The Texan's Surprise Return

His greatest Christmas gifts... "Is that you? You're...you're alive."An unforgettable family reunion for the holidays. For three years, Xavier De La Rosa's family thought he was dead. Now Xavier is back home in Texas for Christmas, and finds a wife he can't remember and adorable triplets he never knew existed. Can Xavier reclaim his memories and the love he left behind...before he returns to the job that nearly killed him? Cowboys of Diamondback Ranch

The Texan's Surprise Return

Is he ready to be a family man? He's always been a loner, but coming home could change everything... Returning to his hometown, Bridges Espinoza's surprised to find his cousin's widow, Lilianna—the woman he once secretly loved—there as well. But even more stunning is the child who shows up claiming to be his son. Certain he can't be a father, Bridges works with Lilianna to find the truth. But a shocking discovery about Cooper's parentage could tear their makeshift family apart... From Harlequin Love Inspired: Uplifting stories of faith, forgiveness and hope. Cowboys of Diamondback Ranch Book 1: The Texan's Secret Daughter Book 2: The Texan's Surprise Return Book 3: The Texan's Promise Book 4: The Texan's Unexpected Holiday Book 5: The Texan's Truth

The Texan's Truth

Can this rancher make up for his past?A Cowboys of Diamondback Ranch romance Turning his life around was the hardest thing Elijah De La Rosa ever had to do—until his ex-wife, Jazmine Daniels, returns with their young daughter he didn't know existed. Now this successful rancher will do anything to be a good father. But can he forgive himself for the past...and turn their second chance into a family for always?

The Texan's Secret Daughter

Rancher Flint is one of the wealthiest men in the world and one of the hottest bachelors in Texas. When vet Lora is attacked Flint is determined to protect her. This billionaire is used to getting what he wants and he wants Lora safe, in his arms...and in his bed.

Platinum Cowboy (Mills & Boon Intrigue)

From the author of the Sunday Times No. 1 bestseller *The President is Missing* Officer Rory Yates is called home to settle deadly scores. His skill and commitment to the badge have seen him rise through the ranks in the Texas Ranger division, but it has come at a cost – his marriage. When he receives a worrying phone call from his ex-wife, Anne, Rory speeds to what used to be their marital home. He arrives to a horrifying crime scene and an appalling accusation: he is named a suspect in Anne's murder. Rory's only choice is to find the killer himself, risking his job, his pride and his reputation to pursue the truth. Rory follows the Ranger creed – never to surrender. That code just might bring him out alive.

Texas Ranger

Jessie Kincaid was fifteen and innocent when Cameron asked her to the prom. She lost her heart that night, but his plans didn't change. He left their small town to pursue his dreams. Seventeen years later, a trip home leads Cameron McCade back to Salt Fork, Texas and the newly widowed Jessie Devine. Since his return, the fire between them burns as hot as ever. Can they take up where they left off? Can Jessie risk her heart again? KEYWORDS: contemporary western romance, Texas romance, cowboy romance, Free, freebie, steamy romance, reunion romance, second chance romance, alpha male, small town romance, rancher, doctor, medical

The Doctor Wears A Stetson

Sometimes finding common ground is easier said than done... He's in town on a mission...Will she change his mind? When a lightning storm lands Quinn Sinclair on single mom Belle De La Rosa's ranch, she finds herself drawn to the handsome conservationist and his children. Belle isn't looking for love—not while she's trying to sell part of her ranch to developers to stay afloat. But when she discovers that Quinn's purpose in town is to stop the sale, can she trust him...with her heart? Cowboys of Diamondback Ranch

The Texan's Promise

They fondly remember the times when they buzzed over the homes of their Florida "families" to let them know to expect them for Sunday dinner. More than fifty years later, their stories still resonate with universal emotions: fear of failure, love of country, camaraderie, romantic love, and the pain of tragic deaths. Their stories also remind the American reader of a unique time in our history, when, poised on the brink of war, the United States reached out to help a country in distress."--BOOK JACKET.

