De bloementuin van Harper House

Drie vrouwen ontmoeten elkaar op een keerpunt in hun leven. Ieder van hen zoekt naar een manier om verder te groeien. Bij elkaar vinden ze de moed om risico's te nemen en de toekomst te omarmen. (1) DE BLAUWE DAHLIA Stella Rothchild heeft alles graag onder controle en laat liever niets aan het toeval over. Maar wanneer ze haar hart openstelt voor een nieuwe liefde, komt ze tot de ontdekking dat ze geen gevaar uit de weg zal gaan om te beschermen wat van haar is. Twee jaar na de dood van haar man, verhuist ze met haar twee zoontjes naar het eeuwenoude landgoed Harper House, waar ze de baan van haar dromen heeft gevonden als manager van het tuincentrum dat eigenares Roz Harper er heeft opgezet. Ze vindt er ook de man van haar dromen - alleen lijkt iets of iemand erop gebrand een eind aan hun ontluikende romance te maken. (2) DE ZWARTE ROOS Het leven heeft Rosalind Harper sterk gemaakt, sterk genoeg om elke storm het hoofd te bieden. Vroeg achtergebleven als weduwe met drie zoons, sloot ze een tweede huwelijk, dat op een ramp uitliep. Maar ze kwam het te boven en begon een tuincentrum, dat inmiddels een bloeiend bedrijf is. En meer: een symbool van hoop en onafhankelijkheid. Nu wordt haar toekomst bedreigd, en ze weet dat ze deze strijd niet alleen kan voeren. Omdat de sleutel in het verleden ligt, schakelt ze genealoog Mitchell Carnegie in. Het is een stap die onverwachte gevolgen heeft, want ze wordt verliefd op hem. En terwijl de liefde tussen hen ontkiemt, groeit ook het gevaar. (3) DE RODE LELIE Toen Hayley Phillips twee jaar geleden naar Memphis kwam, was ze op zoek naar een manier om opnieuw te beginnen. Naar een nieuwe start voor zichzelf en voor het kind dat ze verwachtte. Wat ze vond, was een leuke baan en een warm thuis in Harper House - en fantastische nieuwe vrienden. Eén van hen is de zoon des huizes: de onpeilbare Harper. Haar kleine meid is niet bij hem weg te slaan, en Hayley begrijpt steeds beter hoe dat komt. Maar tegelijk met haar ontluikende liefde voor Harper, groeit er een enorme haat in haar. Een haat waarover ze geen controle lijkt te hebben. Het is alsof ze bezeten raakt. Zijn haar gevoelens nog wel van haarzelf? Deze boeken zijn ook los verkrijgbaar.

'A dazzling novel of great compassion' Laura Moriarty 'An extraordinary read, the kind of book that makes you sob and smile' Tatiana de Rosnay 'Blum plumbs the depths of loss and love in this exquisite page-turner' People In 1960s Manhattan, patrons flock to Masha's to savor its brisket Wellington and impeccable service, and to admire its dashing owner and head chef, Peter Rashkin. With his movie-star good looks and tragic past, Peter, a survivor of Auschwitz, is the most eligible bachelor in town. But he has resigned himself to a solitary life. Running Masha's consumes him, as does the terrible guilt of having survived the horrors of a Nazi death camp while his wife, Masha - the restaurant's namesake - and two young daughters perished. Then exquisitely beautiful June Bouquet, an up-and-coming model, appears at the restaurant, piercing Peter's guard. Though she is twenty years his junior, the two begin a passionate, whirlwind courtship. When June unexpectedly becomes pregnant, Peter proposes, believing that beginning a new family with the woman he loves will allow him to let go of the atrocities of the past, even though he cannot forget all that he has lost. But over the next twenty years, the indelible

sadness of those memories will overshadow Peter, his new wife, June, and their daughter, Elsbeth, transforming them in heartbreaking and unexpected ways. The Lost Family is a charming, funny, and elegantly bittersweet study of the repercussions of loss and love that spans a generation, from the 1960s to the 1980s. It is a vivid portrait of marriage, family, and the haunting grief of World War II.

Rhymes and Rhythms (P)

This book is a fun twist to some of the classic nursery rhymes you grew up hearing, with some new additions that are sure to tickle your belly. It's for anyone with an imagination, so prepare yourself for this fantastic ride.

Children's Counting-out Rhymes, Fingerplays, Jump-rope, and Bounce-ball Chants and Other Rhythms

This delightful collection of poems for children has a wide range of subjects. The first poem, 'The Word Wizard', tells us all to put our wizard hats on, catch the spinning words and write them down. Thus, the young readers are involved from the outset. Some poems could be sung or even danced! The second poem, 'Sunrise', could inspire a painting. These poems which include the natural world, ancient tales of adventure, nonsense type poems, will all stretch the imaginations of their young readers, their parents

and teachers. 'Talking with Dancing Hands' is especially poignant. There is something for everyone here and this fun, uplifting and heartfelt collection is greatly to be recommended.

Nursery Rhymes and Rhythms

First Published in 2002. Routledge is an imprint of Taylor & Francis, an informa company.

Star-spangled Rhythms and Rhymes

The New Unity

The church in the West is at a critical moment, facing assault from aggressive secularism and radical Islam. What is needed, says Os Guinness, are "impossible people," followers of Christ willing to face reality without flinching and respond with unwavering faithfulness. Christians are called to be full of courage and mercy in challenging times.

