New York Times bestselling author Luanne Rice has inspired the devotion of readers everywhere with her moving novels of love and family. She has been hailed by critics for her unique gifts--a rare combination of realism and romance, according to The New York Times Book Review. Summer Light is Luanne Rice at her most magical, an entrancing story of love at first sight, the true meaning of family, and angels right here on earth. May Taylor works as a wedding planner with her best friend and great-aunt, passing on the timeless traditions established by her grandmother and mother. The Taylor women have always believed in the presence of magic in everyday life--especially the simple magic of true love and family. Yet May's own faith in true love was destroyed years ago when she was abandoned by the father of her child. Still, she has found joy in raising her daughter Kylie--a special five-year-old who sees and hears things that others cannot. Her unique visions will lead May to a love

she never expected and a life she never imagined. Martin Cartier is a professional hockey player and sports legend. But celebrity has never been enough for Martin. His father, Serge, a hockey champion, taught him to play the game ... and to win at all costs. Now his handsome, polished exterior barely hides a core of rage, heartache and isolation. It is Kylie who first glimpses the role Martin will play in May's life and her own. May and Martin feel an immediate attraction, but each fears being hurt again. Yet the intensity of their connection leads them to begin to believe in a shared future. But just as happiness as a family seems within reach, Martin's past threatens to tear them all apart. Only Kylie sees the way home--and only May can lead them there, if she can somehow finally believe that miracles can come true.... Deftly illuminating the everlasting bonds among mothers, daughters, fathers, and sons, Luanne Rice celebrates life's simple pleasures and the joy of meeting the one person you are destined to love forever. *Summer Light* is a moving tribute to the enduring power of love and an exhilarating testament to the magic always at work in the world for those with the courage to see it.

As Dana and the girls struggle to begin a new life—and to find the truth about what happened to Dana's sister and brother-in-law—help comes in the person of an old childhood friend. Sam Trevor is now a tall, striking marine biologist, and he's been in love with Dana for years. Although she can't begin to contemplate opening her heart again, together Dana and Sam will discover that Hubbard's Point is the center of endless mysteries—and endless possibilities. And as Dana rediscovers her passion as an artist and a woman, she will find more than a lifetime's share of answers, magic, and love in the only safe harbor there is.

Bay and her husband, Sean, have weathered rough spells and moved on. Now a perfect summer, filled with the scent of beach roses, lies before them. Charming and ambitious, Sean splits his energy between the town bank, his old fishing boat, and the family he seems to adore--until he leaves his young daughter stranded after school. As troubling memories resurface, a phone call confirms that Sean is missing. So begins a season that will change everything. As the door to all Bay cherishes seems to close forever, another opens, and an old love steps through. Embraced by enduring friendships, Bay will discover the truth of who she is--what love is--and how life's deepest mysteries are often those closest to home.

Lily Malone and nine-year-old Rose are making a new home with a man who will do whatever it takes to protect them. True Blue

Painter Honor Sullivan has made a life for herself and her three daughters—Regis, Agnes, and Cecilia—at Star of the Sea Academy on the magical Connecticut shore. Here she teaches art at the convent school's beautiful seaside campus, over which Honor's sister-in-law, mother superior Bernadette Ignatius, keeps a benevolent and watchful eye. No one could have foreseen the day rebellious Regis would come home with the stunning news that she was getting married. Nor could anyone have guessed how that sudden announcement would soon change all their lives forever. Eleven years ago, Honor thought she had the perfect home, the perfect love, the perfect life. Then her husband, brilliant

photographer and sculptor John Sullivan, broke her heart—and tore their little family apart. Now, hearing of Regis's impending marriage, John has ended his self-imposed exile and returned to the family he's always loved more than anything on earth. What he finds is one daughter still hurting over his abandonment, another who barely remembers him, and a third who may be in more trouble than anyone knows. And then there is Honor herself—and a passion that may have been interrupted but that has never waned. Some things, like sandcastles, don't survive the changing tides. But love, family, and friendship—just as fragile—have a way of standing against anything. It will take nothing short of a miracle to heal the rift between father and daughter, husband and wife, the past and the present—but a miracle is exactly what is in the works at Star of the Sea Academy. The only question is: Do you believe?

