Understanding Kazuo Ishiguro

A comprehensive guide to the life and work of the author of *The Remains of the Day* One of the most closely followed British writers of his generation, the Japanese-born, English-raised and -educated Ishiguro is the author of six critically acclaimed novels, including *A Pale View of Hills* (1982, Winifred Holtby Prize of the Royal Society of Literature), *An Artist of the Floating World* (1986, Whitbread Book of the Year Award), *The Remains of the Day* (1988, Booker Prize), and *The Unconsoled* (1995, Cheltenham Prize). Ishiguro's reputation also extends beyond the world of English-language readers. His work has been translated into twenty-seven foreign languages, and the feature film version of *The Remains of the Day* was nominated for eight Academy Awards. Brian W. Shaffer's study reveals Ishiguro's novels to be intricately crafted, psychologically absorbing, hauntingly evocative works that betray the author's grounding not only in the literature of Japan but also in the great twentieth-century

British and Irish masters--Joseph Conrad, Ford Madox Ford, E. M. Forster, and James Joyce--as well as in Freudian psychoanalysis. All of Ishiguro's novels are shown to capture first-person narrators in the intriguing act of revealing--yet also of attempting to conceal beneath the surface of their mundane present activities--the alarming significance and troubling consequences of their past lives.

Kazuo Ishiguro

Kazuo Ishiguro is one of the finest and most accomplished contemporary writers of his generation. The short story author, television writer and novelist, included twice in Granta's list of Best Young British Writers, has over the past twenty-five years produced a body of work which is just as critically-acclaimed as it is popular with the general public. Like the writings of Ian McEwan, Kazuo Ishiguro's work is concerned with creating discursive platforms for issues of class, ethics, ethnicity, nationhood, place, gender and the uses and problems surrounding artistic representation. As a Japanese immigrant who came to Great Britain in 1960, Ishiguro has used his unique position and fine intellectual abilities to contemplate what it means to be British in the contemporary era. This guide traces the main themes throughout Ishiguro's writing whilst it also pays attention to his short stories and writing for television. It includes a new interview with the author, a preface by Haruki Murakami and discussion of James Ivory's adaptation of *The Remains of the Day*.

Understanding Graham Swift

"Malcolm discusses the novelist's use of major twentieth-century historical events to shape and deform the lives of his characters; his focus on the distortions and evasions that characterize the discussion of personal, local, and national histories; and his fascination with the complexities, sufferings, and joys that mark individual lives. Malcolm suggests that despite Swift's dark vision of human suffering, he tempers his writing with an intermittent focus on that which can redeem our failures, our losses, and our cruelties."--BOOK JACKET.

The Contemporary British Novel Since 1980

Written by some of the world's finest contemporary literature specialists, the specially commissioned essays in this volume examine the work of more than twenty major British novelists, including Peter Ackroyd, Martin Amis, Iain (M.) Banks, Pat Barker, Julian Barnes, A.S. Byatt, Angela Carter, Janice Galloway, Kazuo Ishiguro, Hanif Kureishi, Ian McEwan, Salman Rushdie, Zadie Smith, Graham Swift, Rose Tremain, Marina Warner, Irvine Welsh and Jeanette Winterson. Focusing mainly on authors whose first novels have appeared since 1980, the essays provide expert and original analysis of the most recent trends in the theory and practice of contemporary British fiction, and are organized by these 4 major approaches: realism, postcolonialism, feminism and postmodernism.

Narrative Skepticism

Using narrative, philosophical, and psychoanalytic theory, Linda S. Raphael investigates the development of skepticism in narrative. She argues that as authors explore more deeply the inner life of characters, their narratives become more skeptical about pinning down what it means to lead a good life. This argument is buttressed through a close examination of Jane Austen's *Persuasion*, George Eliot's *Middlemarch*, Henry James's *The Wings of the Dove*, Virginia Woolf's *Mrs. Dalloway*, and Kazuo Ishiguro's *The Remains of the Day*.

Understanding Will Self

Understanding Will Self introduces readers to the satire and expressive ingenuity of a British writer who has garnered an array of awards since the 1991 publication of his first short story collection, *The Quantity Theory of Sanity*. In this guide to the well-received but largely unstudied writer, M. Hunter Hayes examines the key themes, narrative strategies, and cultural commentaries that characterize Self's work. Through close textual analyses, Hayes guides readers through the alternative universe of Self's writing and maps the interplay between his forays into journalism and fiction. Marked by their combination of seemingly improbable events and quotidian details, Self's novels, novellas, and short stories examine contemporary English life through a mode of writing that he has aptly termed dirty magical realism. Hayes shows how recurring characters have evolved through successive works and in relation with their environments.

A Study Guide for Kazuo Ishiguro's *The Remains of the Day*

A Study Guide for Kazuo Ishiguro's "The Remains of the Day," excerpted from Gale's acclaimed *Novels for Students*. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust *Novels for Students* for all of your research needs.

Understanding Tim Parks

"Fenwick reckons with Parks's full literary range, from his novels and nonfiction books to his translations and journalism, and sheds light on the work of a versatile English writer whose international recognition is steadily growing."--BOOK JACKET.

Understanding Anita Brookner

Alexander (American studies and literature, U. of Gdansk, Poland), who has written about other Jewish authors, explores the bleak worldview of a British novelist from a Polish-Jewish background. She analyzes Brookner's zoom-in portrayal of her protagonists' faith in a better world despite exile, loneliness, and acceptance of authority and a class system, in 19 short novels from *The Debut* (1981) to *Undue Influence* (1999). Annotation copyrighted by Book News, Inc., Portland, OR

Understanding Ian McEwan

Critically-acclaimed contemporary British writer Ian McEwan's novels and short stories often involve tales of aberrance and obsession. In this guide for students and the interested general reader, Malcolm (English, U. of Gdansk, Poland) discusses themes such as incest, espionage, sexual fixation, and political dysfunction in McEwan's writing. He also analyzes McEwan's portrayal of women; his concern with rationalism; his moral perspective; and the impact of feminism on his fiction. Annotation copyrighted by Book News, Inc., Portland, OR

Understanding Alan Bennett

A study of the actor, director, playwright and lyricist, Alan Bennett. Peter Wolfe demonstrates that Alan Bennett's success in many spheres was no fluke, and his theatrical eminence has always been accompanied by awards and professional recognition. His play *Single Spies* won the Oliver Award as England's Best Comedy in 1989. The casts of his plays, starting with *Forty Years On* in 1968, have included such luminaries as Sir John Gielgud, Sir Alec Guinness, Joan Plowright, Maggie Smith, Alan Bates and Daniel Day Lewis. His screenwriting earned *The Madness of King George* a nomination for an Academy Award. This book seeks to illuminate the writer whose instinct for artistic choices has helped him to succeed on his own terms.

