Dar fostă balerină, acum proprietara unui magazin de jucării din oraș, are un temperament aprins și o fire circumspectă, care îi țin pe barbă la distanță. Nu este greu pentru Spence să înțeleagă că neîncrederea ei ascunde răni adânci din trecut, a a căror rădăcină este fiica lui și înțeleg că ele sunt pentru a găsi o cale către inima bine păzită a Natashei. O obsesie care începe să o nelinițească pe Chantel în momentul în care admiratorul ei secret recurge la scrisori obscene și la amenințări. De obicei noaptea se descurcă în viața de una singură și prea încreșnat pentru a cere ajutorul cuiva, Chantel simte că este pe punctul de a ceda nervos, a a căreia apelează la un detectiv particular, Quinn Doran, recomandat de agentul ei, care îi este bun prieten. Quinn acceptă fără tragere de inimă – cu multe condiții și la un tarif scandalos de mare – sarcina de a o proteja pe aparent glaciala actriță și de a descoperi cine este autorul scrisorilor și al telefoanelor anonime pe care aceasta le primește tot mai des. Cei doi constată însă că atracția dintre ei reușește să dărească zidurile ridicate cu grijă de fiecare dintre ei în jurul propriei inimi și ajung să se descopere reciproc dincolo de aparențe. Alături de Quinn, Chantel are curajul de a înfrunta orice amenințări și orice temeri ce se ascund în ea. The Paid Companion

The Earl of St. Merryn needs a woman. His intentions are purely practical - he simply wants someone sensible and suitably lovely to pose as his betrothed for a few weeks among polite society. He has his own agenda to pursue, and a false fiance will keep the husband-hunters at bay while he goes about his business. The simplest solution is to hire a paid companion. Finding the right candidate proves more of a challenge than he expected. But when he encounters Miss Elenora Lodge, her feisty manner and golden eyes sway him to make a generous offer. Elenora's sorry financial circumstances - and dreams of a life of independence - leave her little choice but to accept. But St. Merryn appears to be hiding a secret or two, and things seem oddly amiss in his gloomy London home. Elenora soon discovers that this lark will be a far more dangerous adventure than she'd been led to believe. And the Earl of St. Merryn will find that the meek and mild companion he'd initially envisioned has become a partner in his quest to catch a killer - and an outspoken belle of the ball who stirs a bothersome passion in his practical heart.

Mistress

After a year of grand adventures touring the classical ruins of Italy and Greece, Iphiginia Bright returned to England to discover that the real excitement was at home. It seems that her Aunt Zoe has fallen victim to a sinister blackmailer and only Iphiginia can hope to stop the culprit before he can do more harm. Her plan is inspired: Imitating history's most legendary beauties--Cleopatra, Helen of Troy, Aphrodite--the former schoolmistress will remake herself, and descend upon London Society as the dazzling mistress of Marcus Valerius Cloud, the infamous Earl of Masters. Rumors hint that the Earl has disappeared at the blackmailer's hands, and by posing as his unknown mistress, Iphiginia is convinced she can ferret out the villain. Overnight, Iphiginia is transformed into a vision with a host of eager admirers, including one she does not expect -- the Earl of Masters himself, who strides into a shimmering ballroom one evening to coolly reclaim his "mistress". He is everything they say he is... arrogant, attractive, devastatingly seductive, and Iphiginia can't help but be enthralled. But when Marcus agrees to play along with her charade, she doesn't know that the determined earl has plans of his own: to tease and tempt her, until the beautiful deceiver becomes more than his mistress in name only.

Wait Until Midnight

Adam Hardesty has a serious problem. The secrets of his past are in danger of being exposed, and in the course of investigating his would-be blackmailer, he discovers the dead body of a prominent psychic. To make matters worse, her house has been torn apart, and the diary containing Adam's secrets is missing. His only lead is a list of the psychic's last visitors. The most likely suspect is a woman named Mrs. Caroline Fordyce, whom he confronts in her parlour, only to discover an inconvenient attraction to the beautiful young widow. Alarmed by Adam's insinuations and questions, Caroline concludes that she must conduct her own investigation- if she can discover the true killer, Adam will have no reason to expose her connection to the dead psychic, which would cause a scandal she and her aunts could

ill-afford. Besides, her life has been boringly uncomplicated for too long, and the exciting tension she feels around Adam presents a welcome alternative to her mundane daily routine. But as Caroline and Adam journey deeper into the shadowy world of psychics, mediums and con artists, they find that the only ones they can count on are each other.

