Each week thousands of listeners tune in to Mark Hussons Power Peek Houron Hay House Radio. They know theyll gain insights into themselves and their relationships that they can only get from astrology, and they trust Mark as the one to lay it on the line for them. Now he leads you on this expedition of love by zodiac sign .In this book, Mark takes the astrological signs two by two and shines the light of understanding on their relationship with each other. He gives each a Love Scope score to predict the potential success right from the beginning. You can use that score to learn how things can go better, how much effort youll need to invest, and how to take a good relationship and make it into a great one. Do you want to know what draws you to your partner? Or how to draw out the best in this person? Mark maps this out for you with wisdom, humor, and simplicity, all from his perspective as a trained psychologist. *Love Scopes* addresses specific characteristics of each sign alone and in partnership, referencing powerful mythological archetypes to illustrate the principles.

Astrology of Intimacy, Sexuality & Relationship

Love, passion, romance, no subject has been written about, sung, cried, talked about, thought of, and dreamed of more. Love clearly keeps us captivated. Love is the theme throughout the book. Is there anything else greater than love? Love, and what then? How can we truly love deeply? Can we learn? Can we close ourselves off without losing our loved one? What are good and bad relationships? How do relationships help us evolve in our spiritual path? How can we love without the fear of losing? How can we love ourselves while we're in a relationship? Why do we argue so much with the people we love? What is the purpose of relationships? Is there an alternative to the question: ""Will you always love me?"" This book answers all these questions and more; it is a guide to the labyrinth of emotions that go hand in hand with relationships. Thanks to all the information in this book, you will know how to enter a harmonious and loving relationship with another person and with yourself! Ineke Van Lint (1957) studied Psychology at the University of Ghent (Belgium) and is a mother of four, an author, painter and independent psychologist for children and adults in her private practice. Her intention is to bring out a person's inner strength so that they can lead a happy, enthusiastic and meaningful life (again) and get back in touch with people. She also gives workshops in various places on personal growth and development. More information can be found on the website www.enthusiasme.info or www.theenthusiasm.com

Will You Always Love Me?

In this beautifully illustrated children's book, a heartwarming tale of motherly love unfolds in the Arctic north. In a timeless and universal story, a child tests the limits of independence and comfortingly learns that a parent's love is unconditional and everlasting. The lyrical text introduces young readers to a distinctively different culture, while at the same time showing that the special love that exists between parent and child transcends all boundaries of time and place. The story is complemented by graphically stunning illustrations featuring whales, wolves, puffins, and sled dogs. This tender and reassuring book is one that both parents and children will turn to again and again.

Mama, Do You Love Me?

The most honest heartfelt story of love When your lover lays their head on your chest and says I love you, are they telling you how they feel or that they will be there for you whenever and wherever you need them? Love has two meanings: How I feel I am committed. We want our lover to mean both when they say I love you. But do they, and can they? Unlike other books on love, *We All Want Love* explores these two meanings giving you the tools to explore and improve your loving relationships. Here is a taster:

"...the problem with the word love is we use it in two ways. It describes how we feel at times, and it's an expression of an enduring commitment to somebody we value immensely. I think this is why we are so tied to the idea that love is a feeling in the West. The phrase 'You love me now, but will you love me in the morning?' - or, as the song says, Will you still love me tomorrow? - epitomises the problem. I call it the adjective/verb problem. "When you tell Stephen you love him, you are saying something more than how you feel at that time. And the same is true when he says he loves you. Those words are against a foundation of value, commitment and attachment. You view him as immensely valuable, as he does you. You offer him assurance to be there for him and do the kinds of things lovers do for one another, and he is your romantic beloved. This is love as a verb. "In contrast, people say they love each other as an adjective when they mean, I feel this way when I am with you. That is not the same as saying I love you as a verb. The two meanings are distinctly different. "The situation is made worse when we do bestow love and all that entails as a verb, because it usually includes the 'I feel this way' adjective. But, and this is important, one does not necessarily mean the other." "I don't follow." "Well, you can say you love somebody as an adjective but not as a verb. In the movie *Pretty Woman*, for example, after sex, as Vivian lies next to Edward, she says she loves him. In saying this, she reflects how she feels there and then. Granted, she is close to the point of bestowing her love upon Edward in terms of wanting to be a part of his life as his lover, but unresolved issues prevent her from doing this, so she is not expressing her love as a verb, but instead telling him, or us actually, the way she feels as an adjective. Her saying I feel lovely right now, please don't make it stop, is a truer reflection of her state of mind. "If we took all Vivian's feelings and stuffed them into a jar and stuck on a label, it would read 'love'. She is describing to Edward how she feels at that moment in one word, but she is not committing herself to him." Who is Cameron Macdonald? Cameron is a long-time researcher on love and relationships following in the footsteps of Profs. Irving Singer and Plato. He is a respected Quora contributor on Love Life Advice and Dating Relationships. His first book, *Voyage to the Heart: The Nature of Love*, which describes love in fine detail and characterizes all loving relationships, can also be found on Amazon.

