Answered Prayers In Alaska

As I was being led to document and share the miracles, signs and wonders that the Lord our God in heaven had allowed me to witness throughout my life, I wondered . what was the first miracle that God had allowed me to be a witness to? Then I remembered, my aaka ("aah kaa" is an Inupiaq word meaning mom, but is used by many to reference a grandmother). If it wasn't for the intercession of praying aaka's (grandmothers) and the grace of God answering their prayers, where would many of us grandchildren be? I give God all the glory for what he has done for me and my family. I believe one of Gods desires is for us to achieve the purpose that he created us for. May God Bless each and everyone of you. Carolyn Edwards was born February 2nd 1961 at Tanana, Alaska and raised throughout Alaska all her life. Her grandparents were Horace and Gertrude Ahsogeak living nomadic lifestyles throughout the Alaskan north slope until settling in Barrow, Alaska around the 1940s. She is born to serve the Lord, married since 1988, have been blessed by God to adopt three big hearted children and truly thrilled with five grandchildren.

Answered Prayers

Although Truman Capote's last novel was unfinished at the time of his death, its surviving portions offer a devastating group portrait of the high and low society of his time. "Prose that makes the heart sing and the narrative fly." —The New York Times Book Review Tracing the career of a writer of uncertain parentage and omnivorous erotic tastes, *Answered Prayers* careens from a louche bar in Tangiers to a banquet at La Côte Basque, from literary salons to high-priced whorehouses. It takes in calculating beauties and sadistic husbands along with such real-life supporting characters as Colette, the Duchess of Windsor, Montgomery Clift, and Tallulah Bankhead. Above all, this malevolently finny book displays Capote at his most relentlessly observant and murderously witty.

Flaming Hot Prayer!

Now imagine a scene, in a movie where the president of the United States of America is sitting in the oval-office. When you look at his desk, you immediately notice the bright-red phone standing on his desk. I have to say I do not know if the phone is still used today, but if it is not used - it might still be in place as a back-up means of communication. That bright-red phone is the president's direct communication to all parts of the American government - where such communication is needed. He could also be reached directly in matters of urgency. You did not need to dial any number, you just picked up the phone and the president answered on the other side. This line is/was also protected - storms, earthquakes and bomb-explosions will not damage the line easily. Power-failures also have/had no effect on the presidential-line. This is the way our prayer-life should be like, exactly like that red-phone on the president's desk. Our prayers must be a direct line to our Heavenly Father. No storm in our lives may damage this line. Any failure (mistake or sin) on our part must have no effect on our prayer-life. I did not want to write just another 'how to pray' book. You get a lot of those. This book is intended to supply you with the means, power and knowledge on how to obtain and possess that special "presidential phone-line" with God.

Answered Prayer

Prayer is a spiritual weapon that God has given to humanity to enable the world to experience His perfect will and glorious Kingdom. When prayer is answered it brings joy to people and glory to God. Answered prayer also motivates more prayer, and generates miracles, which fuel revival and soul winning into the kingdom of God. Furthermore, answered prayer paralyzes satanic forces, and it creates conducive atmospheres for fruitfulness, personal development and church growth. Unfortunately, many people pray and do not receive answers to their prayer because they "e;pray amiss."e; Therefore, they give up praying and just "e;live"e;, accepting whatever comes their way. Prayer must yield results, and

for prayer to yield results it must be done right. In *Answered Prayer*, Rev. Martinson Sarfo provides insight into the dynamics of prayer, and factors that guarantee answered prayer. This book will show you how to pray right and receive answers to your prayers.

The Wish List

You possess the greatest power known to humanity. You CAN move mountains. You CAN achieve your greatest dreams. You CAN receive your heart's desires. You can do all this - and more - through the skillful use of God's gift to each of us called prayer. Discover how to unlock the secret to unanswered prayers through this insightful look at one of our most un-used yet strategic resources God has given to usher in a response to those prayers we want the most.

101 Stories of Answered Prayers

This book contains true accounts of times God allowed 'pray-ers' to see answers. We offer these stories as praise to God. Written in ink, on paper, they won't be easily forgotten. As you read them, you will not only be encouraged to pray more; you may ask God to open your eyes to His answers.

Power to Pray Once and Receive Answers

Cracking the Code to Answered Prayers **Mighty Prevailing Prayer: Experiencing the Power of Answered Prayer** If this is your desire, you're only a short while away from making it a reality! Millions of Christians read wonderful Bible promises and wonder why nothing happens when they pray. They know God loves them, but for some reason, their prayers never seem to make it past the ceiling. This condition is widespread and accepted as normal. Yet, from a biblical perspective, it is abnormal for a Christian to routinely not get his or her prayers answered. This is not what we see in the Bible; it is not what we should see in our own lives. It is not going to remain this way in your life! Kent had applied to a bunch of Universities and was turned down. I explained to him some of the principles and methods in this book. "Pray like this and go back to those same Universities and apply again and see what God does." He is now a graduate of one the Universities that had previously turned him down! God made the impossible possible. This short, simple, but insightful book is going to reveal to you truths and methods that will allow you to join the ranks of those who have learned how to get spectacular answers to prayer. It will be especially helpful to those who are facing stubborn or so-called impossible situations. The author, Prayer Madueke, has been a Bible teacher for over 35 years. During this time, he has pastored churches, conducted overseas evangelistic meetings, seen many people healed and delivered, written several popular spiritual warfare books, and has personally experienced spectacular answers to prayer. Scroll up to download the kindle version or get a copy of the paperback now. When God Answers Prayer

