Anansi Folktales in the Diaspora

For centuries the clever spider Anansi has been the subject of countless stories passed on from generation to generation. These stories originated in West Africa, just like the name 'Anansi' which means spider in the Akan language. African slaves brought these stories to the Caribbean, the USA and other parts of the diaspora where they became part of the culture of countries such as Guyana, Jamaica, Surinam, the Netherlands Antilles and South Carolina. These stories are a source of entertainment and amusement. However, what are the characteristics of these stories? How do these folktales mirror humanity? What is the significance of the trickster for the study of human psychology? Anansi Folktales in the diaspora would provide some of these answers.

The Tales of Anansi, Vol. 1

Come along with us as we retell stories of the mischievous but very intelligent West African, Ashanti trickster, Anansi the Spider. Anansi likes to get his own way and often uses his wit to outsmart animals much larger or stronger than he is; but Anansi doesn't know when enough is enough and his desire to win sometimes gets the best of him. Anansi tales date back to at least the 1500s and travelled by word of mouth from village to village. Throughout the diaspora, enslaved Africans would retell Anansi stories, passing them on through the generations and spreading them across Africa and The Americas. These stories didn't only serve as entertainment but they offered hope. Today, there are several versions of the many Anansi tales. Here are some of them...

Short Stories From Africa

Journey to the heart of Africa with "Short Stories From Africa: 40 Folktales of the Motherland from The Diaspora," a captivating collection that brings the rich tapestry of African folklore right to your fingertips. This book is a celebration of African culture, spanning the entire continent from the vibrant West to the majestic South, the ancient North to the lively East. Crafted for Africans in the diaspora, this collection serves as a luminous thread connecting them to their ancestral heritage. Each folktale is a window into the diverse ways of life, beliefs, and traditions that pulse through the continent, offering readers a chance to immerse themselves in the wisdom and spirit of Africa. Why This Book Is Special: A Pan-African Treasure: Experience a diverse range of stories from every region of Africa, each tale a testament to the continent's rich storytelling tradition. Cultural Richness: These folktales offer a vibrant glimpse into the daily life, moral values, and cultural practices that define African communities. Lessons to Cherish: After each story, insightful lessons bring to light the deeper meanings and teachings

inherent in African folklore. Bridging Worlds: For Africans living far from their native lands, this book is a reconnecting link to their roots, offering comfort, identity, and a sense of belonging. "Short Stories From Africa" is more than a book—it's a heritage journey. It invites readers of all backgrounds, especially those from the diaspora, to explore the enchanting world of African folklore and to carry the legacy of these tales into the future. Whether you're seeking a connection to your African roots or are eager to explore the folktales of this vibrant continent, this book promises to be a valuable addition to your library. Embark on this mesmerizing journey with 'Short Stories From Africa: 40 Folktales of the Motherland from The Diaspora'. Discover the stories that have shaped a culture and let them inspire you. Available now.

Anansi and the Box of Stories

Long ago in Africa, the sky god Nyame keeps all of the stories to himself, but when Anansi the spider asks their price, Nyame agrees to trade his stories if Anansi can perform four seemingly impossible tasks.

Sometimes, When You Win, You Lose

This book is a spin on an African Anansi Tale. Anansi folktales continued throughout the diaspora during and after the large-scale enslavement of Africans into what has become known as "Chattel Slavery." However, many cultural traditions such as these stories were lost to those of our ancestors ripped from their parents and sold off somewhere in the United States. Those that participated in enslaving African-Americans put forth a concerted effort to erase all connections to the motherland. Many of our ties were severed. Almost absolute erasure of African-American history pre-colonialization occurred; this was particularly true for anything that could instill a sense of pride or African identity. It has been an ongoing effort to downplay as well as justify the centuries-long inhumane African holocaust and continued degradation. These Anansi-inspired books are an attempt to reconnect to our former culture and renew those earlier severed ties. African-Americans have had to create our culture from the ground up, with remnants of our past and our American experience. These books inspired by the Anansi tales are an addition to our cultural works.

Jamaica Anansi Stories

The historic Hope lands located on the Liguanea Plain in the southeastern parish of St Andrew, Jamaica, and once the site of one of the island's earliest sugar estates, has had a long history of human settlements dating back to approximately 600 CE, the era of the indigenous Tainos. It was not until 1655, however, with the English invasion and seizure of Jamaica from the Spanish, that the Hope landscape developed into a thriving rural agrarian settlement. Generous land grants were made to the invading officers and later to immigrants from Britain and North America and from other Caribbean islands. Major Richard Hope came in possession of over 2,600 acres in the Liguanea Plain. Major Hope, unlike many of his counterparts by the 1660s, managed to establish a small sugar plantation, which developed by the mid-1700s into one of the island's largest, most productive and technologically advanced slave sugar estates. In the 1770s the estate became the property of the Duke of Chandos and his family until 1848, when the estate was dismantled. Over 600 acres were sold to the Kingston and Liguanea Water Works Company and the remaining 1,700 acres were leased to the owner of the adjoining Papine and Mona estates. Poor accounting and border surveillance enabled several persons to possess the land, which was later sanctioned by the Limitations of Actions Law. With the government's acquisition of the entire property in 1909, the Hope estate underwent remarkable changes in the twentieth century. By 1960 the Hope landscape was radically transformed from a sugar estate worked by hundreds of enslaved black people to a premiere urban centre of commercial, residential and educational land use.

