The Children of the King

It's the Second World War and, with London becoming an increasingly dangerous place to live, the Lockwood children are whisked away to Heron Hall, to stay with their Uncle Peregrine in the countryside. But when they discover two strange boys hiding in a nearby derelict castle, the past and present collide.

A Child of the King

"The white-haired storyteller spins his legendary saga around a crackling fire ... a world of kings and princes on noble steeds, of evil forces wielding dark powers, and of a mystical snow-white dove, all who come to life in the land of Withershins. At the center of this world is Jotham, a simple, lonely orphan whose greatest desire is to find a father. As he journeys on his quest, he faces dangers and enemies far beyond his own strength and understanding. Travel with Jotham as he undertakes the perilous road to Dominus, the land where he hopes to fulfill his dreams."--Back cover

Children of the King

When the king comes to adopt some children, they are all too busy trying to impress him with their talents, except for one little girl who offers only her kind heart.

The Seventh-day Adventist Hymnal.

The highest spiritual blessing God can give is to make believers in Jesus his children. Adoption into the family of God is a greater privilege than becoming right with God through receiving forgiveness of one's sins. As His children, Christians have been given a place of high status and are entitled to all the benefits that come through this permanent relationship with their heavenly Father. Mark Johnston examines different aspects of being 'the child of a King' and discovers the blessings given to every believer. He also considers possible errors of understanding, including whether or not God is the father of all humans by creation.

The Children of the King

In a pioneering study of childhood in colonial Spanish America, Bianca Premo examines the lives of youths in the homes, schools, and institutions of the capital city of Lima, Peru. Situating these young lives within the framework of law and intellectual history from 1650 to 1820, Premo brings to light the colonial politics of childhood and challenges readers to view patriarchy as a system of power based on age, caste, and social class as much as gender. Although Spanish laws endowed elite men with an authority over children that mirrored and reinforced the monarch's legitimacy as a colonial "Father King," Premo finds that, in practice, Lima's young often grew up in the care of adults--such as women and slaves--who were subject to the patriarchal authority of others. During the Bourbon Reforms, city inhabitants of all castes and classes began to practice a "new politics of the child," challenging men

and masters by employing Enlightenment principles of childhood. Thus the social transformations and political dislocations of the late eighteenth century occurred not only in elite circles and royal palaces, Premo concludes, but also in the humble households of a colonial city.

Child of a King

This is the tragic story of Janusz Korczak (as featured in the major motion picture *The Zookeeper's Wife*) who chose to perish in Treblinka rather than abandon the Jewish orphans in his care. Korczak comes alive in this acclaimed biography by Betty Jean Lifton as the first known advocate of children's rights in Poland, and the man known as a savior of hundreds of orphans in the Warsaw ghetto. A pediatrician, educator, and Polish Jew, Janusz Korczak introduced progressive orphanages, serving both Jewish and Catholic children, in Warsaw. Determined to shield children from the injustices of the adult world, he built orphanages into 'just communities' complete with parliaments and courts. Korczak also founded the first national children's newspaper, testified on behalf of children in juvenile courts, and, through his writings, provided teachers and parents with a moral education. Known throughout Europe as a Pied Piper of destitute children prior to the onslaught of World War II, he assumed legendary status when on August 6, 1942, after refusing offers for his own safety, he defiantly led the orphans under his care in the Warsaw Ghetto to the trains that would take them to Treblinka. Introductions by Elie Wiesel, Curren Warf and Allison A. Eddy [Subject: Biography, Holocaust Studies, Jewish Studies, WWII, Children's Rights]

Children of the Father King

What would you do when the life of your only child and the fate of the world hang in the balance? *The Child of the King: The Sapphire* takes place in a magical world ruled by a benevolent King and Queen. When the Royal Palace is attacked by the villain, Drocha, and his minions, the King and Queen decide to send their only Child into hiding in a distant land to protect her life and preserve the Royal bloodline. The young Child, Anya, is accompanied by a personal bodyguard, Eamon, who uses his special powers to protect her from those seeking to take her life. When Anya grows older, Eamon tells her of her true identity and together they work to keep their Royal secret from friends and foes alike. Anya's secret is accidentally revealed to the public, forcing her, Eamon, and her loyal canine companion, Maor, to attempt a trek back to the relative safety of the Island of the King. The journey, though, won't be easy, as the governor of that region wants to take the Child captive. Even with the help of Guardians sent by the King, the heroes face overwhelming odds-odds that they know they must overcome to finally bring the Child home to the Palace where she belongs.

