Instead of Three Wishes

A leprechaun is sighted in small-town New Hampshire. A city boy becomes a hero in prehistoric Sweden. An elf prince tries to reward a girl who wishes he'd just leave her alone. In these and other delightful stories, magical adventure appears in the most unexpected places! *Instead of Three Wishes* is a captivating collection of witty and sparkling fantasy stories from the Newbery Honor author of *The Thief*. Ages 10+

Instead of Three Wishes

A collection of seven stories featuring leprechauns, ghosts, time travel, and other extraordinary creatures and experiences.

Instead of Three Wishes

A collection of seven stories featuring leprechauns, ghosts, time travel, and other extraordinary creatures and experiences.

Three Wishes

The three Kettle sisters have been accidentally starring in public performances all their lives, affecting their audiences in more ways than they'll ever know. This time, however, they give a particularly spectacular show when a raucous, champagne-soaked birthday dinner ends in a violent argument and an emergency dash to the hospital.

Three Wishes

Three Wishes is a book containing three very different stories, all are contemporary and contain a hint of the supernatural.

The Three Wishes

Nat and Ned are poor and often hungry, until Ned rescues a wish-granting fairy. But are all their troubles over for good? Part of the Usborne Reading Programme developed with reading experts at the University of Roehampton, specially written for children just starting to read alone. This ebook includes audio and reading-related puzzles. "Crack reading and make confident and enthusiastic readers with this fantastic reading programme." - Julia Eccleshare

The Three Wishes and Other Stories

This series captures the imagination of young readers with tales of enchantment. It is ideal for young readers to read along with parents or older children to read alone.

The Three Wishes

A collection of children's books on the subject of fables, folk and fairy tales.

The Three Wishes

The loveable duo from *The Kiss That Missed* are back in a third adventure! The hapless knight and his faithful horse are left to babysit the prince and princess. But babysitting is a lot harder than they think. Add to the mix - a bag of spells, a little magic and three wishes - and it's going to be a long night. From the bestselling creator of *Hugless Douglas*, this delightful story is full of humour, charm and magic.

The Three Wishes

A poor woodcutter gets three wishes from a fairy friend. He and his wife are delighted. But he must use them carefully!

The Three Wishes

If you had three wishes, what would you wish for? Anthony Browne is back with a brilliantly funny story with a moral message at its heart. Lambert, Hilda and Ros are bored on the sofa, watching tv and a little bit grumbly. . . However after a surreal turn of events, the three friends are visited by a mysterious blue fairy who gives them more than they bargained for. Be careful what you wish for, it might just come true... *The Three Wishes* is a hilarious twist on a tale that focuses on the importance of being content and present in the moment.

Three Wishes

A man and his wife wish for silly things when a tree gives them three wishes.

The Three Wishes

If I Had Three Wishes Nine year old Charlotte has never left London but has dreamed of visiting far away places for as long as she can remember. Could an apparently magic carpet be the answer to her dreams? If Charlotte wishes hard enough surely anything is possible.... Another enchanting illustrated story book by Hannah Frank. Illustrated by Fred Falk (USA).

Kathie's Three Wishes

Three tales from the annals of the Fairy Godmothers' Union, *True Love Local*. Sometimes True Love needs a little help.

Three Wishes

Presents a collection of twentieth-century American leftist children's literature, including contributions from such well-known writers as Dr. Seuss and Julius Lester, and many from less familiar figures.

The Three Wishes

Stories on the culture clash experienced by Lebanese war refugees in Paris. The stories follow men and women as they adjust to Western mores, in particular the more liberal relations between the sexes.

I Grant You Three Wishes

Excerpt from *Kathie's Three Wishes* "O dear!" Kathie Alston closed her book with a sigh; "if there were only real fairies! If one could wish for a thing and have it!" Then she glanced around the room. It was altogether unlike an enchanted palace. A faded and well-worn carpet, cane-seat chairs, the chintz cover on the lounge frayed at the edges, two or three old-fashioned pictures, and two plainly dressed women, who should have been fairy princesses instead. And just then it came to Kathie with great force how very hard their lives were, - her mother sewing wearily day after day, to lengthen out their scanty income, and poor pale Aunt Ruth never able to make much exertion in the way of working. Andrew Ripp - Rejoice

Until I rise like the morning

Wake up in the arms of glory

To finally see the sun above the pouring rain

Until I fall into surrender's

Healing hands and remember
There's a river on the other side of pain
Oh, I'm gonna
Rejoice
Rejoice
Lift it up in the highs and lows
There's a better day coming I know
Rejoice
Rejoice
I gonna sing either way it goes
There's a better day coming I know, I know
I know, I know
Until the boundary lines have broken
The levy gives and hearts spill open
To flood the lands we fight over with endless love
Until forgiveness steals the blame
Of every heart soul mind and strength
Until we know there's nothing left to do but trust
Oh, I'm gonna

Rejoice
Rejoice
Lift it up in the highs and lows
There's a better day coming I know
Rejoice
Rejoice
I gonna sing either way it goes
There's a better day coming I know, I know
(There's a better day coming) I know, I know
(There's a better day coming) I know, I know
Oh, my soul send in the choir
Raise my song in the flood or the fire
Oh, my soul send in the choir
Hope is ringing out higher and higher
Oh, my soul send in the choir
Raise my song in the flood or the fire
Oh, my soul send in the choir
Hope is ringing out higher and higher

Rejoice
Rejoice
Lift it up in the highs and lows
There's a better day coming I know
Rejoice
Rejoice
I gonna sing either way it goes
There's a better day coming I know, I know
(There's a better day coming)I know, I know
Once again, I say: "Rejoice"
