo Clinic that I had Turner Syndrome and could never have children. I finished high school at an Episcopal Girl's School in another state than where my parents lived. I then went to a girl's college in Saint Louis. I didn't think any man would want me. I tried to join the military but was turned down because of my ailment. I then tried to become a nun and was turned down for the same reason. I decided I was going to live out my life alone as an old maid. No, I didn't like other girls, I just had not and did not expect to ever find a husband. My parents did not approve of any boy they ever met. Then the first miracle happened when I was 26. We met during a thunderstorm. He was a young Air Force Captain. The first words out of his mouth were, "We both like thunderstorms, let's get married." I did not take him seriously, but he kept hanging around and I was attracted to him. I had girlfriends in the same apartment building that were single, the same age and prettier. Why was he pursuing me? I decided I might as well go along with him and see where it went. My parents liked him and pushed me to go after him. I agreed to marry him when it looked like the military might separate us. I could not stand to lose him after our year of dating. We had a series of miracles throughout our life. For the next 45 years I could not have been happier. Some of the things that happened during these years when we were married were beyond belief except they happened. Some are funny but special memories. Not intentionally, but in our first three days in Paris we got locked in the public park at night in front of the Louvre and had to go over the fence at the steps of the Louvre in front of French teenage lovers that had congregated there. The next night the last guard at the Louvre was locking the door when we got there. The next night we were temporarily locked on the upper balcony outside the Notre Dame Cathedral by the gargoyles for the night but were rescued by a janitor that came up to empty a trash can. When we returned to the states we were told it was impossible to adopt a newborn, but three months later we adopted a three week old blue eyed American boy paying only the investigation and court fees. A few years later, the miracle was repeated when we adopted a blue eyed girl baby. It seemed like God was watching out for me. We could dare to try anything knowing God would make it work. We could go where we wanted like to Yellowstone National Park without reservations and get a prime campsite or Grand Canyon in the summer without reservations. God provided. Then after 45 years I had an allergic reaction to some flowers and insisted on going to the hospital. Big mistake. The doctors did not believe it was an allergy attack and did everything wrong until after two weeks I gave it up. When I took my last breath lightning came out of nowhere with the thunder shaking the hospital as the hospital emergency generator was

destroyed. When I went to heaven I found ways to tell Al and my children that I was still with them. I sometimes appeared in dreams to pass on information from heaven. Sometimes, when they were awake I came to them as various birds acting in ways that they knew was me and not just common birds. When will a blue jay land on your picnic table and walk up to you? How about appearing as a cardinal at two different memorial services in two different states. At the end of this book, I will tell you what it is like to be in heaven and it is probably not what you think, but will make sense when you think about it.

Thunder and Lightning

Franklin is afraid of thunderstorms. When a storm approaches while he is playing at Fox's house, a flash of lightning sends Franklin into his shell. He refuses to come out -- even for snacks -- until his friends make him laugh with their tall tales about what causes storms. And when Beaver explains what really causes thunder and lightning, Franklin begins to feel much safer.

Folk-Tales of the Khasis

"Get the facts about the dangers and destruction of thunder and lightning storms in 12 in-depth chapters that include supercells, tracking storms, myths, and unusual events like thundersnow and fire clouds. Includes safety tips, statistics, sidebars, and critical thinking questions, plus editor-curated online resources for up-to-date information"--

It Is My Lightning & Thunder

From the bestselling author of *Beautiful Broken Things*, Sara Barnard's *A Quiet Kind of Thunder* is a stunning love story about the times when a whisper means more than a shout. Now with a bold cover look. She doesn't talk. He can't hear. They understand each other perfectly. Steffi has been a selective mute for most of her life – she's been silent for so long that she feels completely invisible. But Rhys, the new boy at school, sees her. He's deaf, and her knowledge of basic sign language means that she's assigned to look after him. To Rhys it doesn't matter that Steffi doesn't talk and, as they find ways to communicate, Steffi finds that she does have a voice, and that she's falling in love with the one person who makes her feel brave enough to use it. Love isn't always a lightning strike. Sometimes it's the rumbling roll of thunder . . .

