Does he view her as nothing more than an expendable weapon in his fight to save his world from lethal alien plagues? Or will Lord Verek find himself wavering, when it comes time to dispose of his fiery water-sylph? Praise for the **Books of Waterspell**: "An impressively immersive quality in Deborah J. Lightfoot's writing draws you in and keeps you there as the pages turn ... engaging the enduring interest and sympathy of the reader as they follow the twists and turns of the plot. Lightfoot creates a detailed and convincing world in which to set her story." —Martin Dukes "First off there's the writing itself, the quality of the prose, the effortless way that Lightfoot sets the stage and calls the shots, with none of the ponderous, overblown verbiage that weighs down so much high fantasy. Then there are the characters, each determined to leap off the page. But what most sets this book apart is its wild premise, an inspired bit of imagination." —Brian T. Marshall "An extremely well written fantasy story ... flows well with a very readable style that holds your interest throughout. The world building is solid and intriguing, the magical aspects well drawn and versatile and characterisation is energetic so that you are immediately invested in their future. All in all a marvellous addition to the fantasy genre and I would recommend it for lovers of magical mystical tales." —Liz Wilkins "Waterspell blew my expectations out of the ballpark. What a brilliant and unforgettable story! I devoured it ... literally consumed by the originality and depth Deborah brings to her characters. She provides a strong balance between action, adventure, fantasy, and romance and Carin's combination of pride and vulnerability make her a fabulous character! Quite frankly, I am just astounded by the emotions this book stirred in me. It is simply extraordinary." —Lady Vigilante "If you like epic fantasy that sweeps you to amazing, immersive worlds and while following intriguing characters, be sure to add this series to your to-read list." —Once Upon a YA Book "The story just keeps getting bigger and bigger." —Book Briefs **Book 1: The Warlock Book 2: The Wysard Book 3: The Wisewoman Book 4: The Witch**

Burning Up Flint

USA Today Bestselling author, W.J. May, brings you the story of how the prophecies began--before Evie, before Katerina--starting from the very beginning. The Beginning's End Series is a prequel and continuation of the bestselling YA/NA series about love, betrayal, magic and fantasy. Welcome to W.J. May's world of paranormal, full of shifters, fae, fairy, witches, dragons, dark magic... and did I mention the vampires? Book 1 - Beginnings You've read the ending, but there is a beginning to every story... Centuries before the creation of the five kingdoms, when the great houses were still forming and the

realm was ruled by fae, a small band of companions set out on a journey. Kiera had never left her village. It was a stroke of luck that she wasn't there when the dragon attacked. Without any friends or family, without a shred of hope that anyone might believe her, she strikes off alone into the forest, looking for people that can help. The world is new and untamed. The people are leaderless and wild. There has never been an alliance to unite them, but an alliance is exactly what the realm needs. Because a darkness is coming. One that threatens to consume them all... Book 2 - Curiosity Life's a game of chance... When Kiera's village was destroyed by a three-headed dragon, she thought her biggest problem was going to be getting people to believe her story. Little did she know, the dragon was going to be the least of her troubles... After finding the proof they needed in the charred remains of Cattaling, the three friends set out on a journey across the realm to find the answers that they seek. But the road is often perilous and filled with creatures that would kill them just as easily as a dragon. When the bonds between them are tested, they're found to be new—easy to splinter and break. The journey seems endless and time is not on their side. It's only a matter of time before the creature returns, and when it does, they need to be ready. How does one fight such an enemy? Where could it have been hiding all this time? Can just three lone companions make a difference? Or are the fates simply not on their side? Book 3 - Scrutiny How do you answer, when the devil comes to call? When a swarm of monsters crashed out of the forest, Kiera thought it would be a struggle just to stay alive. But it's not enough to survive, one must also defend. And as fate would have it, there was an ever greater danger lurking in those trees. Old enemies surface and ancient grudges come to light, as a new player enters the field. One that could bring ruin to them all. One whose intentions are never quite what they seem. The newfound fellowship is shaken to the core, but as they are constantly reminded, time is not on their side. Other places in the realm have felt the burn of the dragon. A strange change is coming over the land, creeping like a shadow, silent as a dream. With no kingdoms there to stop it, no massing armies to fight back, such a darkness could consume them. The friends need answers. But will they get them in time...? BEGINNING'S END SERIES Beginnings Curiosity Scrutiny Foresight Disavow Trickery Wisdom Decree Influence Prevail Dignified Honored

Rough justice has often been served in the pages of serial novels, notably beginning with Don Pendleton's *The Executioner* in 1969. This is the first overview of the serial vigilante genre, which featured such hard-boiled protagonists as Nick Carter, Mark Stone, Jake Brand and Able Team among the 130 series that followed Pendleton's novel. Serial vigilantes repeatedly take the law into their own hands, establishing and imposing their own moral standards, usually by force. The book examines the connections between the serial vigilante and the pulp hero that preceded him and how the serial vigilante has influenced a variety of tough guys, private eyes, spies and cops in different media. A complete bibliography for each series is featured.