Understanding Alan Sillitoe

Understanding Alan Sillitoe offers a lucid appraisal of the life and works of the well-known contemporary British writer hailed by critics as the literary descendent of D.H. Lawrence. Known primarily for his novels *Saturday Night and Sunday Morning* and *The Loneliness of the Long-Distance Runner*, Sillitoe has written more than 50 books over the last 40 years, including novels, plays, collections of short stories, poems, and travel pieces, as well as more than four hundred essays. In this comprehensive study of the major novels and short stories, Hanson reveals Sillitoe's artistic influences and the dominant thematic concerns of his works.

Understanding Penelope Fitzgerald

Peter Wolfe's study of Penelope Fitzgerald's canon illuminates writings he characterizes as possessing unerring dramatic judgment, a friendly and fluid style, and lyrical and precise descriptive passages. In this survey of Fitzgerald's life and career, Wolfe explains how the British novelist brings resources of talent and craft, thought and feeling, courage and vulnerability, to the biographies and novels that have earned her renown.

Understanding Anthony Powell

Nicholas Birns provides a fresh examination of the British writer's career and growing reputation in this introduction to his work. Birns takes a global view of Powell's corpus, situating his works in context

and explaining his place among Evelyn Waugh, Graham Greene, and Henry Green, in the second generation of British modernists. Birns explains how Powell and his compatriots pioneered a "next wave" modernism in which experimentation and traditional narrative combined in a sustainable mode.

Understanding Beryl Bainbridge

"In this introduction to prolific British novelist Beryl Bainbridge, Brett Josef Grubisic provides a biographical sketch of the writer, discussion of her motivations and techniques, and a detailed survey of her fiction that places the works in the traditions of British black comedy, social novels, and historical fiction. In approaching her works, Grubisic maps Bainbridge's movement from social to historical novels, beginning with the comic historicism of *Young Adolf* and continuing to her most recent fiction, *The Birthday Boys*, *Every Man for Himself*, *Master Georgie*, and *According to Queeney*. Grubisic holds that in portraying historical events through a variety of narrative techniques or from oblique vantage points, Bainbridge's latest novels partially ally themselves with the style and ideological concerns of literary postmodernism while still recalling the defining view of hardship established in her youth."--BOOK JACKET.

Kazuo Ishiguro

In 2017 the Swedish Academy awarded the Nobel Prize in Literature to Kazuo Ishiguro, 'who, in novels of great emotional force, has uncovered the abyss beneath our illusory sense of connection with the world'. Cynthia Wong's classic study first appeared in 2000 and is now updated in an expanded third edition that analyses all of Ishiguro's remarkable novels and one short story collection. From his eloquent trilogy - *A Pale View of Hills*, *An Artist of the Floating World*, and *The Remains of the Day* - to the astonishing speculative fiction, *Never Let Me Go*, and the ambitious fable-like story from pre-Mediaeval times, *The Buried Giant*, Wong appraises Ishiguro's persistently bold explorations and the narrative perspectives of his troubled characters. A compassionate author, Ishiguro examines the way that human beings reinterpret worlds from which they feel estranged. All of his works are eloquent expressions of people struggling with the silence of pain and the awkward stutters of confusion and loss. This book analyses his subtle and ironic portrayals of people in 'emotional bereavement' and it situates Ishiguro as an empathetic international writer.

Contemporary British Novel

Written by some of the world's finest contemporary literature specialists, the newly commissioned essays in this volume examine the work of more than twenty major British novelists: Peter Ackroyd, Martin Amis, Iain (M.) Banks, Pat Barker, Julian Barnes, A.S. Byatt, Angela Carter, Janice Galloway, Abdulrazak Gurnah, Kazuo Ishiguro, James Kelman, A.L. Kennedy, Hanif Kureishi, Ian McEwan, Caryl Phillips, Salman Rushdie, Zadie Smith, Graham Swift, Rose Tremain, Marina Warner, Irvine Welsh and Jeanette Winterson. The book will be of interest not only to students, teachers and lecturers, but to the general reader seeking help in approaching the often baffling novels of the recent past. Key Features: *Literary critical 'isms' are described in clear, jargon-free language. *Focuses on British fiction since 1980 giving coverage of established authors such as Angela Carter and Ian McEwan as well as little addressed novelists such as James Kelman and Zadie Smith. *Essays are by leading scholars in contemporary fiction.

Conversations with Kazuo Ishiguro

Nineteen interviews conducted over the past two decades on both sides of the Atlantic and beyond with the author of the Booker Prize-winning *The Remains of the Day*

The Cambridge Companion to Kazuo Ishiguro

A lively, accessible and authoritative introduction to the work of Kazuo Ishiguro, one of the leading novelists of our time.

Ethics and Nostalgia in the Contemporary Novel

Images of loss and yearning played a crucial role in literary texts written in the later part of the twentieth century. Despite deep cultural differences, novelists from Africa, the Caribbean, Great Britain, and the United States share a sense that the economic, social, and political forces associated with late modernity have evoked widespread nostalgia within the communities in which they write. In this original

and wide-ranging study, John J. Su explores the relationship between nostalgia and ethics in novels across the English-speaking world. He challenges the tendency in literary studies to characterise memory as positive and nostalgia as necessarily negative. Instead, this book argues that nostalgic fantasies are crucial to the ethical visions presented by topical novels. From Jean Rhys to Wole Soyinka and from V. S. Naipaul to Toni Morrison, Su identifies nostalgia as a central concern in the twentieth-century novel.

Kazuo Ishiguro in a Global Context

Bringing together an international group of scholars, this collection offers a fresh assessment of Kazuo Ishiguro's evolving significance as a contemporary world author. The contributors take on a range of the aesthetic and philosophical themes that characterize Ishiguro's work, including his exploration of the self, family, and community; his narrative constructions of time and space; and his assessments of the continuous and discontinuous forces of history, art, human psychology, and cultural formations. Significantly, the volume attends to Ishiguro's own self-identification as an international writer who has at times expressed his uneasiness with being grouped together with British novelists of his generation. Taken together, these rich considerations of Ishiguro's work attest to his stature as a writer who continues to fascinate cultural and textual critics from around the world.

Kazuo Ishiguro

Having earned an international reputation with his Booker-prize-winning novel, *The Remains of the Day*, Kazuo Ishiguro is fast emerging as an important cultural figure of our times. In this guide to Ishiguro's varied and often experimental work, Wai-chew Sim presents: a biographical survey of Ishiguro's literary career, and an introduction to his novels, plays and short stories an accessible overview of the contexts and many interpretations of his work, from publication to the present discussions of key topics in Ishiguro criticism such as narrative theory, multicultural Britain and postcolonial studies, psychoanalytic criticism, and Ishiguro as international writer cross-references between sections of the guide, in order to suggest links between texts, contexts and criticism suggestions for further reading. Part of the Routledge Guides to Literature series, this volume is essential reading for all those beginning detailed study of Kazuo Ishiguro and seeking not only a guide to his works but also a way through the wealth of contextual and critical material that surrounds them.