Franklin and the Thunderstorm

Long ago, Thunder was a mother sheep and Lightning was her son. When Lightning became angry, he shot bolts of lightning from his horns. This made Thunder yell at him, which shook the ground. Because they caused so much trouble in the village, the king made Thunder and Lightning leave Earth. But where did they go?

Thunder and Lightning Storms

"Dray captures the genius and ingenuity of Franklin's scientific thinking and then does something even more fascinating: He shows how science shaped his diplomacy, politics, and Enlightenment philosophy." --Walter Isaacson, author of *Benjamin Franklin: An American Life* Today we think of Benjamin Franklin as a founder of American independence who also dabbled in science. But in Franklin's day, the era of Enlightenment, long before he was an eminent statesman, he was famous for his revolutionary scientific work. Pulitzer Prize finalist Philip Dray uses the evolution of Franklin's scientific curiosity and empirical thinking as a metaphor for America's struggle to establish its fundamental values. He recounts how Franklin unlocked one of the greatest natural mysteries of his day, the seemingly unknowable powers of lightning and electricity. Rich in historical detail and based on numerous primary sources, *Stealing God's Thunder* is a fascinating original look at one of our most beloved and complex founding fathers.

A Quiet Kind of Thunder

Our World 5 the Tale of Thunder and Lightening

Demeter and Persephone

The classical Greek myth of Demeter and her daughter Persephone as told in Homer's Hymn to Demeter has been used most often to explain the cycle of the seasons. However, a closer examination will reveal insights on living and dying, loss and reconciliation, and suffering and healing. This work demonstrates the continued importance and relevance of the myth of Demeter and Persephone to today's society. The first three chapters provide a summary of the Homeric story and examine the myth from the perspectives of the mother and daughter. The following chapters discuss the symbolism of critical objects, the role of female mentoring, the role of Hades and the meaning of the underworld, the subject of rape, and the masculinist perspective presented by Zeus and Helios, and derive lessons useful for healing and knowledge. The Hymn to Demeter as translated by Helene Foley is included as an appendix in order to provide a basis for the discussion in the text. Notes and a bibliography also follow the text.

Demeter and Persephone

Perform this ancient Greek myth about Persephone and her mother.

Demeter & Persephone

This graphic novel tells the story of Demeter, the Greek goddess of the harvest, and her daughter, Persephone. Demeter rules over a perpetual summer on earth, where crops, trees, and flowers grow in abundance. Persephone, young and beautiful, unknowingly attracts the attention of the lonely god of the Underworld, Hades. Hades kidnaps Persephone, and a frantic Demeter searches in vain for her daughter. Finally, Demeter retreats to her temple in mourning. The goddess's sorrow causes the crops to die and the ground to freeze. The first winter falls over Greece. As people begin to starve, the other Olympian gods and goddesses try to convince Demeter to accept a marriage between Persephone and Hades. But Demeter will not give up her daughter forever to the Underworld. Finally a compromise is struck: Persephone will stay with Hades for half a year (winter). When she comes back from the Underworld to spend half a year with her mother, spring returns to earth.

Demeter and Persephone

Retells the Greek myth of Demeter who rescues her daughter who has been kidnapped by Hades and taken to the Underworld.

Demeter and Persephone

MYTH & LEGEND TOLD AS FICTION. GRAPHIC NOVEL. Action packed ancient myths and legends are not only ideal for history, classical studies and reading for pleasure but these books will also enthrall the most reluctant reader. Demeter whose daughter Persephone has disappeared as she was kidnapped by Hades the God of the Underworld.

Demeter and Persephone

Persephone, beautiful young daughter of the harvest goddess Demeter, is kidnapped by Hades, the god of the underworld. Demeter is heartbroken, and even though the crops are dying, she cares for nothing but getting her daughter back.

The Myth of Persephone

Demeter grieves when her daughter Persephone is carried off by Hades to his underworld kingdom and punishes the world until an agreement is made to share the girl.

Demeter and Persephone; Homeric Hymn Number Two.

