[#Judaism](#) [#Jewish faith](#) [#Jewish religion](#) [#Jewish traditions](#) [#history of Judaism](#)

Judaism is an ancient, monotheistic Jewish faith originating in the Middle East, considered one of the oldest Abrahamic religions. It encompasses the rich Jewish traditions, culture, and legal framework of the Jewish people, centered around a covenant with God and the study of the Torah. This foundational Jewish religion has a profound history of Judaism stretching back millennia, significantly influencing Western civilization.
