When Spirits Hold My Hand

From Halloween expert Morton, a level-headed and entertaining history of our desire and attempts to hold conversations with the dead. Calling the Spirits investigates the eerie history of our conversations with the dead, from necromancy in Homer's Odyssey to the emergence of Spiritualism—when Victorians were entranced by mediums and the seance was born. Among our cast are the Fox sisters, teenagers surrounded by “spirit rappings”; Daniel Dunglas Home, the “greatest medium of all time”; Houdini and Sir Arthur Conan Doyle, whose unlikely friendship was forged, then riven, by the afterlife; and Helen Duncan, the medium whose trial in 1944 for witchcraft proved more popular to the public than news about the war. The book also considers Ouija boards, modern psychics, and paranormal investigations, and is illustrated with engravings, fine art (from beyond), and photographs. Hugely entertaining, it begs the question: is anybody there . . . ?

Thirty Years Among the Dead

Is spontaneously speaking indigenous Brazilian Rainforest languages proof of reincarnation? Or proof of channeling? Decide for yourself as you walk the path of psychic medium Janet Mayer. You'll encounter her life experiences of fear, her path to spiritual awakening, mediumship transformation and her two bouts with cancer. She reveals fascinating stories of spiritual life lessons, clients' stories and signs from the other side showing that death is a transition, not an end.

Calling the Spirits

I see dead people...but I'm in big trouble when I become a ghost myself! I'm Winter Whitethorne, psychic medium, and I find it easier to get along with the dead than the living. I've perfected invisibility spells so I can 'ghost' those I don't like. Haunted by spirits who refuse to cross over, I struggle to act "normal" and not give in to the bad luck that clings to me as deftly as my ghostly hitchhikers. When my boyfriend, Ronan, is attacked three days before Yule, leaving him in a magickal coma, I accidentally discover my destiny is far bigger than talking to dead people. Not only can I reach across the veil and communicate with them, I have the ability to raise them and change the very fabric of the world. There's no invisibility spell that's going to solve that problem. With my ghost cat familiar, Shade, as well as Persephone, a snarky new spirit guide who has a thing for '70s sitcoms, I embark on a journey to return Ronan's spirit to his body and stop a magickal disaster prophesied to take place on Yule. But can I save my one true love and fix magick when I, too, end up a ghost?

Spirits...They Are Present

"Love seems to be the balance pole. Too little and your load shifts precariously one way, too much and it swings the other." Love Songs is a unique collection of short works. It was intended to be a concert of sweet old love songs to ease the soul. Instead the pieces are truer to the agony of blues. Some are amusing-some abrasive-some tragic. And all are thought provoking cautionary tales. Death of a Mordot, the crowning novella, illustrates the fickle nature of gods and the inability of the inhabitants of that world to feel the compassion needed to survive. It is a fantasy romance of diversity, tolerance and faith, all that good stuff we could use in our world where our gods, hard cash and cruel power, are just as fickle and even more dangerous. This is a book to be read curled up in a cozy place with your favorite comfort food-or on the subway on your way to fight dragons. Better yet, if you are a dragon, on a hillside on your way to fight men. "A superb collection Robertson really tells it like it is! This is a MUST READ!" G. Abrams-Proof Picks

The Ladies' Repository

When Ashley's boyfriend, Jared, invites her to accompany him to a deserted beach, she thinks he has taken her to the perfect place to watch the sunset. Unfortunately, she could not be more wrong. Moments later, he overpowers her in a fit of anger, stopping her beating heart and sending her plummeting into a world of darkness. But it is not over. It is just the beginning. Now immersed in the world of the afterlife, Ashley transforms into a supernatural being determined to get revenge on Jared and find the motivation behind his brutal and bizzare actions. But Ashley becomes a new liability when dark forces discover the strength of her powers and their greed brings war upon the spirit elements. During dark times, Ashley must find her inner strength and fight for what she believes in. But will her thirst for vengeance force her to overlook what really matters? In this young adult fantasy, two vastly different worlds united by life and death hang in the balance as a girl journeys through an unforgiving afterlife to fulfill a revengeful mission.