Unrest brews among gods and mortals alike when Hades makes a deal with the Fates to end his loneliness in the Underworld. But when Persephone proposes to conspire with him in a plot against Demeter, things get out of hand. Find out the truth of how Hades and Persephone met and fell in love and the impact it had on the rest of the pantheon in the throes of the Trojan War. Learn how their children--Hypnos, Thanatos, Megaera, Tisiphone, Alecto, and Melinoe--came into being. Discover why they were assigned their respective duties as Sleep, Death, the Furies, and the goddess of ghosts. Find out the real reason why the Olympians possessed such profound disdain for these Underworld gods. This prequel to The Underworld Saga is more than a retelling of the Persephone myth. Many more of

the ancient myths are woven together to reveal the conflict, tension, and relationships among the gods in one of the most beloved pantheons in human history. Persephone can be read before or after The Underworld Saga. *Formerly called The Gatekeeper's Bride Praise for Persephone "I love how Eva created the love story of Hades and Persephone. It's both beautiful and tragic in many ways."--Book Lover Reviews "This is such a beautifully and originally retold version of the legend of Persephone and Hades while still feeling true to the mythology. This is an emotional roller-coaster of a book; my heart just breaks for Persephone but I'm not going to say why... you'll just need to read it."--Tamara "Such fun heart warming stories. You really, really want things to work out for the them but well, life and death wait for no one."--Kathy Goodwin "Well written and fast paced! Really enjoyed it! Looking forward to reading the next ones!"--K.Giegkorov "Although this doesn't follow the exact timeline of the more traditional Greek mythologies, this is definitely a good read! I had the HARDEST time putting the book down and was even reading instead of working at times. By far one of my favorite younger targeted books that I've read in a long time. Easy read, detailed, and exciting to the very last page! Well done!!!"--Princess Julie "Excellent! Very easy to read. Liked the mythology mixed with a modern vibe."--Goodreads Reviewer Grab your copy to continue the exciting adventure today! Related authors: C. Persephone

The story of Demeter and Persephone was all about a mom's undying love for her daughter. This story also creates a "reason" for the change of seasons. Of course, in the ancient times, such a reason was acceptable due to the lack of scientific truths. Myths are powerful stories created out of the need to explain certain phenomena. Have a happy read!

Demeter's Search for Persephone - Mythology 4th Grade | Children's Greek & Roman Books

This is not the myth that has been passed down through the ages where the Greek God Hades abducts and rapes his niece Kore, the daughter of his sister, the Goddess Demeter; dragging her down to the Underworld to be his consort, thus changing her from the maiden Kore to Persephone, the Goddess of the Underworld. Persephone: Queen of the Dead tells the story of a young Goddess who falls in love and marries a God that she knows her mother does not approve of. It is the story of her life and what she had to sacrifice to be with the only man she loved. This story is told not only through the Goddess' own words, but also her mother, the Goddess Demeter's, for the lives of the two are entwined for eternity. The story begins with Kore as a young maiden, who happens to behold the God Hades as he emerges from the Underworld and falls instantly in love. Part 1 switches between Kore as she tells of her first love and her mother, Demeter as she expresses the betrayal of not only her daughter, but of the other gods as well. It is this betrayal that causes Demeter to withhold her Fertility from the world until most mortal life dies. A compromise is made and Kore, whose new name is Persephone, is forced to leave her husband for one-half of the year to be with her mother. During this time, Demeter allows the vegetation to once again sprout, but when Persephone returns to the Underworld the Goddess of Fertility once again withholds her gifts. Thus the seasons have been created. Continuing on the story explains the role Persephone assumes as Queen of the Dead, and tells several tales of mortals who risked everything by entering into the Underworld. Orpheus travels for weeks to beg the Goddess of Death to return his wife Eurydice to life; the Laph prince Pirithous, with the help of his companion Theseus, tries to kidnap Persephone and make her his bride, for their foolishness they are turned into statues; four years later when the hero Hercules enters the Underworld as one of his Twelve Labors he is able to free his cousin Theseus Other tales within the story include that of Psyche and Eros, followed by Adonis who was raised by Persephone, and finally the story of how the new God Dionysus was created. The last part explains how with the beginning of Christianity the Old Gods were demoted into demons and without the daily offerings they became accustomed to, they began to fade. Only the strongest of the gods survived during this period. With the beginning of the new century hope was returned as the Old Religions were beginning to be revived. Isadora Marie is a Wiccan living in the metro Chicago area with her life mate and their canine and feline companions. Isadora grew up studying the Greek myths