A Scot's Surrender

In this most entrancing tale of mystery and romance by the New York Times bestselling author AMANDA QUICK, lovers and partners-in-crime investigators Lavinia Lake and Tobias March continue their exciting newfound relationship, with its delicious mix of risky business, rising passion, and now--murder. As if a head for business and a nose for trouble aren't enough to distinguish fiercely independent Lavinia Lake from the other women of London's fashionable Claremont Lane, there is one more feature to set her apart. Lavinia is also well versed in the practice of mesmerism, an extraordinary gift that far surpasses mere charm and physical appeal. Nobody knows this better than the usually coolheaded Tobias March, who seems to have fallen hopelessly under her spell. Fortunately for all, however, Lavinia uses her powers for good. And ever since a tragedy involving one of her subjects, she has even retired them in favor of her work with Lake and March, a joint venture providing "discreet private inquiries for individuals of quality." Celeste Hudson, the stunningly beautiful young wife of a family friend and fellow mesmerist, would surely count herself among such individuals--were she still alive, that is. While mythology's Medusa could turn men to stone, lovely Celeste was more accustomed to turning them to jelly. In fact, unbeknownst to her husband, Howard, the ambitious Celeste was planning to use her talents to forge a new future in Society--one that would not include him. Sadly, her plans were cut short when she was murdered. Only a gentleman's cravat wound around her lovely neck remained for evidence--small compensation for the strange and priceless bracelet that may have been snatched from her wrist as she drew her last breath. As a result, Lake and March are soon in Howard Hudson's employ on the trail of the killer. But Tobias is convinced the dashing widower is more interested in tracking down the missing relic. If so, Howard is not alone. Any number of ruthless types are after the very same antiquity, whose centerpiece is an unusual blue cameo of inestimable value and supposed legendary powers--powers of immeasurable worth to anyone in Howard's line of work. Together, Lake and March undertake a tantalizing investigation that leads them from the glittering ballrooms of the ton to London's seediest taverns to a mesmerist whose therapies include treating ladies suffering from "hysteria" is a most unconventional method--and, not least of all, to the darkest reaches of men's psyches. Along the way, *Don't Look Back* becomes a completely mesmerizing read as the irrepressible Lavinia and Tobias mix business with pleasure....

And when the self-described spy hustled her and her niece out of the shop and back to England, Lavinia could only hope that one day she would find a way to repay Mr. March in full. But Lavinia never imagined the shocking circumstances under which they would meet again ... or that soon he would become more deadly — and more compelling — with each passing day. In the business of making private inquiries, Tobias March had been hired to trade down a powerful villain who even now was intent on assuming control of a vast criminal organization. Yet in his search he had found nothing but one dead end — and one dead body — after another. And then, just as his investigation was heating up once more, he found his mission and his life complicated by the most ungovernable, unpredictable, exasperating woman he had ever met. Faced with a tangled web of deceit and danger, Tobias had no choice but to form a partnership with Lavinia, a lady whose past could only be described as slightly shady. Yet when he persuaded her to become his associate, neither Tobias nor Lavinia realized that their heated disputes would spark a sizzling desire — or that the deeper they kept digging for the truth, the deeper they were digging their own graves....

Ravished

From the cozy confines of a tiny seaside village to the glittering crush of the a fashionable London soiree comes an enthralling tale of a thoroughly mismatched couple . . . poised to discover the rapture of love. There was no doubt about it. What Miss Harriet Pomeroy needed was a man. Someone powerful and clever who could help her rout the unscrupulous thieves who were using her beloved caves to hide their loot. But when Harriet summoned Gideon Westbrook, Viscount St. Justin, to her aid, she could not know that she was summoning the devil himself. . . . Dubbed the Beast of Blackthorne Hall for his scarred face and lecherous past, Gideon was strong and fierce and notoriously menacing. Yet Harriet could not find it in her heart to fear him. For in his tawny gaze she sensed a savage pain she longed to soothe . . . and a searing passion she yearned to answer. Now, caught up in the Beast's clutches, Harriet must find a way to win his heart—and evade the deadly trap of a scheming villain who would see them parted for all time.

