Deciding to Know God in a Deeper Way

Christians all over the world even today, who, in spite of the availability of the knowledge of God's grace, continue to live their lives without a real understanding of the marvel of that Grace. Many continue to struggle in every area of their lives even though some time ago they audibly invited Jesus into their lives to save their souls. Sam presents some well-thought out reasons that happens. Sam dearly wants his readers to encounter the eternal loving and all-powerful God in a new living way and then to lead productive and joyful lives in Christ. Through stories of people in the Bible, his own encounter and of others all over the world who have discovered the deeper well of God's grace and personal involvement in their lives Sam leads us through a simple process so we are brought to a new level of peace, love and joy we have not known. Sam compares his encounter to being "arrested by God's grace."

The Chronicles of Grace

The Chronicles of Grace is a moving and visceral memoir penned by Grace Simon, whose heated passions and stoic determination fueled a richly complex life. A survivor of rape and a culture of misogyny, she overcomes abuse and extortion by never abandoning her sense of humor and commitment to family. Pivotal to her story is a gripping courtroom drama where she faces years in jail for something

she did not do. The upheaval starts when her first husband, Charlie, an absentee father, demands custody of their sons. Soon after, Grace is arrested for violation of a federal tax law. She brings the drama of the courtroom to life as she takes the reader along for the ride. The Chronicles of Grace was nearly lost to eternity until it was found in a dusty attic by the deceased author's niece. Written in guarded privacy and full of secrets known only to the author, this memoir reveals the inner life of one remarkable woman. Personal, soulful, and brutally honest, it is a voice from the grave that speaks to us all. From unimaginable heartache to an unwavering belief in love, it offers revealing insights into the power of the human spirit.

Published alongside three of Ndiritu's video works exhibited for the first time at the Venice Biennale in 2005. Projected onto the altar, The Nightingale becomes a powerful installation, in this context, alluding to images of the Madonna that occur in Renaissance paintings. The video explores issues of cultural stereotyping and the disconnection between East and West. The beginning of The Nightingale is peaceful and serene, showing Ndiritu slowly moving a cloth over her head and shoulders, to reveal her face, her eyes closed. A soundtrack of quiet African music suddenly changes and the artist becomes animated, her eyes wide open, focused on the viewer, twisting, wrapping and folding the fabric with simple movements to transform her appearance. Each action reveals another identity in a sequence of references to an assortment of cultures, the fabric playing the role of blindfold, hajib, headscarf, burka, veil, bandanna, purdah, gag and turban.

Still Standing But by God's Grace

"My grace is sufficient for thee" (2 Corinthians 12:9). Before Pilgrim's Progress, John Bunyan wrote Grace Abounding-from his jail cell. John was not imprisoned for his youthful rebellion, but for preaching the gospel after he heard a word from God. "For though, as yet, I was nothing but a poor painted hypocrite, yet I loved to be talked of as one that was truly godly." For many years, John-like all Christians-struggled with his sinful nature. In Grace Abounding, he honestly declares his shortcomings, and knows that he must overcome them to fulfill his destiny. "But one morning, when I was again at prayer, and trembling under the fear of this, that no word of God could help me, that piece of a sentence darted in upon me, 'My grace is sufficient.'" Throughout John's life he realized how vulnerable he was, and how great God's grace is. First, I confessed I was fallen, but not fallen away.... Secondly, I confessed that I had put Jesus Christ to shame by my sin, but not to open shame.... Discover God's abounding grace for you through this classic work that has guided countless many over the past 300 years.

Grace Abounding with Other Spiritual Autobiographies

"Grace Abounding continues the tradition of Christian testimonial classics tracing back to the Confessions of Saint Augustine. John Bunyan's autobiography, written while he was imprisoned for holding unsanctioned religious services and first published in 1666, is the unsparing account of one man's spiritual journey from atheism and blasphemy to devout Christianity. A reckless and profane youth leads Bunyan to despair in the belief that he has committed unforgivable sins. But two religious books belonging to his wife set Bunyan on the straight and narrow and a lifetime of pious devotion. Honest and unblinking in his self-assessment, Bunyan saw it as his duty to tell his story, warts and all, in order to comfort all those struggling with their faith. This classic of religious literature continues to be essential reading for the faithful and for students of great English literature. English preacher and writer JOHN BUNYAN (1628-1688) is the author of nearly sixty books, nine of which were written while he was in prison for unlicensed preaching. His works include The Pilgrims Progress (1678-84), The Life and Death of Mr. Badman (1680), and The Holy War (1682)."

