Questions about God

As you read this, you probably think you're standing (or sitting) perfectly still. Yet nothing could be further from the truth. Right now, Earth is spinning on its axis in an easterly direction at 1,044 miles per hour. You're also moving through space at 67,000 miles per hour - the speed at which Earth orbits the sun - and that's just the beginning. As Copernicus and Galileo found in overturning centuries of entrenched thought, things aren't always what they seem. You're invited to embark on a journey that will challenge your thinking and point up possibilities you haven't considered, looking at mysteries that have captivated mankind for centuries. Above all, we'll look at evidence. Evidence that God not only exists but is knowable. Here are just some of the questions that Pat Boone and Cord Cooper address in this candid, clear-cut book: Can science and faith intersect? Is the universe valid evidence of God's existence? If God exists, why is there tragedy in the world? Does the Bible offer evidence of divine inspiration? The flipside: What motivates atheists? Were humans created to commune with God? Do any non-biblical documents corroborate the Gospels? Was Jesus the Son of God? Did the Resurrection occur? ABOUT THE AUTHORS: For five decades, PAT BOONE has been a noted figure in the entertainment business. As a recording artist in both the popular and gospel music genres, he has sold more than 45 million units worldwide, sharing a positive message of faith and hope. A successful entrepreneur, entertainment personality, and humanitarian, Boone's contribution to America's culture has been far-reaching. CORD COOPER is an award-winning reporter whose work has appeared in the Los Angeles Times, Entrepreneur magazine, Investor's Business Daily, and on CNNMoney.com, Yahoo News, Yahoo Finance, and Web sites sponsored by the Boston Herald and Harvard University, among many others. He has interviewed world-renown personalities across all industries, and is the author or co-author of three books.

100 Questions Christians Can't Answer

Here's a book you won't be disappointed reading, especially if you believe everything you've been taught about Christianity. Is the Bible true, is it truly the written word of God or are there things that can't be answered, even though religious leaders have been providing you with answers for years. This book will inspire you to do a little research and could change your views about Christianity. Have you been told your entire life that everything in the Bible is true? Do you ever doubt the information inside of the Bible? Does the story of Noah's Ark makes sense or do you think that it would have been extremely difficult for Noah to round up a couple of million different species and then take care of them, for 40 days? Trust me, there are a few questions that can't be answered by Christianity or Christians. If you have any questions about Christianity, this book could provide you with some of the answers you're looking for.

Three Questions: A Guided Journal That Could Change Your Life

Tony Soper had been searching for something to share that would help others when he found himself returning to three questions. Suddenly, it occurred to him that the questions would be powerful in a journal format?and even more useful if it were to include uplifting and encouraging Scriptures that promoted further reflection. The three questions you'll be asked to reflect on are: What did I do wrong today? This could be something as simple as needing to manage your time better or making a mistake on the job or in your personal life. What did I do right today? Maybe you befriended a new person or started a new ministry. Always remember that your journey is all about being obedient to God, and He honors what we consider small accomplishments just as much as big ones. What could I have done differently? This will probably be the most difficult of the three questions. Allow God to speak to you either directly or through your brothers and sisters in Christ.

How the Bible Can Change Your Life

Tackles 10 common questions about the Bible Why should I read my Bible? Helpful questions for discussion

Christian

Many people have gone on the endless quest to change their life circumstances for the better. The only problem is people look to external sources (self-help books or self- help classes. Positive motivational speakers.) True change starts by having your inner person changed. There is a person in Christianity who has the power, love and desire to change you and your circumstances forever, and that is "Jesus Christ." Jesus paid a dear price to change your life dramatically. Millions have changed their lives throughout history. How? By talking daily to Jesus. Read about Him in the Bible. Discover His answer to life even eternity's problems. He has all the answers for you. His method is free and has worked over thousands of years and been experienced by millions of people all over the world. Many people have had encounters with Jesus Christ. These encounters can be powerful and life-changing. The best part is that all these promises may sound too good to be true. They're not, because the One who made the promises is the author of the Bible. He always keeps His word. He has kept His Word for thousands of years. You just have to invite Him into your life to be His friend. He is the only One who can give you inner peace. He guarantees if you ask Him to be your friend He will give you eternal life. Do these promises sound beyond your human ability? They are. This is why we need Jesus Christ to empower us to take a hold of these promises. In this book, we will talk about how Christians can have the power to resist temptations in our everyday life. We will also answer a lot of Christianity related questions and find out why we should follow the risen Lord Jesus.