Anansi's Journey

Because Anansi and his sons quarrel, the moon remains in the sky.

Anansi the Spider

Two Jamaican folk tales in which Anansi the spider practices his trickery on others. Includes an audio cassette featuring narration and music.

Anansi

Timeless Tales of Anansi contains selected Anansi stories that originated in Africa and were kept alive by the African people who verbally passed them on to future generations of children as daily lessons. As a child, Nathaniel listened eagerly when his father told him bedtime stories about Anansi, the greedy, clever spider who was called the King of Tricks. Nathaniel thought the stories were exciting with their inspiring and challenging lessons. He was one determined child no way would he ever be trapped in the web of Anansi's tricks. With the memories of Anansi forever in his mind, Nathaniel adapted some of his favorite stories into modern-day presentations so that they could be easily read and understood by today's generation of children. In respect to the African people, the author hopes that all generations will cherish the rich heritage, using wisdom of the past to make a good future.

Timeless Tales of Anansi

Long ago in Africa, the sky god Nyame keeps all of the stories to himself, but when Anansi the spider asks their price, Nyame agrees to trade his stories if Anansi can perform four seemingly impossible tasks.

Anansi and the Box of Stories

Recounts how most African folk tales came to be called "Spider Stories."

Mamma's Black Nurse Stories

Published in 1924, Jamaica Anansi Stories includes folklore (including animal stories, modern stories and old stories), transcriptions of folk music, and a large collection of riddles, all cross-referenced with folklore studies from other cultures. The trickster Anansi, originally a West African spider-god, lives on in these tales. Anansi is the spirit of rebellion; he is able to overturn the social order; he can marry the Kings' daughter, create wealth out of thin air; baffle the Devil and cheat Death. Even if Anansi loses in one story, you know that he will overcome in the next.

A Story, a Story

Perform this tale from Africa about a sky king's fee for his stories.

Jamaica Anansi Stories

MOTHERLAND SIERRA LEONE ANANSI STORIES Traditional African stories Sierra Leone ? West Africa Traditional African oral stories, Anansi Stories Nansi-stori or Nansi-tori reflect social values in the African culture that motivate the listeners in their pursuit of a meaningful life. These stories reveal ideas, themes, beliefs, and facts that are widely spread. They link the past, present and future, interpret the universe, resolve natural and physical phenomena, teach morals, maintain cultural values, pass on methods of survival and praise God. The storyteller uses her tactics with the intention that the listeners connect with the story and uses her skills to be linked with the listeners through the story. The storyteller teaches the listeners the African morals, values, beliefs; tells each story with gestures, songs, dances, expressions and impersonations to arouse the listeners. The storyteller repeats words, phrases or sentences which make the story easy to understand and recall from memory. The listeners actively participate as they learn the important aspects of the African culture. These Sierra Leone traditional African oral stories keep the family and the community united, pass on traditions, codes of behavior and maintain social order. These oral stories passed down by the writers grandparents and parents using their own words were transcribed from her committed to memory version in written format to preserve the traditional African Krio history or African oral tradition, and with the hope that these written stories be appreciated by adults and children throughout the world and perpetuated by future generations.

Anansi the Spider and the Sky King

West African spider-god Anansi wants all of Sky God's famous stories, but to earn them, he has to outwit several of the animals in his village. It will take all of his cleverness and skills in mischief to pull it off. Aligned to Common Core Standards and correlated to state standards. Calico Kid is an imprint of Magic Wagon, a division of ABDO.

Motherland and Sierra Leone Anansi Stories

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

Anansi

Anansi the spider and his wife, Aso, outsmart the Sky God and win back the beloved folktales of their people, in a humorous retelling of an Ashanti folktale

Jamaica Anansi Stories

Tells why spiders have eight legs and very narrow waists.

Jamaica Anansi Stories

Anansi is both a god, spirit and African folktale character. He often takes the shape of a spider and is considered to be the spirit of all knowledge of stories. He is also one of the most important characters of West African and Caribbean folklore.

Anansi Does the Impossible!

Contains six folk tales about Spider, who is lazy, greedy and gets in a lot of trouble.

Anansi's Narrow Waist

Simply retold and wonderfully illustrated, this series brings together charming tales that children will enjoy. Each story takes approximately 10 minutes to read.

