Grammar Sense

Includes access code for online practice and audio download.

Grammar Sense: 3: Student Book B with Online Practice Access Code Card

Grammar Sense is a four-level discourse-based grammar series which focuses on the connection between form, meaning, and use of English structures. The series is based on the fundamental premise that English grammar is learnable and teachable if it is systematically organized and explained. Grammar Sense implements linguistic and applied linguistic research on how, where, when, and why native speakers use English structures, and how non-native speakers learn them. This series provides learners with a true understanding of how grammar is used in authentic contexts. Grammar is presented in discourse rather than in isolated sentences which allows the students to understand English grammar in real life situations.

Grammar Sense 1 [-4]

Extensive practice exercises, reference charts, tests, and games.

Grammar Sense: 4: Student Book with Online Practice Access Code Card

Grammar Sense is a four-level grammar series for reference and practice.

Grammar Sense: 3: Student Book with Online Practice Access Code Card

Provides teachers and students alike with a modern, inviting and structured way to sustain interest and excellence in Latin. Based on the reading of original texts, the course is structured around a narrative detailing the life of the poet Horace, which helps students to develop an understanding of the times of Cicero and Augustus.

Grammar Sense 2E 2 Student Book with Online Practice Access Code

Extensive practice exercises, reference charts, tests, and games.

Grammar Sense 1 Teacher's Book with Online Practice Access Code Card

Grammar Sense is a four-level grammar series for reference and practice.

Interactive

This book is an alphabetical guide to one hundred basic grammatical terms, with explanations, examples and exercises.

Grammar Sense: 3: Teacher's Book with Online Practice Access Code Card

Grammar Sense is a four-level grammar series for reference and practice.

Grammar Sense: 2: Teacher's Book with Online Practice Access Code Card

In this book, David Crystal confronts the foe of many : grammar. Once taught relentlessly to all students in the English-speaking world, grammar disappeared from most school curricula, so terms such as "preposition" and "conjunction" now often confound children and adults alike. In this breezy, entertaining book, Crystal proves that grammar needn't make us uneasy--we can all make sense of how we make sense. -- Provided by publisher.

Nelson Comprehension

Each pair of units is supported by the Teachers Guide. The Teachers Guide fully supports the programme giving all the guidance you need to help you pupils work through the two pupil books. In the Teachers Guide there are suggestions for homework and independent study.

Nelson English - Book 3 Teacher's Guide

NO description available

Nelson's West Indian Readers First Primer

A pupil book designed to meet the comprehension needs of the renewed framework and primary children's literacy assessment needs, providing a range of extracts, teaching support, discussion and drama activities and differentiated comprehension questions.

Nelson Comprehension Pupil Book 1

Nelson Comprehension provides a simple and effective course for the teaching of key comprehension skills. Units cover all genres of texts - including fiction, poetry, playscripts, instructions and biography - with plenty of practice, repetition and assessment built in.

Nelson Comprehension: Year 2/Primary 3: Pupil Book 2 (Pack Of 15)

Nelson Handwriting contains six workbooks for infants and five full colour pupil books, one for each year group. The books are sequenced for progression and contain three levels of differentiation designed for a wide range of abilities. The books introduce, teach and develop the technical aspects of key handwriting skills in meaningful, relevant language contexts. They have been organized in such a way that you can teach handwriting to the whole class, groups and individuals. They contain increased provision for the early years, introducing exit flicks from the beginning, provides structured units which offer a teaching focus point followed by opportunities for practice and gives support and extension copymaster options. They contain improved assessment provision which helps to assess progress and encourages pupils to monitor their own development.

Nelson Handwriting

Each pair of units is supported by the Teachers Guide. The Teachers Guide fully supports the programme giving all the guidance you need to help you pupils work through the two pupil books. In the Teachers Guide there are suggestions for homework and independent study.

Nelson English - Book 4 Teacher's Guide

This flexible and easy-to-use Teacher's Guide fully supports the programme, giving you all the guidance you need to help your class work through the pupil Books

It is easily managed in the classroom, with three components at each level: a Student Textbook; a Student Workbook; and a Teacher Resource Book.

Nelson English International Student Book 2

Nelson Comprehension provides a simple and effective course for the teaching of key comprehension skills. Units cover all genres of texts - including fiction, poetry, playscripts, instructions and biography - with plenty of practice, repetition and assessment built in.

Nelson Comprehension

Nelson English International teaches the skills and craft of quality writing, catering for the 6-12 year age range, and provides a six year programme of study. It is easily managed in the classroom, with three components at each level: a student textbook; a student workbook; and a teacher resource book. The student textbook gives a thorough coverage of the key skills of grammar, spelling, punctuation, comprehension and vocabulary building. The units are designed to build pupils' knowledge of these language skills and apply them in their written tasks, with the aim of writing effectively for a wide range of purposes. Planning, drafting, revising and editing copy are all covered in developing these writing skills. Students are also taught to understand the characteristics of different styles and forms of writing.

Nelson Comprehension

This new edition of Nelson English provides an integrated approach to teaching the core literacy skills at primary level; comprehension, writing, grammar, punctuation, spelling and vocabulary. The write-in Workbooks allow children to consolidate skills through a range of differentiated activities. Suitable for use at home or in the classroom.

Nelson English: Year 4/Primary 5: Workbook 4

The Targeting Handwriting NSW Year 4 Student Book focuses on consolidation of joining skills, plus: teaching of trickier joins like joining to s, horizontal joins to e, joined double f and joined ft students begin to assess their own letter size and spacing, spacing between words, and slope Handwriting is one of the most crucial skills students will develop in primary school. Targeting Handwriting covers the handwriting curriculum in a clear and structured way, with content directly linked to NSW syllabus outcomes. Writing is a vital, compelling form of communication. Children need to write every day, for a variety of purposes and for a variety of audiences. To be competent writers, their handwriting needs to be fluent and legible. The teaching of handwriting is an essential part of the writing curriculum.

Targeting Handwriting

Suggests activities to be used at home to accompany the reading of Miss Nelson is missing by Harry Allard in the classroom.

Miss Nelson is Missing!

Provides students with practice in pronunciation and listening comprehension from individual sounds to stretches of continuous speech. Gives a practical approach to the intonation, stress, and rhythm of North American English.

Clear Speech from the Start Teacher's Resource and Assessment Book