Now, after years away, Maura has returned to Rhode Island to teach English at the fabled Newport Academy and to seek a new beginning. Newport has never failed to infuse Maura with a sense of mystery and hope, but ever since the accident, her younger daughter, fourteen-year-old Beck, has retreated into the safe, predictable world of mathematics. Without Carrie, Beck has lost half of herself—the half that would have fit into the elite private school she and her brother, Travis, will attend. The half that made things right. Sixteen-year-old Travis is also struggling to adjust—juggling a long-distance first love and an attraction to a girl with a wicked sparkle in her eye. And for Maura, ghosts linger here—an unresolved breach with her own beloved sister and a long-ago secret that may now have the power to set her free. . . .

All She Ever Wanted (A gripping romantic mystery!)

Bestseller Luanne Rice returns with a novel as timeless as the sea on which it's set. From the beloved New York Times bestselling Luanne Rice comes a heartwarming yet heart-wrenching portrait of three far-flung sisters who come home to Martha's Vineyard one last time. Their mother's beach house is the only place any of them ever found true happiness and they need to begin the difficult process of letting go. Memories of their grandmother, mother, and their Irish father, who sailed away the year Dar turned twelve, rise up and expose the fine cracks in their family myth—especially when a cache of old letters reveals enough truth to send them back to their ancestral homeland. Transplanted into the unfamiliar, each sister sees life, her heart, and her relationship to home in a new way. But how do they let go of a place that contains the complicated love of their imperfect family? Without the house, where will they be together? The novel is a season on Martha's Vineyard; a mission to Ireland; a cast of friends, including one wildly off-the-grid Zen genius; passionate love in the surf; and three very different sisters with lives filled with beauty, sorrow, and deep love they'd never been quite sure they could trust. *The Silver Boat* is Luanne Rice at her very best, complete with her singular talent for capturing a family in all its flawed complexity.

The Silver Boat

With every New York Times bestseller, Luanne Rice illuminates yet another of the secret wonders of the heart. Her unforgettable evocations of family, friendship, and loves lost and won in such novels as *The Edge of Winter*, *Sandcastles*, and *Summer of Roses* give voice to our most powerful emotions.

Now she brings back two of her most beloved characters to tell of their journey across the sea to unravel the mysteries of a shared past—and two undying love affairs.... What Matters Most Sister Bernadette Ignatius has returned to Ireland in the company of Tom Kelly to search for the past—and the son—they left behind. For it was here that these two long-ago lovers spent a season of magic before Bernadette's calling led her to a vocation as Mother Superior at Star of the Sea Academy on the sea-tossed Connecticut shore. For Tom, Bernadette's choice meant giving up his fortune and taking the job as caretaker at Star of the Sea, where he could be close to the woman he could no longer have but whom he never stopped loving. And while one miracle drew them apart, another is about to bring them together again. For somewhere in Dublin a young man named Seamus Sullivan is also on a search, dreaming of being reunited with his own first love, the only "family" he's ever known. They'd been inseparable growing up together at St. Augustine's Children's Home, until Kathleen Murphy's parents claimed her and she vanished across the sea to America. Now, in a Newport mansion, that very girl, grown to womanhood, works as a maid and waits with a faith that defies all reason for the miracle that will bring back the only boy she's ever loved. That miracle is at hand—but like most miracles, it can come only after the darkest of nights and the deepest of heartbreaks. For life can be as precarious as a walk along a cliff, and its greatest rewards reached only by those who dare to risk everything...for what matters most.