The Publishers' Trade List Annual

Runner-up, Best Popular Fiction in English, Latino Book Awards Competition, 2010 The golondrina is a small and undistinguished swallow. But in Spanish, the word has evoked a thousand poems and songs dedicated to the migrant's departure and hoped-for return. As such, the migrant becomes like the swallow, a dream-seeker whose real home is nowhere, everywhere, and especially in the heart of the person left behind. The swallow in this story is Amada García, a young Mexican woman in a brutal marriage, who makes a heart-wrenching decision—to leave her young daughter behind in Mexico as she escapes to el Norte searching for love, which she believes must reside in the country of freedom. However, she falls in love with the man who brings her to the Texas border, and the memories of those three passionate days forever sustain and define her journey in Texas. She meets and marries Lázaro Mistral, who is on his own journey—to reclaim the land his family lost after the U.S.-Mexican War. Their opposing narratives about love and war become the legacy of their first-born daughter, Lucero, who must reconcile their stories into her struggle to find "home," as her mother, Amada, finally discovers the country where love beats its infinite wings. Bárbara Renaud González, a native-born Tejana and acclaimed journalist, has written a lyrical story of land, love, and loss, bringing us the first novel of a working-class Tejano family set in the cruelest beauty of the Texas panhandle. Her story exposes the brutality, tragedy, and hope of her homeland and helps to fill a dearth of scholarly and literary works on Mexican and Mexican American women in post-World War II Texas.

RAF Wings Over Florida

In Cadillac Jack, Larry McMurtry—Pulitzer Prize-winning author of Lonesome Dove—proves his unique talent for conjuring up the real, often eccentric people who inhabit the American heartland and for capturing the peculiarly American search for new frontiers and adventure. Cadillac Jack is a rodeo-cowboy-turned-antique-scout whose nomadic, womanizing life—centered on his classic pearl-colored Cadillac—rambles between the Texas flatlands of flea markets and small-time auctions and Washington, D.C.'s political-social life of parties, hustlers, vixens, and spies. Along the way he meets a cast of indelibly etched characters: among them, the strikingly beautiful, social-climbing Cindy Sanders; Boog Miller, the tackily-dressing millionaire good ol' boy who patronizes Jack's business and who has more political muscle than a litter of lobbyists; Khaki Descartes, the pushy, brain-picking, Washington woman reporter; Freddy Fu, an undercover CIA agent working out of a greasy barbecue joint called The Cover-Up; and Jean Arber, the mother of two and a fledgling antique-store owner who can't quite figure out if she'll marry Jack or not. Wild, touching, and hilariously funny, Cadillac Jack is Larry McMurtry's raucous social satire of sex, politics, and love in the fast lane, peopled with Americans only he could render.

Golondrina, why did you leave me?

Mystery, mayhem, madness, margaritas, and Mexico. "My Bad Tequila" is one man's epic journey across two continents and four countries with 50 years of adventure.

Cadillac Jack

Praise for Mind Gym "Believing in yourself is paramount to success for any athlete. Gary's lessons and David's writing provide examples of the importance of the mental game." --Ben Crenshaw, two-time Masters champion and former Ryder Cup captain "Mind Gym hits a home run. If you want to build mental muscle for the major leagues, read this book." --Ken Griffey Jr., Major League Baseball MVP "I read Mind Gym on my way to the Sydney Olympics and really got a lot out of it. Gary has important lessons to teach, and you'll find the exercises fun and beneficial." --Jason Kidd, NBA All-Star and Olympic gold-medal winner In Mind Gym, noted sports psychology consultant Gary Mack explains how your mind influences your performance on the field or on the court as much as your physical skill does, if not more so. Through forty accessible lessons and inspirational anecdotes from prominent athletes--many of whom he has worked with--you will learn the same techniques and exercises Mack uses to help elite athletes build mental "muscle." Mind Gym will give you the "head edge" over the competition.

My Bad Tequila

Can one Christmas change everything? Temporary shelter... or new forever home? Driven to get her sister and baby niece out of a dangerous situation, Lexy Zapata brings them with her to her new job near Damian De La Rosa's family's ranch. Now they can stay hidden through the holidays while Lexy plans their next move. But when she starts to fall for Damian, can his ranch become her family's safe haven for good? From Harlequin Love Inspired: Uplifting stories of faith, forgiveness and hope. Cowboys of Diamondback RanchBook 1: The Texan's Secret Daughter Book 2: The Texan's Surprise Return Book 3: The Texan's Promise Book 4: The Texan's Unexpected Holiday

Mind Gym

Tracks and Shadows is both an absorbing autobiography of a celebrated field biologist and a celebration of beauty in nature. Harry W. Greene, award-winning author of Snakes, delves into the poetry of field biology, showing how nature eases our existential quandaries. More than a memoir, the book is about the wonder of snakes, the beauty of studying and understanding natural history, and the importance of sharing the love of nature with humanity. Illustrations.