Symbolism

Special Focus: "Omission\

A Companion to the British and Irish Novel, 1945 - 2000

A Companion to the British and Irish Novel 1945-2000 serves as an extended introduction and reference guide to the British and Irish novel between the close of World War II and the turn of the millennium. Covers a wide range of authors from Samuel Beckett to Salman Rushdie Provides readings of key novels, including Graham Greene's 'Heart of the Matter', Jean Rhys's 'Wide Sargasso Sea' and Kazuo Ishiguro's 'The Remains of the Day' Considers particular subgenres, such as the feminist novel and the postcolonial novel Discusses overarching cultural, political and literary trends, such as screen adaptations and the literary prize phenomenon Gives readers a sense of the richness and diversity of the novel during this period and of the vitality with which it continues to be discussed

The Cambridge Companion to Kazuo Ishiguro

The Cambridge Companion to Kazuo Ishiguro offers an accessible introduction to key aspects of the novelist's remarkable body of work. The volume addresses Ishiguro's engagement with fundamental questions of humanity and personal responsibility, with aesthetic value and political valency, with the vicissitudes of memory and historical documentation, and with questions of family, home, and homelessness. Focused through the personal experiences of some of the most memorable characters in contemporary fiction, Ishiguro's writing speaks to the major communitarian questions of our time – questions of nationalism and colonialism, race and ethnicity, migration, war, and cultural memory and social justice. The chapters attend to Ishiguro's highly readable novels while also ranging across his other creative output. Gathering together established and emerging scholars from the UK, Europe, the USA, and East Asia, the volume offers a survey of key works and themes while also moving critical discussion forward in new and challenging ways.

Kazuo Ishiguro

Kazuo Ishiguro is one of the finest contemporary authors who possesses that increasingly rare distinction of being a writer who is both popular with the general reading public and well-respected within the academic community. *Kazuo Ishiguro: New Critical Visions of the Novels* presents eighteen fresh perspectives on the author's work that will appeal to those who read him for pleasure or for purposes of study. Established and rising critics reassess Ishiguro's works from the early 'Japanese' novels through to his short story cycle *Nocturnes*, paying particular attention to *The Remains of the Day*, *The Unconsoled*, *When We Were Orphans* and *Never Let Me Go*. They address universal themes such as history, memory and mortality, but also provide groundbreaking explorations of diverse areas ranging from the posthuman and 'minor literature' to ethics, science fiction and Ishiguro's musical imagination. Featuring an insightful interview with Ishiguro himself, this collection of essays constitutes a significant contribution to the appreciation of his novels, and forms a lively and nuanced constellation of critical enquiry. Preface by Brian W. Shaffer. Essays by: Jeannette Baxter, Caroline Bennett, Christine Berberich, Lydia R. Cooper, Sebastian Groes, Meghan Marie Hammond, Tim Jarvis, Barry Lewis, Liani Lochner, Christopher Ringrose, Victor Sage, Andy Sawyer, Motoyuki Shibata, Gerry Smyth, Krystyna Stamirowska, Motoko Sugano, Patricia Waugh, Alyn Webley.

The remains of the day de Kazuo Ishiguro

Continuum Contemporaries will be a wonderful source of ideas and inspiration for members of book clubs and readings groups, as well as for literature students. The aim of the series is to give readers accessible and informative introductions to 30 of the most popular, most acclaimed, and most influential novels of recent years. A team of contemporary fiction scholars from both sides of the Atlantic has been assembled to provide a thorough and readable analysis of each of the novels in question. The books in the series will all follow the same structure: a biography of the novelist, including other works, influences, and, in some cases, an interview; a full-length study of the novel, drawing out the most important themes and ideas; a summary of how the novel was received upon publication; a summary of how the novel has performed since publication, including film or TV adaptations, literary prizes, etc.; a wide range of suggestions for further reading, including websites and discussion forums; and a list of questions for reading groups to discuss.

Kazuo Ishiguro's *The Remains of the Day*

Praise for the print edition: " ... comprehensive ... Recommended."

Encyclopedia of the British Novel

*Kazuo Ishiguro's new novel *Klara and the Sun* is now available***WINNER OF THE BOOKER PRIZE**A contemporary classic, *The Remains of the Day* is Kazuo Ishiguro's beautiful and haunting evocation of life between the wars in a Great English House. In the summer of 1956, Stevens, the ageing butler of Darlington Hall, embarks on a leisurely holiday that will take him deep into the countryside and into his past. 'A triumph . . . This wholly convincing portrait of a human life unweaving before your eyes is inventive and absorbing, by turns funny, absurd and ultimately very moving.' *Sunday Times* 'A dream of a book: a beguiling comedy of manners that evolves almost magically into a profound and heart-rending study of personality, class and culture.' *New York Times Book Review*

The Remains of the Day

Approaching Ishiguro's writings as a corpus, this volume highlights the significance of margins and the instability of demarcation, seeking to expose what is deliberately obscured or revealed within the narrative.

The Margin Without Centre

Kazuo Ishiguro is one of the finest contemporary authors who possesses that increasingly rare distinction of being a writer who is both popular with the general reading public and well-respected within the academic community. *Kazuo Ishiguro: New Critical Visions of the Novels* presents eighteen fresh perspectives on the author's work that will appeal to those who read him for pleasure or for purposes of study. Established and rising critics reassess Ishiguro's works from the early 'Japanese' novels through to his short story cycle *Nocturnes*, paying particular attention to *The Remains of the Day*, *The Unconsoled*, *When We Were Orphans* and *Never Let Me Go*. They address universal themes such as history, memory and mortality, but also provide groundbreaking explorations of diverse areas

ranging from the posthuman and 'minor literature' to ethics, science fiction and Ishiguro's musical imagination. Featuring an insightful interview with Ishiguro himself, this collection of essays constitutes a significant contribution to the appreciation of his novels, and forms a lively and nuanced constellation of critical enquiry. Preface by Brian W. Shaffer. Essays by: Jeannette Baxter, Caroline Bennett, Christine Berberich, Lydia R. Cooper, Sebastian Groes, Meghan Marie Hammond, Tim Jarvis, Barry Lewis, Liani Lochner, Christopher Ringrose, Victor Sage, Andy Sawyer, Motoyuki Shibata, Gerry Smyth, Krystyna Stamirowska, Motoko Sugano, Patricia Waugh, Alyn Webley.

