Were Beings of Unnatural Proportions or Parts Usually Regarded with Terror as Possessing Immense Strength and Ferocity Which They Employed for the Injury and Annoyance of Men some of Them Were Supposed To Combine the Members of Different Animals Such with the Sphinx and Chimera and to these All the Terrible Qualities of Wild Beasts Were Attributed Together with Humans Sagacity and Faculties Others as the Giants Differed from Men Chiefly in Their Size and in this Particular We Must Recognize a Wide Distinction among Them the Human Giants if so They May Be Called Such as the Cyclopes Anteus Orion and Others Must Be Supposed Not To Be Altogether Disproportioned to Human Beings for They Mingled in Love and Strife with Them

Yet Not Daring Entirely To Disobey Tied Up the Child by the Feet and Left Him Hanging to the Branch of a Tree in this Condition the Infant Was Found by a Peasant Who Carried Him to His Master and Mistress by Whom He Was Adopted and Called Oedipus or Swollen Foot Many Years Afterwards Layers Being on His Way to Delphi Accompanied Only by One Attendant Met in a Narrow Road a Young Man Also Driving in a Chariot on His Refusal To Leave the Way of Their Command the Attendant Killed One of His Horses and the Stranger Filled with Rage Slew both Layers and His Attendant the Young Man Was Oedipus Who Thus Unknowingly Became the Layer of His Own Father Shortly after this Event the City of Thebes Was Afflicted with a Monster Which Infested the High Road It Was Called the Sphinx

With the Condition that those Who Could Solve It Should Pass Safe but those Who Failed Should Be Killed Not One Had Yet Succeeded in Solving It and all Had Been Slain Oedipus Was Not Daunted by these Alarming Accounts but Boldly Advanced to the Trial the Sphinx Asked Him What Animal Is that Which in the Morning Goes on Four Feet at Noon on Two and in the Evening upon Three Oedipus Replied Man Who in Childhood Creeps on Hands and Knees in Manhood Walks Erect and in Old Age with the Aid of a Staff the Sphinx Was So Mortified at the Solving of Her Riddle

The Sphinx Asked Him What Animal Is that Which in the Morning Goes on Four Feet at Noon on Two and in the Evening upon Three Oedipus Replied Man Who in Childhood Creeps on Hands and Knees in Manhood Walks Erect and in Old Age with the Aid of a Staff the Sphinx Was So Mortified at the Solving of Her Riddle that She Cast Herself Down from the Rock and Perished the Gratitude of the People for Their Deliverance Was So Great that They May D Deepest Their King

He Did So and as He Slept Minerva Came to Him and Gave Him a Golden Bridle When He Awoke the Bridle Remained in His Hand Minerva Also Showed Him Pegasus Drinking at the Well of Pyrene li and at Sight of the Bridle the Winged Steed Came Willingly and Suffered Himself To Be Taken Bellerophon Mounted Him Rose with Him into the Air Soon Found the Chimaera and Gained an Easy Victory over the Monster after the Conquest of the Chimaera Bellerophon Was Exposed to Further Trials and Labor's by His Unfriendly Host

It Is Said He Even Attempted To Fly Up into Heaven on His Winged Steed but Jupiter Sent a Gadfly

Which Stung Pegasus and Made Him Throw His Rider Who Became Lame and Blind in Consequence after this Bellerophon Wandered Lonely through the Alley Unfilled Avoiding the Paths of Men and Died Miserably Milton Alludes To Bellerophon in the Beginning of the Seventh Book of Paradise Lost Descend from Heaven Urania by that Name if Rightly Thou Art Called Whose Voice Divine Following above the Olympian Hill I Saw above the Flight of Pegasi

I Have Presumed an Earthly Guest and Drawn Imperial Air Thy Tempering with Like Safety Guided Down Return Me to My Native Element lest from this Flying Steed Unruhe and as once Bellerophon Though from a Louis Fear Dismounted on the Alien Field I Fall Erroneous There To Wander and Forlorn Young in His Night Thoughts Speaking of the Skeptic Says He Who's Blind Thought Futurity Denies Unconscious Bears Bellerophon like Thee His Own Indictment He Condemns Himself Who Reads His Bosom Reads Immortal Life or Nature They'Re Imposing on Her Sons Has Written Fables Man Was Made a Lie Volume 2 Page 12 Pegasus Being the Horse of the Muses

He Was Not Fit for Such Service and His Clownish Master Could Make Nothing of Him but a Youth Stepped Forth and Asked Leave To Try Him As Soon as He Was Seated on His Back the Horse Which Had Appeared at First Vicious and Afterwards Spirit Broken Rose Kingly a Spirit a God Unfolded the Splendor of His Wings and Swords towards Heaven Our Own Poet Longfellow Also Records an Adventure of this Famous Steed in His Pegasus Impound Shakespeare Alludes to Pegasus in Henry the Fourth Crevan Describes Prince Henry

The Most Distinguished Heroes of Grecian Story Were His Pupils among the Rest the Infant High School a Pious Was Entrusted to His Charge by Apollo His Father When the Sage Returned to His Home Bearing the Infant His Daughter Ocoee Came Forth To Meet Him and at Sight of the Child Burst Forth into a Prophetic Strain for She Was a Prophetess for Telling the Glory that He Was To Achieve a Skill a Pious When Grown Up Became a Renowned Physician and Even in One Instance Succeeded in Restoring the Dead to Life Pluto Resented this and Jupiter at His Request Struck the Bold Physician with Lightning and Killed Him but after His Death Received Him into the Number of the Gods