The Texan's Unexpected Holiday

A riveting work of investigative journalism that charts the rise of the dietary supplement craze and reveals the dangerous—and sometimes deadly—side of these highly popular and completely unregulated products. Over 60 percent of Americans buy and take herbal and dietary supplements for all sorts of reasons—to prevent illness (vitamin C), to ease depression (St. John's wort), to aid weight loss (ephedra), to boost the memory (ginkgo biloba), and even to cure cancer (shark cartilage, bloodroot)—despite the fact that few of these “natural” supplements have been proven to be safe or

effective. The vitamin and herbal supplement industry generates over \$20 billion a year by selling products that promise to cure or fix, but are produced and marketed essentially without oversight. And while the media has been quick to sensationalize the benefits of supplements, few have taken a hard look at the dangers posed by many of the remedies flooding the market today. Award-winning journalist Dan Hurley breaks the silence for the first time in *Natural Causes*. From the snake-oil salesmen of the early twentieth century, to rise of the health food movement in the sixties and seventies, Hurley charts the remarkable growth of an industry built largely on fraud, and reveals the backroom politics that led to the passage of the Dietary Supplement Health and Education Act of 1994, which effectively freed the industry from FDA oversight. In unprecedented detail, he shows how supplement manufacturers have concealed the truth about dozens of untested treatments and the shocking rise in deaths, disfigurements, and life-threatening injuries caused by products deceptively promoted as “safe and natural.” Most importantly, he provides a telling look at why, in an age of unprecedented scientific advancement, we continue to buy and believe in remedies for which little evidence exists—and why the supplements we take to promote our health may be doing far more harm than good. As Hurley shows, the dietary supplement craze may be one of the greatest swindles ever perpetrated on the American public—one that feeds billions of dollars each year into the pockets of lobbyists, politicians, and any charlatan who wants to slap a label on a bottle and tout it as the next big “natural cure.” Blending hard facts with spellbinding personal stories, *Natural Causes* is a must-read for anyone who has ever popped a multivitamin or an herb, and provides a hard-hitting, frightening look at a cultural trend that is out of control.

Tracks and Shadows

Along with stunning photography—including every one of the magazine's covers since 1954--and the great writing that has appeared in "Sports Illustrated's" pages, this invaluable volume is chock-full of facts and figures spanning a half-century of American sports. 300+ photos.

Natural Causes

Their lives are in danger...and so are their hearts!

Sports Illustrated The 50th Anniversary Book

WINNER OF THE EDGAR AWARD WINNER OF THE PETER LOVESEY FIRST CRIME NOVEL CONTEST Friday Night Lights gone dark with *Southern Gothic*; Eli Cranor delivers a powerful noir that will appeal to fans of Wiley Cash and Megan Abbott. In Denton, Arkansas, the fate of the high school football team rests on the shoulders of Billy Lowe, a volatile but talented running back. Billy comes from an extremely troubled home: a trailer park where he is terrorized by his mother's abusive boyfriend. Billy takes out his anger on the field, but when his savagery crosses a line, he faces suspension. Without Billy Lowe, the Denton Pirates can kiss their playoff bid goodbye. But the head coach, Trent Powers, who just moved from California with his wife and two children for this job, has more than just his paycheck riding on Billy's bad behavior. As a born-again Christian, Trent feels a divine calling to save Billy—save him from his circumstances, and save his soul. Then Billy's abuser is found murdered in the Lowe family trailer, and all evidence points toward Billy. Now nothing can stop an explosive chain of violence that could tear the whole town apart on the eve of the playoffs.

The Billionaire's Colton Threat (Mills & Boon Romantic Suspense) (The Coltons of Shadow Creek, Book 9)

Requirements for professional media editing have undergone enormous technological change. Editors still edit copy. But today they do much more. Mass media editors must demonstrate skills from computerized pagination to social media monitoring, from image manipulation to Search Engine Optimization. The need for editing skills is reaching far beyond traditional journalism and into all areas of mass media, from newspapers to strategic communication. Public relations practitioners are expected to edit. Even advertising creative professionals must edit. And journalists taking on new roles as social media editors need to understand editing at the speed of digital media. This textbook aims to prepare university-level students for these expanded editing roles in an age of convergence. Thirteen authors representing many years of collective media experience examine both traditional editing roles and new editing needs. While many mass media students will not become professional editors, this textbook assumes nearly all will need competent editing knowledge to produce products of professional quality. Editing, the authors believe, remains a bedrock skill for all students who hope to be successful in the

mass media. Instructors considering this book for use in a course may request an examination copy here.

