The Little Book of Bob

The new book from James and street cat Bob. 'One thing I've known about Bob from the very beginning is that he possesses a wisdom that is unusual, even in cats. In the decade since we met he's grown even wiser in my eyes. This book is a collection of the insights I've gained during my years with Bob.' In the spring of 2007, busker James Bowen came across an injured ginger tom cat in the hallway of his shelter in north London. What he didn't know was that this would be the start of a friendship that would turn both their lives around, and lead to A Street Cat Named Bob, the international bestseller that tells the story of their friendship. The Little Book of Bob is a collection of the wisdom James has learnt from Bob throughout the years, as they go through thick and thin together. From the power of friendship to staying calm and finding the joys in a simple life, let Bob be your guide on how to navigate the ins and outs of life like a wise street cat. (P)2019 Hodder & Stoughton Limited

Big Cat, Little Cat

A 2018 Caldecott Honor book There was a cat who lived alone. Until the day a new cat came . . . And so a story of friendship begins, following the two cats through their days, months, and years until one day, the older cat has to go. And he doesn't come back. This is a poignant story, told in measured text and bold black-and-white illustrations about the act of moving on.

Am I White Or Black

This is the best cat book you can ever find. Everything is so fluffy and airy-fairy in the kitty-catty world. Cats know their worth, acting grand and being as laid-back as they ever can be. They are licking their

soft fur and laze up in the sun. But there is one catch in this harmony: two cat groups are not friends in between as they don't really see the point in doing that. Smart and fine tabby cat comes to a town. He is a cool and trendy big city cat. This cat is also very smart. Stripy decides to show other cats how much fun it is to be friends. The story is written in a light and fun way. It is filled with amazing kitty pictures which will keep your child entertained right to the end of story. Your child will learn the most important life lesson about how great it is to be friends with someone, and that despite outward differences, inside we are all very cool.

I am Cat

A cat sleeps, curled up in a warm place, and while it sleeps it dreams. . . of being a tiger, flame cat of the forest; a cheetah - fast as the wind on the African plains; a lion, lounging through the heat of the day, tangled in sunshine on the African savannah; a jaguar, perfectly camouflaged deep in the jungle. And the cat dreams of being a lynx, a puma, a snow leopard, a Scottish wild cat, an Asian fishing cat, and the rare Amur leopard. Finally Cat wakes, a domestic cat again, telling his dreams to the child who is stroking him. Ten wild habitats, ten wild cats and one domestic cat are dramatically and beautifully illustrated in this unique celebration of the cat.

Seven Lives and One Great Love

A haughty and hilarious cat narrates this tale about seducing a resistant human . . . Anyone who has ever lived with cats knows how cunning, tender, smart, ferocious, underhanded, ingenious, foolish, and completely adorable they can be. These words describe Sugar Zach to a T. This is the epic story of the love between Sugar Zach—in his seventh life, a keenly intelligent and observant cat—and the Damsel, a writer with a frenetic lifestyle and an apparent abhorrence of things feline. Sugar Zach's powers of observation and analysis are unparalleled, and after six lives lived among people from all walks of life he has countless stories to tell and a remarkable talent for telling them. His real area of expertise, however, lies in his preternatural ability to domesticate his humans—whatever you do, don't even suggest that the humans are the ones who domesticate him. Yet he is flummoxed by the Damsel's indifference to his charms. But he is not going to let her coldness stop him: One way or another, he is going to insinuate himself into her life and her art. With wit and a broad repertoire of cultural references, Sugar Zach recounts his days and nights spent with the Damsel in a novel that fits squarely into the illustrious tradition of feline literature à la T. S. Eliot, Edgar Allan Poe, Charles Baudelaire, Charles Bukowski, and Louis-Ferdinand Céline.

A BBC Radio 2 Book Club Pick 'Ingenious ... touching, surprising and sometimes heartbreaking.' Guardian 'If you're itching to read a new novel by David Mitchell ... try this.' The Times
In Tokyo - one of the world's largest megacities - a stray cat is wending her way through the back alleys. And, with each detour, she brushes up against the seemingly disparate lives of the city-dwellers, connecting them in unexpected ways. But the city is changing. As it does, it pushes her to the margins where she chances upon a series of apparent strangers - from a homeless man squatting in an abandoned hotel, to a shut-in hermit afraid to leave his house, to a convenience store worker searching for love. The cat orbits Tokyo's denizens, drawing them ever closer. 'Masterfully weaves together seemingly disparate threads to conjure up a vivid tapestry of Tokyo; its glory, its shame, its characters, and a calico cat.' A Cat and Mouse Love Story

The Cat Who Saved Books is a heartwarming story about finding courage, caring for others – and the tremendous power of books. 'Enchanting' – Observer _____ Grandpa used to say it all the time: Books have tremendous power. But what is that power really? Natsuki Books was a tiny second-hand

bookshop on the edge of town. Inside, towering shelves reached the ceiling, every one crammed full of wonderful books. Rintaro Natsuki loved this space that his grandfather had created. He spent many happy hours there, reading whatever he liked. It was the perfect refuge for a boy who tended to be something of a recluse. After the death of his grandfather, Rintaro is devastated and alone. It seems he will have to close the shop. Then, a talking tabby cat called Tiger appears and asks Rintaro for help. The cat needs a book lover to join him on a mission. This odd couple will go on three magical adventures to save books from people who have imprisoned, mistreated and betrayed them. Finally, there is one last rescue that Rintaro must attempt alone . . . Sosuke Natsukawa's international bestseller, translated from Japanese by Louise Heal Kawai, is a story for those for whom books are so much more than words on paper.

Lewis the Cat

The brilliant debut from a rising star of the picture book world, tipped as 'one to watch' by The Bookseller magazine. Isobel's grandma has lost her glasses and she can't see a thing without them. While Isobel and Gran are in the garden searching for the specs, they come across a cat. A very big cat. A very big and friendly cat. The big cat moves in with them, much to the disgust of all gran's other cats. He might be good fun, but he takes up lots of space and eats every scrap of food. Eventually the new cat's mum and dad turn up, looking for their missing son. And they just happen to have found gran's glasses too. The tiger family are delighted to be reunited – and gran now sees that she's been sharing her house with... a tiger! A heartwarming and surreal romp, packed with jokes and funny details and with an underlying message of acceptance. Emma's bright colours and brilliant characterisation gives the book the look of a classic from the 1970s or earlier, but with a very modern sense of humour and sensibility.

Big Cat

Cat lovers cuddle, caress, and cater to their adorable but aloof feline friends. The cat, in fact, has become one of the country's most beloved pets, with some 90 million kitties claimed by doting owners. Now, Leigh Anne Jasheway's *Bedtime Stories for Cats* gives cat lovers everywhere new and inventive stories to lull their furballs to sleep. In "Rumpled Katzkin," for example, silky Phoebe the Cat impersonates Barbra Streisand, but longs not for riches but for more time with her nerdy owner. In "Kitty and the Beast," a not-so-beautiful cat adopts a young girl who subsequently learns that beauty is only fur deep. And in "Puss and the Missing Boots," feline detective Pussywillow Claudius Rex the Third ("The name's Puss") solves the mystery when Dollface Molloy's blue suede, over-the-knee boots are reportedly stolen by a cat burglar. *Bedtime Stories for Cats* is a humorous feline-oriented interpretation of some of America's favorite classics, from "The Three Alley Cats Gruff" to "Catpunzel." Jasheway has written a purrfectly delightful book guaranteed to make readers meow.