Mistress

After a year of grand adventures touring the classical ruins of Italy and Greece, Iphiginia Bright returned to England to discover that the real excitement was at home. It seems that her Aunt Zoe has fallen victim to a sinister blackmailer and only Iphiginia can hope to stop the culprit before he can do more harm. Her plan is inspired: Imitating history's most legendary beauties--Cleopatra, Helen of Troy, Aphrodite--the former schoolmistress will remake herself, and descend upon London Society as the dazzling mistress

of Marcus Valerius Cloud, the infamous Earl of Masters. Rumors hint that the Earl has disappeared at the blackmailer's hands, and by posing as his unknown mistress, Iphiginia is convinced she can ferret out the villain. Overnight, Iphiginia is transformed into a vision with a host of eager admirers, including one she does not expect -- the Earl of Masters himself, who strides into a shimmering ballroom one evening to coolly reclaim his "mistress". He is everything they say he is... arrogant, attractive, devastatingly seductive, and Iphiginia can't help but be enthralled. But when Marcus agrees to play along with her charade, she doesn't know that the determined earl has plans of his own: to tease and tempt her, until the beautiful deceiver becomes more than his mistress in name only.

Reckless

Reckless--Phoebe Layton had always imagined Gabriel Banner a brave and valiant knight, which was why she went to him when she was in desperate need of help. but when she lures her shining knight to a lonely midnight rendezvous, Phoebe finds herself sparring with a dangerously desirable man who is nothing like the hero of her dreams. She fears she's made a dreadful mistake when Gabriel sweeps her into his arms and passionately embraces her. Yet it's a kiss that seals her fate. Now Gabriel must possess her -- even if he has to slay a dragon to do it! *A New York Times Bestseller

Dangerous

From a magnificent ballroom ablaze with lights to an imposing country house steeped in shadows comes a breathtaking tale of an impetuous miss—and a passion that leads to peril... At five and twenty, Prudence Merryweather knew very well the risks a woman took by visiting a gentleman in the dead of night. But bearding the notorious Earl of Angelstone in his den was the only way to stop him from engaging her hot-headed brother in a duel. And that was why she found herself ushered into Sebastian's forbidding presence at three in the morning—and thoroughly kissed before dawn. She was a country-bred innocent—and an intriguing experience for a man who dwelt more in the shadows than in the sunshine. Yet as her boldness drew Prue into one dangerous episode after another, Sebastian found himself torn between a raging hunger to possess her and a driving need to protect her. And the reckless beauty would soon need all the protection she could get...

The Paid Companion

The Earl of St. Merryn needs a woman. His intentions are purely practical - he simply wants someone sensible and suitably lovely to pose as his betrothed for a few weeks among polite society. He has his own agenda to pursue, and a false fiancée will keep the husband-hunters at bay while he goes about his business. The simplest solution is to hire a paid companion. Finding the right candidate proves more of a challenge than he expected. But when he encounters Miss Elenora Lodge, her feisty manner and golden eyes sway him to make a generous offer. Elenora's sorry financial circumstances - and dreams of a life of independence - leave her little choice but to accept. But St. Merryn appears to be hiding a secret or two, and things seem oddly amiss in his gloomy London home. Elenora soon discovers that this lark will be a far more dangerous adventure than she'd been led to believe. And the Earl of St. Merryn will find that the meek and mild companion he'd initially envisioned has become a partner in his quest to catch a killer - and an outspoken belle of the ball who stirs a bothersome passion in his practical heart.

Seduction

Townsfolk called him devil. For dark and enigmatic Julian, Earl of Ravenwood, was a man with a legendary temper and a first wife whose mysterious death would not be forgotten. Some said the beautiful Lady Ravenwood had drowned herself in the black, murky waters of Ravenwood Pond. Others whispered of foul play and the devil's wrath. Now country-bred Sophy Dorrington is about to become Ravenwood's new bride. Drawn to his masculine strength and the glitter of desire that burned in his emerald eyes, the tawny-haired lass had her own reasons for agreeing to a marriage of convenience. One was vengeance, and in its pursuit she would entangle Julian in a blackmail plot, a duel at dawn, and a dangerous masquerade. The other reason was dearer to her heart, but just as wild a quest: Sophy Dorrington intended to teach the devil to love again.

Otherwise Engaged

One does not expect to be kidnapped on a London street in broad daylight. Yet Amity Doncaster barely escapes with her life after meeting a man in a black silk mask who whispers the most vile taunts and threats into her ear. Her quick thinking, and her secret weapon, save her - for now. But the monster known in the press as the Bridegroom has left a trail of female victims in his wake, and will soon be on his feet again. He is unwholesomely obsessed by Amity's scandalous connection to Benedict Stanbridge - and Benedict refuses to let this resourceful, daring woman suffer for her romantic link to him-as tenuous as it may be. For a man and woman so skilled at disappearing, so at home in the exotic reaches of the globe, escape is always an option. But each intends to end the Bridegroom's reign of terror in the heart of the city they love, which means they must also face feelings neither of them can run away from. . . .