Kazuo Ishiguro

An examination of the life, career, and oeuvre of the British novelist and biographer In *Understanding Jonathan Coe*, the first full-length study of the British novelist, Merritt Moseley surveys a writer whose experimental technique has become increasingly well received and critically admired. Coe is the recipient of the John Llewellyn Rhys Prize, the Prix Medicis, the Priz du Meilleur Livre Etranger, the Bollinger Everyman Wodehouse Prizes for Fiction, and the Samuel Johnson Prize for Nonfiction. His oeuvre includes eleven novels and three biographies—two of famous Hollywood actors Humphrey Bogart and Jimmy Stewart and one of English modernist novelist B. S. Johnson. Following an introductory overview of Coe's life and career, Moseley examines Coe's complex engagement with popular culture, his experimental technique, his political satire, and his broad-canvas depictions of British society. Though his first three books, *An Accidental Woman*, *A Touch of Love*, and *The Dwarves of Death*, received little notice upon publication, Moseley shows their strengths as literary works and as precursors. In 1994 Coe gained visibility with *What a Carve Up!*, which has remained his most admired and discussed novel. He has since published a postmodern take on sleep disorders and university students, *The House of Sleep*; a two-volume roman-fleuve consisting of *The Rotters' Club* and *The Closed Circle*; a touching account of a lonely woman's life, *The Rain before It Falls*; a satiric vision of a misguided life, *The Terrible Privacy of Maxwell Sim*; and a domestic comedy thriller set at the 1958 world's fair in Brussels, *Expo '58*. Moseley explicates these works and discusses the recurring features of Coe's fiction: political consciousness, a deep artistic concern with the form of fiction, and comedy.

Understanding Jonathan Coe

This work analyzes the fiction of four contemporary multicultural writers who render a 'floating world' in which cultures converge or collide in unexpected, exciting, and dangerous ways.

Artists of the Floating World

Written in clear, jargon-free prose, this introductory text charts the variety of novel writing in English in the second half of the twentieth century. An engaging introduction to the English-language novel from 1950-2000 (exclusive of the US). Provides students both with strategies for interpretation and with fresh readings of selected seminal texts. Maps out the most important contexts and concepts for understanding this fiction. Features readings of ten influential English-language novels including Margaret Atwood's *The Handmaid's Tale*, Kazuo Ishiguro's *Remains of the Day* and Chinua Achebe's *Things Fall Apart*.

Reading the Novel in English 1950 - 2000

This encyclopedia covers culture from the end of the Imperialist period in 1945 right up to date to reflect the vibrant nature of contemporary Japanese society and culture.

The Encyclopedia of Contemporary Japanese Culture

Among the most trenchant and provocative writers of globalization, Karen Tei Yamashita is one of the most significant, ambitious, and widely taught Asian American writers today. In four genre-bending novels, a short story collection/travel essay collage, a family memoir, and more than a dozen performance/theater works, Yamashita weaves together postmodernism, magical realism, history, social protest, and a wicked sense of humor. Her fictions challenge familiar literary tropes, especially those expected of "multicultural writers," such as the now-clichéd conflict between first-generation immigrants and their American-born children. Instead her canvas is global, conjuring the unexpected intimacies and distances created by international capitalism, as people and goods traverse continents in asymmetrical circuits. Highlighting the connections between neoliberal economic policies, environmental devastation and climate change, anti-immigrant rhetoric, urban gentrification, and other issues that dispropor-

tionately affect historically underinvested and minority communities, Yamashita brings a uniquely transnational perspective to her portrayal of distinctly American preoccupations. Sheffer gives readers a concise introduction to Yamashita's life, provides lucid analysis of key motifs, and synthesizes major research on her work. Each chapter offers, in accessible prose, original interpretations of essential works and stages in her career: her Brazil-Japan migration trilogy comprising *Brazil-Marú*, *Through the Arc of the Rain Forest*, and *Circle K Cycles*; the magical realist revision of the Los Angeles riots in *Tropic of Orange*; her historical magnum opus about Asian American activism in the long 1960s, *I Hotel*; her understudied theatrical and performance works collected in *Anime Wong*; and her recent familial memoir about Japanese American internment during World War II, *Letters to Memory*. In short the volume serves as both a lucid introduction to a challenging author and a valuable resource for students and scholars.

Understanding Karen Tei Yamashita

Loss is the core experience which determines the identity of Kazuo Ishiguro's narrators and shapes their subsequent lives. Whether a traumatic ordeal, an act of social degradation, a failed relationship or a loss of home, the painful event serves as a sharp dividing line between the earlier, meaningful past and the period afterwards, which is infused with a sense of lack, dissatisfaction and nostalgia. Ishiguro's narrators have been unable to confine their loss to the past and remain preoccupied by its legacy, which ranges from suppressed guilt to a keen sense of failure or disappointment. Their immersion in the past finds expression in the narratives which they weave in order to articulate, justify or merely understand their experiences. Their reconstructions of the past are interpreted as exercises in misremembering and self-deception which enable them to sustain their illusions and save them from despair. *Revisiting Loss* is the first book-length study of memory encompassing Ishiguro's entire novelistic output. It adopts a highly interdisciplinary approach, combining a selection of philosophical (Jacques Derrida, Paul Ricoeur, and Jean Starobinski) and psychological perspectives (Sigmund Freud, Frederic Bartlett, Jacques Lacan, and Daniel L. Schacter). The book offers a thoroughly researched critical survey drawing on all published critical monographs and collections of academic articles on Ishiguro's work.

Revisiting Loss

One of the most popular contemporary authors, Kazuo Ishiguro has so far produced six highly regarded novels which have won him international acclaim and honours, including the Booker Prize, the Whitbread Award and an OBE for Services to Literature. This Reader's Guide: - Evaluates the various responses to Ishiguro's work, beginning with initial reactions, moving on to key scholarly criticism, and taking note along the way of what Ishiguro has offered - Discusses each of Ishiguro's novels, from *A Pale View of the Hills* (1982) to *Never Let Me Go* (2005) - Features three in-depth chapters on Ishiguro's Booker Prize-winning *The Remains of the Day* (1993) - Analyses reviews, interviews and scholarly essays and articles in order to situate the novels in the context of Ishiguro's oeuvre - Explores themes and issues which are central to the author's fiction, such as narration, ethics and memory. Lucid and insightful, this is an indispensable introductory guide for anyone studying – or simply interested in – the work of this major novelist.

The Novels of Kazuo Ishiguro

2021COMAGI 1st International Conference on Migration and Gender Issues (2021 COMAGI) was organised under the shadows of wide spreading COVID -19 on March 11th and 12th 2021 to explore and discuss the issues of migration and gender worldwide which seem to have doubled in the past two decades. The conference was called upon by Dr Abha Foundation, India, and was held online at the Alfred Nobel University, Ukraine. 2021COMAGI witnessed a galaxy of scholars' participants from more than fifty countries. A good number of selected research papers from scholars from different parts of the world were presented at the two-day conference. Out of those selected presentations, ten presentations were invited for full paper submission to be disseminated as a conference proceeding in the special issue of *SOCRATES Journal*. This issue of *SOCRATES Journal* is the dissemination of those chosen research papers.