"How can I find TRUE love?" It is a question without gender. It is a primal need that exists in all of us. Why then do so many people erect self-imposed road blocks that keep them frustratingly alone-never figuring out why a lasting, genuine relationship eludes them? With warmth, candidness and unflinching honesty, *I'm Going to Make You Love Me* answers that question and provides a clear, proven method for bringing into your life a person of your own choosing in whom you can find-and maintain-lasting love. This is no cutesy, "how-to-pick-up-people" manual. This book provides the sincere person with insight into the real reason behind almost every failed relationship and how to correct the problem. Be warned: You will not remain the same after reading this book. To love and be loved takes courage. Are you up to it?

I'm Going to Make You Love Me

Is your relationship a daily compromise or a true success? Are you a romantic Leo Moon person who approaches falling in love with joy and eager anticipation? Or are you an even-tempered, hard-working Virgo Moon person who ends up relegating passion to the very bottom of your to-do list? Perhaps you're a loving and sensitive Cancer Moon person who likes to mother their lover. Or maybe you're a harmony-oriented, emotionally flexible Libra Moon person who is searching for that ideal spouse? Vera Kaikobad's *The 12 Moon Signs In Love: A Lover's Guide To Understanding Your Partner* helps partners understand each other's deep, emotional and private side through the careful study of personal Astrological Moon signs. Every person's individual Moon sign is an uncannily accurate guide to how they respond to love, adjust to intimacy and express their romantic persona. Our Sun signs signify what we do, while our Moon signs show us how we love. Achieving physical compatibility is a no-brainer, but achieving that oh-so-delicate level of daily emotional compatibility can mean the difference between an average relationship and a superlatively successful one. Is your lover touchy-feely? Or do they love with their mind and intellect? Some Moon signs revel in closeness and feel empowered by it. While others require space and distance through which to evaluate the meaning or usefulness of intimacy in their lives. Each Moon sign speaks its own special, emotional language. And for those of you who are willing to go that extra mile to learn those intricate little details to make your love stronger over the long run, this book may hold some important keys for you to discover. *The 12 Moon Signs In Love: A Lover's Guide To Understanding Your Partner*: 1). Contains comprehensive descriptions of each of the 12 Moon signs and discusses their individual romantic nature. 2). Contains 10 specific traits that the male and female of each Moon sign looks for in a love relationship. 3). Contains a list of Sun and

Moon signs that are the most compatible for each individual Moon sign. 4). Contains a list of famous celebrities who share each Moon sign with the reader. 5). Allows the reader to find out their personal Moon sign or that of their lover for FREE by logging onto www.astrologycompatibilityreports.com and sending their birth data to the author, who will then email them their real Moon sign within seconds. 6). It contains 144 detailed romantic Moon sign combinations for each Moon sign. 7). Contains a Moon sign Gift Guide for each Moon sign. This book is of great help to anyone who: Has just begun an exciting new love relationship and wants to know how to connect to the real, emotional persona behind their lover. Has just gotten engaged or married and is about to begin a life together with their partner, and would like to know how to appeal to their future spouse by getting the "inside scoop" on their emotion-based Moon sign nature. Has been single for sometime and would like to know the emotional temperament of potential future lovers and life-partners by matching up their own Moon sign with theirs. Vera Kaikobad specializes in Compatibility Astrology and Relationship Numerology. Based in Arizona and Colorado, she has spent a more than a decade helping lovers gain clearer insights into their relationships. In *The 12 Moon Signs In Love* she unravels the mysteries of the 12 romantic Moon signs and their individual approach to love and intimacy, by formulating 144 in-depth, astrological matches that guide lovers to use the secrets of Moon sign astrology to quickly gain guidance about their relationships. Vera holds an Arts degree from Thomas Edison State College in New Jersey, is a published poet, and a licensed medical acupuncturist. Fluent in five languages, Vera has traveled the globe and is an amateur Civil War historian with an interest in the life of Abraham Lincoln. She is currently working on her next book on Numerology.

