The Hug Fairy.

An endearing story written by a young boy about the fairy who hugs, reassures, and loves kids no matter what. The Hug Fairy finds ways to make kids feel special, whether it is her signature "hug" (the warm air on your skin on a summer day) or her signature "kiss" (she blows kisses through the cool breeze kids may feel on their cheeks on a windy day). She also has many messages about the value and worth of each young reader. The supplement is a workbook created by clinical family psychologist, Angelica Shiels, full of reminders of all the ways the young reader is special. "The Hug Fairy" is the perfect gift for any child, teacher, school library, or guidance-counselor. 100% of the profits of this book will go toward a child charity to be chosen by the author.

A fairy tale of long ago unfolds by a mystical, red mountain in Australia called Uluru. The Aboriginal People, who live nearby, have a great knowledge of Earth and have carefully protected a secret for thousands of years. Will the secret be lost or revealed? Follow the fairies: Kiwi, Sassy, Madame Fairy and Josh, as they go on a magical adventure and lead you to the answer. I lived and worked in Connecticut for many years, until a recent move to Arizona. I am employed at a university and enjoy the distinctive character of Arizona on my commute. My inspiration for this fairy tale was a combination of telling bedtime stories to my children, when they were very young, and my respect for Indigenous Australians who, I believe, have an ancient and profound knowledge of our Earth. Writing this book, off and on, for the past several years has been more fun than work. I hope you have fun reading it. Sincerely, Lorraine F. Dunphy
