Pick-me-up

Apathy or neglect of faith is not a new problem in the church. As conveyed in the Old Testament, God regularly confronted the apathy of His people and used prophets, such as Malachi, to call His people to believe in Him, and honor Him with their words, worship, and all they were. In Comfortably Numb, Pastor Eddie Wren shares a detailed exploration of the Old Testament book of Malachi that provides a candid glimpse into the current state of the American church and its worshippers as they battle to shake the apathy that is gripping their lives and hearts, and ultimately serve the Lord with passion. While relying on the words of the fiery prophet for inspiration, Dr. Wren delves into the scripture that encourages believers to hear the accusations, respond to the conviction of the Holy Spirit, and walk in obedience to the Lord. Comfortably Numb explores the book of Malachi and shares wisdom from a seasoned pastor while reminding weary Christians to believe in the promise of God's love and divine plan.

A Little Life

Nestled deep in the Surrey countryside stands the Brookwood 1939-1945 Memorial. Maintained by the Commonwealth War Graves Commission, its panels contain the names of nearly 3,500 men and women of the land forces of Britain and the Commonwealth who died in the Second World War and who have no known grave. Among the men and women whose names are carved on the memorial are

Special Operations Executive agents who died as prisoners or while working with Allied underground movements, servicemen killed in the various raids on enemy occupied territory in Europe, such as Dieppe and Saint-Nazaire, men and women who died at sea in hospital ships and troop transports, British Army parachutists, and even pilots and aircrew who lost their lives in flying accidents or in aerial combat. But the panels also hide a dark secret. Entwined within the names of heroes and heroines are those of nineteen men whose last resting place is known, and whose deaths were less than glorious. All were murderers who, following a civil or military trial, were executed for the heinous offence they had committed. The bodies of these individuals, with the exception of one, lay buried in un-consecrated ground. As Paul Johnson reveals, the cases of the 'Brookwood Killers' are violent, disturbing and often brutal in their content. They are not war crimes, but crimes committed in a time of war, for which the offender has their name recorded and maintained in perpetuity. Something that is not always applied in the case of the victim.

The Brookwood Killers

From the #1 New York Times bestselling author of *It Happened One Summer* and *Hook, Line, and Sinker* comes a sexy and hilarious rom-com trilogy about three broke and beautiful strangers who share an apartment in NYC... College drop-out Roxy Cumberland moved to New York with dreams of becoming an actress, but her dwindling bank account is quickly putting the kibosh on that fantasy. To make some quick cash, she signs up to perform singing telegrams. Her first customer is a gorgeous, cocky Manhattan trust-funder if she ever laid eyes on one. And what could be more humiliating than singing an ode to his junk, courtesy of his recent one night stand? Maybe the fact that she's dressed in a giant pink bunny costume... After a night out to celebrate winning his last case, lawyer Louis McNally II isn't prepared for the pounding in his head or the rabbit serenading him from the front door. But the sassy wit and sexy voice of the girl behind the mask intrigue him, and one look at her stunning face—followed by a mind-blowing kiss against his doorjamb—leaves Louis wanting more. Roxy doesn't need a spoiled rich guy who's had everything in life handed to him on a Tiffany platter. But there's more to Louis than his sexy surface and he's determined to make Roxy see it...even if it means chasing her all over NYC. "Louis and Roxy are a terrific match from the start. But Bailey is a master at portraying a heroine with a complex core, and Roxy's proud character carries the novel making readers wish she was their roommate, empty bank account be damned." – Washington Post

Love Me Like You Do

Twenty-three-year-old Anna is mesmerized when she meets thirty-one-year-old Edmund, a medical student attending a university in Budapest, Hungary. While Anna sees nothing wrong with her relationship with Edmund, her parents and others are critical of her dating a black man from Kenya. In this lead story in a collection of seven, "Love Me Black or Love Me White" describes the hypocrisy of the communist regime as well as the world seeing only skin color instead of human beings. The stories in Love Me Black or Love Me White are charged with contemporary interest-human dignity in an indifferent world as seen through the eyes of author Agnes Arany. Based on real events, each story takes place in a different country. "Violations" originated from Arany's experiences as an interpreter in

the Soviet Union and witnessing the roots of Communism. "Wives are Best When Thrashed," "The Old Hindu" and "Palm Branch and Typhoon" arose from her personal observations while traveling abroad. A keen observer of the reality around her, Arany harbors sympathy for the world's downtrodden and explores these issues in this collection. Love Me Black or Love Me White describes the world as she sees it and demonstrates that life itself is the best storyteller.

A Selection From The Harleian Miscellany Of Tracts, Which Principally Regard The English History; Of Which Many Are Referred To By Hume

Long ago, in the days when our caged blackbirds never saw a king's soldier without whistling impudently, "Come over the water to Charlie," a minister of Thrums was to be married, but something happened, and he remained a bachelor. Then, when he was old, he passed in our square the lady who was to have been his wife, and her hair was white, but she, too, was still unmarried. The meeting had only one witness, a weaver, and he said solemnly afterwards, "They didna speak, but they just gave one another a look, and I saw the love-light in their een." No more is remembered of these two, no being now living ever saw them, but the poetry that was in the soul of a battered weaver makes them human to us for ever. It is of another minister I am to tell, but only to those who know that light when they see it. I am not bidding good-bye to many readers, for though it is true that some men, of whom Lord Rintoul was one, live to an old age without knowing love, few of us can have met them, and of women so incomplete I never heard.

Just outside a hotel in Bordeaux, Philippe chances upon a young man who bears a striking resemblance to his first love.
