Law of Confession

Just like natural laws, there are spiritual laws with cause and effect. God set the universe in motion with the power of His words and established the law of confession, but many believers have suffered needlessly by misunderstanding the power of their words. Dr. Bill Winston, pastor, Bible teacher, and host of the national television program Believer s Walk of Faith broadcast to over 100 million homes, reveals scriptural examples and vital teaching on the importance of the spoken word. Believers will uncover the enemy s deceptive plan to use their own words against them and what they can do to turn their situation around. 'One of the best things that ever happened to me, my family, and my church, was the revelation of the law of confession - we learned that the moment we win the battle over our words, we win the battle!' Dr. Bill Winston Controlling your words is one of the biggest challenges anyone will face in this life; the Bible reveals that the power of life and death are in the words you say. As you begin to change the words you speak, you will rewrite their future and revolutionize your life.

The Power and Prevalency of Faith and Prayer Evidenced, in a Practical Discourse Upon Matth. 9. 27, 31

This book is written to give clarity to the fundamental grounds of the gospel, which is grace. Grace, if properly understood, opens up a rich understanding of the entire Bible, and empowers the believer to live a wholesome Christian life. In explaining this fundamental basis of the gospel, the book contrasts markedly between legalism and grace, drawing upon tons of scripture to make the distinction. When Paul said he was not ashamed of the gospel he actually meant he was not ashamed of grace. The legalistic worldview is that which believes that we must act right in order to be blessed by God. It is righteousness based on the works of the law. The grace view is that which believes that righteousness is given to the believer as a gift by the baptism of the Holy Ghost. The power of grace is in the law of faith, and not the law of works. The exercise of your faith in grace has a law that activates the Christian life in you, giving you power over sin and other circumstances: Romans 3:27 Where is boasting then? It is excluded. By what law? of works? Nay: but by the law of faith. Faith in grace, the finished work of Christ, has a law that enables you enjoy your Christian life, granting you an abundant life of love, joy, Peace

The Spiritual Laws That Govern Faith

This unique study of the book of Romans illustrates the power of God for salvation. None of us were saved by our own power and none of us will walk by our own power. The righteous do not live by fear; the righteous do not live by law; the righteous do not live by rigidity. The righteous will live because they live by faith ... powerfully! And that's the Good News presented in this book.

Unashamed Of Grace

An investigation of Paul's theology of the law in Galatians, in the light of recent hermeneutical developments. Part I analyses the structure of the letter, the theological perspective of Paul, and the argument and identity of the opponents. On the basis of these three preliminary considerations, Part II treats Paul's view of the law in Galatians. The thrust of the author's argument is that the term *nomos* refers to the Mosaic law imposed upon Israel at Mount Sinai, and that this law functions on three distinctive levels: as the obligation of the Sinai covenant, as an enslaving power and as an expression of love.

Living by the Power of Faith

"For the law of the Spirit of life in Christ Jesus has made me free from the law of sin and death" Romans 8:2 Gravity is called the law of gravity because it always works. A law is something that always works. But if a higher law is introduced into the situation, it can override and temporarily stop the first law from working. The law of sin and death, or sin nature, is what enabled the devil to rule over lost humanity, and there was nothing we could do to override that law to be free from his tyranny. God loved us so much that He chose to introduce a higher law (a higher power and force) into our situation that could override and supersede the law connecting us to the kingdom of darkness. That law was the law of the Spirit of life in Christ Jesus, and it goes into operation in a person's life the moment he accepts Jesus as his Lord and Savior! Through that law we can enjoy forgiveness, healing, deliverance, prosperity and victory in every area of your lives! It's all ours! Let's walk in it!!