And They Were Forced To Keep Vigilant Guard over Them Their Instinct Led Them To Know Where Buried Treasures Lay and They Did Their Best To Keep Plunderers at a Distance the Arimaspi Ins among Whom the Griffins Flourished Were a One-Eyed People of Cydia Milton Borrows a Simile from the Griffins Paradise Lost Book to As Well a Griffin through the Wilderness with Wingard Course or Hill and Maury Dale Pursues the Arimaspi In'who by Stealth Hath from His Wakeful Custody Purloined His Guarded Gold Etc

When Jason Was Grown Up and Came To Demand the Crown from His Uncle Pelle Is Pretended To Be Willing To Yield It but at the Same Time Suggested to the Young Man the Glorious Adventure of Going in Quest of the Golden Fleece Which It Was Well Known in the Kingdom of Kolchis and Was As Pelle as Pretended the Rightful Property of Their Family Jason Was Pleased with the Thought and Forth with Made Preparations for the Expedition at that Time the Only Species of Navigation Known to the Greeks Consisted of Small Boats or Canoes Hollowed Out from Trunks of Trees

The Argo with Her Crew of Heroes Left the Shores of Thessaly and Having Touched at the Island of Lemnos Vents Crossed to My Sia and Vince To Thrace Here They Found the Sage Phineas and from Him Received Instruction as to Their Future Course It Seems the Entrance of the Uc's Eensy Was Impeded by Two Small Rocky Islands Which Floated on the Surface and in Their Tossings and Heaving Zekkai Tionally Came Together Crushing and Grinding to Adams any Object That Might Be Caught between Them They Were Called the Simply Adiz or Clashing Islands Phineas Instructed the Argonauts How To Pass this Dangerous Straight When They Reached the Islands They Let Go Ad of Which Took Her Way between the Rocks

They Now Rode along the Shore till They Arrived at the Eastern End of the Sea and Landed at the Kingdom of Kolchis Jason Made Known His Message to the Colchean King Aots Who Consented To Give Up the Golden Fleece if Jason Would Yoke to the Plough To Fire Breathing Bowls with Brazen Feet and So the Teeth of the Dragon Which Cadmus Had Slain and from Which It Was Well Known that a Crop of Armed Men Would Spring Up Who Would Turn Their Weapons against Their Producer Jason Accepted the Conditions and a Time Was Set for Making the Experiment Previously However He Found Means To Plead His Cause To Medea Daughter of the King

Jason Made Known His Message to the Colchean King Aots Who Consented To Give Up the Golden Fleece if Jason Would Yoke to the Plough To Fire Breathing Bowls with Brazen Feet and So the Teeth of the Dragon Which Cadmus Had Slain and from Which It Was Well Known that a Crop of Armed Men Would Spring Up Who Would Turn Their Weapons against Their Producer Jason Accepted the Conditions and a Time Was Set for Making the Experiment Previously However He Found Means To Plead His Cause To Medea Daughter of the King He Promised Her Marriage and as They Stood

before the Altar of Heckett Called the Goddess To Witness His Oath Medea Yielded and by Her Aid for She Was a Potent Sorceress He Was Furnished with a Charm by Which He Could Encounter Safely the Breath of the Fire-Breathing Bold and the Weapons of the Armed Men at He Promised Her Marriage and as They Stood before the Altar of Heckett Called the Goddess To Witness His Oath Medea Yielded and by Her Aid for She Was a Potent Sorceress He Was Furnished with a Charm by Which He Could Encounter Safely the Breath of the Fire-Breathing Bold and the Weapons of the Armed Men at the Time Appointed the People Assembled at the Grove of Mars and the King Assumed His Royal Seat while the Multitude Covered the Hillsides the Brazen Footed Bowls Rushed in Breathing Fire from Their Nostrils That Burned Up the Herbage as They Passed And the King Assumed His Royal Seat while the Multitude Covered the Hillsides the Brazen Footed Bowls Rushed in Breathing Fire from Their Nostrils That Burned Up the Herbage as They Passed the Sound Was like the Roar of a Furnace and the Smoke like that of Water upon Quicklime Jason Advanced Boldly To Meet Them His Friends the Chosen Heroes of Greece Trembled To Behold Him Regardless of the Burning Breath He Soothed Their Rage with His Voice Patted Their Necks with Fearless Hand and Adroitly Slipped over Them the Yoke and Compelled Them To Drag the Plough The Brazen Footed Bowls Rushed in Breathing Fire from Their Nostrils That Burned Up the Herbage as They Passed the Sound Was like the Roar of a Furnace and the Smoke like that of Water upon Quicklime Jason Advanced Boldly To Meet Them His Friends the Chosen Heroes of Greece Trembled To Behold Him Regardless of the Burning Breath He Soothed Their Rage with His Voice Patted Their Necks with Fearless Hand and Adroitly Slipped over Them the Yoke and Compelled Them To Drag the Plough the Colcheans Were Amazed the Greeks Shouted for Joy Jason Next Proceeded To Sew the Dragon's Teeth and Plow Them In and Soon the Crop of Armed Men Sprang Up and Wonderful To Relate No Sooner Had They Reached the Surface than They Began To Brandish Their Weapons and Rush upon Jason