The Curious Case of Faith & Grace

Routinely entering the U.S. after visiting relatives abroad, Grace James was arrested on July 29, 2016, by American immigration authorities and imprisoned for over a year while waiting for her asylum hearing in the country of her dreams. A native of the small Pacific Island Nation of Kiribati, Grace adopted the Christian faith during high school, and devoted herself to missionary work after two years of university study in Fiji. Faith and self-determination guided her through so many things, including an abusive marriage, which ultimately led her to seek asylum in the United States. Facing isolation, fear, and uncertainty in detainment, she discovered purpose through dedication to fellow asylum seekers wanting to learn English and win their cases. A daily journal, the basis for this memoir, was her constant companion. A riveting personal account of the asylum seeker experience reveals the interwoven humanity found throughout each entry. An immigrant experience so universally misunderstood, *The Longest Wait* is a story all need to hear. Set free, her dedication to fellow detainees, inspired the Dearyous initiative, a letter writing project for confined asylum seekers. Her story was featured in the Pacific Women's Network, and currently she heads Thrive, an international women's group promoting healthy living, and gratitude.

Grace Abounding to the Chief of Sinners

During the Pilgrimage of Grace for a short time Henry VIII lost control of the North of England and there was a very real possibility of civil war. Protesting against the king's betrayal of the 'old' religion, his new taxes, and his threat to the rights of landowners, the poor and the powerful united against their king and his henchman Thomas Cromwell, raising an army of 40,000. The leader of the Pilgrimage was the charismatic, heroic figure of Robert Aske, a lawyer. Under his influence and persuasion most of the Northern nobility joined the rebellion and gathered for battle at Doncaster where they would have outnumbered the king's soldiers by 4 to 1. But Aske had an unshakeable belief in justice and fair dealing, which was to prove his undoing. He was persuaded by the king's men to abandon military force and negotiate terms in London. Once there he was arrested, charged with treason and hanged in chains. Another 200 'pilgrims' were executed in the North as a 'fearful spectacle'.

The Longest Wait

Volume 39 Sermons 2289-2341 Charles Spurgeon (19 June 1834 – 31 January 1892) is one of the church's most famous preachers and Christianity's foremost prolific writers. Called the "Prince of Preachers," he was one of England's most notable ministers for most of the second half of the nineteenth century, and he still remains highly influential among Christians of different denominations today. His sermons have spread all over the world, and his many printed works have been cherished classics for decades. In his lifetime, Spurgeon preached to more than 10 million people, often up to ten times each week. He was the pastor of the congregation of the New Park Street Chapel (later the Metropolitan Tabernacle) in London for 38 years. He was an inexhaustible author of various kinds of works including sermons, commentaries, an autobiography, as well as books on prayer, devotionals, magazines, poetry, hymns and more. Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration, and his oratory and writing skills held his audiences spellbound. Many Christians have discovered Spurgeon's messages to be among the best in Christian literature. Edward Walford wrote in *Old and New London: Volume 6* (1878) quoting an article from the Times regarding one of Spurgeon's meetings at Surrey: "Fancy a congregation consisting of 10,000 souls, streaming into the hall, mounting the galleries, humming, buzzing, and swarming—a mighty hive of bees—eager to secure at first the best places, and, at last, any place at all. After waiting more than half an hour—for if you wish to have a seat you must be there at least that space of time in advance—Mr. Spurgeon ascended his tribune. To the hum, and rush, and trampling of men, succeeded a low, concentrated thrill and murmur of devotion, which seemed to run at once, like an electric current, through the breast of every one present, and by this magnetic chain the preacher held us fast bound for about two hours. It is not my purpose to give a summary of his discourse. It is enough to say of his voice, that its power and volume are sufficient to reach every one in that vast assembly; of his language, that it is neither high-flown nor homely; of his style, that it is at times familiar, at times declamatory, but always happy, and often eloquent; of his doctrine, that neither the 'Calvinist' nor the 'Baptist' appears in the forefront of the battle which is waged by Mr. Spurgeon with relentless animosity, and with Gospel weapons, against irreligion, cant, hypocrisy, pride, and those secret bosom-sins which so easily beset a man in daily life; and to sum up all in a word, it is enough to say of the man himself, that he impresses you with a perfect conviction of his sincerity." More than a hundred years after his death, Charles Spurgeon's legacy continues to effectively inspire the church around the world. For this reason, Delmarva Publications has chosen to publish the complete works of Charles Spurgeon.