Field of Schemes

What is an elite NFL QB and what separates that player from the others? One answer is the coach they share. In the recent history of the biggest game on earth, one man is the common thread that connects several of the very best in the sport: Peyton Manning; Ben Roethlisberger; Andrew Luck; and the resurgent Carson Palmer. That coach is Bruce Arians. A larger than life visionary who trained under the tutelage of Bear Bryant, Arians has had a major impact on the development and success of each of these players. For proof beyond the stats, go to the sources. Bruce is gonna love you when you need some loving, but he's gonna jump on you when you're not doing right. - Peyton Manning He coaches the way players want to be coached. - Ben Roethlisberger He made players comfortable around him and let everybody have their own personality. He didn't force anybody to be someone they weren't. It may sound a little corny or cheesy, but there's merit to that. I felt comfortable being myself and I felt he had my back. - Andrew Luck We're a resilient group. It trickles down from the head coach. I think good teams, really good teams, and hopefully great teams take on their coach's mentality. I think that's what B.A. brings... - Carson Palmer Known around the game as the 'quarterback whisperer', Arians has an uncanny ability to both personally connect with his quarterbacks and to locate what the individual triggers are for that player to succeed. No two quarterbacks are the same. And yet with Arians they always share success. In this book Arians will explain how he does it.

Don't Know Tough

Recipes from classic mystery stories. "Relive your favorite classic crime fiction and then whip up the food that helped solve the crime."--Back cover

The New York Times Index

A stellar group of writers, scientists, and educators illuminate the intersections between environmental science, creative writing, and education, considering ways to strengthen communication between differing fields with common interests. The contributing authors include Ken Brewer, Dan Flores, Hartmut Grassl, Carolyn Tanner Irish, Ted Kerasote, William Kittredge, Ellen Meloy, Louis Owens, Jennifer Price, Robert Michael Pyle, Kent C. Ryden, Annick Smith, Craig B. Stanford, Susan J. Tweit, and Keith Wilson.

Editing Across Media

She's focused on winning gold. He wants to lose the player tag. Can a fake relationship become something real? Aussie short track skater Holly Travers has one goal - make the Vancouver Games, no matter what it takes. She has no time for distractions, even if they come in the handsome form of her Canadian best friend's twin brother. This hockey player may say he's not a player, but can she trust him? Brent Karlsson has one goal - make his sister's best friend realize he's a changed man and she should give him a chance. When a set-up in Hawaii helps these two opposites realize they have more in common than they thought, what happens when he wants to turn their fake relationship into something real? And how can a relationship work when these two elite athletes never see each other and live on opposite sides of the world? Love on Ice is the second book in the Original Six hockey romance series, a sweet, slightly sporty, contemporary romance series.

The Quarterback Whisperer

Forgotten Grasslands of the South is the study of one of the biologically richest and most endangered ecosystems in North America. In a seamless blend of science and personal observation, renowned ecologist Reed Noss explains the natural history of southern grasslands, their origin and history, and the physical determinants of grassland distribution, including ecology, soils, landform, and hydrology. In addition to offering fascinating new information about these little-studied ecosystems, Noss demonstrates how natural history is central to the practice of conservation. Although theory and experimentation have recently dominated the field of ecology, ecologists are coming to realize how these distinct approaches are not divergent but complementary, and that pursuing them together can bring greater knowledge and understanding of how the natural world works and how we can best conserve it. This long-awaited

work sets a new standard for scientific literature and is essential reading for those who study and work to conserve the grasslands of the South as well as for everyone who is fascinated by the natural world.

Known simply as "America's Team," the Dallas Cowboys are one of football's most storied franchises and always begin each season with a legitimate chance to add another Super Bowl title to their existing five. Author and Cowboys employee Nick Eatman, through interviews with current and past players, provides fans with a one-of-a-kind, insider's look into the great moments and the lowlights throughout the team's history. Readers will hear from players, coaches, and management as they discuss their moments of greatness as well as their defeats, making *If These Walls Could Talk: Dallas Cowboys* a keepsake no fan will want to miss.

