regrow plants in your window

wash your clothes less, many clothes just needs some fresh air

If you have a garden, start growing your own vegetables

make your own canvas bags from second hand bed sheets

take shorter showers and avoid the hair dryer

you can make saplings and sprout from plants

let fresh air into your room

drink water rather than sugary drinks

use a reusable water bottle rather than buying plastic bottles
make your own lunch to avoid prepackaged lunches
wrap your lunch in fabric or wax wrap rather than a plastic bag
participate in the grocery shopping
show if money can be saved from buying less packaged options
start meal planning and meal prepping
wrap dinner leftovers as lunch for the next day
instead of buying expensive hair masks you can use natural ingredients
banana peels can also be reused as an exfoliator for plants
wish for experiences as gifts for the holidays
pick up trash
refuse small promotional freebies
have a glass, or a cutlery set in your bag
if you have the option to walk or bike rather than public transportation
when on holiday, buy sustainable souvenirs
use the holidays to wish for sustainable swaps
wish for cash
bring up good ideas or ideas that can improve the household
sit down and watch a documentary about sustainability
find refillable pens rather than using disposable pens
spend your own money to replace small objects
include the financial benefits of reusable products
try recycling paper at home
use the lid of jars as a soap holder
choose non-paraffin wax when picking out candles
choose green gear for your phone