SOCRATES

Unbound

Girl gone wild... College is supposed to be a time of discovery, but Danielle Vaughn never imaged it would be like this: heightened senses, supernatural powers, and a sudden craving for human blood. Dani is a demi-vamp, the daughter of a human psychic and a vampire noble, a living secret kept hidden for twenty-one years. As Dani's heritage manifests itself, her thirst for blood is matched only by her hunger for Chase Diedrick. But as the son of the Vampire Council's most powerful ruling family, Chase is already promised to another. Dani saw Council politics destroy her mother's life; she won't let the same thing happen to her. Besides, there's no shortage of men who are eager to satisfy her every need, including the alluring vampire Kayden. Unfortunately, Dani also has no shortage of enemies. Her heightened powers of telepathy and telekinesis attract the attention of a rogue vamp who preys on gifted vampires, absorbing their skills along with their lifeblood. Now, Dani must seek the Council's help to quickly master her new vampire life...or risk losing it. Revised edition: This edition of Unbound includes editorial revisions.

Unmerciful

Being a vampire sure bites...Lindsay Roselle's biggest worry should have been what to wear under her robe at her college graduation, not how she was going to survive the night as a newly turned vampire. After catching the attention of the Rogue, a vampire out to destroy the Vampire Nation, Lindsay was forced to undergo the change herself. Convinced she's fated for an end worse than death, Lindsay had all but given up until she's rescued...by the last person she ever expected to see again. Kayden Paris wasn't anything like the playboy Lindsay remembered from the night they shared together...and she wouldn't have forgotten the fangs. Kayden is the heir to his vampire clan and son of the mightiest warrior in the Vampire Nation, but even he may not be able to heal all the wounds Lindsay suffered at the hands of the Rogue. In a life fraught with secrets, lies, and deadly enemies, Lindsay must first learn to trust herself in order to survive.

Unforgiven

Brandi Vaughn is more extraordinary than anyone realizes. The fiery young vamp has a secret elemental power--an inner flame that she must keep under control so as not to reveal herself to the dangerous rogue vampire targeting exceptional talents like hers. When two desperate followers of the Rogue attempt to kidnap her sister Dani during her wedding ceremony, Brandi lets loose with a pyrotechnic display that doesn't go unnoticed.

You Took the Last Bus Home

You Took the Last Bus Home is the first and long-awaited collection of ingeniously hilarious and surprisingly touching poems from Brian Bilston, the mysterious 'Poet Laureate of Twitter'. With endless wit, imaginative wordplay and underlying heartache, he offers profound insights into modern life, exploring themes as diverse as love, death, the inestimable value of a mobile phone charger, the unbearable torment of forgetting to put the rubbish out, and the improbable nuances of the English language. Constantly experimenting with literary form, Bilston's words have been known to float off the page, take the shape of the subjects they explore, and reflect our contemporary world in the form of Excel spreadsheets, Venn diagrams and Scrabble tiles. This irresistibly charming collection of his best-loved poems will make you laugh out loud while making you question the very essence of the human condition in the twenty-first century.

Nihil Unbound

This book pushes nihilism to its ultimate conclusion by linking revisionary naturalism in Anglo-American philosophy with anti-phenomenological realism in French philosophy. Contrary to the 'post-analytic' consensus uniting Heidegger and Wittgenstein against scientism and scepticism, this book links eliminative materialism and speculative realism.

Missing in Shanghai

"Jess is working on the China desk in the Foreign and Commonwealth Office. It's her job to ensure the State visit of the Chinese Premier runs smoothly. But tensions are running high. Jess uncovers a shocking secret - a British diplomat, Marianne Henderson, went missing in Shanghai in 1984 and has never been seen again. Not only that, all evidence she ever existed vanished with her. When Jess starts asking questions, she is warned off. But she is caught up in a chain of events she has no power

to control. As she digs in the past to find out what happened to Marianne, Jess finds herself in grave danger." -- Provided by publisher.

Samantha Watkins

Young librarian Samantha Watkins has always been perfectly content with her humdrum existence. Never easily fitting in with anyone anywhere, she feels most at ease in silence, among stacks of books. Sam believes in leaving fantasy and drama to the characters in her beloved novels. But one night when she leaves work late, she finds herself center stage in a tale of vengeance and terror. Samantha is rescued from a gang of vampires by Phoenix, a mysterious and otherworldly man. Suddenly her paranormal adventures take a far more extraordinary turn than any story she's ever read. Phoenix, her savior, is actually a vampire as well, tasked with stopping his peers from killing. With no possibility of returning to her former life, Sam becomes his assistant. Together they investigate a series of mysterious disappearances and attempt to save the human race from a horrible fate. Battling vampires thrills and empowers Sam, but where does she stand with supernatural Phoenix? Could Phoenix, through their work together, become a different man?

Sleepy Willow's Heartless Soul

Willow's existence is not easy. Having narcolepsy is bad enough without her bond to an arrogant maistre, vampire extermination agents eradicating her kind, and "friends" with ulterior motives. Being undead could seem more of a hassle than being alive. But Willow has had enough. After all the betrayals and abuse—even with her sleep disorder—she refuses to take things lying down. It'll take more than performing for necrophiliacs at a fetish club to make Willow's existence worthwhile. Now, she's on a mission to get her heart back. A mission that may liberate or destroy her...and everyone around her. With the help of powerful supernatural colleagues and Remi, her lover with a personality disorder, she faces danger. And she's determined to win this time. *For mature readers.*

Heart of the Steal

Responsible, disciplined William Fox channeled his love for art and his faith in the rules into being an FBI Art Crimes agent. Right and wrong, justice and injustice—the differences are clear, and Will has spent his career drawing a line between them. Maybe his convictions have cost him relationships, but he's not willing to compromise what he knows is right. Until the night he meets Amory Vaughn. As the head of his family's philanthropic foundation, Vaughn knows very well that being rich and powerful can get him almost anything he wants. And when he meets endearingly grumpy and slightly awkward William Fox, he wants him more than he's wanted anything. Vaughn is used to being desired for his name and his money, but Will doesn't care about either. When Vaughn falls back on old habits and attempts to impress Will by stealing a painting Will admires, their nascent bond blows up in his face. But Vaughn isn't willing to give up on the glimpse of passion he saw the night he took Will apart. Before Will knows it, he's falling for the man he should have arrested, and Vaughn has to realize that some things can't be bought or stolen. Love has to be given freely. But can a man who lives by the rules, and a man who thinks the rules don't apply to him, ever see eye to eye?

The New Death and Others

Signs of Life is Natalie Taylor's story. It starts the day her husband dies and ends sixteen months later on her son's first birthday. Natalie's journey from wife to widow to mother is heartbreaking, blackly funny and will move you to laughter and tears as she makes it across that finish line. And you have no doubt she will make it because Natalie is a warrior and a woman to cheer for. Intelligent, witty and moving, this is the very best kind of indie movie in a book. A book to delight, to treasure and to press into the hands of your best friend.

