You accommodation choices will have a large impact on the price of your safari

If you are a group, make sure you get a tour that is tailored to your needs & wants of a safari

You should research what you want to do and give the tour agency an idea of what is important to you

You can fly into Kilimanjaro International Airport (JRO)

Lake Manyara National Park

You can buy your visa at the airport (depending on the country your passport is issued from)

Check the visa prices as they may have changed

Have a mask or scarf to keep the dust out of your mouth

Have a bag that can keep the dust out of your camera when you are not using it

You will be in the jeep all the time. You do not get to wander.

Black Rhino, Leopard Lion, Cape Buffalo, Elephant

You will see a lot of zebras

Bring a "real" camera to get good photos of the animals

Lion, Elephant, & Cape Buffalo are "easiest" to see in the Serengeti

Luxury tent accommodation in the Serengeti

Getting walked home at night

a bucket shower at one of our camps

Expect to be away from the food and bar

You wear the safari clothes for the heat & to avoid the Tsetse flies

You will want head coverings & long sleeves & long pants. They help with the sun, heat, and bugs.

Do not drink the water unless it is bottled water

You may need to get shots & vaccines. We had to show our international vaccination cards.

Breakfast & dinner is usually provided at your lodges/camps. Lunch is usually a picnic out on safari

Some of the food we ate on safari

Your picnic lunch menu will also depend on your accommodation. Higher priced accommodation equals fancier lunch

No toilets while you are driving the Serengeti. There are toilets at the camp sights.

Visit the restrooms at welcome centers

You can wear whatever you want on Safari

July & August is the great migration

Flip flops are important for showers

Bring good sunblock & bug spray

Our kids have loved visiting the Serengeti

Swahili is the most popular language in Tanzania

There are no ATMs in the Serengeti

You tip your driver & your camp workers

Look for the tip box near reception

Bring extra batteries. SD cards, & powerbank

They use plugs like in the United Kingdom

Don't expect mobile data to be available

If your camp has wifi it may not have the strongest signal
