It's okay to feel confused and lost

It's okay to not know where you belong

Life's a journey

You're creating yourself every day

Take a moment to breathe

You'll be okay

Take time to understand and accept yourself

Feel your emotions

The universe is supporting you

Let go of the millions of things your worry about

Life's tough sometimes

You're capable of doing anything

Sometimes you don't feel strong

Challenge yourself and find yourself out of your comfort zone

Take small steady steps to get to your goals

Bring along your humor

those little moments make up your life.

Be thankful for all that you have

Appreciate yourself

because you're perfectly imperfect

We all have flaws, and that's what makes us perfect.

So have the courage to accept yourself

Be kind