The Colcheans Were Amazed the Greeks Shouted for Joy Jason Next Proceeded To Sew the Dragon's Teeth and Plow Them In and Soon the Crop of Armed Men Sprang Up and Wonderful To Relate No Sooner Had They Reached the Surface than They Began To Brandish Their Weapons and Rush upon Jason the Greeks Trembled for Their Hero and Even She Who Had Provided Him a Way of Safety and Taught Him How To Use It Medea Herself Grew Pale with Fear Jason for a Time Kept His Assailants at Bay with His Sword and Shield till Finding Their Numbers Overwhelming He Resorted to the Charm Which Medea Had Taught Him Seized a Stone and Threw It in the Midst of His Foes They Immediately Turned Their Arms against One another and Soon There Was Not One of the Dragons Brood Left Alive the Greeks Embraced Their Hero and Medea if She Dared Would Have Embraced Him to It Remained to Lulled To Sleep the Dragon That Guarded the Fleece And Even She Who Had Provided Him a Way of Safety and Taught Him How To Use It Medea Herself Grew Pale with Fear Jason for a Time Kept His Assailants at Bay with His Sword and Shield till Finding Their Numbers Overwhelming He Resorted to the Charm Which Medea Had Taught Him Seized a Stone and Threw It in the Midst of His Foes They Immediately Turned Their Arms against One another and Soon There Was Not One of the Dragons Brood Left Alive the Greeks Embraced Their Hero and Medea if She Dared Would Have Embraced Him to It Remained to Lulled To Sleep the Dragon That Guarded the Fleece and this Was Done by Scattering over Him a Few Drops of a Preparation Which Medea Had Supplied

They Immediately Turned Their Arms against One another and Soon There Was Not One of the Dragons Brood Left Alive the Greeks Embraced Their Hero and Medea if She Dared Would Have Embraced Him to It Remained to Lulled To Sleep the Dragon That Guarded the Fleece and this Was Done by Scattering over Him a Few Drops of a Preparation Which Medea Had Supplied at the Smell He Relaxed His Rage Stood for a Moment Motionless Then Shut those Great Round Eyes That Had Never Been Known To Shut Before and Turned Over on His Side Fast Asleep Jason Seized the Fleece and with His Friends and Medea Accompanying Hastened to the Vessel before a at Ease the King Could Arrest Their Departure

Then Shut those Great Round Eyes That Had Never Been Known To Shut Before and Turned Over on His Side Fast Asleep Jason Seized the Fleece and with His Friends and Medea Accompanying Hastened to the Vessel before a at Ease the King Could Arrest Their Departure and Made the Best of Their Way Back to Thessaly Where They Arrived Safe and Jason Delivered the Fleece Type Elias and Dedicated the Argo to Neptune What Became of the Fleece Afterwards We Do Not Know but Perhaps It Was Found after all like Many Other Golden Prizes Not Worth the Trouble It Had Cost To Procure

And Soon the Laurel Cord and the Huge Stone Uplifting to the Deck Unmoored the Bark Whose Keel of Wondrous Length the Skillful Hand of Argus Fashioned for the Proud Attempt and in the Extended

Kela Lofty Mast Appraised and Sales Full Swelling to the Chiefs Unwanted Objects Now First Now They Learned Their Boulder Steerage over Ocean Wave Led by the Golden Stars as Tiryns Art Had Marked the Sphere Celestial Etc Hercules Left the Expedition at My Sia for Hillis a Youth Beloved by Him Having Gone for Water Was Laid Hold of and Kept by the Nymphs of the Spring

The Bark Whose Keel of Wondrous Length the Skillful Hand of Argus Fashioned for the Proud Attempt and in the Extended Kela Lofty Mast Appraised and Sales Full Swelling to the Chiefs Unwanted Objects Now First Now They Learned Their Boulder Steerage over Ocean Wave Led by the Golden Stars as Tiryns Art Had Marked the Sphere Celestial Etc Hercules Left the Expedition at My Sia for Hillis a Youth Beloved by Him Having Gone for Water Was Laid Hold of and Kept by the Nymphs of the Spring Who Were Fascinated by His Beauty Hercules Went in Quest of the Lad

Through Fields Full of Light and with Heart Full of Play Light Rambled the Boy over Meadow and Mount and Neglected His Task for the Flowers in the Way Thus Many like Me Who in Youth Should Have Tasted the Fountain That Runs by Philosophy Shrine Their Time with the Flowers on the Margin Have Wasted and Left Their Light Earns All His Empty as Mine Medea and Eosin amid the Rejoicings for the Recovery of the Golden Fleece Jason Felt that One Thing Was Wanting the Presence of a Essen His Father Who Was Prevented by His Age and Infirmities from Taking Part in Them Jason Said to Medea

I Have Seen So Mighty for My Aid Could Do Me One Further Service Take some Years from My Life and Add Them to My Father's Medea Replied Not at Such a Cost Shall It Be Done but if My Art Avails Me His Life Shall Be Lengthened without Abridging Yours the Next Full Moon She Issued Forth Alone while all Creatures Slept Not a Breath Stirred the Foliage and all Was Still to the Stars She Addressed Her Incantations and to the Moon To Hecett the Goddess of the Underworld and To Tell Us the Goddess of the Earth by Whose Power Plants Potent for Enchantment Are Produced She Invoked the Gods of the Woods and Caverns of Mountains and Valleys of Lakes and Rivers of Winds and Vapors

