Past Secrets

They all hide secrets that won't go away.... From the outside, the welcoming, garden-adorned houses of Summer Street are the picture of Irish charm. But on the inside, unexpected and heartbreaking secrets swirl. At house number thirty-two, hardworking, single-mother Faye Reid conceals the truth about her marriage from her fiery daughter, Amber. But Amber, a budding artist, also hides something from her all-too-trusting mother: a relationship with a rock star hopeful for whom she plans to throw away her future. And at number forty-eight, Maggie Maguire arrives at her childhood home to help her sick mother, a welcome distraction from the life she left behind and the startling secret she's hiding -- from herself. And only become harder to keep... At thirty-four Summer Street, wise and kind Christie Devlin has the remarkable ability to see into the lives and hearts of others -- and may have the answers when her neighbors' carefully hidden secrets bubble to the surface. But when Christie's own past comes back to haunt her -- posing a threat to her picture-perfect marriage -- this time the answers aren't as clear.

It is, she has decided, up to her close friend, a successful novelist who has come to stay for the summer, to put the record straight. For aspiring writer Cecily, the novelist's presence only adds to the intrigue and pull of the house. And when the next day that man is found dead, Pete is the main suspect. During his investigation to find the murderer he finds more about himself and his roots. He meets people that change his life for ever. 'Chanel... Very interesting choice.' The man smiled at me, and two charming dimples appeared on his cheeks. They reminded me of my ex-wife. I sank into his warm brown eyes, beneath his well-trimmed eyebrows. 'Drink?' he asked. I nodded. The barman slid a whisky in my direction and I grabbed the cold drink. My dry throat devoured the contents of the glass, savouring the trail of fire it left in its wake. The man smiled again. He ordered another. I felt relaxed. 'Patience is a choice,' the man said calmly. 'Truth is not always easy to digest and sometimes is not what we have come to expect.' His eyes studied me. 'I understand that.' I was alarmed at the way things were going. 'I am afraid you don't.' He looked down into his drink.

House of Leaves

THE MIND-BENDING CULT CLASSIC ABOUT A HOUSE THAT'S LARGER ON THE INSIDE THAN ON THE OUTSIDE • A masterpiece of horror and an astonishingly immersive, maze-like reading experience that redefines the boundaries of a novel. "Simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious." —Michiko Kakutani, *The New York Times* "Thrillingly alive, sublimely creepy, distressingly scary, breathtakingly intelligent—it renders most other fiction meaningless." —Bret Easton Ellis, bestselling author of *American Psycho* "This demonically brilliant book is impossible to ignore." —Jonathan Lethem, award-winning author of *Motherless Brooklyn* Years ago, when *House of Leaves* was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth—musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies—the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices, the story remains unchanged. Similarly, the cultural fascination with *House of Leaves* remains as fervent and as imaginative as ever. The novel has gone on to inspire doctorate-level courses and masters theses, cultural phenomena like the online urban legend of "the backrooms," and incredible works of art in entirely unreal mediums from music to video games. Neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of the impossibility of their new home, until the day their two little children wandered off and their voices eerily began to return another story—of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

The #1 New York Times bestselling author of *Fear Thy Neighbor* and *No Way Out* blends mystery and drama in this twisty new *Lost and Found* novel, as siblings Cullen and Luna set out to uncover the secrets behind a long-lost diary. Every antique tells a story. Cullen and Luna Bodman learned that through their parents' furniture business. Now, with their restoration shop and café, they often find themselves at the center of those stories, unraveling mysteries for their clients. The old steamer chest that Cullen receives from an anonymous source is fascinating in its own right. But inside, Cullen discovers more—a locked diary accompanied by a letter, asking for the diary to be restored to its rightful owner. Also in the trunk is a wooden box containing ticket stubs and an undated carnival flyer. But everyone isn't thrilled with Luna's quest. Her budding relationship with U.S. Marshal Christopher Gaines comes under strain as he tries to talk her out of a wild goose chase. But intuition pushes her on, unveiling a surprising modern-day connection, and leading Cullen and Luna to wonder if the diary's secrets still hold power today . . .