King of Children

Nick Sharratt's fabulously funny d_ but novel, *THE CAT AND THE KING*, tells the story of a gentle, unworldly King and his very clever cat, and is illustrated throughout in two colours with Nick's irresistible wit and humour. The cat and the King must find a new home after their castle burns down in an Unfortunate Incident with a dragon. They choose Number 37 Castle Close, and the cat introduces the King to all sorts of new experiences, from washing-up to shopping. Then danger looms when the pesky, fire-breathing dragon makes its return.

The Children of the King

A wistful fairy tale at first impression, best-selling author Beth Moore's *My Child, My Princess* — her first children's book — is a simply profound story that rings true among kids and grown-ups alike. When a king's rebellious daughter disobeys her father's wishes, his forgiveness and patience vividly remind us of God's unconditional love. Indeed, every girl is a princess; a child of the King.

The Child of the King

Rhyming text depicts the children of the world from Africa to Greece to the United States and describes the God who created them all.

The Cat and the King

Chronicles the adventures of the King of Ireland's eldest and wildest son, describing how he encounters an enchanter's daughter, the king of the cats, Gilly of the goat-skin, and numerous others.

My Child, My Princess

A king who rained for forty years? A coat of arms? Boars coming to dinner? No wonder a little girl is confused by the things her parents say. With his hilarious wordplay and zany illustrations, Fred Gwynne keeps children of all ages in stitches!

The King's Children

Hatchepsut, the Pharaoh's daughter, finds and adopts an abandoned infant when she is still a child herself, and does not understand the enormity of her action. Her ambition for him drives her to seize the throne, becoming the king Egypt needs, so she can raise him to rule the proudest Empire on earth.

The King of Ireland's Son

Against the pomp and pageantry of turbulent seventeenth-century England, Elizabeth Goudge weaves the poignant tale of Lucy Walter, the proud and beautiful secret wife of Charles II. Here is a subtle portrait of a deeply good and fascinating woman. From her early childhood in a castle by the sea in Wales evoked as only Elizabeth Goudge can evoke the joys and pangs of childhood to her tragic estrangement from the king and her death in Paris at the age of twenty-eight, Lucy Walter lived to the full a life of intense joy and equally intense drama. Miss Goudge portrays brilliantly a young love almost too ecstatic to bear. Equally moving is her characterization of Lucy a spirited woman caught up in the cataclysmic wars and disruptive revolution of a tumultuous era. London at the time of the Great Fire, Paris when British royalty fled to the sanctuary of the Louvre, Brussels and The Hague against this rich panoramic background a master storyteller traces the life and loves of an extraordinary woman. "The Child from the Sea" is a superbly colorful and romantic historical novel alive with brilliant cameos and infused with a spiritual essence rare in our times."

The King Who Rained

Child of a King: Part 1: The Second Birth is a short story about a king's child (Galorian De Bolbec) who becomes separated from him at birth. The story begins when the boy is already an adult, and the story goes through the normal life of him as a single man during the Middle Ages. Galorian De Bolbec meets a beautiful witch named Guillveig Unwin and a knight named William Witter. Galorian is then pulled between two lives and neither is exactly what he thought. Some characters include an unforgettable witch, Guillveig Unwin; a gambler; a knight (William Witter); and the King (El Olam). The story is very unique in context. Part 2 and 3 will have the stage set already so will have more action, different plots, and will make your head spin. Especially if the reader relates to the practical analogies of the stories at the end of each part. Guillveig's character will captivate you (whether good or bad), she took a while to develop. Lastly, the author will annotate that this story, and the two that follow, are not suitable for children and should be parent approved for your awesome teens. Part 1 has moderate violence, a couple witchcraft situations, and mild promiscuity. I hope you love the stories, enjoy!!