Ultimate Questions - Dutch

Health, finance, family, the future life is full of questions. There are deeper questions, too. Who am I Why am I here? Where am I going? Does life have any purpose? But the ultimate questions are about God. Does he exist? What is he like? Can I know him and experience his power in my life? And if so, how? This booklet tackles these vital questions head-on and answers them simply, clearly and directly. Read it carefully. It could change your life for ever.

Jesus

What do you know about Jesus? Do you believe in the Mormon Jesus? What about the Jehovah's Witness Jesus? Or perhaps you believe in the Muslim Jesus? Each group preaches a different Jesus. Can they all be right? Who was Jesus? Someone said He is either a liar, a lunatic, or the Son of God?

What do you say? We thank you for taking the time to read this book and we are praying that you will follow the example of C.S. Lewis, who after spending many years as a skeptic, changed his mind and became a devout follower of the Lord Jesus Christ.

The Most Important Questionnaire You Will Ever Take in Your Life

This Book was typed by me but written by The Holy Spirit. There are really only three chapters contained - The History - My Story and The Questionnaire. The best way to gain a full understanding of the content is to just read Chapter 1. It may feel like too much preaching for your taste, but it is only a set of instructions given to me by The Holy Spirit as how to gain the most from the text. Many people may consider just bouncing to the Questionnaire itself and answer the questions found there, but that is not how The Holy Spirit delivered the instructions to me, so I pass them on to you. The second chapter covers the History of the time when the Church needed some help, and about a man that entered the Church and asked a few questions to bring the Church back on track. Little did he know that his questions would set about changing the world of understanding The Lord and His wishes from that moment on. We still follow most of the doctrines he encouraged here in this country today. The third Chapter is My Story. Of how Jesus showed Himself to me and answered all of my questions, and believe me I had many. This text, this Questionnaire has changed my life forever and helped me transition from only having Faith in God to Trusting God as well and all that that entails. The fourth Chapter is the Questionnaire itself. It maybe to some very difficult to finish but your answers will have to be nothing but what you believe in your heart to be true the day you take it. It will be a record of your beliefs in front of Jesus Himself and any falsehood will immediately be known to Him. I believe that as you pass through this book you will see how Trusting The Lord is much more important than just having Faith. Faith brings you to The Lord and without it I believe you will never feel The Holy Spirit in your heart and soul. But Trust gives you a way to answer the questions you still have. And if you have the courage and conviction to make that step you will have a new understanding of how The Lord God Almighty's plan for you works in your life and what you are expected to do to accomplish that plan. It is a big step, but the Questionnaire I believe will help you find answers to many questions you have of your own as it did for me, and all I have been asked to do is to share the enclosed with as many people as I can.

God and Email

Emails from God? This book is filled with real life emails. They contain within them some of the normal daily struggles of life that we all go through. Some of the emails are from ordinary people, and some of them are from church leaders. Perhaps you will be able to identify with some of the situations in which these people found themselves? - What if God were to talk directly to you? - What would you ask Him? - How might that change your life? I invite you to join me on a journey to discover what might happen in your life if God were to begin talking directly to you. Come and explore the possibilities with me...Sincerely ~Mark Craythorn

What God Wants

Be careful. This book is dangerous. It explores with startling freshness the most important question you could ever ask, and offers with breathtaking courage the most extraordinary answer you could ever imagine. That answer is so theologically revolutionary and so spiritually empowering that it could change the course of human history. If embraced, it most certainly will change your life. There are people and institutions in the world, long in place and long in power, that want neither of these outcomes to occur. They would rather that you put this book down right now. It's up to you.