and as a child was fascinated with all the different Gods, Goddesses and heroes that populated them. When Isadora became a Wiccan it was these same Gods and Goddesses who became important not only in rituals, but in her life. She currently works in a history museum and her work around the artifacts of several different countries only increased her love for mythology. Though Isadora has worked with Gods and Goddess of several different cultures, it was those of Ancient Greece, from her childhood that she felt the closest connection to and after several decades of studying these myths she felt that it was time to tell a more modern version of one of her favorites, that of the Goddess Persephone. Since her background is in art and design, Isadora has been working on several projects to incorporate this element into her spirituality. A current project is developing a photographic Tarot deck, which included several of the Goddesses of Greece along with those of India and Egypt. All of her artistic projects are not only a work of love, but she hopes that they will inspire others to find the beauty in the old myths.

Persephone, Queen of the Dead

A retelling of the Greek myth in which Persephone returns from the underworld each year to bring spring to the earth.

The Story of Persephone

Hades, the god of the dead, falls in love with Persephone, the maiden of spring, and steals her from her mother Demeter to be his bride and queen of the underworld.

Demeter and Persephone, the Seasons of Time

"Read about the war between the Titans and the Olympians, Pandora's box, Demeter and Persephone, and six other myths"--Provided by publisher.

Gods and Goddesses in Greek Mythology Rock!

Persephone is a goddess without a title even though her relatives include the Lord of Light, Goddess of Wisdom, and the Queen of the Gods. She's only known as the daughter of her mother, something that leaves her feeling frustrated. She longs to escape Mount Olympus to discover who she truly is. Hades is the god of the Underworld, and when family obligations force him to attend a festival, he sees Persephone and knows what he's looking at: a vibrant young goddess aching to break free. So begins an unlikely and tentative friendship that allows Persephone to cultivate her curiosity and blossom as a goddess in her own right. The two escape to the Underworld together, infuriating Persephone's mother, the goddess Demeter. Crops die and mortals begin to starve as a consequence of Demeter's wrath, and Persephone has two choices: Take charge of her own life or abandon the person she has become by returning to Olympus. Passions swirl, violence erupts, and the fate of the world is at stake as gods and goddesses let loose in Olympian Confessions.

Olympian Confessions

Told in graphic novel format, Hades kidnaps the goddess Demeter's daughter, Persephone, and takes her to his kingdom, causing Demeter so much sorrow that a permanent winter falls over the land.

Demeter & Persephone

Goddess of springtime, or queen of the underworld-life or death? Empowering, high-interest narrative text tells the dual story of Persephone from Greek mythology. These core legends show Persephone's double personality as she splits her duties between her mother and the god of the dead. Fascinating myths also uncover Persephone's past, detailing her birth and how she fits into the family of deities. Further explore Persephone's role in Greek culture through her signature powers, symbols, and attire. Additional facts and historical information connect the goddess's influence through popular culture today.

Persephone

6 PACK, PART OF GRAPHIC MYTHS AND LEGENDS SET

Demeter and Persephone

Roberta Gellis has reimagined the Greek myth of Hades and Persephone, in all its colorful intensity. Persephone has been restless under her domineering mother, Demeter. When Hades kidnaps her to his Underworld and teaches her what “gift” she has, he is threatened by the other mages to return her to Demeter. But Demeter realizes that her grown daughter has a will of her own... 1st of the Myth trilogy by Roberta Gellis; originally published by Pinnacle

Dazzling Brightness

Retells the Greek myths in which Aphrodite, goddess of love and beauty, and Demeter, goddess of grain and agriculture, play major roles.

