Did You Learn Anything about Yourself

The Handmaid's Tale

You Know One of the Great Quotes That I Have Loved for Years as Eleanor Roosevelt Saying for any

Woman Who Enters the Public Arena She Needs To Grow Skin As Thick as the Hide of a Rhinoceros because You Will Be Judged by Everything from You Know Your Hair to Your Voice to whether You Are Married or Not Married whether You Have Children or Don't Have Children so It's a Constant Gotcha Game and You Have To Be Clear about Why You're Going into Politics and What You Hope To Achieve through Your Your Efforts but I Say in the Book You Know by Pulling the Curtain Back and Talking about How Hard It Is I Don't Want To Discourage

And It Is Gratifying To See How Many People Who Were Never Thinking about Getting into Office Now Are a Few More Audience Questions Do You Really Keep that Hot Sauce in Your Bag Also We Love You I Think You Already Answered that We Appreciate You What Should the Democratic Party Run On in the Next Election It's Not an Easy Question Well I Think It Has To Be both Economic Justice and Social Justice and You Know We Have the Better Side of the Argument about How To Make the Economy Grow To Be Inclusive To Lift Incomes Provide Opportunities We Just Have To Keep Plugging

So I Was in Service to Our Country and Service to President Obama as a Member of His Cabinet in His First Term I Left the State Department with a 69 Percent Approval Rating People Thought I Was Doing a Good Job and I Was Doing a Good Job because They Could See Me You Know Standing Up for Our Country Standing beside the President Trying To Solve Problems and What Was Fascinating to Me It Was Really Horrifying but Fascinating Was How Effective It Was To Just Begin To Knock that Down and To Get to the Point Where Oh Gosh We Don't Know What We Think about Her and Sheryl What Has Been the Most Fulfilling Part of Your Life So Far My Whole Life What Has Been the Most Fulfilling Part of Your I Guess Yes Whole Life So Far Yeah No I Mean My Family and My Friends Obviously for Me and Doing Work That I Believed In and that I Thought Made a Difference I Write in the Book about I Read about My Marriage and My Husband I Read about My Daughter and Motherhood I Write about My Mother I Write about My Because at the End of the Day Everybody Has Disappointments Everybody Has Losses I Viewed this Book As Much about Resilience as about Running for President because at for Me Having the Support and the Encouragement

You Made All the Difference as to You Know How I Felt and whether I Could You Know Sort Of Summon the Energy and the Commitment To Continue To Play a Public Role on Behalf of Causes and Values That I Care about So I Think I'm a Very Lucky I'm a Very Fortunate Person and I Want Others No Matter What Happens to You in Life To Understand that There Are Ways To Get Up and Keep Going and Don't Give Up on Yourself Don't Give Up on Your Friends on People You Care about There's a Serious

And I Want Others No Matter What Happens to You in Life To Understand that There Are Ways To Get Up and Keep Going and Don't Give Up on Yourself Don't Give Up on Your Friends on People You Care about There's a Serious and Question That I Think We all Are Distressed about What Is Your Advice for Federal Workers Facing the Internal Destruction of Their Agencies Especially at Epa and State and We Miss You Wow You Know I Am So Distressed because There's So Much Experience and Expertise among Federal Employees across Our Government and It's Been Hard One It Has Been Years in the Making and There Seems To Be a Total Disregard Even a Contempt on the Part of Many in this Administration

They Should Be Sitting in Meetings with the Highest Levels of this Administration Providing Advice and Information That Could Be Useful on Behalf of Our Country There Is Such a Disdain Though for Federal Workers so I Guess I Would Say if You Can Stick It Out Stick It Out because the Tide Has To Turn and if We Can Take Back One or both Houses of Congress in 2018 You Will Have People You Can Talk to Again but I Know How Difficult that Is because I Know What's Happened to People That I Worked with in the State Department

And You Know some of It Is Institutional some of It Is Attitudinal but It Can all Have an Effect on Not Just Our Politics but on Who We Are as Americans and I'm Concerned that a Lot of a Lot of Permission Has Been Given to People To Be Very Bigoted To Be Prejudiced To Lash Out at Others Based on Religion or Gender or Race and every Other Kind of Identifying Characteristic and So I Think It's Very Important that We Not Grow Weary in Standing Up for What We See as Core American Values Not Permitting the Clock To Be Turned Back and People's Progress To Be Reversed You Know There's a Lot To Be Proud of that the Resistance

So at the End I Talked a Lot about What I Think We Can Do and Should Do Going Forward and at the End at the End of the Book I'm Optimistic because I Really Believe that You Know We Always Summon Up the Energy and Get Ourselves You Know Focused Right and Keep Moving toward that More Perfect Union and I'm Gonna Do Everything I Can To Help Us Get There and You Start the Book with Harriet Tubman Keep Going Which Is Been a Favorite of Yours but in this Book by the Way Is Really in some Ways a Collection of Your Favorite Sources of Inspiration Quotes

We'Re Still Going To Be Here and Still Fighting and Still Moving and and Let Me Just End with with a Couple of Quotes You've Been You Know by by Using Your Voice by Writing this Book by Being Who You Are by Supporting Onward Together and Starting on Work Together You Are a Model for a Lot of People Who Wonder What They Can Do and and I Just Want To End with a Few Quotes That You Include in Your Book I Think that We Can all Turn to as We Resist Insist Persist and Enlist Nelson Mandela the Greatest Glory Is Not in Never Falling but in Rising every Time You Fall Pope John Xxiii Concern Yourself Not with What You Tried and Failed but What Is Still Possible To Do One of Your Favorites Ts Eliot There's Only the Trying Ralph Waldo Emerson Life Goes on but Here's the Best One and We Will End on this One and I Think this One Is Most Appropriate for this Evening Most Appropriate for You and What You've Done for this Country for the Last 25 Years and Will for the Next 25

I Think that We Can all Turn to as We Resist Insist Persist and Enlist Nelson Mandela the Greatest Glory Is Not in Never Falling but in Rising every Time You Fall Pope John Xxiii Concern Yourself Not with What You Tried and Failed but What Is Still Possible To Do One of Your Favorites Ts Eliot There's Only the Trying Ralph Waldo Emerson Life Goes on but Here's the Best One and We Will End on this One and I Think this One Is Most Appropriate for this Evening Most Appropriate for You and What You've Done for this Country for the Last 25 Years and Will for the Next 25 Plus Years from Maya Angelou