The Law of the Spirit of Life in Christ Jesus

"This is not for the faint of heart, nor for Christians who want to be entertained. This is for hungry Bible students seeking vast, deep answers to a vast, deep subject""the all-important subject of Love. This book could and should be the standalone text for an 8 credit hour college course, mandatory for every accredited Bible student. And, it is a must for every layman who wants to understand the most important teachings of the Bible on a serious level." - Jesse Steele, Moody Bible Institute Alum This book is offered to help you love the Lord with your whole heart and to better know your Creator. It is intended to help clarify some lingering misunderstandings that trace back far into biblical history. The book deals with the righteousness and holiness of God as seen in His laws, but from a New Covenant perspective: love. Showing the distinction between the dispensational Law of Moses and the eternal and unchanging Law of God, the book focuses on love, as love is the focus of both the Law of God and the Law of Moses (Rom. 13:8). It's all about loving God with all your heart and loving your neighbor as yourself, even loving your enemy. With man this is impossible, but with God, all things are possible. These matters have the greatest bearing on our future reward in the heavenly kingdom and upon the power of our ministry today. With a clearer view of this line in the Bible, it is our prayer that we will all stand more confidently as we await and hasten the return of our Lord. Seek first his kingdom and its righteousness, and all these things will be added unto you. The book also covers emerging research regarding the 364-day calendar of the books of 1st Enoch and Jubilees, and how to manage it in a 365-day context. I think you will enjoy studying this with us. Think about it, your Creator wants to have dates with you, on the dates that his feasts have been observed in the heavens since creation. As we journeyed through these things I was humbled to receive seven dreams from the Lord to help shepherd us through, which I document in the appendix. Several in our extended family have also been warned and encouraged in dreams. The arm of Yahweh is not short to also give you dreams and other works of the coming kingdom. But it all begins with desperate searching in his Word. Keep asking, and you will receive. Keep seeking, and you will find. Keep knocking, and it will be opened to you!

Law of Unwavering Faith

In our faith journeys, we need direction to achieve our desired goals. The Seven Laws of Faith provides a step-by-step approach to understanding our journeys, growing in knowledge, and achieving desired ends. Faith is often taken for granted and in many respects can be seen as events and instant solutions to problems. The Seven Laws of Faith shows the essence of relationships and, is expressed in worship and service. We can move from having faith in God to having the faith of God, and exercising the power and authority that He generously gives. Faith can only grow through belief, love, worship, and service. This is the dynamic faith that can move mountains.

The Laws of Prosperity

This book - The Power and the Mystery of God's Word, is powerfully inspired by the Holy Spirit. The writer, Pastor Alex Koech, did an in-depth research on the meaning of the Word of God, the position of the Word in a believer's life and what the Word can do in an individual's life. The people in the earthly days of our Lord and Savior Jesus Christ pressed to hear the Word (Luke 5:1-2). They understood the position of God's Word in one's life. The writer of this book has explained in depth the creative power of God, a mystery by which God Almighty created things that are seen from the unseen. There is no doubt that Alex Koech was inspired by God to write this great book which dealt extensively on the ability to resist sin if one is loaded with the Word of God. The author has elaborated that the Bible is inspired by God and is the only source of divine knowledge and power that transforms, enlightens, builds, sustains and guides a believer in all matters of faith. Note these significant truths in the Scripture. The Bible is the source of: Truth: "Sanctify them by Your truth; Your word is truth" (John 17:17). God's blessings: "But He said, 'More than that, blessed are those who hear the word of God and keep it!" (Luke 11:28). Victory: "... the sword of the Spirit, which is the word of God" (Ephesians 6:17). Growth: "as newborn babes, desire the pure milk of the word, that you may grow thereby" (1 Peter 2:2). Power & salvation: "For I am not ashamed of the gospel of Christ, for it is the power of God to salvation for everyone who believes, for the Jew first and also for the Greek" (Romans 1:16). Guidance: "Your word is a lamp to my feet and a light to my path" (Psalm 119:105). Life & health: "My son, give attention to my Words; incline your ear to my sayings, Do not let them depart from your eyes; For they are life to

those who find them, And health to whole their flesh" (Proverbs 4:20-22)Wisdom & understanding: "The entrance of Your words gives light; It gives understanding to the simple" (Psalm 119:130).Sustenance: "The Son is the radiance of God's glory and exact representation of his being, sustaining all things by his powerful word..." (Hebrews 1:3)Sanctification: "You are already clean because of the word which I have spoken to you"(John 15:3).Faith: "So then faith comes by hearing, and hearing by the Word of God" (Romans10:17).Healing & deliverance: "He sent his word, and healed them, and delivered them from their destructions" (Psalm 107:20).Creation: "By faith we understand that the worlds were framed by the Word of God, so that the things which are seen were not made of things which are visible" (Hebrews11:3).Divine bread: "It is written, man shall not live by bread alone, but by every word that proceeds from the mouth of God" (Matthew 4:3-4).Revival: "The law of the Lord is perfect, reviving the soul" (19:7). He has also elaborated that we can receive wealth of wisdom, knowledge and understanding, and get healing for the body, soul and spirit, all as a result of the Power of God's Word in a man's life. There is no doubt that this is one of the best books in its category. This book is a must read for every believer. This book is recommended for Pastors, Evangelists, Apostles, Prophets, Teachers, and leaders of churches and every believer who want to grow in knowledge of the word of God. It should be a study guide or a reference material for Bible Studies, Bible Schools & Seminaries, and a leadership training manual for church leaders and church workers.

