And love Creation's final law Tha' Nature, red in tooth and claw

O life as futile, then as frail! O forthy voice to soothe and bless! What hope of answer or redressi Behind the vil behind the veil.

Yet in these ears, till hearing dies One set slon bell will seem to all The passing of the sweetest soul That ever look'd with human eyes

And, falling idly broke the peace of hearts that heat from day to day, Half conscious of their dying clay, And those cold crypis where they shall cease.

He past; a soul of noblertones My spirit loved and loves him yer, Like some poor girl whose heart is set On one whose rank exceeds her own
