"It is a tremendous act of violence to begin anything." -Rainer Maria Rilke Alexandra Drakis lives in a vicious and uncertain world. After all, being the personal food supply to the sadistic vampire king is bound to present a few challenges. But no matter how much she tries not even the reigning queen of calamity can control and predict everything. Every once in awhile the universe decides it's time to test the mettle of sanguinem and vampires alike. To remind everyone of the eternal truth: creation is a leap into the unknown with the potential for untold joy or unspeakable destruction. Too bad the outcome remains unforeseen until it's far too late.

In Volume 6, "Sire Demon" Leena must enter a city controlled by the Sire Demon that seeks to take her soul. Somewhere in the city's cruel dungeon maze, her family is being held captive. Unarmed, hunted, lost, and alone, her quest to find and free them leads her into the private lair of the Sire Demon itself. Is she the first to find its evil den? Who will hunt the hunter? Second chance romances aren't just for humans. Unstoppable demon hunter, Bennett is the first to dive into the fight. But he's also the first to admit that the strategy doesn't always go his way. Especially when it comes to the vampire that got away. Immortality comes at a price, and Adair will protect her way of life tooth and nail, as she has for the last five centuries. When she meets the naïve, stubborn, careless... sweet, built, irresistible hunter? Is it possible for a vampire to die of a broken heart? ~ "You're not the naïve young hunter I used to know or the... whatever you've become these days." She really, really didn't want him to know what she actually thought of him. That ego was massive enough. "I'm still me. A vampire that can't help but torture her victims, and I've foolishly fixated my efforts on you." "Go back a step. What am I these days?" He rolled onto his side and teased his fingers at the hem of her shirt. Was he even listening? "You know." Her cheeks flamed red. "Hot?" "Maybe." Redder. "Broody and unstoppable, yet irresistible demon hunter?" He bit his lip and grinned, his gaze gleaming with pure ego. And for the first time in over five centuries, maybe ever, she giggled. Bubbling from deep in her belly and pinching her cheeks as the mirth flooded over her. "Maybe," she squeaked out. Flipping her underneath him, he trailed his lips along the curve of her jaw as she tried to calm the delirious giggle fit. Dive into the action with *Changed*!

Enden has been peaceful for many years except for the few border raids by the Races of Chaos, mostly by the Saurians. In the background are the Elden, a race of warriors who opposed Chaos on rare occasions. So rare that the Elden have been considered just a legend. The Elden Warlord, Cahan MacHaimheirgin, is given information about the new Saurian Outposts that are being built. Although the Saurians give the appearance of just fortifying their border there are strong indications the outposts are much more than they appear. At a meeting of the leaders of the Races of Order, the Elden are requested to reoccupy their old Holds, vacant for five hundred years, and reestablish a presence that could deter a Saurian invasion that would plunge Enden into war. The Bursh, a race of sorcerers, allied with the Races of Chaos, are concerned about a Saurian invasion as well for it could endanger the future Master Plan of World Conquest, a plan that is sponsored by the Race of Demons, leaders of Chaos. The plan could fail if the Elden reestablish a presence. The Bursh need to find the Holds and a way to neutralize them and the Elden.

In late classical and early medieval China, ascetics strove to become transcendents--deathless beings with supernormal powers. Practitioners developed dietetic, alchemical, meditative, gymnastic, sexual, and medicinal disciplines (some of which are still practiced today) to perfect themselves and thus transcend death. Narratives of their achievements circulated widely. Ge Hong (283-343 c.e.) collected and preserved many of their stories in his Traditions of Divine Transcendents, affording us a window onto this extraordinary response to human mortality. Robert Ford Campany's groundbreaking and carefully researched text offers the first complete, critical translation and commentary for this important Chinese religious work, at the same time establishing a method for reconstructing lost texts from medieval China.

Clear, exacting, and annotated, the translation comprises over a hundred lively, engaging narratives of individuals deemed to have fought death and won. Additionally, *To Live as Long as Heaven and Earth* systematically introduces the Chinese quest for transcendence, illuminating a poorly understood tradition that was an important source of Daoist religion and a major social, cultural, and religious phenomenon in its own right.