The 12 Moon Signs in Love

How can I love without risking pain? How can I make a loving relationship last? How can I stay true to myself in a relationship with another? This book offers numerous answers to all these questions. It describes a different form of love. True, deep love. First and foremost, love for oneself so we can better love the other, and grow together in true love. A must read for everyone looking for real love!

Will You Always Love Me? Romance, Passion, Pain, Love, Harmony and Spirituality in Our Relationships

Somehow, your relationship that started out so wonderfully is having problems. Or perhaps you'd like to anticipate what problems could occur in a potential relationship. More importantly, you need to know how to resolve the problems. Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another. Recognizing and dealing with them can save relationships. You'll find out how to do this in Bernie Ashman's *SignMates*. Contrary to what some people think, your astrological sign doesn't "force" you to do anything. It is simply an indicator of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship.

Full of revealing love quizzes and check-lists based on solid research, it charts the predictors of happy and unhappy relationships and allows you to check your compatibility.

Will You Still Love Me Tomorrow?

A modern, inclusive guide to astrology that uses the zodiac to illuminate your love life as well as your relationships with your family, your friends, and yourself. When it comes to friendship, family, and romance, we all want the same things: to love and be loved, to communicate, to fight fair, and to feel okay in our own skin. Illuminating and accessible, *Astrology for Real Relationships* includes a primer on basic zodiac knowledge—including the importance of your Sun, Moon, and the planets in your birth chart—before exploring how self-love and self-care affects all types of relationships. Once your mental health and spiritual and emotional wellness are balanced, you can be empowered in your relationships, including:

- Friends and chosen family: The Sun governs your identity and your will. Are you comfortable being yourself? Do your friends see you in the same ways that you see yourself?
- Hanging out and dating: The Moon governs your feelings and emotions. Are you honest with yourself about how you feel and what you really need from a partner?
- Long term relationships: Mars is the planet of conflict. Do you always seem to be attracted to the wrong people? Are women really from Venus and men from Mars? Full of real talk about attraction, dating, sex, frenemies, self-love, mental health, and how to deal with family, this book will help you build and maintain strong connections—with your crushes, your spouse, your boss, or your mom—and uncover and empower you to get what you really want in relationships, not what you think you should want.

Astrology for Real Relationships

Do You Love Me? is about the struggle to believe we are lovable and loved. No matter how imperfectly others care for us, their love is often more real than we know. Join Little Hopeful One as she learns that we can understand and forgive what others cannot give, because we can get what we need from a big and beautiful world. We are loved and capable beyond our imagining, and that truth is the powerful wind that can finally lift our wings.

Attitude & Gratitude (HB) By: Patricia Sabena Patricia Sabena has experienced a deep childhood, immense tragedies and challenges, and amazing blessings. She takes us with her on her journey from elementary school to college, to finding and losing love and finding it once again, through the pain of loss to the joy of growth. Sabena's life story is moving, humorous, personally revealing, and inspiring. She sets out not to brag about the joys she has found in life but to provide testimony to human mistakes, unlikely interventions, luck, and faith.