She Ascended It and Borne Aloft Made Her Way to Distant Regions Where Potent Plants Grew Which She Knew How To Select for Her Purpose Nine Nights She Employed in Her Search and during that Time Came Not within the Doors of Her Palace nor under any Roof and Shunned all Intercourse with Mortals She Next Erected to Altars 12 Hecett the Other Too Heavy the Goddess of Youth and Sacrificed a Black Sheep Pouring Libations of Milk and Wine She Implored Pluto and His Stolen Bride that They Would Not Hasten To Take the Old Man's Life Then She Directed that Eosin Should Be Led Forth and Having Thrown Him into a Deep Sleep by a Charm Had Laid Him on a Bed of Herbs like One Dead Jason and all Others Were Kept Away from the Place That no Profane Eyes Might Look upon Her Mysteries

Life Then She Directed that Eosin Should Be Led Forth and Having Thrown Him into a Deep Sleep by a Charm Had Laid Him on a Bed of Herbs like One Dead Jason and all Others Were Kept Away from the Place That no Profane Eyes Might Look upon Her Mysteries Then with Streaming Hair She Thrice Moved Round of the Altars Dipped Flaming Twigs in the Blood and Laid Them There On To Burn Meanwhile the Cauldron with Its Contents Was Got Ready in It She Put Magic Herbs with Seeds and Flowers of Acrid Juice Stones from the Distant East and Sand from the Shore of all Surrounding Ocean Hoarfrost Gathered by Moonlight a Screech Owls Head and Wings and the Entrails of a Wolf And Having Thrown Him into a Deep Sleep by a Charm Had Laid Him on a Bed of Herbs like One Dead Jason and all Others Were Kept Away from the Place That no Profane Eyes Might Look upon Her Mysteries Then with Streaming Hair She Thrice Moved Round of the Altars Dipped Flaming Twigs in the Blood and Laid Them There On To Burn Meanwhile the Cauldron with Its Contents Was Got Ready in It She Put Magic Herbs with Seeds and Flowers of Acrid Juice Stones from the Distant East and Sand from the Shore of all Surrounding Ocean Hoarfrost Gathered by Moonlight a Screech Owls Head and Wings and the Entrails of a Wolf She Added Fragments of the Shells of Tortoises And the Liver of Stags Animals Tenacious of Life and of the Head and Beak of a Crow That Outlives Nine Generations of Men these with Many Other Things without a Name She Boiled Together for Her Purpose Work Stirring Them Up with a Dry Olive Branch and Behold the Branch When Taken Out Instantly Became Green and before Long Was Covered with Leaves and a Plentiful Growth of Young Olives and as the Liquor Boiled and Bubbled and Sometimes Ran over the Grass Wherever the Sprinklings Fell Shocked Forth with a Verger like that of Spring Seeing that all Was Ready Medea Cut the Throat of the Old Man and Let Out All His Blood and Poured into His Mouth and into His Wound the Juices of Her Cauldron

And as the Liquor Boiled and Bubbled and Sometimes Ran over the Grass Wherever the Sprinklings Fell Shocked Forth with a Verger like that of Spring Seeing that all Was Ready Medea Cut the Throat of the Old Man and Let Out All His Blood and Poured into His Mouth and into His Wound the Juices

of Her Cauldron As Soon as She Had Completely Imbided Them His Hair and Beard Laid by Their Whiteness and Assumed the Blindness of Youth

Yet He Must Have Had some Good Qualities for His Daughters Loved Him and When They Saw What Medea Had Done for a Essen They Wished Her To Do the Same for Their Father Medea Pretended to Consent and Prepared Her Cauldron as Before at Her Request an Old Sheep Was Brought and Plunged into the Cauldron Very Soon a Bleating Was Heard in the Kettle and When the Cover Was Removed a Lamb Jumped Forth and Ran Frisking Away into the Meadow the Daughters of Pelier Saw the Experiment with Delight and Appointed a Time for Their Father To Undergo the Same Operation but Medea Prepared Her Cauldron for Him in a Very Different Way She Put In Only and a Few Simple Herbs in the Night She with the Sisters Entered the Bedchamber of the Old King while He and His Guards Slept Soundly under the Influence of a Spell Cast upon Them by Medea

But Medea Prepared Her Cauldron for Him in a Very Different Way She Put In Only and a Few Simple Herbs in the Night She with the Sisters Entered the Bedchamber of the Old King while He and His Guards Slept Soundly under the Influence of a Spell Cast upon Them by Medea the Daughters Stood by the Bedside with Their Weapons Drawn but Hesitated To Strike till Medea Chid There a Resolution Then Turning Away Their Faces and Giving Random Blows They Smote Him with Their Weapons He's Starting from His Sleep Cried Out My Daughters What Are You Doing Will You Kill Your Father Their Hearts Failed Them and Their Weapons Fell from Their Hands but Medea Struck Him a Fatal Blow and Prevented His Saying

She Enraged at His Ingratitude Caught on the Gods for Vengeance Sent a Poisoned Robe as a Gift to the Bride and Then Killing Her Own Children and Setting Fire to the Palace Mounted Her Serpent Drawn Chariot and Fled to Athens Where She Married King Aegeus the Father of Theseus and We Shall Meet Her Again When We Come to the Adventures of that Hero the Incantations of Medea Will Remind the Reader of those of the Witches in Macbeth the Following Lines Are those Which Seem Most Strikingly To Recall the Ancient