Two Queens of Heaven

The daughter of King Zeus of Olympus lived a small life. The least of his sons and daughters, hers was not the moon, or love, or battle...so low that she should have more rightly been numbered among his demigod children. Kore lingered at the edge of the feast hall, watching the great gods and goddesses revel. Too useless to sprout the grain with the nymphs, she followed her mother, Demeter, through the fields and made the flowers bloom, and she wasn't even too good at that. But what she liked best was when she was allowed to wander the woodlands and towns of the mortal world alone. It was there she found her destiny, one that would shake the world from the top of Olympus to the depths of Hades. Kore does not belong in the shadows, and she is not the Goddess of Flowers, spring or otherwise. But things never start out that way. It started, as many stories do, with a boy and a girl in a meadow. This is not the story passed down from Demeter's priests and priestesses. It is not the song sung for Demeter by her nymphs as her tears make the seasons turn. But it was never Demeter's story to tell at all. Grab your copy today to hear Persephone's side of the tale!

In the Shadow of Demeter

Demeter refuses to allow spring to appear until she has been reunited with her daughter Persephone, who has been abducted to the Underworld by Pluto.

Persephone and the Pomegranate

Demeter grieves when her daughter Persephone is carried off by Hades to his underworld kingdom and punishes the world until an agreement is made to share the girl.

Demeter and Persephone

Retells the Greek myth of Persephone, abducted by Hades and taken to the Underworld as his bride, and her mother, Demeter, whose grief over losing her daughter brings about the coming of the seasons.

Time for Flowers, Time for Snow

The story of Demeter and Persephone was all about a mom's undying love for her daughter. This story also creates a "reason" for the change of seasons. Of course, in the ancient times, such a reason was acceptable due to the lack of scientific truths. Myths are powerful stories created out of the need to explain certain phenomena. Have a happy rea

Demeter's Search for Persephone - Mythology 4th Grade | Children's Greek & Roman Books

According to myth, the Greek goddesses Persephone, Demeter, and Aphrodite faced difficult decisions about love and children. Now, three mortal women-Tess, Tiffany, and Tanya-face conflicts in the same vein. Each woman is on the threshold of great change, if only they have the strength to go it alone. Tess balances her time among her career, her children, and her husband, but she feels detached from her marriage. It would be easy to leave for her sake, but what about the children? Tiffany, on the other hand, seems to have the perfect marriage; she enjoys being a housewife and mother. Life is wonderful-until she realizes her husband has a secret. Tanya moved from Russia with her daughter, hoping to start a new life in Seattle with Jim, but he is not what he seems. Tanya must make her choice to stay or go, but nothing waits for her in Russia. Three women face life-altering decisions when they meet at their neighborhood clubhouse. Will their new friendships be a help or a hindrance?

Demeter and Persephone in Ancient Corinth

A side most often told is the side of one who is blamed for the worst. A story twisted to create the narrative of an evil, overbearing mother. But the truth is far more sinister. Being the Goddess of Harvest is no easy task, especially with a young Divine in tow. Demeter worked diligently at keeping her crops and harvest afloat while raising a rambunctious and curious child. Hoping Kore would soon follow in the solid path Demeter laid out for her, the goddess suddenly finds herself at the mercy of Zeus' order. Marry off Kore to Ares - no threats needed. Before the news could be presented to young Kore, Demeter wakes to find her child vanished in the night. Heartbroken, Demeter sets out in search of young Kore, but what finds her instead sets way to the terror that laid waste to mortal life. What really happened to Demeter after Kore's disappearance?

Demeter and Persephone

Demeter in the Gods and Goddesses of the Ancient World series explores the fascinating drama, love stories, and destruction in the myths surrounding the goddess of the harvest. Book includes history, myths, and a family tree. Written with a high interest level to appeal to a more mature audience and a lower level of complexity with clear visuals to help struggling readers along. Considerate text includes tons of fascinating information and wild facts that will hold the readers' interest, allowing for successful mastery and comprehension. A table of contents, glossary with simplified pronunciations, and index all enhance comprehension.