Struggling to find a love match on the dating apps? Or maybe you've met someone new and you're wondering if it will stand the test of time? Possibly you're a Capricorn living with a Cancer, which should mean you're celestially compatible, but it doesn't seem to be working. You might long for a quiet life, with as few ructions as possible, yet you may live with someone who really enjoys stirring things up and getting everyone's attention. How do you cope with that? If you have a basic understanding of astrology, you know that the best matched signs are the same element - fire, earth, air and water. So how is it that you are following all the rules and still not getting it right? In *Love Stars* astrologer Jen Struthers explains that knowing someone's sun sign is merely a fun start - if you are serious about finding your true love match, and improving all of your relationships with other people, you need to do a deep dive into your birth chart. Sound scary? With *Love Stars*, Jane shows how easy it is, and will hand-hold you through the whole process. To get started, Jane introduces some essential astrological building blocks and reveals that understanding the roles of Venus and Mars in your birth chart will give you huge insights into how you relate to others, especially on a romantic level. Once you learn about your own style of loving and sexual expression, you'll have a much better chance at finding true love. And, of course, you can read up on your partner's Venus and Mars placings, too, to give you increased insight into what makes them tick in relationships. As you read this book you can expect to have a few 'aha' moments when areas of your partnerships that have always puzzled you are finally explained. This is especially true if you've only ever explored the meaning of your Sun or Moon sign but don't know anything about the rest of your chart. You've embarked on a fascinating journey! For many of us, life is pretty much all about our relationships, and love is a scary yet exciting thing. *Love Stars* is like being given a special key that can help to unlock the secrets of how to get along with the people, what we expect from them, and how to create a love that lasts.

One of Akira Kurosawa's most popular films, *Yojimbo* (1961) tells the story of a vagrant samurai who outsmarts two gangs warring to control a small town in mid-19th century Japan. This plot a lone hero who challenges both potent rivals struggling to control a place has proved remarkably adaptable. Recent film settings include the American southwest, New York, the coast of Ireland, Viking Iceland, and outer space. The rivals include drug dealers, police, witches, and seals, the hero a hit-man, a psychopath, a senior, an orphan. These films track the basic plot or veer off in unexpected directions. They provide an evening's delight or arouse enduring intellectual engagement with a wide variety of disciplines. *Rhapsody on a Film by Kurosawa* explores this cultural complex. Films discussed include *American Beauty* (1999), *Donnie Darko* (2001), *The King of Masks* (1996), *Memento* (2000), *Ponette* (1996), *Requiem for a Dream* (2000), *Se7en* (1995), and *The Witches* (1990). Other sections discuss possible origins of the plot in the work of Dashiell Hammett and Shakespeare, a *Yojimbo* hero who emerged in the final days of the Tokugawa Shogunate, and the relation of *Yojimbo* to Kurosawa's cinematic career. *Rhapsody on a Film by Kurosawa* is the author's first book.

A beautiful, stylish, young wife is admitted to hospital as clinically dead. Brilliant doctors, teams of nurses, social workers and religious workers work with skill and compassion to determine the cause and begin the awesome work of healing. Medical information is compiled, lists of doctors, units, programs, research teams, material on her career, achievements, pet projects, attitudes, goals. In this hospital is an extremely rich clan of generous people. She is first to admit that her most remarkable accomplishment is her team. The art of tyranny in the black knight, Grant Bates, is at its finest with hidden agendas, secret societies, deception that culminates in the murder of faith, hope and love. Strong support by the church community helps in understanding the spiritual dimension that is sometimes in conflict with the medical world. This is the story of one woman who survives death, overcomes all obstacles and finds pure love as a dynamic duo. There is a powerful love between them and they are able to find a new balance. Grant Bates releases his tyrannical hold and the story draws to an intoxicating finish with I did it. It is over. Medical, educational and religious circles have been mesmerized by this story. Sensitivity to the plight of women is a universal issue whose time has come.

A guide to the practice of astrology, for students, novice astrologers and therapists interested in providing counseling and readings. Astrology ascribes meaning to planetary events and assumes that the energy that moves the universe has a kind of inherent intelligence. The astrologer maintains that there is a natural resonance between the evolving motion of the universe, and the development of the human soul. For the first time, Adrian Duncan shows how to empower clients and create transformation by harnessing horoscopes. Duncan has created an innovative manual that masterfully guides astrological practitioners and interpreters through every aspect of working with clients. Going beyond astrology simply as a diagnostic tool, *Astrology: Transformation & Empowerment* shows how to harness perception and sensory states to create positive change in one interpretive session. Part 1 "Setting the Scene," explains how to read the client before reading their chart. Body language, mind reading, and the elements are touched upon. Part 2 "The Major Players," depicts specific planetary combinations and what they entail in regard to emotional responses, relationships, and the future. Part 3 "Transformation Methods," teaches ways to expand awareness of the problem at hand, reframe the reading, expand sensory skills, and discover new communications systems. Throughout, Duncan shares profiles and vignettes of clients that demonstrate his techniques.