Signs of Life

A starkly beautiful, wordless graphic novel about the end of the world by the cult artist and longtime Radiohead collaborator. A wild seascape, a distant island, a full moon. Gradually the island grows nearer until we land on a primeval wilderness, rich in vegetation and huge, strange beasts. Time passes and man appears, with clubs, with spears, with crueler weapons still—and things do not go well for the wilderness. Civilization rises as towers of stone and metal and smoke choke the undergrowth and the creatures that once moved through it. This is not a happy story, and it will not have a happy ending.

Working in his distinctive, monochromatic linocut style, Stanley Donwood achieves with his art what words cannot convey, carving out a mesmerizing, stark parable of environmental disaster and the end of civilization.

Bad Island

The first time Annie Sweet sees 43 Stanley Road, the house is so perfect she almost feels as though it has chosen her. But with her husband seeming more distant, and her daughter wrapped up in her friends and new school, Annie is increasingly left alone to mull over the past. She soon becomes consumed by the house and everyone who has lived there before her, especially a young music hall singer called Lily Painter, whose sparkling performances were the talk of London. As Annie delves further into the past she unravels the case of two notorious baby farmers, who cruelly preyed on vulnerable unmarried mothers. And until she solves the mystery at the heart of the scandal, the ghost of Lily Painter will never be able to rest. Based on true events, Caitlin Davies skilfully blends fact and fiction to bring to life part of our sinister past. Spanning an entire century, from the journals of an Edwardian police inspector to a doomed wartime love affair, *The Ghost of Lily Painter* is a gripping and poignant novel. 'Davies's prose is elegant and spare' *Sunday Times*

The Ghost of Lily Painter

Teenage assassin Gabriel Frost is back, and this time he's going to find out the truth about his mysterious past. It's been one year since the events of *Shadow Born*, and Gabriel has settled into his new life at Winschfield Manor as a field agent for the Top Secret organization known as D.A.S. Gabriel is on his first solo mission when something goes horribly wrong and the shadowfriends escape, not only with hostages, but also with a rare and unusual relic -an ancient gemstone statue. Gabriel soon learns that the shadowfriends are collecting the statues because the artifacts have immense power, power that could change the world forever. But before D.A.S. can act, the Shadow attacks. Reeves and Julia are gone and the children are taken captive by a secret government agency. To make matters worse, Gabriel's powers are growing rapidly and he can't seem to control them. Just when his friends need him most, Gabriel may not be able to save anyone - not even himself.

Shadow Rising

The eagerly awaited 4th novel in the bestselling *Conqueror* series, continuing the life and adventures of the mighty Khan dynasty.

Empire of Silver

As a lowly pot boy, Holt Cook was never meant to be a dragon rider. Until in a moment of madness, he saves a dragon egg doomed to be destroyed. A blind hatchling with a mysterious and unknown magic. Soul-bonding with the dragon, Holt gains access to its magical core. Only through training and perseverance can he cultivate its power to stand a chance in the battles to come. For the riders are preparing for war. Undead horrors are rising across the land. Kings and riders alike die in their strongholds. Order is crumbling. And Holt faces a terrible decision. To do what is expected and maintain order, or do what he knows to be right and cause only chaos?

Ascendant

'I could get in,' Marianne thought, 'if there was a person inside the house. There has got to be a person. I can't get in unless there is somebody there.' A powerful and haunting classic about a girl haunted by her own dreams. Ill and bored with having to stay in bed, Marianne picks up a pencil and starts doodling - a house, a garden, a boy at the window. That night she has an extraordinary dream. She is transported into her own picture, and as she explores further she soon realises she is not alone. The boy at the window is called Mark, and his every movement is guarded by the menacing stone watchers that surround the solitary house. Together, in their dreams, Marianne and Mark must save themselves . . . The perfect gift for children aged 8+, this well-loved classic will delight a new generation of readers of the *Faber Children's Classics* list.

Marianne Dreams

Ally Marshall is a wolf shifter-- and a Seer. But a girl doesn't exactly need special powers to know that Derren Hudson despises her entire kind. But in this case, his disdain is mixed with a healthy dose of

desire. And no matter how much the ruggedly handsome male appeals to her, this is one call of the wild she's determined to ignore. When Derren is forced into acting as her protector, he finds himself intensely and passionately drawn to the woman who incites his primal instinct to claim. And when enemies target the pack, Ally's gift may be just what the Mercury Pack needs....

Spiral of Need

The first addictive novel in New York Times bestselling author Katie Reus's Moon Shifter series. Ana Cordona has been a strong leader for the lupine shifters who survived after all the males and most of the females in her pack were mysteriously poisoned. As tough as she is, with no Alpha male, the pack is vulnerable to the devious shifter Sean Taggart, who wants to claim both their ranch and Ana as his own. When Connor Armstrong comes back into her life, promising protection, it's almost enough to make Ana forget how he walked out on her before—and reluctantly accept his offer to mate. The minute Connor sees Ana again, it reawakens a raw hunger. He must have her for his bondmate—his wolf cries out for it. But his human side knows he must proceed with caution because of their complicated past. If he is to truly have her body and soul, he must go beyond his burning desire and win back her heart. Whatever it takes, he is determined not to leave her side again. But Taggart and his rival pack are not their only enemies. A human element in town is targeting shifters. Their plan not only threatens Ana and Connor's future, but the lives of the entire pack...

Alpha Instinct

'A glittering stream of revelatory light . . . Fascinating' THE TIMES 'Rich, complex and original' TOM HOLLAND 'One of the best books on Blake I have ever read' DAVID KEENAN 'Absolutely wonderful!' TERRY GILLIAM 'An alchemical dream of a book' SALENA GODDEN 'Tells us a great deal about all human imagination' ROBIN INCE *** Poet, artist, visionary and author of the unofficial English national anthem 'Jerusalem', William Blake is an archetypal misunderstood genius. His life passed without recognition and he worked without reward, mocked, dismissed and misinterpreted. Yet from his ignoble end in a pauper's grave, Blake now occupies a unique position as an artist who unites and attracts people from all corners of society, and a rare inclusive symbol of English identity. Blake famously experienced visions, and it is these that shaped his attitude to politics, sex, religion, society and art. Thanks to the work of neuroscientists and psychologists, we are now in a better position to understand what was happening inside that remarkable mind, and gain a deeper appreciation of his brilliance. His timeless work, we will find, has never been more relevant. In William Blake vs the World we return to a world of riots, revolutions and radicals, discuss movements from the Levellers of the sixteenth century to the psychedelic counterculture of the 1960s, and explore the latest discoveries in neurobiology, quantum physics and comparative religion. Taking the reader on wild detours into unfamiliar territory, John Higgs places the bewildering eccentricities of a most singular artist into context. And although the journey begins with us trying to understand him, we will ultimately discover that it is Blake who helps us to understand ourselves.