The Taking of Persephone Series

She was named Kore by her mother, Demeter, the goddess of the grain. She spends her days tending to her mother's gardens and trying to remember the lessons given to her by her cousin, Athena. At least her cousin can say she is the goddess of something when Kore can only say that she is Demeter's hidden daughter. That is until the day the earth opens to swallow her whole." -- Back cover

Demeter

We all know the myth of how Hades saw Persephone and just had to have her as his wife. In the myth, there is an abduction and other negative things that paint Hades in a horrible way. But, what if the truth of that myth was something beautiful and filled with love and longing and destiny? What if Demeter, Persephone's mother who was heartbroken at her daughter leaving her and enraged by the fact that she would be in the Underworld, spread lies about their story? This tale sheds a new light on what happened between Persephone and Hades, and it shows that there can be light in the darkest of places, and darkness in the sunlight.

Memories of Spring

A retelling of an ancient Greek myth about a young girl's struggle to outgrow the limitations placed upon her by her elders. Held up to others as the embodiment of all that is pure and innocent, Persephone finds herself craving the darkness. But she learns that the shadows feed on her light.

Persephone and Hades

L. E. STARDUST retells the legendary greek story with fresh eyes. Many people who know about the Greek Gods, know about the story of the kidnapping of the Spring Goddess by the King of the Underworld. However, was that what really happened? Who is the real Hades and what is the Underworld like? Was Persephone truly kidnapped as the mythology in history explains? The Secret Love of Hades and Persephone gives a different perspective on the ancient tale that many fans and worshippers of the Greek/Roman Pantheon had heard so much about. (This version of the book is a 5.5x 8.5 format with size 11 font.)

Persephone

"Meet Demeter, an exquisite statue of the Greek goddess, as she's being created during the Italian Renaissance. Those who admire her see only stone and fortitude, but her thoughts and desires are all too real; she pines for her lost daughter's return and for the love of her sculptor, Giuseppe. Giuseppe, however, is too busy lusting after the city's most popular artist's model to notice Demeter's pain. Fast forward five hundred years: Demeter stands in a present-day American city park. She has become a symbol of hope amidst illicit activity and a target for more than just pigeon droppings. Witness to human foibles both hilarious and horrible, Demeter is desperate for someone--anyone--to hear her thoughts. And when her life seems bleakest, redemption comes in the unlikeliest of forms"--P. [4] of cover.

The Secret Love of Hades and Persephone

The Persephone Theory By: Namir Thompson The Persephone Theory is one of the most interesting stories to read and by far one of the best books to mix comedy with horror and history. The Persephone Theory begins with the Greek myth coming to life as the goddess of harvest and fertility, Persephone, daughter of Zeus and Demeter, is taken by her uncle Hades to live in the underworld to become its queen, but is allowed to live amongst the humans possessing the one called Persephone. This Persephone is argnt to those who love and hate her, and make all who stand in her way pay with their own blood. Persephone, mad at existence, leaves her children behind to face their own demands and are granted everlasting life. The children of Persephone roam on Earth, daring any and everything to stop them or die trying. They leave the message that power is being abused, people are being used as puppets, and that life is an everlasting cycle of rebirth and vengeance.

Persephone, Or, Slow Time

We all know the myth of how Hades saw Persephone and just had to have her as his wife. In the myth, there is an abduction and other negative things that paint Hades in a horrible way. But, what if the truth of that myth was something beautiful and filled with love and longing and destiny? What if Demeter, Persephone's mother who was heartbroken at her daughter leaving her and enraged by the fact that she would be in the Underworld, spread lies about their story? This tale sheds a new light on what happened between Persephone and Hades, and it shows that there can be light in the darkest of places, and darkness in the sunlight.

The Persephone Theory

"Persephone" is a personal retelling of an ancient myth, with full-color illustrations by the author.

Persephone and Hades

No flowers. No plants. No sunshine. When Hades carries Persephone down to the Underworld, her mother curses the Earth and everything stops growing. It is winter all year round. Persephone must return to Earth - but how can Spring return where Winter reigns? Sally Pomme Clayton's dramatic storytelling and Virginia Lee's haunting illustrations transform one of the world's oldest myths into a classic picture-book.