Get a Man to Fall Deeply for You

This book is dedicated to lovers young and old who seek to rekindle the flames of love that once ignited their hearts. In a loveless world we tend to forget how to love or bound by routine we become too weary to express our affection. Love demands our time, energy, power, attention, patience, forgiveness and loyalty. Your devoted efforts will repay you with true love. Bring back the glow that radiates from within to make them smile and light up their eyes. Assist the life that rumbles within them to penetrate their soul, awakening their senses and overflowing their heart with joy. The feeling you had when you first kissed, the first touch of their hand or the first time you held each other close can resurface. For new lovers who are starting an adventure in life as one, remember that love is what you make of it. To keep it strong and enduring you must always show the passion and desires within. Don't hold back from expressing your deepest emotions but allow them to be the bonding unit between the two of you. Allow yourself to love and be loved. May the thoughts within help your heart to grow, your love to burn within, and your marriage be of everlasting happiness. May you come to know love as the gift it truly is.

Discover the truth about you and your partner with this guide to synastry--the astrological art of relationship compatibility! Why do we attract certain people to us, and why are we attracted to them? What planetary influence is going on when we first meet? Answer these questions with Relationship Astrology. Written for beginners and intermediate star-gazers alike, this in-depth guide to synastry (the astrological art of relationship compatibility determined by the comparison of two charts) includes all you need to know to set up an affinity chart between you and another. You'll be privy to interpretations for every combination of planets, rising signs, and elemental energies to work out your affinity with a new admirer, lover, or current partner. The book explores relationships from both a psychological and also mysteriously "fated" angle by examining affinity charts. The chart reveals important information, such as emotional needs, issues around sex or power, and whether the relationship is purely physical or primed for long-term love. You'll learn how Venus, Mars, and the asteroid Eros define your sexual compatibility. You'll read up on how Saturn signifies long-term commitment, often binding us to our mate in ways that have nothing to do with physical or romantic attraction. From dizzy infatuation to sexual desire to long-term commitment or breakup, the Relationship Astrology guide reveals everything about relating and how to make your relationships work. Whether you're already in love, still searching for a match, or in a long-term twosome, this book promises to help you discover the truth about you and a lover or partner.

Do you want to tell your child, grandchild, parent, grandparent, significant other, or anyone for that matter--how much you love them? Then, this is the book for you! When my wife and I fell in love, she would ask me: "How much do you love me?" It became a contest of sorts. We would tell each other how much we loved the other with many of the verses found in this book. Then we tried to get more creative and never repeat a previous phrase we used before. This carried over to our 3 kids, when we'd put them to bed, and even our family dog named Squirt (a 4-pound Yorkie), who is featured in this book, and now our first grandchild (Madden). If you are wanting to tell someone how MUCH you love them: This

is THE book to read to them."Life is short...Tell them how much you love them."It will warm your heart and theirs too!

Everyone is interested in love and relationships. People want to understand why they are attracted to some people and turned off by others; and whether their sexual style, expectations, and relationship goals are compatible with those of their current or potential lover or partner. This fun and helpful guide shows us how understanding sun signs can enhance our relationships. Sun signs can tell us whether a lover is passionate or romantic, faithful or flirtatious. Is he/she looking for sex or friendship, fidelity or freedom? Is he/she the one for me? Are we suited? Which signs attract and which repel? What is his/her sexual style, favorite fantasy, or turn-on? What can help lovers stay together, and how will break-ups happen? Linda Goodman's Love Signs and Liz Greene's Relating have been in print for thirty years. The market is ready for an insightful new book reflecting our more forthright approach to love and sexuality.