Questions and Answers on Conversations with God

Millions of readers have come to value the Conversations with God series by Neale Donald Walsch, which has now been translated into twenty-six languages. Many thousands of those readers have had questions for him--questions about religion, good and evil, physical and mental health, death, prophecy, the nature of God and the universe, prayer, angels and devils, spiritual paths, relationships, and much more. In Questions and Answers on Conversations with God, Neale, with characteristic wit and wisdom, responds to the most compelling and provocative of these letters; and the result is a book that is profoundly enlightening and inspiring. By relating the messages in the dialogues of CWG to the personal issues and everyday experience of individuals, Neale's answers illustrate the direct link between spiritual and physical reality, clearly demonstrating how what we do and who we are in our

lives is a result of how we think and what we believe. This book gives us all the opportunity to look at ourselves, to change ourselves, and thus, perhaps, to change the world.

The Gospel in Twenty Questions

Questions are keys that unlock treasure. Questions are doorways to discovery. A good question can change your life! The Gospel in Twenty Questions is a book of good questions like these: What is God like? What does God want from me? Should we do everything Jesus said? How does God deal with us when we sin? How do we reconcile contradictory scriptures? Does God make us sick to teach us things? What is the unforgiveable sin? What are heavenly rewards? Once saved, always saved? And many more! The questions in this book will take you places. They will cause you to dance on the uplands of your Father's favor. Best of all, they will lead you to a deeper relationship with Jesus, who is the greatest Answer of all.

Prayer

You are not alone. Not for one minute, not for one second do you ever need to feel alone. This is a year's journal of letters, letters to God. Not the God that is supposed to be feared, nor the God that will strike you down if you do something 'wrong'. It's not a religious book. This is a book that will bring you comfort, serenity and peace in a crazy world. Claire writes letters to God asking questions such as: If love is all there is, why are there terrorists? Why do I feel that I never have enough money? Is there a heaven? How to find proof of God Is death the end? Why is it so hard to be patient? How do you fall in love with your life? What do you do when you have eternity to live? The answers are astoundingly simple yet they comfort enormously.....Fear leaves, uncertainty is banished and you are left with an understanding that there is no separateness, that you are eternal and much loved. God is approachable and God is listening.

The Dear God Letters

The Bible reveals that conversion is a process that begins with God's calling, followed by repentance, baptism and the receiving of the Holy Spirit—finally climaxing with the return of Jesus Christ, when the dead in Christ are resurrected to immortality and given eternal life. That is the ultimate transformation, being changed from a mortal to an immortal being! Inside this Bible study aid: - Praying for a Right Spirit and New Attitude - We Must Change Our Way of Thinking - What Is Sin? - What's Wrong With Our Human Nature? - What's So Bad About Sin? - Must We Obey God's Commandments? - Why Be Baptized? - The Holy Spirit: God's Transforming Power - Why Can't Theologians Explain the Trinity Doctrine? - Is the Holy Spirit a Person? - A High Priest Eager to Help Us - Growing to Spiritual Maturity - Why Bible Study Is Necessary for Spiritual Growth - How to Stir Up God's Spirit - The Prayer God Will Hear - Repentance Must Be With Faith - Does God Set Conditions on His Gift of Eternal Life?

Transforming Your Life: The Process of Conversion

"If you are looking for one book to make sense of the problem of evil, this book is for you." Sean McDowell Grasping This Truth Will Change Your View of God Forever If God is good and all-powerful, why doesn't He put a stop to the evil in this world? Christians and non-Christians alike struggle with the concept of a loving God who allows widespread suffering in this life and never-ending punishment in hell. We wrestle with questions such as... Why do bad things happen to good people? Why should we have to pay for Adam's sin? How can eternal judgment be fair? But what if the real problem doesn't start with God...but with us? Clay Jones, an associate professor of Christian apologetics at Biola University, examines what Scripture truly says about the nature of evil and why God allows it. Along the way, he'll help you discover the contrasting abundance of God's grace, the overwhelming joy of heaven, and the extraordinary destiny of believers.

Why Does God Allow Evil?