Explanation and History of the Mysterious Communion with Spirits

I was raised in a German Roman Catholic family. Many hardships resulted from alcoholism, poverty and loss of three children at a young age. She was married at 17 and her children experienced child abuse at the hand of their father with a dismal outlook in breaking free. Through the grace of God, she was able to escape this daily abuse and she became a single parent of five children at the age of 32 with no child support and no finances. Having a love for Jesus caused her to use her faith in many traumatic times. She leaned on the LORD as she overcame one trial after another. When she was 44 years old, she answered the call to follow the LORD. She was then able to overcome obstacles with a new energy and strength. Working on the Standing Rock Indian Reservation was a huge blessing to the Lakota Sioux Indians in introducing them to training and in obtaining employment. Many anointed experiences occurred while ministering with her late husband to the Native American people throughout Canada and the U.S. She moved to Canada with her husband, leaving her job for the State of North Dakota where she worked for 16 years. She left all behind her to travel to new territory and into a new culture, going forward to minister full time for the LORD. She traveled to North Dakota, South Dakota, Montana, New Mexico, and provinces in Canada such as Alberta, Saskatchewan, Manitoba and British Columbia with her late husband teaching the people the love of God and deliverance from bondages and unforgiveness. Since her husband passed away, she now touches many lives as she ministers and she continues to work full time as a job counselor in Minnesota, being a blessing to many.

Psychic Self-Defense

Spirit is all around us. We just have to think of the loved ones we have lost and they are with us . . . Isn't it comforting to know that they are okay, and that one day you will see them again? Although it might be hard to accept that someone dear to you is no longer with you in the way they once were, you can take comfort knowing they are still very much a part of your life. In *Surrounded by Spirit*, Kelvin Cruickshank shows how the bond with people we have loved and lost is not broken — it just takes a different form. Kelvin's seventh book shares more incredible stories of spirit passing on messages to the loved ones they have left behind. While you may not be able to connect with spirit in the same way as Kelvin, if the loved ones you have lost are with you in your thoughts and your heart, you are never alone.

Son of God-Idiotic story- Memory loss

""White Whole"" presents 1,136 lyrics, pastorals, satires, elegies, and narrative poems written in 2018 by Surazeus that explore the evolution of the universe since the First Flash from the White Whole.

Finding the Path

Faces and voices, places and events, from the riches of my memories were floating in a soft bubble. Somewhere in my subconscious I knew I was dreaming, but somehow, I didn't want that bubble to burst. I wanted to spend time with them. I wanted to tell them what has happened here in this world, since they left. I'm sure that's how everyone feels about his or her loved ones who die ... Judy first sees Grace when she and her daughter attend as audience members of a television show. Grace is the featured guest, a famous seer who—out of all attendees—calls on Judy and begins relaying messages from Judy's deceased relatives. Judy is so overcome with emotion that she faints, and so begins a friendship brought together by fate. Both Judy and Grace have been bestowed the gift of clairvoyance. They see and talk to spirits, and they find strength and support. Together, they find excitement, intrigue, and mutual devotion. The people who leave this earth do not leave but forever linger and watch over us.

Although these women have lost much, they find hope in this shared truth as they explore the afterlife and grant peace to those in pain.

Mission Life

When the times that are on you are filled with confusion and uncertainty, you will have need of great truths. When the times that are on you no longer show you the path to travel as clearly as you could once see it, you need the light of the spirit to guide you. When you can no longer find the friend you once knew within you and you feel the loneliness that comes to you each night, then you need to find the path you were meant to travel. When you do this, those things will be put back into balance for you. - These are the sayings of our people. Grandfather, a Spirit Caller of the Isletta Pueblo, used to teach much of the wisdom of our people to Cheeway and me. Not all of it can be contained in this book, but this book is filled with a very important page of our people's history. - Speaking Wind