Rendezvous

From the elegantly appointed drawing rooms of London's most exclusive clubs to an imposing country estate in the heart of Dorset, comes a provocative tale of a free-thinking beauty, a dignified lord, and a mad impetuous love that defied all logic . . . Augusta Ballinger was quite sure that it was all a dreadful mistake. The chillingly pompous and dangerous Earl of Graystone could not possibly wish to marry her. Why, it was rumored that his chosen bride must be a veritable model of virtue. And everyone knew that Augusta, as the last of the wild, reckless Northumberland Balingers, was a woman who could not be bothered by society's rules. That was why the spirited beauty had planned a midnight encounter to warn the earl off, to convince him that she would make him a very poor wife indeed. But when she crawled in through his darkened study window, Augusta only succeeded in strengthening Harry's resolve: to kiss the laughter from those honeyed lips and teach this maddening miss to behave! How could he possibly know that it was he who was in for a lesson . . . as his brazen fiancée set out to win his heart—and an old and clever enemy stepped in to threaten their love, their honor, and their very lives?

Surrender

From the dazzling ballrooms of glittering London society to magnificent, cursed estate in the distant wilds of Yorkshire, comes the deliciously wicked story of a thoroughly unconventional courtship--and a thrilling midnight rendezvous that could only lead to love... At four and twenty Victoria Huntington thought herself quite adept at fending off fortune hunters... until she came under siege from Lucas Colebrook, the darkly disturbing new Earl of Stonevale. Amidst the brightly plumed birds of the town, Lucas was a hawk. And when he held out the lure of moonlit rides and wild, reckless midnight escapades, Victoria found herself powerless to resist. But becoming Stonevale's companion in adventure was far more dangerous undertaking than Victoria could ever imagine. For the attractive Earl would use her every weakness to woo her, to win her, and ultimately to wed her. And soon the amber-eyed lady would find herself ensconced in a crumbling mansion deep in the English countryside... where the real reason for her hasty marriage becomes all too apparent...and where the ghosts of her dark-stained past are waiting to rise up in a terrifying plot that will threaten her life, her honor, and the only man she could ever love.

Desire

Lady Clare must marry to protect her family's castle, but she must try to make Sir Gareth of Wyckmere into the poet she wants even as the warrior tries to win her love.

I Thee Wed

It isn't easy making a living as a lady's companion when one possesses a sharp tongue and an original mind. That's why Emma Greyson has gone through three such positions in six months. Her current post at a tiresome country house party has her bored to tears—until an extraordinary encounter with the legendary Edison Stokes leads to a secret position as his assistant. Stokes is on a peculiar mission, searching for an anonymous thief who has stolen an ancient book of arcane potions. He suspects his quarry is among the party's guests—and that the villain is looking for an intuitive woman on whom to test a certain elixir. A woman just like Emma... For Emma, the new post brings unexpected passion and chilling danger. But when murder strikes, she realizes the awful truth. Unless she and Edison devise a scheme to outwit a merciless killer, she could forever lose the man of her dreams—and even her very life....

With Oliver's help, Irene soon learns that the glamorous paradise of Burning Cove hides dark and dangerous secrets. And that the past - always just out of sight - could drag them both under . . .

Slightly Shady

From the moment the stranger burst into her antiques shop in Rome, Lavinia Lake knew he was nothing but trouble. He said he was in pursuit of a killer and swore he was only trying to save her. Yet Lavinia was convinced that Mr. Tobias March was bent instead on destroying her. When the self-professed spy hustled her all the way back to England, Lavinia vowed she would find a way to repay him in full. She never dreamed that Mr. March had in fact been telling the truth, that he had been hired to track down a powerful villain. And just as his investigation was heating up, he found it complicated by the most ungovernable, exasperating - and ever so slightly shady - woman he had ever met. Lavinia most certainly never dreamed they would meet again, forced into partnership under shocking circumstances - or that their fiery disputes would spark a sizzling desire as overwhelming as the danger they faced....

Don't Look Back

In this most entrancing tale of mystery and romance by the New York Times bestselling author AMANDA QUICK, lovers and partners-in-crime investigators Lavinia Lake and Tobias March continue their exciting newfound relationship, with its delicious mix of risky business, rising passion, and now--murder.