William Blake vs the World

'Even better than the Assassin books. I didn't think that was possible' George R.R. Martin

A Canopy of Stars

A unique exploration of the history of the bicycle in cinema, from Hollywood blockbusters and slapstick comedies to documentaries, realist dramas, and experimental films. Cycling and Cinema explores the history of the bicycle in cinema from the late nineteenth century through to the present day. In this new book from Goldsmiths Press, Bruce Bennett examines a wide variety of films from around the world, ranging from Hollywood blockbusters and slapstick comedies to documentaries, realist dramas, and experimental films, to consider the complex, shifting cultural significance of the bicycle. The bicycle is an everyday technology, but in examining the ways in which bicycles are used in films, Bennett reveals the rich social and cultural importance of this apparently unremarkable machine. The cinematic bicycles discussed in this book have various functions. They are the source of absurd comedy in silent films, and the vehicles that allow their owners to work in sports films and social realist cinema. They are a means of independence and escape for children in melodramas and kids' films, and the tools that offer political agency and freedom to women, as depicted in films from around the world. In recounting the cinematic history of the bicycle, Bennett reminds us that this machine is not just a practical means of transport or a child's toy, but the vehicle for a wide range of meanings concerning individual identity,

social class, nationhood and belonging, family, gender, and sexuality and pleasure. As this book shows, two hundred years on from its invention, the bicycle is a revolutionary technology that retains the power to transform the world.

Ship of Destiny (The Livship Traders, Book 3)

It is 1910 and fifty-six year old William Henry Kelly, a caulker at Belfast's Queen's Island shipyard, is engaged in building the White Star liner Titanic, when Belle, his beloved wife of 30 years, is brutally murdered. Based on the true story of the author's great grandfather, this is an account of life in Belfast's shipyards and working class districts during the turbulent first quarter of the 20th century. Set against the background of the construction and demise of Belfast's iconic but ill-fated super liner, and the effects of the First World War on industrial and community relations in Belfast, it tells the story of an ordinary but intelligent working man's battle with social injustice and with the demons within himself. This tale of a hard-working man, whose personal tragedy is eclipsed by that of the doomed ship and her fifteen hundred lost souls, is told with humour, pathos and an affection for the characters.

Cycling and Cinema

Winner of four utopYA Awards, including Best Book of the Year and Best Sci-Fi Book of the Year Cricket Hollowell never wished upon stars. She was too busy hiding in plain sight, eluding Chicago's foster care system. As her eighteenth birthday approaches, she now eagerly anticipates the day she'll stop running and finally find her place in the world. That day comes when she meets a young Etharian soldier named Trey Allairis, who has been charged with coming to Earth to find Cricket and transport her to her true home. As danger draws close, he must protect her until she can wield the powers she cannot use on Earth...and he soon realizes that counting a galaxy of stars would be easier than losing this extraordinary girl. Kyon knows the powerful depths of Cricket's gifts--gifts he'll control when he takes her for his tribe and leads the forces that will claim Ethar and destroy his enemies, starting with Trey Allairis. Now, Cricket faces the most difficult choice of her life: whether to wage a battle for survival or a fight for love. Revised edition: This edition of Under Different Stars includes editorial revisions.

A Wistful Eye

In this heart-pounding, starkly colored, and visually stunning "noir comic not to be missed" (CrimeReads), three women are running out of time to get out of Cuba with six million dollars on the night of New Year's Eve 1958. Gangster's moll Carole, jazz singer Taffy, and mambo queen Ana all have their reasons for needing to escape the El Eden Casino in Havana. And on the tumultuous night of New Year's Eve, when Cuban dictator Fulgencio Batista flees the country and the nation falls to Fidel Castro, they get their chance...with the help of six suitcases filled with stolen dirty money. Of course, it's one thing to get the cash...and quite another to get off the island alive... Acclaimed creators Alex de Campi and Victor Santos weave an unforgettable and glittering noir thriller—all wrapped up in the humid, fateful Caribbean night that marked the very end of the great mob casinos. "Readers will revel in this fast-paced noir, embracing both its elegant period detail and pulpy genre roots" (Publishers Weekly).

Under Different Stars

A major new manifesto for the end of capitalism Neoliberalism isn't working. Austerity is forcing millions into poverty and many more into precarious work, while the left remains trapped in stagnant political practices that offer no respite. *Inventing the Future* is a bold new manifesto for life after capitalism. Against the confused understanding of our high-tech world by both the right and the left, this book claims that the emancipatory and future-oriented possibilities of our society can be reclaimed. Instead of running from a complex future, Nick Srnicek and Alex Williams demand a postcapitalist economy capable of advancing standards, liberating humanity from work and developing technologies that expand our freedoms. This new edition includes a new chapter where they respond to their various critics.

Bad Girls

A moving and compelling emotional mystery, by one of the most exciting new talents in Norway Her name is Jane Ashland, and her life has spiralled out of control. Moving between Jane's past and this extraordinary remote landscape, Nicolai Houm weaves a dramatic trail of suspense through

one woman's life - via love, grief, and a devastating accident that changes everything. The Gradual Disappearance of Jane Ashland is a compelling, beautifully-written tale of life at its most glorious, and most terrible. Born in 1974, Nicolai Houm has published two novels, a collection of stories and a picture book, all critically acclaimed in Norway. The Gradual Disappearance of Jane Ashland is his first book to be published in English. He works part-time as an editor in the publishing house Cappelen Damm, and lives in Lier with his wife and daughter.

Inventing the Future

Long-awaited on the importance of halogen bonding in solution, demonstrating the specific advantages in various fields - from synthesis and catalysis to biochemistry and electrochemistry! Halogen bonding (XB) describes the interaction between an electron donor and the electrophilic region of a halogen atom. Its applicability for molecular recognition processes long remained unappreciated and has mostly been studied in solid state until recently. As most physiological processes and chemical reactions take place in solution, investigations in solutions are of highest relevance for its use in organic synthesis and catalysis, pharmaceutical chemistry and drug design, electrochemistry, as well as material synthesis. Halogen Bonding in Solution gives a concise overview of halogen bond interactions in solution. It discusses the history and electronic origin of halogen bonding and summarizes all relevant examples of its application in organocatalysis. It describes the use of molecular iodine in catalysis and industrial applications, as well as recent developments in anion transport and binding. Hot topic: Halogen bonding is an important interaction between molecules or within a molecule. The field has developed considerably in recent years, with numerous different approaches and applications having been published. Unique: There are several books on halogen bonding in solid state available, but this will be the first one focused on halogen bonding in solution. Multi-disciplinary: Summarizes the history and nature of halogen bonding in solution as well as applications in catalysis, anion recognition, biochemistry, and electrochemistry. Aimed at facilitating exciting future developments in the field, Halogen Bonding in Solution is a valuable source of information for researchers and professionals working in the field of supramolecular chemistry, catalysis, biochemistry, drug design, and electrochemistry.