What Matters Most

A mother and her daughter are drawn to a man and his son who are also seeking emotional healing from family rifts and disappointments.

The Edge of Winter

Is it true that old love never dies, that hearts can mend, that a secret revealed can change everything? New York Times bestselling author Luanne Rice spins a mesmerizing tale readers will long remember—the powerful story of a close-knit community grappling with a dark mystery, and of a woman reclaiming a love she believed lost a lifetime ago. For nearly a year after the tragedy that claimed her teenage son, Charlie, Sheridan Rosslare has lived a quiet life on Hubbard's Point, tucked away in the beach house where they spent their happiest days. But Charlie's girlfriend, Nell Kilvert, is determined to find out what really happened on the night none of them will ever forget. She summons the one man she believes can uncover the truth—Gavin Dawson, who long ago thought he would always be at Sheridan's side. Now his boat sits anchored within sight of the window of the woman he once loved—and still loves. Both of them had believed in the power of love and forgiveness, connection and reconnection, to work magic. They thought they'd lost that faith forever. Can they find it one last time?

Last Kiss

NEW YORK TIMES BESTSELLER • "A moving story of love and reunion . . . an absolute joy to read . . . I finally put Dream Country down at 2 a.m. and almost called in sick the next day to finish it."—Denver Post It was just an argument, one of hundreds Daisy Tucker must have had with her teenage daughter, Sage, over the years. But this one had ended differently, with Sage gone from their Connecticut home the next morning, leaving behind only a brief note: "I have to go." Daisy tried not to overreact, tried to remind herself this was different from what had happened thirteen years earlier to Sage's twin brother, Jake. This was different from a three-year-old boy disappearing in the canyons of Wyoming, never to be found. Sage was sixteen and resourceful. She would be found. Years ago Daisy had traveled to Wyoming's Wind River Mountains in search of inspiration for her art and had found a man with the wilderness inside him. James Tucker was a rancher, bound to the wild land he loved, and together he and Daisy created a small paradise for their family—until the day their little boy vanished without a trace. Now, as their daughter makes a dangerous cross-country pilgrimage to the father she longs for, Daisy will return to the place that took everything she had. . . . Filled with a wild and unpredictable beauty, Dream Country is a novel you'll never want to end—even as you can't wait to finish it.

Dream Country

Cured from cancer, Sarah Talbot's joy is so contagious it affects those round her. Among them are pilot Will Burke and his daughter, both depressed by death in the family, and friendship leads to romance.

Cloud Nine

Acclaimed for her insightful depiction of the magic and mystery in everyday life and relationships, Luanne Rice is one of today's most gifted novelists. Now the author of eight consecutive New York Times bestsellers delivers her most powerful book yet—the story of a man and woman forced to choose between the past that haunts them and the love that won't let them go. Jane Porter left the apple orchards of rural Twin Rivers, Rhode Island, years ago, fleeing memories that could tear two families apart. Now she has been unexpectedly drawn home to her mother and only sister. Dylan Chadwick has come back, too, shedding the steely exterior he wore as a federal agent in order to follow in the footsteps of his apple-farming father and forget the life he once lived. Amid this landscape of loss and renewal, a haunting story of converging lives, small-town secrets—and the magical sway of unexpected miracles—unfolds. Deeply moving and richly told, *Dance with Me* explores emotional connections at their very core, with keen insights into the lives of mothers and daughters, sisters and lovers that will resonate long after the final page is turned.

Dance with Me

Luanne Rice is a rarity among novelists today; she's a true storyteller. Her unique ability to weave together the bonds of love and family with the challenges and rewards of everyday life has garnered her eight consecutive top-ten New York Times bestselling paperbacks. Luanne Rice's sensuous prose and unforgettably rich and textured characters guide us toward a truth that lies within and sometimes beyond our dreams—an enduring strength that we all must embrace to find our way home and into the hearts of those we cherish most. *Beach Girls* is an enthralling novel of haunting beauty that will resonate long after the final page is turned.