The King and Her Children

The test of strength is not in one bending, but in one not breaking. As a Christian, my aim is to help believers as well as unbelievers come to know Christ in a personal way. I want you to know who you are in Christ and the rights you have as a child of God. In Child of The King (I Believe Ill Testify), you will see Gods goodness and mercy when we are obedient to His will. You will also see that being a child of God has nothing to do with how good or perfect you may think you are. As you read about the different incidents in my life, dont focus on me, but rather on the one who loves us more than we could ever imagine. You will see that every uncomfortable situation I found myself in was only by Gods grace that I came through them all. I hope that you will understand that sometimes our greatest accomplishments are gained through struggles. Please know that life is vain if you think its about you. In the Bible, John 3:30 sums it up when he said, He must increase, but I must decrease. ~ Audrey Harvey

The Children of the King

Waterstones' Children's Book Prize 2019, Klaus Flugge Prize 2019 and Independent Bookshop Week Awards 2019 There was once a little boy who was afraid of the dark. There's nothing unusual about that. Most children are afraid of the dark at one time or another. But this little boy was a Prince, and he decided that when he became King, he would do something about the dark. He would ban it. When the King bans the dark completely, installing an artificial sun, and enforcing "anti-dark" laws, it seems like

a good idea. The citizens don't need to worry about any of the scary things that might live in the dark. But what happens when nobody can sleep, and the citizens revolt? Will the King face his fears and turn the lights off? The King Who Banned the Dark is a beautiful and thought-provoking story about how we need the dark in order to enjoy the light.

Child from the Sea

Did you know that you are a child of the King? Yes, the King of Kings, Jesus. This book explains how you have been separated from your inheritance as a child of the King. You can discover how to receive the gifts in your inheritance each day and live out the journey the King has planned for you. You can receive your inheritance and move AHEAD with the King's plan for your life. Each day you can experience the power of His love, receive answers to your deepest questions and fears, and have joy and peace as you experience the gifts that are a part of your inheritance from the King. The impact these gifts have form the acronym AHEAD: Assurance, Honesty, Enlightenment, Apology, and Discernment. His gifts work together to enable you to receive help with the challenges and issues you face in life. This book even shows you how to ask the King for His help and receive it! Have you been trying to live as a Christian without receiving the gifts in your inheritance? This book explores this vital component of your relationship with Jesus. This book can be your guide; take the seven-day challenge at the end of the book and see for yourself. "Keith Trumbo's *You are a Child of a King* is a very uplifting, affirmative explanation of what it means to know God and His love through Jesus Christ." Clifford Goldstein "Keith has written a gem of a book. The generosity and lovingkindness of God shine through these pages in a fresh yet timeless manner." Jennifer Jill Schwirzer, LPC Author, counselor, musician, speaker "Easy enough for an early-teen to understand, yet with the clarity and depth that can help all ages, Pastor Keith Trumbo uses clear illustrations to help the reader understand the issues of identity, faith, God's calling, spiritual gifting, the power of choice, God's plan for your life, and even God's plan to help you deal with the villain who is determined to steal your faith and joy." Don Keele Jr, Director of Young Adult and ACF Ministries Georgia-Cumberland Conference of Seventh-day Adventists

Child of a King: Part 1: The Second Birth

King Leonard is so rich that he can buy whatever he wants. Anything old or broken is thrown onto the growing pile of trash outside his castle. But one day something breaks that can't be easily replaced. And what's worse, King Leonard can't find anyone who knows how to fix it. Phoebe Swan's striking illustrations grace this powerful story with a strong environmental message.