Impossible People

National Book Award Finalist: "This man's ideas may be the most influential, not to say controversial, of the second half of the twentieth century."—Columbus Dispatch At the heart of this classic, seminal book is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three thousand years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. "Don't be put off by the academic title of Julian Jaynes's *The Origin of Consciousness in the Breakdown of the Bicameral Mind*. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor."—The New York Times "When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis."—John Updike, The New Yorker "He is as startling as Freud was in *The Interpretation of Dreams*, and Jaynes is equally as adept at forcing a new view of known human behavior."—American Journal of Psychiatry

Designed to empower preachers as they lead their congregations to connect their lives to Scripture, *Connections* features a broad set of interpretive tools that provide commentary and worship aids on the Revised Common Lectionary. This nine-volume series offers creative commentary on each reading through the lens of its connections to the rest of Scripture and then seeing the reading through the lenses of culture, film, fiction, ethics, and other aspects of contemporary life. Commentaries on the Psalms make connections to other readings and to the congregation's experience of worship. *Connections* is published in partnership with Austin Presbyterian Theological Seminary.

The Great Commission

Winner of the 2014 Nobel Peace Prize In 2009 Malala Yousafzai began writing a blog on BBC Urdu about life in the Swat Valley as the Taliban gained control, at times banning girls from attending school. When her identity was discovered, Malala began to appear in both Pakistani and international media, advocating the freedom to pursue education for all. In October 2012, gunmen boarded Malala's school bus and shot her in the face, a bullet passing through her head and into her shoulder. Remarkably, Malala survived the shooting. At a very young age, Malala Yousafzai has become a worldwide symbol of courage and hope. Her shooting has sparked a wave of solidarity across Pakistan, not to mention globally, for the right to education, freedom from terror and female emancipation.

The Advocate

The Courage of Success is an autobiography of how you can overcome whatever life may throw at you because, with God, all things are possible. In every area of our lives, we must possess some level of courage to succeed, spiritually, relationally, financially, physically, and mentally. It takes courage to move beyond where you currently are. I take courage to step out onto uncharted waters in faith, which is always a risk; however, when you begin to shift your thinking, the ability to conquer anything comes. Obstacles may come to block your progress and all that God had promised you, but never give up! Resilience is the key to success. "Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go" (Joshua 1:9).

Special Central American Economic Assistance

It's tempting to believe that the Christian faith is alive and well in our country today. Our politicians talk about God. Our mega-churches are filled. Christian schools dot our landscape. Brace yourself. It's an illusion. Believe it or not, only 8 percent of Americans profess and practice true evangelical Christian faith. There are more left-handed people than evangelical Christians in America. In this book, Mark Driscoll delivers a wake-up call for every believer: We are living in a post-Christian culture—a culture fundamentally at odds with faith in Jesus. This is good and bad news. The good news is that God is still working, redeeming people from this spiritual wasteland and inspiring a resurgence of faithful believers. The bad news is that many believers just don't get it. They continue to gather exclusively into insular tribes, lobbing e-bombs at each other in cyberspace. Mark's book is a clarion call for Christians. It's time to get to work. We can only do this if we unite around Jesus and the essentials found in his Word, while at the same time, appreciating the distinctives within each Christian tribe. Mark shows us how to do just that. This isn't the time to wait or debate. Join the resurgence.

Outlook

Christianity Today Book Award winner Imagine the scenarios: a CEO successfully negotiates a corporate merger, avoiding hundreds of layoffs in the process an artist completes a mosaic for public display at a bank, showcasing neighborhood heroes a contractor creates a work-release program in cooperation with a local prison, growing the business and seeing countless former inmates turn their lives around a high-school principal graduates 20 percent more students than the previous year, and the school's average scores go up by a similar percentage Now imagine a parade in the streets for each event. That's the vision of Proverbs 11:10, in which the tsaddiqim—the people who see everything they have as gifts from God to be stewarded for his purposes—pursue their vocation with an eye to the greater good. Amy Sherman, director of the Center on Faith in Communities and scholar of vocational stewardship, uses the tsaddiqim as a springboard to explore how, through our faith-formed calling, we announce the kingdom of God to our everyday world. But cultural trends toward privatism and materialism threaten to dis-integrate our faith and our work. And the church, in ways large and small, has itself capitulated to those trends, while simultaneously elevating the "special calling" of professional ministry and neglecting the vocational formation of laypeople. In the process, we have, in ways large and small, subverted our kingdom mandate. God is on the move, and he calls each of us, from our various halls of power and privilege, to follow him. Here is your chance, keeping this kingdom calling in view, to steward your faith and work toward righteousness. In so doing, you will bless the world, and as you flourish, the world will celebrate.

The Living Church

For every wounded warrior, there is a wounded home--an immediate and extended family and community impacted by their loved one's war experiences. Every day service members are returning from combat deployments to their families. And every day war comes home with them. When a combat

veteran struggles with post-traumatic stress disorder (PTSD) and/or traumatic brain injury (TBI), every member of the family experiences the effects. Spouses, parents, and children must undergo changes on the home front, a process that resembles the phases of grief. Confusion, hurt, anger, guilt, fatigue, and fear lie behind their brave smiles and squared shoulders. Wounded Warrior, Wounded Home gives hurting families a look inside the minds and hearts of wounded warriors and guides them in developing their own personal plan for physical, emotional, and spiritual wholeness in the wake of war. The authors, one the wife of a career US Navy SEAL and the other a clinical psychologist and Vietnam veteran, speak from their own experiences of living with PTSD and TBI. They also share insights from dozens of families and careful research, offering readers a hope-filled way forward.

The perfect gift! A specially priced, beautifully designed hardcover edition of The Joy of the Gospel with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, The Joy of the Gospel is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of Catholicism: A Journey to the Heart of the Faith and James Martin, SJ, author of Jesus: A Pilgrimage