The Incantations of Medea Will Remind the Reader of those of the Witches in Macbeth the Following Lines Are those Which Seem Most Strikingly To Recall the Ancient Model Round about the Cauldron Go in the Poison'D Entrails Throw Filet of a Fini Snake in the Cauldron Boil and Bake I of Newt and Toe of Frog Wool of Bat and Tongue of Dog Adders Fork and Blind-Worms Sting Lizards Leg and Howlett Swing Ma a Ravening Saucy Shark Root of Hemlock Digged in the Dark Etc Macbeth Act Four Scene One and Again Macbeth What Is You Do Witches a Deed without a Name

There Is another Story of Medea Almost Too Revolting for Record Even of a Sorceress a Class of Persons to Whom both Ancient and Modern Poets Have Been Accustomed To Attribute every Degree of Atrocity in Her Flight from Kolchis She Had Taken Her Young Brother Ab Syrtis with Her Finding the Pursuing Vessels of a at Ease Gaining upon the Argonauts She Caused the Lad To Be Killed and His Limbs To Be Strewn over the Sea Ia Tease on Reaching the Place Found these Sorrowful Traces of His Murdered Son but while He Tarried To Collect the Scattered Fragments and Bestow upon Them an Honorable Interment the Argonauts Escaped

Who as They Spun Their Fatal Thread Foretold that the Life of the Child Should Last No Longer than a Brand than Burning upon the Hearth Fea Seized and Quenched the Brand and Carefully Preserved It for Years Well Mellie Asia Are Gruta Boyhood Youth and Manhood a Chance Send That the Enos as He Offered Sacrifices to the Gods Emitted To Pay Do Honor to Diana and She Indignant at the Neglect Sent a Wild Boar of Enormous Size To Lay Waste the Fields of Caledon Its Eyes Shone with Blood and Fire Its Bristle Stood like Threatening Spears Its Tusks Were like those of Indian Elephants And Her Left Hand Bore the Bow Her Face Blunt Feminine Beauty with the Best Graces of Martial Youth Mellie Asier Saw and Loved but Now Already They Were near the Monsters Lair They Stretched Strong Nets from Tree to Tree They Uncoupled Their Dogs They Tried To Find the Footprints of Their Query in the Grass from the Woods Was a Descent to Marshy Ground Here the Boar as He Lay among the Reeds Heard the Shouts of His Pursuers and Rushed Forth against Them One and another Is Thrown Down and Slain Jason Roses Spear with a Prayer to Diana for Success and the Favoring Goddess Allows the Weapon To Touch

And another Is Thrown Down and Slain Jason Roses Spear with a Prayer to Diana for Success and the Favoring Goddess Allows the Weapon To Touch but Not To Wound Removing the Steel Point of the Spear in Its Flight Nestor Assailed Seeks and Find Safety in the Branches of a Tree Telamon Rushes on but Stumbling at a Projecting Route Falls Prone but an Arrow from Atlanta at Length for the First Time Tastes the Monstrous Blood It Is a Slight Wound but My Liege Receives and Joyfully Proclaims It and Seus Excited To Envy by the Praise Given to a Female Loudly Proclaims His Own Valor and Defies Alike the Boar and the Goddess Who Has Sent It

ENG SUB The imperial queen EP13 | Commoner girl's journey to survive in harem | Tong liya/ Xu

unfamiliar with Japanese language and music, this bio-bibliography--including sections on his works, performances, films scores, recordings, and writings--will be invaluable to musicians, scholars, journalists, and music directors alike. The annotations of the entries are especially useful in determining answers to such questions as what instruments are needed to perform a piece, what should be said about a film or composition in a program note, what analysis or interpretation of a work is appropriate or has been done before, and what Takemitsu himself has said or written about each work. Siddon's fully cross-referenced volume offers information on approximately 150 compositions, 100 film scores, 250 audio recordings, and 500 bibliographical items, while the biography places the composer's life in the milieu of post-Pacific War Japan and contemporary music in Japan, Europe, and the United States.

Toru Takemitsu

This second edition of *Historical Dictionary of Modern and Contemporary Classical Music* contains a chronology, an introduction, and an extensive bibliography. The dictionary section has over 500 cross-referenced entries on the most important composers, musicians, methods, styles, and media in modernist and postmodern classical music.

Historical Dictionary of Modern and Contemporary Classical Music

Though often misunderstood in the West, the works of Toru Takemitsu (1930-1996) deserve attention beyond their native land. Although he wrote most of his music for Western instruments in international contemporary concert style, to be played by performers trained in the European musical tradition, lists and scores of his music have been difficult to obtain. Designed for use by musicians, scholars, and program directors who need compact, understandable information on Takemitsu, but who are unfamiliar with Japanese language and music, this bio-bibliography--including sections on his works, performances, films scores, recordings, and writings--will be invaluable to musicians, scholars, journalists, and music directors alike. The annotations of the entries are especially useful in determining answers to such questions as what instruments are needed to perform a piece, what should be said about a film or composition in a program note, what analysis or interpretation of a work is appropriate or has been done before, and what Takemitsu himself has said or written about each work. Siddon's fully cross-referenced volume offers information on approximately 150 compositions, 100 film scores, 250 audio recordings, and 500 bibliographical items, while the biography places the composer's life in the milieu of post-Pacific War Japan and contemporary music in Japan, Europe, and the United States.

