The Big Big Little Book Book

A catalog of old comic books.

Westerns

For nearly two centuries, Americans have embraced the Western like no other artistic genre. Creators and consumers alike have utilized this story form in literature, painting, film, radio and television to explore questions of national identity and purpose. Westerns: The Essential Collection comprises the Journal of Popular Film and Television's rich and longstanding legacy of scholarship on Westerns with a new special issue devoted exclusively to the genre. This collection examines and analyzes the evolution and significance of the screen Western from its earliest beginnings to its current global reach and relevance in the 21st century. Westerns: The Essential Collection addresses the rise, fall and durability of the genre, and examines its preoccupation with multicultural matters in its organizational structure. Containing eighteen essays published between 1972 and 2011, this seminal work is divided into six sections covering Silent Westerns, Classic Westerns, Race and Westerns, Gender and Westerns, Revisionist Westerns and Westerns in Global Context. A wide range of international contributors offer original critical perspectives on the intricate relationship between American culture and Western films and television series. Westerns: The Essential Collection places the genre squarely within the broader aesthetic, socio-historical, cultural and political dimensions of life in the United States as well as internationally, where the Western has been reinvigorated and reinvented many times. This groundbreaking anthology illustrates how Western films and television series have been used to define the present and discover the future by looking backwards at America's imagined past.

Official Overstreet Comic Book Price Guide

A catalog and price guide for collectors of comic books.

Toys & Prices 2006

For five weeks—from April 14 to May 21, 1927—the world held its breath while fourteen aviators took to the air to capture the \$25,000 prize that Raymond Orteig offered to the first man to cross the Atlantic Ocean without stopping. Joe Jackson's *Atlantic Fever* is about this race, a milestone in American history whose story has never been fully told. Delving into the lives of the big-name competitors—the polar explorer Richard Byrd, the French war hero René Fonck, the millionaire Charles Levine, and the race's eventual winner, the enigmatic Charles Lindbergh—as well as those whose names have been forgotten by history (such as Bernt Balchen, Stanton Wooster, and Clarence Chamberlin), Jackson brings a completely fresh and original perspective to the race to conquer the Atlantic. *Atlantic Fever* opens for us one of those magical windows onto a moment when the nexus of technology, innovation, character, and spirit led so many contenders from different parts of the world to be on the cusp of the exact same achievement at the exact same time.

International Journal of Comic Art

"The bible for all comic book collectors' is not an exaggeration for this dependable guide...an indispensable part of any comic book collector's library [and] a standard reference that has stood the test of time." -- "Maine Antique Digest" "The Official(R) Overstreet(R) Comic Book Price Guide is the one-volume, professional sourcebook for America's most popular collectible which no comic book collector or investor can afford to be without. Atlantic Fever

This is the first book to comprehensively examine the multitude of non-Archie teen humor comic books, including girls and boys such as Patsy Walker, Hedy Wolfe, Buzz Baxter and Wendy Parker from Marvel; Judy Foster, Buzzy, Binky and Scribbly from DC; Candy from Quality Comics; and Hap Hazard from Ace Comics. It covers, often for the first time, the history of the characters, who drew them, why (or why not) they succeeded as rivals for the Archie Series, highlights of both unusual and typical stories and much more. The author provides major plotlines and a history of the development of each series. Much has been written about the Archie characters, but until now very little has been told about most of their many comic book competitors.

Heritage Comics Dallas Signature Auction Catalog #820

The singular resource that contains contact information for more than 23,250 antiques and collectibles resources in nearly 3,200 specialty categories is better than ever. The Official Overstreet

This is the definitive work on Roy Rogers, the "King of the Cowboys." The lives and careers of Rogers and his wife, Dale Evans, are thoroughly covered, particularly their work on radio and television. The

merchandising history of Roy Rogers reveals that his marketing of character-related products was second only to that of Walt Disney; Roy Rogers memorabilia are still among the most popular items. Includes a comprehensive discography, filmography and comicography. Heavily illustrated.

Archie's Rivals in Teen Comics, 1940s-1970s

For the better part of three decades romance comics were an American institution. Nearly 6000 titles were published between 1947 and 1977, and for a time one in five comics sold in the U.S. was a romance comic. This first full-length study examines the several types of romance comics, their creators and publishing history. The author explores significant periods in the development of the genre, including the origins of Archie Comics and other teen publications, the romance comic "boom and bust" of the 1950s, and their sudden disappearance when fantasy and superhero comics began to dominate in the late 1970s.

HCA Heritage Comics Auction Catalog

"The Official Overstreet Comic Book Price Guide" offers a complete record of existing comic books from the 1800s to the present, indexed, illustrated, and priced according to condition. of color photos. 1,500 b&w photos.

Heritage Comics and Comic Art Signature Auction #828

The advent of the Atomic Age challenged purveyors of popular culture to explain to the general public the complex scientific and social issues of atomic power. Atomic Comics examines how comic books, comic strips, and other cartoon media represented the Atomic Age from the early 1920s to the present. Through the exploits of superhero figures such as Atomic Man and Spiderman, as well as an array of nuclear adversaries and atomic-themed adventures, the public acquired a new scientific vocabulary and discovered the major controversies surrounding nuclear science. Ferenc Morton Szasz's thoughtful analysis of the themes, content, and imagery of scores of comics that appeared largely in the United States and Japan offers a fascinating perspective on the way popular culture shaped American comprehension of the fissioned atom for more than three generations.

Maloney's Antiques and Collectibles Resource Directory

The 50-year history of The Overstreet Comic Book Price Guide is documented and celebrated in this lush history of book collectors and dealers alike have called "The Bible" of the comic book industry. Veteran collectors, historians, dealers, and Bob Overstreet himself detail the story of the Guide's early days and its importance to the vibrant comic book market that exists today. Includes vintage concept art, ad materials, a cover gallery spanning five decades, the complete Overstreet Hall of Fame, and more.

Roy Rogers

The highly collectible world of lost universes gets a brand-new specially focused edition of The Overstreet Comic Book Price Guide that also serves as a Photo-Journal of all the books listed. From in-depth looks at the original Milestone and Valiant to Tower's T.H.U.N.D.E.R. Agents and Charlton's superheroes, and from Topp's Kirbyverse and the MLJ/Archie heroes to Malibu's Ultraverse and Marvel's New Universe, this full-color book dives deep into Atlas-Seaboard, Comics Greatest World, Continuity, Defiant, Future Comics, Triumphant and more. Not only is packed with images and prices, but it also includes creator and collector interviews and insights.

Lists current prices for comic books and offers advice on collecting, storing, and selling them

Popular Science

In the style of a cinematic travel journal, film columnist and critic Jeffrey Overstreet of Christianity Today and lookingcloser.org leads readers down paths less traveled to explore some of the best films you've never seen. Examining a feast of movies, from blockbusters to buried treasure, Overstreet peels back the layers of work by popular entertainers and under-appreciated masters. He shares excerpts from conversations with filmmakers like Peter Jackson, Wim Wenders, Kevin Smith, Scott Derrickson, producer Ralph Winter, and stars like Elijah Wood, Ian McKellan, Keanu Reeves and the cast of Serenity, drawing "war-stories" from his encounters with movie stars, moviemakers, moviegoers and other critics in both mainstream and religious circles. He argues that what makes some films timeless rather than merely popular has everything to do with the way these artists—whether they know it or not—have captured reflections of God in their work. Through a Screen Darkly also includes a collection of reviews, humorous anecdotes and on-the-scene film festival reports, as well as recommendations for movie discussion groups and meditations on how different films echo the myriad ways in which Christ captured the attention and imagination of culture.