The simple message of this book is that prayer works. Some people are "prayer plodders": They pray not because prayer comes easy but because they believe in its power. Others are "prayer professionals": they are gifted in the practice of prayer; prayer seems to flow authentically and effectively from their hearts. Whether you are a plodder or a professional, you can be a prayer warrior—one whose prayers are powerful and effectual—even efficient. Even if prayer doesn't always come easily or your prayers aren't always answered as you'd hoped, you will come away from this book convinced that God rewards genuine prayer. Open the pages of this book and see for yourself what happens when God answers prayer!

Movies Are Prayers

"Movies are our way of telling God what we think about this world and our place in it. . . . Movies can be many things: escapist experiences, historical artifacts, business ventures, and artistic expressions, to name a few. I'd like to suggest that they can also be prayers." Movies do more than tell a good story. They are expressions of raw emotion, naked vulnerability, and unbridled rage. They often function in the same way as prayers, communicating our deepest longings and joys to a God who hears each and every one. In this captivating book, Filmspotting co-host Josh Larsen brings a critic's unique perspective to how movies function as expressions to God of lament, praise, joy, confession, and more. His clear expertise and passion for the art of film, along with his thoughtful reflections on the nature of prayer, will bring you

a better understanding of both. God's omnipresence means that you can find him whether you're sitting on your sofa at home or in the seats at the theater. You can talk to him wherever movies are shown. And when words fail, the perfect film might be just what you need to jump-start your conversations with the Almighty.

Called to Pray

Most of us have felt it: that unexplained prompting in our hearts to stop and pray for a friend, a loved one, or even a stranger. Sometimes we dismiss the feeling as a stray thought about friends, families, or situations. Sometimes we are even awakened from a deep sleep with an even deeper need to go to God in prayer. Where do those urges come from? Are they truly from God? And do those prayers have any effect on the one we're praying for? In *Called to Pray*, Linda Evans Shepherd shares dozens of inspiring true stories of people who have felt God's call to pray--and the astonishing results of those impromptu prayers. For those who wonder if prayer has any effect or doubt that God communicates with us personally, this heart-stirring book will amaze, inspire, and equip them to respond to those holy promptings.

Answered Prayer

Have you ever wondered if God is real and does answer prayer. Among the pages of this book you will find different instances of God's great mercy as He answers prayers. The author had an unexplained desire to write this book. She wanted to stay in God's will for her life and she prayed the following prayer in private. "Our Heavenly Father I don't understand why I have such a desire to write this book, but please confirm if it is your will for me to write this book in a way that I would be sure and may your will be done in each and every person's life that reads this book." She prayed the prayer Thursday morning while driving to work. That Sunday while they were in church listening to the pastor while he was preaching up a storm something remarkable happened. The pastor raised his hand and pointed right at the author and said "God said He will bless your book". His human element came in and he realized what he just said. He looked at the author and said "and you are writing a book, aren't you"

Answered Prayers

Faith Madison is the very picture of a sophisticated New Yorker. Slim, blonde, stylish, married to a successful merchant banker and having raised two daughters, Faith has a life many would envy. But Faith has overcome a childhood marred by tragedy, and has carried within herself a secret she could divulge to no-one. The sudden death of her stepfather sets off a journey of change and revelation. At the funeral, painful memories flood back - and an old friend re-enters Faith's life. Brad, a long lanky boy from her childhood days who had teased, tormented and protected her. Now a busy lawyer in California, Brad re-enters Faith's life just as she makes a decision that plunges her marriage into crisis. As these two childhood friends rediscover each other, Faith is finally ready to face the most painful step of all: of sharing a secret that has long been haunting her, and opening up her heart for the first time in her life.

Heaven Hears Each Whisper

"Prayer has always been the most personal and unique way to celebrate faith. It provides an occasion to talk, to meditate, to ask, to praise, to say "thank you." And during times when we or our loved ones are in trouble - when all else seems lost - that's when our prayers may be answered..." "Kelsey Tyler has talked to people across the country of every age and every faith, who have shared their personal experiences of times when their needs were great - and their prayers were answered. 100% Answered Prayer

