

Assessing The Causes Of Short Term Pastorates An Applied Research Project

[#short term pastorates](#) [#causes of pastoral turnover](#) [#pastor retention strategies](#) [#clergy longevity research](#) [#church leadership stability](#)

This applied research project aims to comprehensively assess the underlying causes contributing to short-term pastorates. By investigating various influencing factors, the study seeks to understand challenges in clergy tenure and provide insights for improving pastoral retention and overall church leadership stability.

All research content is formatted for clarity, reference, and citation.