Anansi

What can you get for a grain of corn if you are as crafty as Ananse?

More Adventures of Spider

This beautifully illustrated title introduces readers to the imaginative and exciting world of African mythology. The story of creation from the Yoruba of West Africa, the tale of Anansi the spider from the Ashanti of Ghana, and the Story of the Dog and Jackal from the Bushongo people of Zaire provide suspense, action, and extensive information about the cultures and animals these myths discuss.

Anansi and Mr Snake and Other Stories

A spider, frogs, a tortoise, and a magic ox are among the characters in a collection of five traditional tales from Africa.

Ananse and the Grain of Corn (Audio-eBook Version)

African culture, like many others around the world, is rich with tales of legendary animals and creatures. Readers of this captivating book will love learning about these fascinating stories, from that of Anansi, a cunning spider, to that of Grootslang, a creepy, cave-dwelling creature said to live in South Africa. The engaging stories are accompanied by colorful images and illuminating sidebars. Readers are taught to understand the meaning of legends but are also presented with information regarding the cultures these tales come from.

African Myths

THE STORIES in this collection were recorded from the lips of over sixty negro story-tellers in the remote country districts of Jamaica during two visits to the island in the summer of 1919 and the winter of 1921. The role of Anansi, the trickster spider, is akin to the Native American Coyote and the (Southern African) Bantu Hare. Herein you will find 149 Anansi tales and a further 18 Witticisms. The stories are categorised into Animal Stories, Old Stories (chiefly of sorcery), Dance and Song and Witticisms. You will find stories as varied in title and content as "The Fish-Basket", "The Storm", "The King's Two Daughters", "The Gub-Gub Peas", "Simon Toots", "The Tree-Wife" and many, many more unique tales. In some instances, Martha Warren Beckwith was able to record musical notation to accompany

the stories. As such you will find these scattered throughout the book. In this way the original style of the story-telling, which in some instances mingles story, song and dance, is as nearly as possible preserved. Two influences have dominated story-telling in Jamaica, the first an absorbing interest in the magical effect of song which far surpasses that in the action of the story; the second, the conception of the spider Anansi as the trickster hero among a group of animal figures. "Anansi stories" regularly form the entertainment during wake-nights, and it is difficult not to believe that the vividness with which these animal actors take part in the story springs from the idea that they really represent the dead in the underworld whose spirits have the power, according to the native belief, of taking animal form. In the local culture, magic songs are often used in communicating with the dead, and the obeah-man who sets a ghost upon an enemy often sends it in the form of some animal; hence there are animals which must be carefully handled lest they be something other than they appear. The importance of animal stories is further illustrated by the fact that animal stories form the greater part of this volume. 33% of the net profit from the sale of this book will be donated to Sentebale, a charity supporting children orphaned by AIDS in Lesotho.

JAMAICA ANANSI STORIES

"Allow me to introduce myself." But he needed no introduction. "Anansi the spider!" said Anansi the boy. "The tales were true!" "Traditional tales are always true," the spider answered, laughing. "Nothing lasts so long as truth, nor travels quite so far." Now in paperback! Award-winning author of *Ghana Must Go*, Taiye Selasi, reimagines the story of Anansi, the much-loved trickster, for a new generation. Kweku has grown up hearing stories about the mischievous spider Anansi. He is given the nickname Anansi by his father because of his similarly cheeky ways. On a holiday to visit his beloved Grandma in Ghana, Anansi the spider and Anansi the boy meet, and discover a magical pot that can be filled with whatever they want. Anansi fills it again and again with his favourite red-red stew, and eats so much that he feels sick. Will he learn to share this wonderful gift? This charming retelling of a West African story teaches readers about the dangers of greed, and the importance of being kind. Tinuke Fagborun's colourful illustrations bring the magic and wonder of the tale to life. When you've finished sharing the story, you can also find out more about the origins of Anansi folktales. This beautiful storybook is one that children will treasure forever.

The Ox of the Wonderful Horns

We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Anansi and the Golden Pot

In trying to determine which of his six sons to reward for saving his life, Anansi the Spider is responsible for placing the moon in the sky.

CROWNED

Anansi is both a god, spirit and African folktale character. He often takes the shape of a spider and is considered to be the spirit of all knowledge of stories. He is also one of the most important characters of West African and Caribbean folklore. The Anansi tales originated from the Ashanti people of present-day Ghana. The word Ananse is Akan and means "spider". They later spread to other Akan groups and then to the West Indies, Suriname, Sierra Leone (where they were introduced by Jamaican Maroons) and the Netherlands Antilles. On Curaçao, Aruba, and Bonaire he is known as Nanzi, and his wife as Shi Maria. The Jamaican versions of these stories are the most well preserved, because Jamaica had the largest concentration of Asante as slaves in the Americas, and their most complete compilation is found in Anansi, Jamaican stories of the Spider God.
