In truth, there are no hidden mysteries or quick recipes for church growth. What is also true is that pastors and church leaders have been entrusted with the care of the church. *Better Before Bigger* aims to provide practical principles to help Christian leaders adopt a spirit of excellence and make their churches qualitatively better regardless of the size of the church. When churches are better, they are well positioned to become bigger.

Nearly every church is trying to help their congregants build relationships with others, grow as disciples, and/or engage in meaningful service through small groups. Many have argued that these small groups are the preferred vehicle for relationship building, disciple making, and membership assimilation in the local church, especially in large, multisite churches. *Leading Small Groups That Thrive* shows small group leaders, step by step, how to plan for, launch, build, sustain, and multiply highly effective, transformational, healthy small group experiences where people grow spiritually together. Based on a large-scale research study of small group pastors, leaders, and members, *Leading Small Groups That Thrive* gives church leaders both what they want--practical, straightforward, actual small group member voices and experiences, and compelling guidance on how to build transformational groups complemented with real-life examples and data of successful small groups--and what they need--substantial, challenging insights and a data-driven model grounded in the latest research on church small groups.

The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Advocating for “the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned,” the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, “to recognize the traces of God’s Spirit in events great and small.” Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. "The editor's preface (1707), p. xiii stated that the works of Richard Baxter are 'perhaps the best body of practical divinity that is extant in our own or any other tongue.' Richard Baxter lived from 1615-1691. The DIRECTORY was completed in 1665. Its scope was intended to cover all of practical theology, a summa of casuistry . . ." Timothy Keller calls it "the greatest manual on Biblical counseling ever produced."

Christianity Today

Many pastors today see themselves primarily as counselors, leaders, and motivators. Yet this often comes at the expense of the fundamental reality of the pastorate as a theological office. The most important role is to be a theologian mediating God to the people. The church needs pastors who can contextualize biblical wisdom in Christian living to help their congregations think theologically about all aspects of their lives, such as work, end-of-life decisions, political involvement, and entertainment choices. Drawing on the Bible, key figures from church history, and Christian theology, this book offers a clarion call for pastors to serve as public theologians in their congregations and communities. It is designed to be engaging reading for busy pastors and includes pastoral reflections on the theological task from twelve working pastors, including Kevin DeYoung and Cornelius Plantinga.

This book introduces the American Evangelical movement and the role it played in the support of Donald Trump. Specifically, it focuses on the Neocharismatic-Pentecostal (NCP) leaders, their beliefs, and their political strategies. The author examines why 81% of white evangelicals voted for Trump in 2016, and why he still received between 76% and 81% of their vote in 2020 despite losing the presidency. Additionally, the book discusses how NCP leaders are part of the Christian Right, a religious coalition with a political agenda centered on controversial issues such as anti-abortion activism, opposition to LGBTQ+ rights, and the protection of religious freedom. Structured around the three main ideas inspiring NCP leaders who supported Trump in 2016 and 2020—Dominion, Spiritual Warfare, and Eschatology (the End Times)—the book examines how these ideas have sustained the evangelicals close to U.S. political power in the Trump era. In light of the potential for Trump's return to power in 2024, the book serves as a warning of what a renewed alliance between Trump and his former NCP supporters could bring. It is an essential read for all students and researchers of Evangelicalism, Religion in America, Political Theology, or Religion and Politics.

In *Pastoral Imagination: Bringing the Practice of Ministry to Life*, Eileen R. Campbell-Reed informs and inspires the practice of ministry through slices of "on the ground" learning experienced by seminarians, pastors, activists, and chaplains and gathered from qualitative studies of ministry. Each of the fifty chapters explores a single concept through story, reflection, and provocative open-ended questions designed to spark conversation between ministers and mentors, among ministry peers, or for personal journal reflections. The book provides a framework for understanding ministry as an embodied, relational, integrative, and spiritual practice. *Pastoral Imagination* is closely integrated with the author's Three Minute Ministry Mentor web resource, which introduces the topics in the book through brief video presentations. The book serves as a coaching guide and a ministry mentor in its own right by expanding on these topics through the author's reflections, observations, and questions. Addressing the importance of the practice of ministry, Campbell-Reed states: "Ministry itself, like most professions and complex practices, is dogged and driven by a rush to achieve. Yet to focus on achievement can be disastrous, especially if we skip over the steps for learning. To learn the practice of ministry--a multifaceted professional and spiritual practice--takes time and preparation, risk and responsibility, support and feedback." The book can be used by individuals for personal growth; with groups in new-pastor retreats, CPE training programs, ministry peer groups, or supervision settings such as internship or field education; for devotional inspiration at staff meetings; and in seminary classrooms that prioritize teaching ministry as a practice.

Modern Church

This classic work by one of Europe's most respected twentieth-century legal minds tackles law through the eyes of Martin Luther. Johannes Heckel first reveals the basic features of Luther's doctrine of law in its totality, drawing from an overwhelming amount of material from all genres of Luther's writing. Heckel then considers how Luther viewed law as the framework for the existence of a Christian in this world. He develops a picture of Luther's position on law by grounding it in Luther's theology, arguing that his concept of natural law has to be understood in terms of the divine and the secular. Finally, Heckel shows the practicality of Luther's position by focusing on the places in which a Christian interacts with legality in this world: church, marriage and family, and politics. / When Johannes Heckel's *Lex Charitatis* appeared more than half a century ago it brought new clarity to the much disputed issue of Luther's understanding of the law and of God's governance of his created order. . . . Having Heckel's work in English will assist scholars and students alike in putting Luther's insights to use in the context of twenty-first-century problems. / Robert Kolb, Concordia Seminary