Demon Rumm

There are three things to know about Maia: 1. Ever since her mother left, she has struggled with depression, which once got so bad she had to go to an institution for a while. She doesn't want to go back. 2. Maia is certain that if she finds her mother, and the two of them can talk about whale songs and constellations for a while, then everything will go back to normal again. 3. She is in love with Billy, the handsome and brooding boy who lives in the group home in town. Billy didn't seem to know Maia existed until now. When Maia sets off on a road trip in search of her mom, Billy unexpectedly comes along. They drive up the East Coast, stopping along the way for lobster rolls and lighthouses. That's when Maia learns Billy has dark secrets of his own, and that he too wants to outrun his past. But what will the future hold if they reach their destination?

The Beautiful Lost

Under the summer sky, anything is possible.... Author of the acclaimed novels *Cloud Nine* and *Follow the Stars Home*, Luanne Rice returns with another moving portrait of a family in crisis—as three sisters come face-to-face with the past and find in each other the courage to go on. Coolly sophisticated and steadfastly single, Caroline Renwick has always been the sister everyone could count on. As she and Clea and Skye gathered at Firefly Hill, their childhood home, Caroline thought that they had all put the past behind them. But as summer gets under way, a mysterious man arrives—a man who has the power to bring it all back.... Joe Connor was only six when his father died at Firefly Hill. Though he and

Caroline had never met, the five-year-old girl reached out to him. They became pen pals and friends, until a teenaged Joe finally learned the truth about what had happened to his father that night. Now, after years of silence, Joe is suddenly here ... and Caroline still feels a connection. But she can't help but wonder if this handsome man holds the key to her family's healing—or its destruction. And in his presence, how long will she be able to guard her heart?

Firefly Beach

"The queen of beach books" (The Star-Ledger) returns to the shores of Nantucket in a novel about one memorable summer when flirtations flourish, family dramas play out, and scandalous secrets surface. NAMED ONE OF TEN BEST SUMMER BOOKS TO READ ON THE BEACH BY SMARTERTRAVEL Memorial Day weekend means that seasonal visitors have descended on the glamorous island of Nantucket. For year-round resident Darcy Cotterill, it means late-night stargazing in the backyard of the beautiful house she grew up in and inherited from her beloved grandmother. It's also Darcy's chance to hit the beach and meet her new summertime neighbors. But the last person the thirty-year-old librarian expects to see staying next door is her ex-husband, Boyz, along with his wife, Autumn, and stepdaughter, Willow. Darcy must also navigate the highs and lows of a new romantic relationship with local carpenter Nash Forester even as she becomes smitten with handsome vacationer Clive Rush, a musicologist in town to write a book and visit family. And she finds herself pulled into the concerns of Boyz, Autumn, a charming elderly neighbor, and an at-risk teen. As the season nears its end, Darcy must decide her next move: retreating to the comforts of her steady and secure island life, or risking it all for a chance at true happiness. Praise for *Secrets in Summer* "Full of rich details about life on Nantucket, this breezy tale is at once nostalgic and hopeful. . . . The story is filled with sweet moments of unlikely female connections. An easily digestible, warmhearted tale of eye-opening friendships."—Kirkus Reviews "[Nancy] Thayer's latest is a lovely and heartwarming contemporary read with its blend of humor and emotion set against the beautiful backdrop of Nantucket Island. Her well-crafted plot is infused with warmth and heartfelt, tender moments. Darcy is a strong, independent yet vulnerable heroine who will appeal to readers. Thayer's engaging storytelling and authentic, endearing characters will keep readers turning the pages."—RT Book Reviews "Thayer's beachside novel brims with themes that women's-fiction readers love, and the plot skims important issues—infidelity, fear of commitment, grief—while maintaining its focus on Darcy's personal growth and the intergenerational friendship between the four women."—Booklist (starred review)