Toru Takemitsu

Radicals and Realists is the first book in any language to discuss Japan's avant-garde artists, their work, and the historical environment in which they produced it during the two most creative decades of the twentieth century, the 1950s and 1960s. Many of the artists were radicals, rebelling against existing canons and established authority. Yet at the same time they were realists in choosing concrete materials, sounds, and themes from everyday life for their art and in gradually adopting tactics of protest or resistance through accommodation rather than confrontation. Whatever the means of expression, the production of art was never devoid of historical context or political implication. Focusing on the nonverbal genres of painting, sculpture, dance choreography, and music composition, this work shows that generational and political differences, not artistic doctrines, largely account for the divergent stances artists took vis-a-vis modernism, the international arts community, Japan's ties to the United States, and the alliance of corporate and bureaucratic interests that solidified in Japan during the 1960s. After surveying censorship and arts policy during the American occupation of Japan (1945–1952), the narrative divides into two chronological sections dealing with the 1950s and 1960s, bisected by the rise of an artistic underground in Shinjuku and the security treaty crisis of May 1960. The first section treats Japanese artists who studied abroad as well as the vast and varied experiments in each of the nonverbal avant-garde arts that took place within Japan during the 1950s, after long years of artistic insularity and near-stasis throughout war and occupation. Chief among the intellectuals who stimulated experimentation were the art critic Takiguchi Shuzo, the painter Okamoto Taro, and the businessman-painter Yoshihara Jiro. The second section addresses the multifront assault on formalism (confusingly known as "anti-art") led by visual artists nationwide. Likewise, composers of both Western-style and contemporary Japanese-style music increasingly chose everyday themes from folk music and the premodern musical repertoire for their new presentations. Avant-garde print makers, sculptors, and choreographers similarly moved beyond the modern—and modernism—in their work. A later chapter examines the artistic apex of the postwar period: Osaka's 1970 world exposition,

where more avant-garde music, painting, sculpture, and dance were on display than at any other point in Japan's history, before or since. *Radicals and Realists* is based on extensive archival research; numerous concerts, performances, and exhibits; and exclusive interviews with more than fifty leading choreographers, composers, painters, sculptors, and critics active during those two innovative decades. Its accessible prose and lucid analysis recommend it to a wide readership, including those interested in modern Japanese art and culture as well as the history of the postwar years.

Radicals and Realists in the Japanese Nonverbal Arts

When we think of composers, we usually envision an isolated artist separate from the orchestra—someone alone in a study, surrounded by staff paper—and in Europe and America this image generally has been accurate. For most of Japan's musical history, however, no such role existed—composition and performance were deeply intertwined. Only when Japan began to embrace Western culture in the late nineteenth century did the role of the composer emerge. In *Composing Japanese Musical Modernity*, Bonnie Wade uses an investigation of this new musical role to offer new insights not just into Japanese music but Japanese modernity at large and global cosmopolitan culture. Wade examines the short history of the composer in Japanese society, looking at the creative and economic opportunities that have sprung up around them—or that they forged—during Japan's astonishingly fast modernization. She shows that modernist Japanese composers have not bought into the high modernist concept of the autonomous artist, instead remaining connected to the people. Articulating Japanese modernism in this way, Wade tells a larger story of international musical life, of the spaces in which tradition and modernity are able to meet and, ultimately, where modernity itself has been made.

Composing Japanese Musical Modernity

Music, by its indeterminate levels of meaning, poses a necessary challenge to a theology bound up in words. Its distinctive nature as temporal and embodied allows a unique point of access to theological understanding. Yet music does not exist in a cultural vacuum, conveying universal truths, but is a part of the complex nature of human lives. This understanding of music as theology stems from a conviction that music is a theological means of knowing: knowing something indeterminate, yet meaningful. This is an exploration of the means by which music might say something otherwise unsayable, and in doing so, allow for an encounter with the mystery of God.

God in Sound and Silence

This comprehensive reference is a study of Lowell Mason, the pioneer music educator and composer/arranger who became known primarily for his wide influence on American musical culture. As in other volumes of the bio-bibliography series, this book features a biographical essay that is both informative and interpretive, summarizing and reflecting upon Mason's life, and providing an overview of his multifaceted career. It offers a detailed catalog of writings by and about Mason, including books and music, sheet music, prose writings, and periodical publications. The annotated entries cover a wide range of valuable information on 19th-century American music, American studies, church music, music education, teacher training programs, music publishing, and instrument manufacturing.

Lowell Mason

During his lifetime, Henry F. Gilbert was regarded as one of the foremost composers of the day and a trailblazer in America's rich musical heritage. Often called the Mark Twain of American Music, Gilbert was one of American music's nonconformists. He was a maverick who became a true prophet of American music as a composer, writer, editor, and lecturer. This volume contains a short biography of Gilbert, a listing of his compositions, including the different versions of the works and the holding libraries. A discography is included, which puts emphasis on the inclusion of excerpts from contemporary performances. This book captures much of the new material on Gilbert that has surfaced since the Henry F. Gilbert Papers were presented to Yale. The volume is divided into six sections. The first is the biography, which includes a sketch of Gilbert's life, and his importance in establishing an American school of composition. The Works and Performances section provides the name of the work, publisher, and date and revisions of the work. Scoring for the compositions is also given along with cross-references to Gilbert's program notes and reviews. An annotated Bibliography of writings by Gilbert summarizes his philosophy of American music, and illuminates his own compositional style. A discography, general bibliography, and a bibliography of works and performances are also concluded. This bio-bibliography will appeal to musicians and American enthusiasts alike.