Child of the King

Boy. Warrior. King. King Arthur: Dragon's Child tells the compelling story of Arthur as he grows from boyhood to manhood and is trained for leadership and a future he cannot yet know. M.K. Hume's trilogy will enthral fans of Bernard Cornwell and Ian Ross. 'It's a slice of history that's totally, utterly believable. Magnificent' - www.booksmothly.co.uk The Dark Ages: a time of chaos and bloodshed... The Roman legions have long deserted the Isles and the despotic Uther Pendragon, High King of Celtic Britain, is nearing death, his kingdom torn apart by the jostling for his throne. Of unknown parentage, Artorex is growing up in the household of his foster father Lord Ector. One day, three strangers arrive and arrange for Artorex to be taught the martial skills of the warrior; blade and shield, horse and fire, pain and bravery. When they return, years later, Artorex is not only trained in the arts of battle, he is also a married man. But, if he is to fulfil his destiny and become the High King of the Britons, Artorex must find Uther's crown and sword. What readers are saying about King Arthur: Dragon's Child: 'Excellent read, grounding all the legendary stories about Arthur and his times in a very convincing historical context' 'A quality take on the hostilities, history and structure of England as we know it. Well written, beautifully researched and accurate' 'This is a book that educates while it entertains. Here is a tale that is woven with intricacy and detail that is unrivalled'

The King Who Banned the Dark

This vintage book contains a collection of Christian prayers designed to aid and inspire people when confessing and giving thanks 'Confession And Communion For Religious And For Those Who Communicate Frequently' is highly recommended for all modern Christians, and it is not to be missed by collectors of vintage literature of this ilk. Contents include: 'Prayer for Light and Help', 'Examination of Conscience', 'Contrition', 'Firm Purpose of Amendment', 'Thanksgiving', 'Christ our Lord as the Second Person of the Blessed Trinity', 'Christ our Lord as Judge', 'Christ our Lord as Saviour', 'Christ our Lord as Guest', 'Christ our Lord as Master', etc. Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this volume now in an affordable, high-quality, modern edition complete with the original text and images. This book was first published in 1900.

You Are a Child of the King

Margaret King shows what the death of a little boy named Valerio Marcello over five hundred years ago can tell us about his time. This child, scion of a family of power and privilege at Venice's time of greatness, left his father in a state of despair so profound and so public that it occasioned an outpouring of consoling letters, orations, treatises, and poems. In these documents, we find a firsthand account, richly colored by humanist conventions and expectations, of the life of the fifteenth-century boy, the passionate devotion of his father, the feelings of his brothers and sisters, the striking absence of his mother. The father's story is here as well: the career of a Venetian nobleman and scholar, patron and soldier, a participant in Venice's struggle for dominion in the north of Italy. Through these sources also King traces the cultural trends that made Marcello's century famous. Her work enlarges our view of the literature of consolation, which had a distinctive tradition in Venice, and shifting attitudes toward death from the late Middle Ages onward. For the depth and acuity of its insights into political, cultural, and private life in fifteenth-century Venice, this book will be essential reading for students of the Renaissance. For the grace and drama of its storytelling, it will be savored by anyone who wishes to look into life and death in a palace, and a city, long ago.

The Children of the King

The fact that the English Civil War led to the execution of King Charles I in January 1649 is well known, as is the restoration of his eldest son as Charles II eleven years later. But what happened to the king's six surviving children is far less familiar. Casting new light on the heirs of the doomed king and his unpopular but indefatigable Catholic queen, Henrietta Maria, acclaimed historian Linda Porter brings to life their personalities, legacies, feuds and rivalries for the first time. As their calm and loving family life was shattered by war, Elizabeth and Henry were used as pawns in the parliamentary campaign against their father; Mary, the Princess Royal, was whisked away to the Netherlands as the child bride of the Prince of Orange; Henriette Anne's redoubtable governess escaped with the king's youngest child to France where she grew up under her mother's thumb and eventually married the cruel and flamboyant Philippe d'Orleans. When their 'dark and ugly' brother Charles eventually succeeded his father to the English throne after fourteen years of wandering, he promptly enacted a vengeful punishment on those who had spurned his family, with his brother James firmly in his shadow. A tale of love and endurance, of battles and flight, of educations disrupted, the lonely death of a young princess and the wearisome experience of exile, *Royal Renegades* charts the fascinating story of the children of loving parents who could not protect them from the consequences of their own failings as monarchs and the forces of upheaval sweeping England.