The Power of Unlimited Faith

Perhaps the most important section in Dan Millman's best-selling book, The Life You Were Born to Live was titled Laws that Change Lives. These laws, as described, were key to overcoming the specific hurdles on a given individual's life path. Different laws played critical roles for different paths. But the author considers these laws so central to all our lives that they needed a book of their own, and a more universal treatment, since anyone could benefit from applying any of these laws. As he writes: "Within the mystery of our existence, the universe operates according to spiritual laws as real as the law of gravity and as constant as the turning of the heavens. Aligning our lives to these laws can transform our relationships, careers, finances, and health. Simply put, they make life work better." The Laws of Spirit, Dan Millman's "little book of big wisdom," offers a teaching tale in which he encounters an ageless woman sage while on a mountain hike. There, in the wilderness, she takes Dan and his readers through experiences and tests in the natural world that demonstrate the power of spiritual laws of balance, choice, process, presence, compassion, faith, action, patience, , surrender, and unity. As the sage relates, "These laws belong to all of us. They rest within our hearts and at the heart of every religion and spiritual tradition." As you make your own journey through the pages of this book, you will find universal solutions to the varied challenges of our lives, leading to perspective and wisdom about the meaning and purpose of our lives here, and our connection with all of creation It begins with a single step: Open the first page of a book you will refer to again and again for inspiration and guidance on life's journey, up the mountain path.

THE POWER OF FAITH

Not simply an element of religion, faith is central to mankind's eternal quest. In this book, Dr. Clarence E. McClendon reveals the universal law and power of the God kind of faith: Faith equals conviction or persuasion plus corresponding action. Readers are admonished to find out how to apply this formula to every challenge in life.

The Perfect Law of Love

In a series of essays John Gardner has developed distinctive and engaging answers to the central questions of legal philosophy, cutting through the technicalities of the subject to clarify and reinvigorate the main arguments about the nature of law. This volume collects that work to provide a major contribution to the literature on jurisprudence.

A discussion on the doctrine of justification by faith alone, which took place between the Rev. D. Howarth, of Salford, and Mr. Figg, of Accrington, in the Wesleyan Association School Room, Heywood, on the 13th of March, 1844. Taken in short hand by Mr. Wardley. [The introduction signed: R. Storry.]

The Power of Faith: How the Love of God Found Me details the circular journey the author's life had taken through the years. It chronicles the author's life from the 1960s until the present. While he was ambitious and desired to practice law, God had a quite different intention in mind. Barriers and adversity occurred with each attempt to try to practice. Rather than be a practicing attorney, God wanted the author to understand the meaning of his life: the discovery of the meaning of true love. God wanted the author to understand that God loved him and that He would provide for the essential needs for his survival. Likewise, God wanted to convey that if the author loved Him too, additional blessings would come his way beyond mere survival. All this knowledge resulted from a simple adverse event: the tripping over a small dog resulting in a broken foot. God wanted the author to convey this sentiment to those receptive. With the readers examining their lives, they will see the role God has with them along with the love God has in their lives. God exists and is real, and all it takes is believing to change one's path in life.

The Laws of Faith

Does believing in Christ mean refusing to ask hard questions in the midst of doubt? Doubt is familiar territory for Lee Strobel, the former atheist and award-winning author of books for skeptics and Christians alike. But he believes that faith and reason go hand in hand, and that Christianity is, in rational terms, a defensible religion. In this six-session video Bible study (DVD/digital video sold separately), Strobel explores the most common emotional obstacles to faith in Christ, including: The natural inclination to wrestle with faith and doubt. The troubling presence of evil and suffering in the world. The exclusivity of the Christian gospel. Behind each of these considerations is the question: Can I doubt and still be a Christian? Through compelling personal stories and expert testimony--combined with discussion and personal reflection cues facilitated by contributor Garry Poole--Christians and spiritual seekers will learn how to overcome these obstacles, deepen their spiritual convictions, and find new confidence that Christianity is a reasonable faith. Sessions include: The Challenge of Faith Dealing with Doubt Evil and Suffering, Part 1 Evil and Suffering, Part 2 Why Is Jesus the Only Way to God?