Henry F. Gilbert

Benjamin Britten was arguably the greatest English composer of his time. His music crossed boundaries of genre and form to include opera, ballet, orchestral and chamber music, and film and incidental music. The result of twenty years of research, *Benjamin Britten* provides up-to-date and comprehensive details about Britten's life and music, including works, performances, and recordings--an effort never before undertaken. Certain to be of use to any scholar of British music or 20th century composition, this reference work is an invaluable addition to the literature on this important artist. Following a brief biography of the subject, author Stewart Craggs provides a complete list of works and performances, arranged by genre; a discography, and an annotated bibliography. Rounding out the volume are two lists of compositions, one arranged alphabetically and the other chronologically, and a general index.

Benjamin Britten

Emma Lou Diemer--a composer who successfully combines a classicist's interest in form with a fresh, contemporary, harmonic vocabulary--has produced a diverse, sophisticated, and largely unheralded opus, including 350 works composed for orchestra, symphonic band, chamber ensemble, keyboard, chorus, voices, and solo and electronic instruments. This complete guide to her extensive work examines her influences and her unique musical style, reveals her philosophy of composing, and offers the reader access to detailed information about her work. Though her organ psalm settings and hymn preludes are considered standard repertoire, as are a number of her choral compositions, Diemer has not received her due attention or acclaim--an oversight fully corrected by this valuable addition to music scholarship. Beginning with a brief biography that outlines Diemer's life and art, this thoroughly cross-referenced book goes on to enumerate the composer's many works and performances in a section divided by style and instrument. A complete discography and bibliography round out the volume, along with alphabetical, chronological, and genre-specific indexes.

Emma Lou Diemer

Kenneth Leighton, best known for his organ and sacred choral music, was a composer of great depth and talent who wrote a significant body of works. Many of those works were written for large orchestras and a significant number of pieces of chamber music were composed for a variety of instrument groupings, as well as for instrumental solos. Anyone interested in 20th-century music as well as British and Scottish Cathedral music will find a wealth of works listed with a description of each. Kenneth Leighton, best known for his organ and sacred choral music, was a composer of great depth and talent who wrote a significant body of works. Many of those works were written for large orchestras and a significant number of pieces of chamber music were composed for a variety of instrument groupings, as well as for instrumental solos. Anyone interested in 20th-century music as well as British and Scottish Cathedral music will find a wealth of works listed with a description of each. This volume begins with a brief biography of Leighton and is followed by an alphabetical listing of works and performances. Also included is a discography and a bibliography of articles, reviews, books, and dissertations. The last

section is a chronological list of compositions. Smith helps us to realize that Kenneth Leighton was an extraordinary composer of 20th-century music with a varied body of works and also a virtuoso pianist of some note.

Kenneth Leighton

As a result of both his political reputation--destroyed by false charges of Nazism after World War II--and his rejection of avant-garde techniques, the recordings and compositions of Ernst von Dohnányi went largely ignored for most of the 20th century. In recent years, however, musicians have begun to revise their interpretations of 20th century music to include compositional and performance styles that, like Dohnányi's, adhered more closely to 19th century aesthetics. Although performers and audiences worldwide have started to rediscover his musical legacy, scholarship has not kept pace with their growing interest. This bio-bibliography corrects that. As the first scholarly examination in English of Dohnányi's life and work, it serves as the perfect introduction to an unfairly neglected 20th century artist. A brief but insightful biography is followed by a list of works that reflects the most current research of Dohnányi's creative output. It includes nearly 200 entries, each of which collects such information as the date of composition, the instrumentation of the work, the publisher of its first edition, the location of the manuscript, and the date and location of its premiere. The discography lists 400 sound recordings of the composer's work, and the annotated bibliography includes 500 entries, emphasizing performance reviews that offer substantial information about Dohnányi's works and style.

Ernst von Dohnányi

Film Music in the Sound Era: A Research and Information Guide offers a comprehensive bibliography of scholarship on music in sound film (1927–2017). Thematically organized sections cover historical studies, studies of musicians and filmmakers, genre studies, theory and aesthetics, and other key aspects of film music studies. Broad coverage of works from around the globe, paired with robust indexes and thorough cross-referencing, make this research guide an invaluable tool for all scholars and students investigating the intersection of music and film. This guide is published in two volumes: Volume 1: Histories, Theories, and Genres covers overviews, historical surveys, theory and criticism, studies of film genres, and case studies of individual films. Volume 2: People, Cultures, and Contexts covers individual people, social and cultural studies, studies of musical genre, pedagogy, and the Industry. A complete index is included in each volume.

Film Music in the Sound Era

This book is the first complete study in English of the work of the best-known Japanese composer of the twentieth century. It is also the first book in this language to offer an in-depth analysis of his music. T^D-oru Takemitsu's works are increasingly popular with Western audiences and Peter Burt attempts for the first time to shed light on the hitherto rather secretive world of his working methods, as well as place him in context as heir to the rich tradition of Japanese composition in the twentieth century.

The Music of Toru Takemitsu

Since it was first published in 1993, the Sourcebook for Research in Music has become an invaluable resource in musical scholarship. The balance between depth of content and brevity of format makes it ideal for use as a textbook for students, a reference work for faculty and professional musicians, and as an aid for librarians. The introductory chapter includes a comprehensive list of bibliographical terms with definitions; bibliographic terms in German, French, and Italian; and the plan of the Library of Congress and the Dewey Decimal music classification systems. Integrating helpful commentary to instruct the reader on the scope and usefulness of specific items, this updated and expanded edition accounts for the rapid growth in new editions of standard works, in fields such as ethnomusicology, performance practice, women in music, popular music, education, business, and music technology. These enhancements to its already extensive bibliographies ensures that the Sourcebook will continue to be an indispensable reference for years to come.

