David asks Peter if they can have a 10 minute break after the movie commentary. They then have a closing session in which David responds to anything submitted.

In this section, the speaker discusses how to focus on God every second of the day. They recommend that we be so focused on Him that we are unaware of the world and the things that are happening in it. They also recommend that we be submerged in His love and presence.

In this section, the speaker discusses how it is important to be intuitive and follow inner guidance in order to be happy. They also discuss how the five senses can be helpful in perceiving and experiencing the world, but that there is something more important that should be pursued. The speaker refers to Jesus as the Christ, who is a perfect spiritual being. They encourage others to start their day by surrendering into the flow of divine Joy and feeling happy every second of the day.

In this section, the speaker talks about how to focus on God every second and how to be a perfect child of God. They also talk about how to drop the mask and be transparent.

In this section, the speaker provides a synopsis of a YouTube video entitled "ACIM Teaching Commentary | How to Focus Your Mind on God Every Second". The video discusses the importance of

focus and how it can be improved through the use of a mind training workbook and a daily practice of one lesson. The speaker also identifies 10 characteristics of a good teacher, which are dependant on the first characteristic, Trust.

In this section, the speaker discusses the stages of development of trust and how each one leads to a different state of mind.

In this section, the speaker talks about how Jesus's teachings on focus and forgiveness will help people become more aware of what is going on and be able to forgive others.
