its role in a highly divided society like India, swaraj was defined in the following ways; A. national independence; B. political freedom of the individual C. economic freedom of the individual and D. spiritual freedom of the individual or self-rule.

Economic freedom of the individual is the third dimension of swaraj. Economic swaraj stands for social justice, it promotes the good of all equally including the weakest, and is indispensable for decent life. The ideal villages will be managed by temporary national representative

However, till the time such a state became a reality, the villages could be ruled by the classical concept of Thoreau, which says 'that government is the best which governs the least'

What about religion?

From a group of one hundred such panchayats, fifty (first grade) leaders were to be elected

The word satyagraha is a combination of two words satya (truth) and agraha (holding)

It is a moral weapon and does not entertain ill-feeling towards the adversary, it is a non violent device and calls upon its user to love his enemy, it does not weaken the opponent but strengthens him morally

The main thrust is on treating resources as a public trust with man being the trustee, so that the riches of nature and society are equitably used.

Service without humility is selfishness and egotism.
Relationships are based on four principles: respect, understanding, acceptance and appreciation.
Hate the sin, love the sinner.
It's easy to stand with the crowd. It takes courage to stand alone.
The best way to find yourself is to lose yourself in the service of others.
To lose patience is to lose the battle.
If you want to change the world, start with yourself.
The weak can never forgive. Forgiveness is the attribute of the strong.
The real ornament of a woman is her character, her purity.
Prayer is the key of the morning and the bolt of the evening.

The cold climate invigorates.

Justice is not postponed.

Nothing venture, nothing have.

They are punished by fear.

It will fast corrupt and worm worms.

Love, and you shall be loved.

Put God in your debt.

Its fit hour of activity is night.