The Gradual Disappearance of Jane Ashland

Whenever wolf shifter Roni Axton is near Marcus Fuller, there's a crackle of sexual awareness that's intoxicating ... and deeply annoying. Marcus is a pack enforcer who oozes power, but Roni is lethal in her own right. His possessive gaze makes one thing clear. Marcus has singled her out for seduction, and he wants to make her sit up and beg. When a brutal attack by a jackal pack forces them to work together, it's the perfect opportunity for Marcus to chip away at her defenses-- until he falls into his own trap, completely unprepared for the intensity of their connection. For Marcus, claiming Roni once will mean needing her forever.

Halogen Bonding in Solution

Women are dying in their millions. Some blame scientists, some see the hand of God. As she watches her world collapsing, Jessie Lamb decides she wants to make her life count. Would you let your daughter die if it would save the human race? The Testament of Jessie Lamb is the story of one daughter's heroism and one father's love.

A Book of Golden Deeds (EasyRead Super Large 18pt Edition)

This is a story of an ordinary girl's transformation from awkward 80s suburban pop geek to 90s jet-set pop goddess. It's about the embarrassments of growing up and experimenting with who you are and how pop music is both the comic and life-affirming soundtrack that runs through it all. Different for Girls is for anyone who ever sang into a hairbrush and slow-danced to Spandau Ballet's True. It's about growing up with Look-In and Jackie magazine and daubing your hair with poster paint to look more like Toyah Wilcox. It's about bad perms, bad boyfriends and the nagging feeling that no man will quite measure up to Nick Heyward from Haircut One Hundred. It's also about the journey from bad band to great band, from gigs in toilets to gigs in stadiums with all the mistakes, joys, disappointments and successes in between. It's a journey which starts with a 12-year-old perfecting her dance routine to Kate Bush's Wuthering Heights in front of TOTP and ends, almost 20 years later, with the same girl having REM's Michael Stipe sing happy birthday to her on a warm summer's evening accompanied by 70,000 strangers.

Dark Instincts

Plagued by recurring dreams of a faceless, yet strangely familiar man, and struggling to adapt to unique powers, Morgan Cauldwell moves halfway across the country to Manchester Academy. Once at MAC, Morgan meets the mysterious Chase Thomas. He knows more about Morgan than she knows about herself, and through him, Morgan learns she is Gifted. With the help of Chase and the Gifted Council, Morgan begins to learn how to control and develop the powers that have kept her isolated her whole life. While the mysteries of her dream man begin to unfold, Morgan's powers quickly surpass even the Council's expectations. But how much power should one person be allowed to possess...and at what price? Morgan finds herself face to face with her worst nightmares, where nothing is as it seems and not all Gifted are content with the powers they've been given.

The Testament of Jessie Lamb

For every athlete or sports fanatic who knows she's just as good as the guys. This is for fans of *The Running Dream* by Wendelin Van Draanen, *Grace, Gold, and Glory* by Gabrielle Douglass and *Breakaway: Beyond the Goal* by Alex Morgan. The summer before Caleb and Tessa enter high school, friendship has blossomed into a relationship . . . and their playful sports days are coming to an end. Caleb is getting ready to try out for the football team, and Tessa is training for cross-country. But all their structured plans derail in the final flag game when they lose. Tessa doesn't want to end her career as a loser. She really enjoys playing, and if she's being honest, she likes it even more than running cross-country. So what if she decided to play football instead? What would happen between her and Caleb? Or between her two best friends, who are counting on her to try out for cross-country with them? And will her parents be upset that she's decided to take her hobby to the next level? This summer Caleb and Tessa figure out just what it means to be a boyfriend, girlfriend, teammate, best friend, and someone worth cheering for. "A great next choice for readers who have enjoyed Catherine Gilbert Murdock's *Dairy Queen* and Miranda Kenneally's *Catching Jordan*."—SLJ "Fast-paced football action, realistic family drama, and sweet romance...[will have] readers looking for girl-powered sports stories...find[ing] plenty to like."—Booklist "Tessa's ferocious competitiveness is appealing."—Kirkus Reviews "[The Football Girl] serve[s] to illuminate the appropriately complicated emotions both of a young romance and of pursuing a dream. Heldring writes with insight and restraint."—The Horn Book

Different for Girls

This authoritative catalogue of the Corcoran Gallery of Art's renowned collection of pre-1945 American paintings will greatly enhance scholarly and public understanding of one of the finest and most important collections of historic American art in the world. Composed of more than 600 objects dating from 1740 to 1945.

Gifted

In this weaving of radical political economy, *Omnia Sunt Communia* sets out the steps to postcapitalism. By conceptualising the commons not just as common goods but as a set of social systems, Massimo De Angelis shows their pervasive presence in everyday life, mapping out a strategy for total social transformation. From the micro to the macro, De Angelis unveils the commons as fields of power relations – shared space, objects, subjects – that explode the limits of daily life under capitalism. He exposes attempts to co-opt the commons, through the use of code words such as 'participation' and 'governance', and reveals the potential for radical transformation rooted in the reproduction of our communities, of life, of work and of society as a whole.

A Spurious Brood

Enter the magical world of the Trylle with the full e-book collection: *Switched*, *Torn*, and *Ascend* from New York Times bestselling author Amanda Hocking. When Wendy Everly was six years old, her mother was convinced she was a monster and tried to kill her. Eleven years later, Wendy discovers her mother might have been right. She's not the person she's always believed herself to be, and her whole life begins to unravel—all because of Finn Holmes. Finn is a mysterious guy who always seems to be watching her. Every encounter leaves her deeply shaken...though it has more to do with her fierce attraction to him than she'd ever admit. But it isn't long before he reveals the truth: Wendy is a changeling who was switched at birth—and he's come to take her home. Now Wendy's about to journey to a

magical world she never knew existed, one that's both beautiful and frightening. And where she must leave her old life behind to discover who she's meant to become...

The Football Girl

From the author of *The Red Notebook*, described as 'Parisian perfection' by HRH The Duchess of Cornwall, *Red is My Heart* is a stunning collection of words and images in collaboration with Parisian street artist, Le Sonneur, about how to mend a broken heart. 'Enchanting' *Washington Post* How can you mend a broken heart? Do you write a letter to the woman who left you – and post it to an imaginary address? Buy a new watch, to reset your life? Or get rid of the jacket you wore every time you argued, because it was in some way ... responsible? Combining the wry musings of a rejected lover with playful drawings in just three colours – red, black and white – bestselling author of *The Red Notebook*, Antoine Laurain, and renowned street artist Le Sonneur have created a striking addition to the literature of unrequited love. Sharp, yet warm, whimsical and deeply Parisian, this is a must for all Antoine Laurain fans.