Love on Ice

It took losing his sight to find his way home. When his world goes dark, she's there to help... Widower and single dad Dr. Zac Calhoun thinks he can handle anything life throws at him...until an incident at his mission leaves him blind and reeling. But when nurse Abby Armstrong steps in to help Zac and his twin girls at the family's ranch, he feels less lost and alone. With Abby by his side, can Zac find hope again?

Forgotten Grasslands of the South

NEW YORK TIMES BESTSELLER • The NBA according to The Sports Guy—now updated with fresh takes on LeBron, the Celtics, and more! Foreword by Malcom Gladwell • “The work of a true fan . . . it might just represent the next phase of sports commentary.”—The Atlantic Bill Simmons, the wildly opinionated and thoroughly entertaining basketball addict known to millions as ESPN's The Sports Guy, has written the definitive book on the past, present, and future of the NBA. From the age-old question of who actually won the rivalry between Bill Russell and Wilt Chamberlain to the one about which team was truly the best of all time, Simmons opens—and then closes, once and for all—every major pro basketball debate. Then he takes it further by completely reevaluating not only how NBA Hall of Fame inductees should be chosen but how the institution must be reshaped from the ground up, the result being the Pyramid: Simmons's one-of-a-kind five-level shrine to the ninety-six greatest players in the history of pro basketball. And ultimately he takes fans to the heart of it all, as he uses a conversation with one NBA great to uncover that coveted thing: The Secret of Basketball. Comprehensive, authoritative, controversial, hilarious, and impossible to put down (even for Celtic-haters), *The Book of Basketball* offers every hardwood fan a courtside seat beside the game's finest, funniest, and fiercest chronicler.

If These Walls Could Talk: Dallas Cowboys

This fan book to the Mariners covers the team's history in Seattle since its enfranchisement in 1977, including the Ichiro Suzuki years, memories from the Kingdome, and the brief existence of the Seattle Pilots. Author Mike Emmerich has collected every essential piece of Mariners knowledge and trivia, including King's Court, Felix Hernandez's perfect game, the 116-win 2001 team, Randy Johnson, and having two Griffey's in the outfield, as well as must-do activities, and ranks them all from 1 to 100, providing an entertaining and easy-to-follow checklist for fans, from the young to the young at heart.

Home to Heal

Back to the start and behind the scenes on the Dawgs recruiting trail The University of Georgia boasts one of the nation's premier football programs, and the recruiting acumen of coaches like Kirby Smart plays a major role in that. The Road to Georgia is a wild ride into the competitive world of college football recruiting, revealing how some of the most memorable Bulldogs players found their way to Athens. Jake Reuse and Patrick Garbin take UGA fans back to the start and behind the scenes, showing that the path to Sanford Stadium is not always a straight and narrow one.

The Book of Basketball

She'd been the girl he'd always loved. Until she married his best friend. Now Crystal Stoker was a widowed single mum and Luke Stirling was trying his best to avoid her. That was proving impossible in their small town, especially when Luke learned her young son needed help that only he could provide. The injured Marine was just looking for a little peace and quiet, not expecting any second chances, especially ones he didn't dare accept. Mills & Boon Heart — Stories of love, compassion and happiness. Mills & Boon Heart — Stories of love, compassion and happiness.

A Plan for Her Future

There is no doubt that professional sports franchises and stadiums generate a significant amount of economic activity, but is the impact on the local economy positive, negative, or neutral? Studies have shown that, while franchises can give the economy a boost in the short term, there are little to no long-term positive effects. This capstone will examine the trend in public financing of stadiums, look at the impact of stadium location, explore the factors of the economy that are impacted by professional sports franchises, and determine if the effects vary by sport or by region. Several major case studies will be examined to provide specific examples, including the most recent Super Bowl in New Jersey. Once the literature review is complete, regression analysis will be used to make an ultimate conclusion on the value of professional sports franchises and stadiums in the United States and the optimal location in which to start a new professional sports franchise in the United States. This will be done using data from 2001-2012 and variables that have been proven to have an impact one way or another. The result will be a prediction of the type and location of the next professional sports franchise in the United States.