The master key to answered prayer has nothing to do with the prayer itself Prayer is not mysterious. It was not meant to be. Prayer is not man disturbing God. It is rather God disturbing man. Prayer is actually God calling man to come to Him. Prayer is abundance calling lack. Prayer is supply calling demand. Prayer is plenty calling few. Prayer is divinity calling humanity. It is strength calling weakness. Look at the verse below carefully: Jer 33:3 Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not. Jeremiah 33:3 The verse is clear with no ambiguity. God says we should call unto him. Who is asking who to call? Yes, you are right. God is asking us to call unto Him. That is God

disturbing us to pray. He wants us to pray. He wants us to commune with Him. He wants to do things for us and with us. He is only limited because we are not praying. I understand His frustration. When you have 500 million cars and no one is asking you for just one, it becomes a thing of frustration to you. You want to bless people because it is too much for one person. It is the same with God. He is too loaded. His promise when we call unto Him is simple. He says He will answer us. God is more willing to give to us than we are willing to receive from Him. That is what makes Him a generous God. Jas 1:5 If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him. James 1:5 He gives liberally, he gives generously. If He is your God, you have all the confidence to approach Him. This book will make you a master in receiving 100% answers to prayer. It is sure to cause a revolution

Prayer Works

Prayer Works recounts over 150 true and incredible stories of how people were touched through answered prayers. This deeply moving collection of letters from across the country was taken from the files of Silent Unity, one of the nation's oldest and most popular telephone prayer ministries. From overcoming financial difficulties to dramatic changes in health-related challenges, author Rosemary Ellen Guiley shares how the simple act of praying transforms lives and situations.

Powerful Prayer Secrets

This book reveals several prayer secrets. It emphasizes the need to choose the required keys to get access to everything that God has provided for you, but it must be done with the right knowledge. This book explains the kingdom's keys to having your prayers answered all the time. You'll recognize some obstacles to your prayers and take urgent action to address them. These are not theoretical processes for answering prayers, but proper steps that have been used for centuries. Some of these prayer secrets are not new, but they have been tested and proven. Kenneth Hagin, Kenneth Copeland, and David Oyedepo, among others, have emphasized the importance of these keys to prayer. Many individuals have been dissatisfied and bored with praying since their expectations are not met in prayers. Some have even given up praying. Prayer is the key to heaven's doors. Jesus highlighted the need for persistence in prayer. Our prayers should flow from our innermost longings and desires, which we should not be afraid to express to God in prayer regularly. "Men must continue to pray and not to give up," Jesus remarked in Luke 18:1 He presented the story of an unfair judge who care less about giving justice to a poor widow who, despite this, could win justice merely by asking the judge to give her the justice she was seeking regularly. So our Lord stated we should pray to God with the same tenacity, not because God is a hesitant judge, but that the example of even an unjust judge giving in at the end to his petitioner's constant supplication was a lesson to Christians to pray. As a result, persistence in prayer is an important aspect of prayer. It shows not just that we truly want what we're asking for, but also that we trust God will respond. You'll discover what it means to be concise in prayer, how to apply God's word to a real-life situation, how to stand on God's word in prayer, how to demand what is properly yours in prayer, how to put the word to work, and much more in this new book. Pastor Fola Ademolu is a Bible teacher and a prayer warrior whose prayer lectures have helped and influenced countless lives throughout the world. As a preacher of the word of faith, he has integrated the word with prayer, resulting in more effective prayers.

Again and Again God Answers Prayer

There are those who go through life never realizing the power of prayer. We were not purposed to tackle life's situations and problems on our own. We have an advocate, the Holy Spirit, who empowers us in prayer. But you will receive power when the Holy Ghost comes upon you; and you will be my witnesses, in Jerusalem, and in all Judea and Samaria, and to the ends of the earth (Acts 1:8 NIV). We can change situations and turn the very obstacles of adversity in another direction. Throughout this book, you will read of instances where God has repeatedly answered prayer. At one time, He took a heart that was devoted to him to meet a need because of prayer. Through prayer, God signified his unmerited love. And still yet, God answers prayer in a most astounding way, using one vessel to speak to another vessel who heard his word and acted on it. We serve an almighty God who loves us unconditionally. His word never fails. Prayer is the key that unlocks every door to answered prayers. Just knowing that God will show up and answer prayer is comforting, but it can be the most exciting when we encounter him in a most unassuming way. Again and again, God answers prayer.

Not in Water Nor in Sand

In "Not in Water nor in Sand," the author recounts how she learned facts about the disappearance of a young girl Natalee Holloway in June 2005. The Author was just an ordinary person who, like many others, experienced blessed and trouble times. However, in all she had gone through she held on to her faith and surely, God never failed. Little did she know that God had other unexpected plans for her in her adult years. As the author drew closer to God, she started having visions, visitation, and revelations. In this manuscript, the author recounts how she became involved with the case of Natalee Holloway, who had mysteriously disappeared in the Island of Aruba in 2005. After watching the news of her disappearance, the author had visions of the whereabouts of young girl, as if God had a plan for this mystery to be solved. She did all she can to help, but because of unexpected human interventions, her efforts were put to waste. The author, however, believed that in God's time, "everything that is now in darkness will be brought out to the light." "Not in Water nor in Sand" will appeal to all readers interested in the testimony of God's power and intervention.