Sun Signs for Lovers

I've always heard that you should marry someone that loves you more than you love them - that if you do this, you'll always be happy. Did I follow that advice? No. Am I happy? No. And is Finn happy? No. I'm stuck in a marriage with an ex-Marine suffering from PTSD. I'm not sure we're in love anymore. We have a baby who brings us both joy-but it's not enough. I feel like my life is crumbling around me and I'm struggling to keep the pieces together. Someone from my past has sauntered back in quietly, unknowingly. To my surprise, the attention is what I was craving. I have to make a decision. Do I stay and fight, or leave, when the idea of escape is beautiful and tempting? I'm always the one who loves more.

Love Me More

This book shows why people fall in and out of love. The author, an astrologer and former police crime analyst, finds that the same hidden patterns associated with Venus occur continuously and consistently in the majority of relationships. A study of 1300 celebrity and historical relationships, backed up with details and charts, proves the point. When Stars Collide brings relationship and astrology into context and takes a giant leap forward towards not only understanding how to find out who you will attract, but also when you will attract them.

Get to the heart of all your relationships with this astrology-based book-and-card set. The cards are divided into three suits - 12 character cards, or zodiac sun signs; 12 moon cards, revealing inner emotions and secrets; and 26 love prediction cards, which divine the potential outcome of any situation. To complete the deck are two power cards, Venus and Mars. Venus is the goddess of love and femininity, and Mars the personification of action and passion. Whenever they appear in a reading, cosmic energy will further inspire your love adventures, bringing positive outcomes. The book gives interpretations for every card, and explains exactly how to lay them out for a reading.

Astrology for Lovers

I love you, I love you! I love you? Did you hear yourself read that, did it ring in your mind? Of course you are not saying it to anyone but you are just reading it. Do you remember how many times you have ever said these three words to someone special in your life? Probably you do say it often but do you always mean it? With your mind? Heart? Emotion? Or just from your sense or body? What of when someone say it to you, how do you take it, flattered? Or you prove of it as loved? May be you wait until the person justify it with some action? Or you laugh at it and assume that's ordinary and those three words are just like any word and have only been sweetened by the world of fantasy. Whichever, at least you know there is something known as love whether you believe in it or not, just the same way heaven is real but you don't have to believe, it is a choice. Now whether one chooses to believe in love or not, at one point or another we must need it. Ask me where and when? That should not be a question, look around you, you are not an island; what force do you think bonds you to those people? I mean family, friends and even yourself? It is the force of love, it could be fake or real, depending on the energy that drives the force or the source. My curiosity on where the worlds morality is headed to have made me question where exactly did the rain did start beating us, that is, on every wrong in our contemporary society. I have asked myself why they happen yet we have love which ought to give a permanent solution. Then I noticed that all the problems we face be it war, divorce, poverty, environmental degradation, human trafficking, corruption, tribalism happens because of how we relate. Meaning most of our relationships are fake and vague; solely intended for the prosperity of self and after that is reaped then we fall apart. The relationship are not fake or vague because that is how they were meant to be but we have ignorantly chosen and have let them be, either directly or indirectly, since we are selfish and rarely think of others. In Romans 12; 9, Paul tells us not to be hypocrites by pretending to love but instead we should genuinely love and hate what it is wrong but we have become ignorant and unwilling to love with affection, instead we pretend to love yet we don't. And due to our hypocrisy, failure, sorrow, disappointment and unceasing lamentation has been the result, not because we don't love, of course we do love only that it is vague and fake. For a better world it is absolutely a high time we seek what love is and then sincerely love right for our good and for a peaceful and a better society free from all forms of hatred. If we can truly seek love, as God made it, that love which is never altered, that which loves unconditionally then we can be assured of a happy life with unceasing joy and laughter because love just solves all. But first we must know the difference between the real love (that has been ignored or rather not known) and the most embraced fake, vague love. So we can know how to acquire, maintain it before finally expressing it to those whom we relate to for a happy, peaceful society. That far you have noticed the love to be elaborately discussed in this book is not "I love football" or "I love pizza" kind of love but the love that is love I mean the original meaning of love not as it is been borrowed today in our discourse to mean anything which is our favorite. Of course love is a polysemant whose meaning are close and correlated and misunderstood and this book beyond reasonable doubt unravels the love that permanently bonds us for a fulfilling relationship Enjoy your reading and discovery on love and to always relate in it but if what you shall find in this book be an error and upon me proved then love never existed and no man shall ever truly love.