Celebration Hymnal

King Albert-Horatio-Otto the Third had SO many clothes it was simply absurd ... So when two seemingly well-meaning fabric merchants promise to make an outfit of only the very BEST and most special cloth, King Albert-Horatio-Otto the Third simply cannot resist. He MUST have these new clothes! Surely, the unquestionably charitable and not-at-all-suspicious-looking tailors are genuine, and the King won't end up looking red-cheeked ... ? This funny and timely retelling of Hans Christian Andersen's classic fable 'The Emperor's New Clothes' will not only make children laugh, but also encourage them to think and speak up for what they believe. This audio-enabled edition comes with a gorgeous reading by Sam Newton, along with special music and sound effects.

King Leonard's Teddy

Uncle Montague lives alone in a big house and his regular visits from his nephew give him the opportunity to relive some of the most frightening stories he knows. But as the stories unfold, a newer and more surprising narrative emerges, one that is perhaps the most frightening of all. Uncle Montague's Tales of Terror, it transpires, are not so much works of imagination as dreadful lurking memories. Memories of an earlier time in which Uncle Montague lived a very different life to his present solitary existence.

King Arthur: Dragon's Child (King Arthur Trilogy 1)

Three knights set out on a perilous journey to reach the king's castle, but the only one to reach his goal is the one who was wise enough to listen to the song of the king.

Confession And Communion For Religious And For Those Who Communicate Frequently

Join newlyweds King Lee and King Bertie on their journey into the noisy jungle. The kings are greeted by wild animal families, but the royal travelers suspect that something more significant awaits them in the trees. King & King soon discover that there's no adventure more wonderful than starting a family of their own. Jubilant sequel to Lambda Literary Award nominee KING & KING. Subtle clues on each page lead readers to a surprise ending. In a starred review, Kirkus called KING & KING "A joyful celebration that . . . firmly challenges the assumptions established and perpetuated by the entire canon of children's picture books." An adoption story for everyone.

The Death of the Child Valerio Marcello

Over 3.4 million Charlie Bone books in print!!!Charlie's power is taking on a new dimension as he meets a new cast of characters, including Mr. Pilgrim's replacement, Tantalus Ebony, and the mysterious new student Joshua Tilpin, who appears to be magnetic. But Charlie isn't the only one dealing with changes . . . Billy has been adopted by a child-hating couple called the O'Gres, who carry a gray bag of oaths wherever they go, pressuring Billy to sign an oath of obedience, and locking him behind a force field in an odd place called The Passing House. Will Charlie be able to rescue Billy and uncover the mystery behind Joshua's power?

I'm the King of the Castle

Autobiographical book about my life as the out of wedlock son of Jessie Jimerson-Phillips, and J.O. Patterson Sr. My Mother, a Gospel Singer and song writer, Author of several books, and a relatively nieve young women when she fell under the influence of my dad, a man 13 years her senior. My dad J.O. Patterson Sr. was one of the most influential black men in America for 21 years in a row according to Ebony Magazine. Presiding Bishop of The Church of God In Christ, a position that should have cause him to have a greater sense of moral and ethical values, it seemed to have had a very small impact of his actions. My Brother J.O. Patterson Jr., was a former 2 term Senator, 1 term Congressman, and first black Mayor of the City of Memphis. A great man by world standards, but just as much a victim of our dad's reckless private life as my sister and I were. This book is a tale of religion, sex, lies, coverup's, murder, and extream coruption under the banner of The Church. And how the cover up's continues with some of the Church's Leadership even today. How sad it is when the people we turn to for compassion, spiritual guidance, and understanding. Use that position to abuse the innocent and greed to make millions. When my dad passed he left a reported 3 million dollars in cash stuffed into a freezer and a reported 48 million dollars of missing church money. The key word is reported, because only the person who found the cash and God know how much was actually there. I hope you will enjoy the enlightening journey into my life and what few people will ever know about these mega religious organizations and the courption and greed that drives them.