As if a head for business and a nose for trouble aren't enough to distinguish fiercely independent Lavinia Lake from the other women of London's fashionable Claremont Lane, there is one more feature to set her apart. Lavinia is also well versed in the practice of mesmerism, an extraordinary gift that far surpasses mere charm and physical appeal. Nobody knows this better than the usually coolheaded Tobias March, who seems to have fallen hopelessly under her spell. Fortunately for all, however, Lavinia uses her powers for good. And ever since a tragedy involving one of her subjects, she has even retired them in favor of her work with Lake and March, a joint venture providing "discreet private inquiries for individuals of quality." Celeste Hudson, the stunningly beautiful young wife of a family friend and fellow mesmerist, would surely count herself among such individuals--were she still alive, that is. While mythology's Medusa could turn men to stone, lovely Celeste was more accustomed to turning them to jelly. In fact, unbeknownst to her husband, Howard, the ambitious Celeste was planning to use her talents to forge a new future in Society--one that would not include him. Sadly, her plans were cut short when she was murdered. Only a gentleman's cravat wound around her lovely neck remained for evidence--small compensation for the strange and priceless bracelet that may have been snatched from her wrist as she drew her last breath. As a result, Lake and March are soon in Howard Hudson's employ on the trail of the killer. But Tobias is convinced the dashing widower is more interested in tracking down the missing relic. If so, Howard is not alone. Any number of ruthless types are after the very same antiquity, whose centerpiece is an unusual blue cameo of inestimable value and supposed legendary powers--powers of immeasurable worth to anyone in Howard's line of work. Together, Lake and March undertake a tantalizing investigation that leads them from the glittering ballrooms of the ton to London's seediest taverns to a mesmerist whose therapies include treating ladies suffering from "hysteria" is a most unconventional method--and, not least of all, to the darkest reaches of men's psyches. Along the way, *Don't Look Back* becomes a completely mesmerizing read as the irrepressible Lavinia and Tobias mix business with pleasure....

Escapade

Passion blooms between business rivals in this alluring tale from New York Times bestselling author Diana Palmer

Lie by Moonlight

"Hired to tutor four orphaned girls at remote, ramshackle Aldwick Castle, Miss Concordia Glade is pleased to find her pupils both eager and bright. Indeed, they are bright enough to have noticed some oddities about their situation. Provided for by an unseen benefactor, they are surrounded at all times by hard-eyed guards in the guise of gardeners - and their previous tutor, she learns, disappeared under mysterious circumstances." "Stepping into this uncertain atmosphere, Concordia sees at once what must be done. The plan is daring in scope and execution, but with the help of her four students, the great escape stands a good chance of success. Of course, even the best-laid plans can go awry ... and even the most independent, strong-minded lady must occasionally accept an offer of help." "During an investigation into a woman's death, private inquiry agent Ambrose Wells finds himself on the castle grounds - and in the middle of chaos. The building is in flames. People are dead. And a woman and four girls are fleeing on horseback. A confirmed loner, Ambrose nevertheless finds himself taking Concordia and her students under his wing. His past has made him eminently suitable to protect them from the person behind the events at Aldwick Castle: a notorious London crime lord who will stop at nothing to destroy those who know his secrets." "Their lives at risk, Concordia and the girls must remain safely in hiding until Ambrose is able to unravel the dark conspiracy. But if the girls have learned anything from Miss Glade, it is the value of curiosity - a quality their teacher possesses in great abundance. She has never been one to sit back quietly and let others take care of her. As the danger circles ever closer,

Ambrose and Concordia must work together to discover a way out of the darkness. In the process, they will learn a few lessons themselves - about stubbornness, courage, and love."--BOOK JACKET.

A Brief History of the Crusades

Why did the medieval Church bless William of Normandy's invasion of Christian England in 1066 and authorise cultural genocide in Provence? How could a Christian army sack Christian Constantinople in 1204? Why did thousands of ordinary men and women, led by knights and ladies, kings and queens, embark on campaigns of fanatical conquest in the world of Islam? The word 'Crusade' came later, but the concept of a 'war for the faith' is an ancient one. Geoffrey Hindley instructively unravels the story of the Christian military expeditions that have perturbed European history, troubled Christian consciences and embittered Muslim attitudes towards the West. He offers a lively record of the Crusades, from the Middle East to the pagan Baltic, and fascinating portraits of the major personalities, from Godfrey of Bouillon, the first Latin ruler of Jerusalem, to Etienne, the visionary French peasant boy who inspired the tragic Children's Crusade. Addressing questions rarely considered, Hindley sheds new light on pressing issues surrounding religious division and shows how the Crusades have helped to shape the modern world and relations between Christian and Muslim countries to this day.