Notes

This book provides an extensive resource on the life and works of Warren Benson. His music is created out of such depth of experience that one can only understand and fully appreciate it through a more astute understanding of the man.

Sourcebook for Research in Music, Third Edition

This dissertation comprises a study of the composer Toru Takemitsu, vis-a-vis his creative sources, for example, those extra-musical influences that inspire his compositions. The work is organized into the following categories: (1) his early years, (2) influences from composers, (3) nature, (4) his theory of dream, number and water, (5) words and music, (6) East and West, and (7) relationships with other artists including performers. The final chapter is devoted to the piano compositions by Takemitsu, including a comparative and idiomatic analysis that incorporates discussion of the specific creative influences on each work. Aspects of Takemitsu's individuality and the manifestations of his beliefs - both musical and philosophical - are discussed to discover his complex aesthetic heritage. As his own words reveal: When I decided to be a composer, I did not even know how to notate on scores. In this regard, no one has taught me. These can be learned through reading theory books. But more importantly, things that have established me as a composer are, though those [theory books] do have a little to do with it, things like a book I read, a friend I got to know, or a picture ...

A Bio-bibliography of Composer Warren Benson

This volume is the first to appear in a four-volume series devoted to the work of women composers across Western art music. Each chapter opens with a brief biographical sketch of the composer before presenting an in-depth exploration of a single representative composition, linking analytical observations with questions of meaning and content. Chapters are grouped thematically into three sections, each of which places the analytical methods used in the essays into the context of late twentieth-century ideas and trends.

Bulletin of Bibliography

The interdisciplinary essays gathered in this volume explore how music audiences and markets are imagined in a globalized scenario, how music reflects and reflects upon new understandings of citizenship beyond the nation-state, and how music works as a site of resistance against globalization. Focusing on the Americas, they cast a new light on the role of music production, distribution, and consumption beyond the traditional paradigms of musical discourse.

Ten Bulls, for String Quartet and Shamisen

The Encyclopedia of Music in the 20th Century is an alphabetically arranged encyclopedia of all aspects of music in various parts of the world during the 20th century. It covers the major musical styles--concert music, jazz, pop, rock, etc., and such key genres as opera, orchestral music, be-bop, blues, country, etc. Articles on individuals provide biographical information on their life and works, and explore the contribution each has made in the field. Illustrated and fully cross-referenced, the Encyclopedia of Music in the 20th Century also provides Suggested Listening and Further Reading information. A good first point of reference for students, librarians, and music scholars--as well as for the general reader.

The British National Bibliography

Da Cage ai Pink Floyd, da Schaeffer e i suoi eredi ai Soft Machine, da Edgar Varèse a Iannis Xenakis, dai compositori acusmatici ai DJ contemporanei, la ricerca elettroacustica ed elettronica ha vissuto e continua a vivere una felicissima stagione in ogni parte del globo; una stagione che è il momento di ricostruire in modo più ampio e, laddove possibile, interpretare, non solo all'interno dei confini della storia della musica.

Creative Sources for the Music of Toru Takemitsu

Contains approximately 20,000 mostly English language sources for academic libraries of all sizes.

Analytical Essays on Music by Women Composers

This is an updated edition of Conrad Totman's authoritative history of Japan from c.8000 BC to the present day. The first edition was widely praised for combining sophistication and accessibility. Covers a wide range of subjects, including geology, climate, agriculture, government and politics, culture, literature, media, foreign relations, imperialism, and industrialism. Updated to include an epilogue on Japan today and tomorrow. Now includes more on women in history and more on international relations. Bibliographical listings have been updated and enlarged. Part of The Blackwell History of the World Series The goal of this ambitious series is to provide an accessible source of knowledge about the entire human past, for every curious person in every part of the world. It will comprise some two

dozen volumes, of which some provide synoptic views of the history of particular regions while others consider the world as a whole during a particular period of time. The volumes are narrative in form, giving balanced attention to social and cultural history (in the broadest sense) as well as to institutional development and political change. Each provides a systematic account of a very large subject, but they are also both imaginative and interpretative. The Series is intended to be accessible to the widest possible readership, and the accessibility of its volumes is matched by the style of presentation and production.

Bibliographic Index

Benny Goodman, Dizzy Gillespie, Jim Morrison, Kurt Cobain...these are the people who helped shape the history of music. Their stories and others are told in *Musicians and Composers of the 20th Century*. This five volume set offers biographical and critical essays on over 600 musicians in just about every genre imaginable, from Accordion Players to Musical Theater Composers to World Music, and everything in between.

Postnational Musical Identities

The holdings of the Music Division of the New York Public Library cover virtually all musical subjects; its scores represent a broad spectrum of musical style and history.

Playbill

The intention is to provide the stigma of Leo Brouwer's creation and confirm his status as a guitarist and composer in the artistic sphere; namely, that of an artist with an intense enquiring mind, while at the same time showcasing his music and the connotations that are occasionally dominant in his work. At the same time, the main intention is to shed light on the process of organizing the sound and motivic material in his music, something that can be achieved by analysing two of his most representative pieces - each pertaining to a different compositional period.

Encyclopedia of Music in the 20th Century

Biographaical dictionary emphasizes classical and art music; also gives ample attention to the classics as well as Jazz, Blues, rock and pop, and hymns and showtunes across the ages.
